3. **Additional Payment**

Notwithstanding Section 2(a)(iii)(2) (but without prejudice to Section 2(a)(iii)(1)) and Section 6(c) of the Agreement, in the event that an Early Termination Date occurs in respect of the Transaction evidenced by this Confirmation as a result of an Additional Termination Event pursuant to Part 1(h)(i) or Part 1(h)(iii) or Part 1(h)(iv) of the Schedule to the Agreement, then on that Early Termination Date:

- (i) Party A will pay to Party B an amount in CHF equal to the Principal Amount Outstanding of the Covered Bonds to be redeemed in whole or in part pursuant to Conditions 6.2 (*Redemption for taxation reasons*) or 6.6 (Redemption due to illegality or invalidity) or to be purchased and surrendered in whole or in part pursuant to Condition 6.10 (*Purchases*) of the Terms and Conditions (the **Party A Early Redemption Amount**); and
- (ii) Party B will pay to Party A an amount in Sterling equal to the Party A Early Redemption Amount, converted by reference to the Covered Bond Swap Rate.

To the extent that, in respect of any payments described in (i) and (ii) above, Party B makes only a partial payment (or fails to make a full payment) of the amount due to Party A under (ii) above, then Party A shall reduce its corresponding payment to Party B under (i) above by the

same percentage reduction, and shall have no other obligation to Party B in respect of such payment. For the avoidance of doubt, an amount calculated pursuant to Section 6(e) of the Agreement will also be due between the parties as a result of such Early Termination Date but such amount shall be calculated after taking into account the payments described in (i) and (ii) above. In the event that Party B intends to make only a partial payment (or to fail to make a full payment) of any amount due to Party A, Party B shall provide Party A with at least two London Business Days' notice of such intention.

4. Additional Provisions

Party B, or the Cash Manager acting on Party B's behalf, shall notify Party A of the amount of principal payments to be made on the Covered Bonds on each Final Exchange Date (for purposes of calculating payment of any Final Exchange Amounts). Such notification may be made in respect of a Final Exchange Date by receipt by Party A of written confirmation from Party B, or the Cash Manager acting on Party B's behalf, of an irrevocable payment instruction to a bank from Party B to make a payment to Party A in an amount equal to an amount in Sterling corresponding to the Covered Bonds to be redeemed on such Final Exchange Date converted by Party B by reference to the Covered Bond Swap Rate on or prior to 5:00 p.m., London time, two London Business Days prior to such Final Exchange Date (a **Redemption Notice**, and the Sterling Amount specified in the written confirmation delivered to Party A, the **Redemption Notice Amount**).

If Party A does not receive a Redemption Notice with respect to any Final Exchange Date, then the parties will not be required to pay any Final Exchange Amounts on such Final Exchange Date. In addition, if Party A does not receive a Redemption Notice confirming that the Covered Bonds are redeemable in full on the Final Maturity Date (and the Covered Bonds are not redeemed in full on or prior to the Extension Determination Date):

- (i) the Termination Date for this Transaction shall be deemed to be the Final Exchange Date in respect of which a Redemption Notice is given and, taking into account such Redemption Notice and each other Redemption Notice, the sum of all Redemption Notice Amounts equals the Party A Initial Exchange Amount 1;
- (ii) for the avoidance of doubt, Party A's obligation to pay the Party A Initial Fixed Amounts shall cease as from the Final Maturity Date and Party A shall from (but excluding) such date be obliged to pay the Party A Subsequent Fixed Amounts to Party B, and Party B shall be obliged to continue to pay the Party B Floating Amounts; and
- (iii) the final Party A Calculation Period and the final Party B Calculation Period shall end on, but exclude, the Termination Date.

Without prejudice to the generality of the above provisions, Party B, or the Cash Manager acting on Party B's behalf, shall notify Party A at least two London Business Days prior to the Final Maturity Date whether or not the Covered Bonds will be redeemed (in whole or in part) on the Final Maturity Date and, if they will not be, whether or not the Covered Bonds will be redeemed (in whole or in part) on or prior to the Extension Determination Date.

If on the Extended Due for Payment Date the Principal Amount Outstanding of the Covered Bonds has not been reduced to zero (whether by redemption or cancellation) then on the Extended Due for Payment Date:

- (i) Party B will pay to Party A an amount in Sterling equal to the amount to be applied on the Extended Due for Payment Date toward redemption of the Covered Bonds converted at the Covered Bond Swap Rate; and
- (ii) Party A will pay the CHF equivalent of the amount received from Party B, converted at the Covered Bond Swap Rate.

For purposes of calculating any amount due under Section 6(e) of the Agreement in respect of a Termination Event that occurs during the period from, but excluding, the Final Maturity Date to, and including, the Extension Determination Date, the Termination Date shall be deemed to be the Final Maturity Date, unless Party B or the Cash Manager has determined as of that date that Party B has insufficient funds to pay the Guaranteed Amounts, in which case the Termination Date shall be deemed to be the Extended Due for Payment Date (subject as provided above).

Party B agrees as soon as reasonably practicable after a Redemption Notice has been given to advise Party A by telephone (or email if provided in the notice details below) of the fact of such Redemption Notice; provided, however, that the failure by Party B, or the Cash Manager acting on Party B's behalf, to do so shall not affect the validity of any Redemption Notice under the Transaction evidenced by this Confirmation.

ANNEX
SONIA Fallback Provisions

Temporary Non-Publication of SONIA Index

Subject to the below, if the SONIA Index is not published by the SONIA Administrator or an authorised distributor and is not otherwise provided by the SONIA Administrator or an authorised distributor by the SONIA Compounded Index Fixing Day or such other date on which the SONIA Index is required, then the level of the SONIA Index for such date will be determined by the Calculation Agent by reference to the last published level of the SONIA Index and the SONIA Index benchmark methodology published by the SONIA Administrator.

An Index Cessation Effective Date – SONIA Compounded Index

If an Index Cessation Event – SONIA Compounded Index occurs, the rate for a SONIA Compounded Index Fixing Day occurring on or after the Index Cessation Effective Date – SONIA Index will be the rate determined by the Calculation Agent by reference to the last published level of the SONIA Index, the SONIA Index benchmark methodology published by the SONIA Administrator and SONIA as provided by the SONIA Administrator for each day in respect of which SONIA is required by the Calculation Agent for that determination.

Temporary Non-Publication of SONIA

Subject to the below, in respect of any day for which SONIA is required by the Calculation Agent, if on the London Business Day immediately following such day, neither the SONIA Administrator nor an authorized distributor of SONIA has provided or published SONIA in respect of that day, SONIA for the purpose of the SONIA Index benchmark methodology will be the last provided or published SONIA.

A SONIA Index Cessation Effective Date

If a SONIA Index Cessation Event occurs, the rate for a SONIA Compounded Index Fixing Day occurring on or after the SONIA Index Cessation Effective Date will be the rate determined by the Calculation Agent by reference to the last published level of the SONIA Index and the SONIA Index benchmark methodology published by the SONIA Administrator as if references in that methodology to SONIA for each day in respect of which SONIA is required by the Calculation Agent for that determination were references to the GBP Recommended Rate in respect of the same day for which a rate for SONIA was required.

Temporary Non-Publication of GBP Recommended Rate

If there is a GBP Recommended Rate before the end of the first London Business Day following the SONIA Index Cessation Effective Date but neither the administrator nor authorized distributors provide or publish the GBP Recommended Rate, then, subject to the below, in respect of any day for which the GBP Recommended Rate is required, references to the GBP Recommended Rate will be deemed to be references to the last provided or published GBP Recommended Rate. However, if there is no last provided or published GBP Recommended Rate, then in respect of any day for which the GBP Recommended Rate is required, references to the GBP Recommended Rate will be deemed to be references to the last provided or published SONIA.

No GBP Recommended Rate or GBP Recommended Rate Index Cessation Effective Date

If:

- a) there is no GBP Recommended Rate before the end of the first London Business Day following the SONIA Index Cessation Effective Date; or
- b) there is a GBP Recommended Rate and a GBP Recommended Rate Index Cessation Effective Date subsequently occurs,

then the rate for a SONIA Compounded Index Fixing Day occurring on or after the SONIA Index Cessation Effective Date or the GBP Recommended Rate Index Cessation Effective Date (as applicable) will be determined by the Calculation Agent by reference to the last published level of the SONIA Index and the SONIA Index benchmark methodology published by the SONIA Administrator as if references in that methodology to SONIA for each day in respect of which SONIA is required by the Calculation Agent for that determination were references to the UK Bank Rate.

UK Bank Rate

In respect of any day for which the UK Bank Rate is required, references to the UK Bank Rate will be deemed to be references to the last provided or published UK Bank Rate as at close of business in London on that day.

Definitions

For these purposes:

"Index Cessation Effective Date - SONIA Compounded Index" means, in respect of the SONIA Index and an Index Cessation Event - SONIA Compounded Index, the first date on which the SONIA Index would ordinarily have been provided and is no longer provided;

"Index Cessation Event - SONIA Compounded Index" means, in respect of the SONIA Index:

- a) a public statement or publication of information by or on behalf of the SONIA Administrator announcing that it has ceased or will cease to provide the SONIA Index permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide the SONIA Index; or
- b) a public statement or publication of information by the regulatory supervisor for the SONIA Administrator, the central bank for the currency of the SONIA Index, an insolvency official with jurisdiction over the SONIA Administrator, a resolution authority with jurisdiction over the SONIA Administrator or a court or an entity with similar insolvency or resolution authority over the SONIA Administrator, which states that the SONIA Administrator has ceased or will cease to provide the SONIA Index permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide the SONIA Index; and

"SONIA Compounded Index Fixing Day" means each Party B Reset Date (or any amended publication day for the SONIA Index, as specified by the SONIA Administrator in the SONIA Index benchmark methodology).

"GBP Recommended Rate", "GBP Recommended Rate Index Cessation Effective Date", "GBP Recommended Rate Index Cessation Event", "SONIA Index Cessation Effective

Date, "**SONIA Index Cessation Event**" and "**UK Bank Rate**" have the meanings given to them in the Definitions.
