such matters shall be determined by a merchant or investment bank or other professional person (acting as an expert and not as an arbitrator) selected by the Trustee and approved by the relevant Issuer or, failing such approval, nominated (on the application of the Trustee) by the President for the time being of The Law Society of England and Wales (the expenses involved in such nomination and the fees of such merchant or investment bank or other professional person being payable by the relevant Issuer) and the determination of any such investment bank or other professional person shall be final and binding upon the Trustee and such Issuer.

14.5 Each Issuer shall also pay or discharge all costs, charges, liabilities and expenses which the Trustee may properly incur in relation to the preparation and execution of, the exercise of its powers and the performance of its duties under, and in any other manner in relation to, these presents, including but not limited to legal and travelling expenses properly incurred and any stamp, issue, registration, documentary and other similar taxes or duties paid or payable by the Trustee in connection with any action taken or contemplated by or on behalf of the Trustee for enforcing, or for any other purpose in relation to, these presents.

14.6 All amounts due and payable pursuant to Clauses 14.5 and 15(j) shall be payable by each Issuer (as applicable) on the date specified in a demand by the Trustee and in the case of payments actually made by the Trustee prior to such demand shall (if not paid within three days after such demand and the Trustee so requires) carry interest at the rate of three per cent. per annum above the Base Rate from time to time of National Westminster Bank Plc from the date specified in such demand, and in all other cases shall (if not paid on the date specified in such demand or, if later, within three days after such demand and, in either case, the Trustee so requires) carry interest at such rate from the date specified in such demand. All remuneration payable to the Trustee shall carry interest at such rate from the due date therefor.

- 14.7** Unless otherwise specifically stated in any discharge of these presents the provisions of this Clause and Clause 15(j) shall continue in full force and effect notwithstanding such discharge.
- 14.8** The Trustee shall be entitled in its absolute discretion (acting reasonably) to determine in respect of which Series of Notes any costs, charges, expenses or liabilities incurred under these presents have been incurred or to allocate any such costs, charges, expenses or liabilities between the Notes of any Series. Notwithstanding any provision of these presents to the contrary, the Trustee shall not in any event be liable for indirect, punitive or consequential loss or special damages or other damage of any kind whatsoever (including but not limited to lost profits), regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.
- 14.9** All payments to be made by each Issuer pursuant to this Clause 14 and/or Clause 15(j) shall be made without set off, counterclaim, deduction or withholding, unless otherwise compelled by law. In the event of any deduction or withholding compelled by law, each Issuer will pay such additional amount as will result in the payment to the Trustee of the amount which would otherwise have been payable by each Issuer to the Trustee hereunder in the absence of such deduction or withholding.

15 Supplement to Trustee Acts

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Trustee in relation to the trusts constituted by these presents. Where there are any inconsistencies between the Trustee Acts and the provisions of these presents, the provisions of these presents shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of these presents shall constitute a restriction or exclusion for the purposes of that Act. The Trustee shall have all the powers conferred upon trustees by the Trustee Acts and by way of supplement thereto it is expressly declared as follows:

- (a) The Trustee may in relation to these presents act on the advice or opinion of or any information obtained from any lawyer, valuer, accountant, surveyor, banker, broker, auctioneer or other expert whether obtained by the Issuers, the Trustee or otherwise and shall not be responsible for any loss occasioned by so acting.
- (b) Any such advice, opinion or information may be sent or obtained by letter or e-mail and the Trustee shall not be liable for acting on any advice, opinion or information purporting to be conveyed by any such letter or e-mail although the same shall contain some error or shall not be authentic.
- (c) The Trustee may call for and shall be at liberty to accept as sufficient evidence of any fact or matter or the expediency of any transaction or thing a certificate signed by two duly authorised officers of the relevant Issuer, and the Trustee shall not be bound in any such case to call for further evidence or be responsible for any loss that may be occasioned by it or any other person acting on such certificate.
- (d) The Trustee shall be at liberty to hold or to place these presents and any other documents relating thereto or to deposit them in any part of the world with any banker or banking company or company whose business includes undertaking the safe custody of documents or lawyer or firm of lawyers considered by the Trustee to be of good repute and the Trustee shall not be responsible for or required to insure against any loss incurred in connection with any such holding or deposit and may pay all sums required to be paid on account of or in respect of any such deposit.

- (e) The Trustee shall not be responsible for the receipt or application of the proceeds of the issue of any of the Notes by the relevant Issuer, the exchange of any Global Note for another Global Note or Definitive Notes or the delivery of any Global Note or Definitive Notes to the person(s) entitled to it or them.
- (f) The Trustee shall not be bound to give notice to any person of the execution of any documents comprised or referred to in these presents or to take any steps to ascertain whether any Event of Default or any Potential Event of Default or appointment of an administrator of the relevant Issuer or breach of the provisions of these presents has occurred and shall be under no obligation to monitor or supervise the functions of any other person under any agreement or document related to the transactions contemplated in these presents and, until it shall have actual knowledge or express notice pursuant to these presents to the contrary, the Trustee shall be entitled to assume that no Event of Default or Potential Event of Default has occurred and no administrator of the relevant Issuer has been appointed and that the relevant Issuer is observing and performing all its obligations under these presents.
- (g) Save as expressly otherwise provided in these presents, the Trustee shall have absolute and uncontrolled discretion as to the exercise or non-exercise of its trusts, powers, authorities and discretions under these presents (the exercise or non-exercise of which as between the Trustee and the Noteholders and Couponholders shall be conclusive and binding on the Noteholders and Couponholders) and shall not be responsible for any losses, fees, claims, actions, demands, costs, charges, damages, expenses and/or liabilities which may result from their exercise or non-exercise.
- (h) The Trustee shall not be liable to any person by reason of having acted upon any Extraordinary Resolution in writing or any Extraordinary Resolution or other resolution purporting to have been passed at any meeting of the holders of Notes of all or any Series in respect whereof minutes have been made and signed even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution, (in the case of an Extraordinary Resolution in writing) that not all such holders had signed the Extraordinary Resolution or that for any reason the resolution was not valid or binding upon such holders and the relative Couponholders.
- (i) The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any Note or Coupon purporting to be such and subsequently found to be forged or not authentic.
- (j) Without prejudice to the right of indemnity by law given to trustees, each Issuer shall indemnify the Trustee and each of its officers, employees and advisers and keep it or him indemnified against all losses, liabilities, costs, claims, actions, damages, demands, proceedings or expenses to which it or he may be or become subject or which may be incurred by it or him in the proper execution or purported proper execution of any of its or his trusts, powers, authorities and discretions under these presents or its or his functions under any such appointment or in respect of any other matter or thing done or omitted in any way relating to these presents or any such appointment (including any amounts or claims which the Trustee is or would be obliged to pay or reimburse to any of its agents appointed pursuant to these presents ("**Delegate Liabilities**")). Each Issuer will on demand by such agent or delegate indemnify it against such Delegate Liabilities. The Contracts (Rights of Third Parties)

Act applies to this Clause 15(j) but the consent of any such agent or delegate shall not be required for any amendment to these presents. The provisions of this Clause 15(j) shall survive the resignation or removal of the Trustee and the termination of these presents.

- (k) Any consent or approval given by the Trustee for the purposes of these presents may be given on such terms and subject to such conditions (if any) as the Trustee thinks fit and notwithstanding anything to the contrary in these presents may be given retrospectively. The Trustee may give any consent or approval, exercise any power, authority or discretion or take any similar action (whether or not such consent, approval, power, authority, discretion or action is specifically referred to in these presents) if it is satisfied that the interests of the Noteholders will not be materially prejudiced thereby. For the avoidance of doubt, the Trustee shall not have any duty to the Noteholders in relation to such matters other than that which is contained in the preceding sentence. Nothing in this paragraph (k) shall limit the Trustee's power to give any consent or approval or exercise any power, authority or discretion or take any similar action as may be permitted by these presents.
- (l) The Trustee shall not (unless and to the extent ordered so to do by a court of competent jurisdiction) be required to disclose to any Noteholder or Couponholder any information (including, without limitation, information of a confidential, financial or price sensitive nature) made available to the Trustee by the relevant Issuer or any other person in connection with the trusts of these presents and no Noteholder or Couponholder shall be entitled to take any action to obtain from the Trustee any such information.
- (m) Where it is necessary or desirable for any purpose in connection with these presents to convert any sum from one currency to another it shall (unless otherwise provided by these presents or required by law) be converted at such rate or rates, in accordance with such method and as at such date for the determination of such rate of exchange, as may be agreed by the Trustee in consultation with the relevant Issuer and any rate, method and date so agreed shall be binding on the relevant Issuer, the Noteholders and the Couponholders.
- (n) The Trustee as between itself and the Noteholders and the Couponholders may determine all questions and doubts arising in relation to any of the provisions of these presents. Every such determination, whether or not relating in whole or in part to the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee and the Noteholders and the Couponholders.
- (o) In connection with the exercise by it of any of its trusts, powers, authorities or discretions under these presents (including, without limitation, any modification, waiver, authorisation or determination), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the relevant Issuer, the Trustee or any other person any indemnification or

payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 7 and/or any undertaking given in addition thereto or in substitution therefor under these presents.

- (p) The Trustee may whenever it thinks fit delegate by power of attorney or otherwise to any person or persons or fluctuating body of persons (whether being a joint trustee of these presents or not) all or any of its trusts, powers, authorities and discretions vested in the Trustee by these presents. Such delegation may be made upon such terms (including power to sub-delegate) and subject to such conditions and regulations as the Trustee may in the interests of the Noteholders think fit. Provided that the Trustee shall have exercised reasonable care in the selection of any such delegate the Trustee shall not be under any obligation to supervise the proceedings or acts of any such delegate or sub-delegate or be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate. The Trustee shall within a reasonable time after any such delegation or any renewal, extension or termination thereof give notice thereof to the relevant Issuer.
- (q) The Trustee may in the conduct of the trusts of these presents instead of acting personally employ and pay an agent (whether being a lawyer or other professional person) to transact or conduct, or concur in transacting or conducting, any business and to do, or concur in doing, all acts required to be done in connection with these presents (including the receipt and payment of money). Provided that the Trustee shall have exercised reasonable care in selecting any such agent the Trustee shall not be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such agent or be bound to supervise the proceedings or acts of any such agent. In relation to any asset held by it under these presents, the Trustee may appoint any person to act as its nominee on any terms.
- (r) The Trustee shall not be responsible for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto and shall not be liable for any failure to obtain any licence, consent or other authority for the execution, delivery, legality, effectiveness, adequacy, genuineness, validity, performance, enforceability or admissibility in evidence of these presents or any other document relating or expressed to be supplemental thereto.
- (s) The Trustee may call for any document and/or evidence and/or information and/or certification to be issued or given by Euroclear, Clearstream, Luxembourg or DTC as to the nominal amount of Notes represented by a Global Note standing to the account of any person. Any such certificate or other document shall be conclusive and binding for all purposes. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any document and/or evidence and/or information and/or certification to such effect purporting to be issued or given by Euroclear, Clearstream, Luxembourg or DTC and subsequently found to be forged or not authentic.
- (t) Any certificate or report of the Auditors or any other expert called for by or provided to the Trustee whether or not addressed to the Trustee in accordance with or for the purposes of these presents may be relied upon by the Trustee as sufficient evidence

of the facts stated therein whether or not such certificate or report and/or any engagement letter or other document entered into by the Trustee and the Auditors or any other expert in connection therewith contains a monetary or other limit on the liability of the Auditors or such other expert in respect thereof and notwithstanding that the scope and/or basis of such certificate or report may be limited by any engagement or similar letter or by the terms of the certificate or report itself.

- (u) The Trustee may call for and shall rely on any records, certificate or other document of or to be issued by Euroclear or Clearstream, Luxembourg in relation to any determination of the nominal amount of Notes represented by a NGN. Any such records, certificate or other document shall be conclusive and binding for all purposes. The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any such records, certificate or other document to such effect purporting to be issued by Euroclear or Clearstream, Luxembourg and subsequently found to be forged or not authentic.
- (v) The Trustee may certify that any of the conditions, events and acts set out in subparagraph (ii) of Condition 9(a) (each of which conditions, events and acts shall, unless in any case the Trustee in its absolute discretion (acting reasonably) shall otherwise determine, for all the purposes of these presents be deemed to include the circumstances resulting therein and the consequences resulting therefrom) is in its opinion materially prejudicial to the interests of the Noteholders and any such certificate shall be conclusive and binding upon the relevant Issuer, the Noteholders and the Couponholders.
- (w) No provision of these presents shall require the Trustee to do anything which may in its opinion be illegal or contrary to applicable law or regulation (including but not limited to the United States of America or any jurisdiction forming a part of it and England & Wales) or any applicable directive or regulation of any governmental agency of any such state having jurisdiction over it or the relevant Issuer and the Trustee may without liability do anything which is, in its opinion, necessary to comply with any such law, directive or regulation, provided that if at any time the Trustee is holding funds in respect of the Notes which are due to be paid, and if making payment in respect of the Notes would be illegal or contrary to applicable law or regulation, the Trustee shall where legally permissible consult with the relevant Issuer in an attempt to agree with the relevant Issuer an alternative method of making such payment which would not be illegal or contrary to applicable law, failing which the Trustee shall return those funds to the relevant Issuer promptly upon request by the relevant Issuer where legally permissible to do so.
- (x) Nothing contained in these presents shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any right, power, authority or discretion hereunder if it has grounds for believing the repayment or prefunding of such funds or adequate indemnity against, or security for, such risk or liability is not assured to it.
- (y) No provision of these presents shall require the Trustee to do anything which may be illegal or contrary to applicable law or regulation or expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers or otherwise in connection with these presents or the Notes (including, without limitation, forming any opinion or employing

any legal, financial or other adviser), if it shall believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

- (z) The Trustee shall be entitled to deduct any amounts required to be withheld or deducted pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code and any regulations or agreements thereunder or official interpretations thereof ("**FATCA Withholding Tax**") and shall have no obligation to gross-up any payment hereunder or to pay any additional amount as a result of FATCA Withholding Tax.
- (aa) All payments by the Trustee under these presents shall be made in full without any deduction or withholding (whether in respect of set-off, counterclaim, duties, Taxes, charges or otherwise whatsoever) unless the deduction or withholding is required by law.

16 Trustee's Liability

Nothing in these presents shall in any case in which the Trustee has failed to show the degree of care and diligence required of it as trustee having regard to the provisions of these presents conferring on it any trusts, powers, authorities or discretions exempt the Trustee from or indemnify it against any liability which by virtue of any rule of law would otherwise attach to it in respect of any negligence, wilful misconduct, breach of duty or breach of trust of which it may be guilty in relation to its duties under these presents.

17 Trustee Contracting with the Issuers

Neither the Trustee (which for the purpose of this Clause shall include the holding company of any corporation acting as trustee hereof or any Subsidiary of such holding company) nor any director or officer or holding company, Subsidiary or associated company of a corporation acting as a trustee under these presents shall by reason of its or his fiduciary position be in any way precluded from:

- (a) entering into or being interested in any contract or financial or other transaction or arrangement with the Issuers or any person or body corporate associated with either of the Issuers (including without limitation any contract, transaction or arrangement of a banking or insurance nature or any contract, transaction or arrangement in relation to the making of loans or the provision of financial facilities or financial advice to, or the purchase, placing or underwriting of or the subscribing or procuring subscriptions for or otherwise acquiring, holding or dealing with, or acting as paying agent in respect of, the Notes or any other notes, bonds, stocks, shares, debenture stock, debentures or other securities of, the relevant Issuer or any person or body corporate associated as aforesaid); or
- (b) accepting or holding the trusteeship of any other trust deed constituting or securing any other securities issued by or relating to either of the Issuers or any such person or body corporate so associated or any other office of profit under the Issuers or any such person or body corporate so associated,

and each shall be entitled to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such contract, transaction or arrangement as is referred to in (a) above or, as the case may be, any such trusteeship or office of profit as is referred to in (b) above without regard to the interests of the Noteholders and notwithstanding that the same may be contrary or prejudicial to the interests of the

Noteholders and shall not be responsible for any loss occasioned to the Noteholders thereby and shall be entitled to retain and shall not be in any way liable to account for any profit made or share of brokerage or commission or remuneration or other amount or benefit received thereby or in connection therewith.

18 Waiver, Authorisation and Determination

18.1 Waiver, Authorisation and Determination

The Trustee may without the consent or sanction of the Noteholders or the Couponholders and without prejudice to its rights in respect of any subsequent breach, Event of Default or Potential Event of Default from time to time and at any time but only if and in so far as in its opinion the interests of the Noteholders shall not be materially prejudiced thereby waive or authorise any breach or proposed breach by the relevant Issuer of any of the covenants or provisions contained in these presents or determine that any Event of Default or Potential Event of Default shall not be treated as such for the purposes of these presents PROVIDED ALWAYS THAT the Trustee shall not exercise any powers conferred on it by this Clause in contravention of any express direction given by Extraordinary Resolution or by a request under Condition 9 but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made. Any such waiver, authorisation or determination may be given or made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding on the Noteholders and the Couponholders and, if, but only if, the Trustee shall so require, shall be notified by the relevant Issuer to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

18.2 Modification

- (a) Subject to Clause 18.2(c) below, the Trustee may without the consent or sanction of the Noteholders or the Couponholders at any time and from time to time concur with the relevant Issuer in making any modification (a) to these presents or the Agency Agreement which in the opinion of the Trustee it may be proper to make PROVIDED THAT the Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the Noteholders, but such power does not extend to any Basic Terms Modification (as defined in paragraph 5 of Schedule 3) or (b) to these presents if in the opinion of the Trustee such modification is of a formal, minor or technical nature or to correct a manifest error or to comply with mandatory provisions of applicable law. Any such modification may be made on such terms and subject to such conditions (if any) as the Trustee may determine, shall be binding upon the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified by the relevant Issuer to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.
- (b) Subject to Clause 18.2(c) below, the Trustee shall be obliged without the consent or sanction of the Noteholders or the Couponholders at any time and from time to time to concur with the Issuer in connection with any Reference Rate Modification (as defined in Condition 14(c)) to any of the provisions of these presents or the Agency Agreement, in the circumstances and subject to the conditions set out in Condition 14(c). For the avoidance of doubt, any Reference Rate Modification pursuant to Condition 14(c) shall not constitute a Basic Terms Modification.

In addition, subject to Clause 18.2(c) below, the Trustee shall, without the requirement for the consent or sanction of the Noteholders or the Couponholders,

be obliged to concur with the Issuer in effecting any waivers and/or consequential amendments to these presents, the Agency Agreement, the Conditions and any other document in the circumstances and as otherwise set out in Condition 4(f) or in connection with any substitution or variation of the Notes pursuant to Condition 6(m).

- (c) No such modification, waiver, authorisation, determination, substitution or addition as referred to in this Clause 18.2 which relates to any Dated Subordinated Notes or any Senior Notes issued by Santander UK Group Holdings shall become effective unless Santander UK Group Holdings has received the consent of the Regulator (unless such consent is not then required under the Capital Rules in the case of Dated Subordinated Notes or the Loss Absorption Regulations in the case of Senior Notes issued by Santander UK Group Holdings).

18.3 Breach

Any breach of or failure to comply with any such terms and conditions as are referred to in Clauses 18.1 and 18.2 shall constitute a default by the relevant Issuer in the performance or observance of a covenant or provision binding on it under or pursuant to these presents, provided that such breach has not been waived or authorised pursuant to Clause 18.1.

19 Holder of Definitive Bearer Note Assumed to be Couponholder

- 19.1** Wherever in these presents the Trustee is required or entitled to exercise a power, trust, authority or discretion under these presents, except as ordered by a court of competent jurisdiction or as required by applicable law, the Trustee shall, notwithstanding that it may have express notice to the contrary, assume that each Noteholder is the holder of all Coupons appertaining to each Definitive Bearer Note of which he is the holder.

No Notice to Couponholders

- 19.2** Neither the Trustee nor the Issuers shall be required to give any notice to the Couponholders for any purpose under these presents and the Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with Condition 13.

20 Currency Indemnity

- 20.1** Each Issuer shall indemnify the Trustee, every Appointee, the Noteholders and the Couponholders and keep them indemnified against:
 - (a) any loss or damage incurred by any of them arising from the non-payment by the relevant Issuer of any amount due to the Trustee or the holders of the Notes issued by the relevant Issuer and the relative Couponholders under these presents by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the relevant Issuer; and
 - (b) any deficiency arising or resulting from any variation in rates of exchange between (i) the date as of which the local currency equivalent of the amounts due or contingently due under these presents (other than this Clause) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the relevant Issuer and (ii) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date

of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities shall constitute obligations of the relevant Issuer separate and independent from its other obligations under the other provisions of these presents and shall apply irrespective of any indulgence granted by the Trustee or the Noteholders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the relevant Issuer for a liquidated sum or sums in respect of amounts due under these presents (other than this Clause). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Noteholders and the Couponholders and no proof or evidence of any actual loss shall be required by the relevant Issuer or its liquidator or liquidators.

- 20.2** The Trustee shall hold to the order of the relevant Issuer any excess arising or resulting from any variation in rates of exchange between (a) the date of such judgment and those prevailing at the date of actual payment by the relevant Issuer or (b) the date as of which the local currency equivalent of the amounts due or contingently due under these presents is calculated for the purposes of any insolvency or liquidation of the relevant Issuer and those prevailing at the final date for filing of proof or proofs in such insolvency or liquidation.

21 New Trustee

- 21.1** The power to appoint a new trustee of these presents shall be vested in the Issuers but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution. One or more persons may hold office as trustee or trustees of these presents but such trustee or trustees shall be or include a Trust Corporation. Whenever there shall be more than two trustees of these presents the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Trustee by these presents provided that a Trust Corporation shall be included in such majority. Any appointment of a new trustee of these presents shall as soon as practicable thereafter be notified by the Issuers to the Principal Paying Agent, the Registrar, and the Noteholders.

Separate and Co-Trustees

- 21.2** Notwithstanding the provisions of Clause 21.1 above, the Trustee may, upon giving prior notice to the Issuers (after consultation with the Issuers where the Trustee considers such consultation to be practicable but without the consent of the Issuers, the Noteholders or the Couponholders), appoint any person established or resident in any jurisdiction (whether a Trust Corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Trustee:
- (a) if the Trustee considers such appointment to be in the interests of the Noteholders;
 - (b) for the purposes of conforming to any legal requirements, restrictions or conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
 - (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents against the Issuers.

Each Issuer irrevocably appoints the Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the

provisions of these presents) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Trustee by these presents) and such duties and obligations as shall be conferred or imposed by the instrument of appointment. The Trustee shall have power in like manner to remove any such person. Such reasonable remuneration as the Trustee may pay to any such person, together with any attributable costs, charges and expenses incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as costs, charges and expenses incurred by the Trustee.

22 Trustee's Retirement and Removal

A trustee of these presents may retire at any time on giving not less than three months' prior written notice to the Issuers without giving any reason and without being responsible for any costs incurred by reason of such retirement. The Noteholders shall have the power exercisable by Extraordinary Resolution to remove any trustee or trustees for the time being of these presents. The Issuers undertake that in the event of the only trustee of these presents which is a Trust Corporation giving notice under this Clause or being removed by Extraordinary Resolution they will use all reasonable endeavours to procure that a new trustee of these presents being a Trust Corporation is appointed as soon as reasonably practicable thereafter. The retirement or removal of any such trustee shall not become effective until a successor trustee being a Trust Corporation is appointed.

23 Trustee's Powers to be Additional

The powers conferred upon the Trustee by these presents shall be in addition to any powers which may from time to time be vested in the Trustee by the general law or as a holder of any of the Notes or Coupons.

24 Substitution

24.1 The Trustee may from time to time agree, without the consent of the Noteholders or Couponholders, with the Issuers to the substitution, in place of either of the Issuers (or of any previous Substitute Issuer under this Clause) as a principal debtor under these presents, of any other person or persons incorporated in any country in the world (other than the United States) (in this Clause called the "**Substitute Issuer**") PROVIDED THAT:

- (a) a trust deed is executed or some other form of undertaking is given by the Substitute Issuer in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of these presents, with any consequential amendments which the Trustee may deem appropriate, as fully as if the Substitute Issuer had been named in these presents and on the Notes and Coupons as the principal debtor in place of the relevant Issuer (or of any previous Substitute Issuer under this Clause);
- (b) the relevant Issuer unconditionally and irrevocably guarantees all amounts payable by the new principal debtor under these presents;
- (c) if the directors of the Substitute Issuer or other officers acceptable to the Trustee shall certify that the Substitute Issuer is solvent at the time at which the said substitution is proposed to be effected, the Trustee may rely absolutely on such certification and shall not be bound to have regard to the financial condition, profits or prospects of the Substitute Issuer or to compare the same with those of the relevant Issuer;

- (d) without prejudice to the rights of reliance of the Trustee under paragraph (c) hereof, the Trustee is satisfied that the said substitution is not materially prejudicial to the interests of the Noteholders;
- (e) (without prejudice to the generality of paragraph (a) hereof) the Trustee may in the event of such substitution agree, without the consent of the Noteholders or Couponholders, to a change in the law governing these presents provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders; and
- (f) where the Substitute Issuer is incorporated or resident in, or subject generally to the taxing jurisdiction of, a territory other than or in addition to that in which the relevant Issuer is incorporated or resident for taxation purposes or any political sub-division or any authority therein or thereof having power to tax, undertakings or covenants shall be given to the Trustee by the Substitute Issuer in terms corresponding to the provisions of Condition 7 with the addition of the references to such territory of incorporation or residence for taxation purposes of references to that other or additional territory in which the Substitute Issuer is incorporated or resident or to whose taxing jurisdiction it is subject generally and (where applicable) Condition 6(b) shall be modified accordingly.

24.2 Any such agreement by the Trustee shall, if so expressed, operate to release the relevant Issuer or any such previous Substitute Issuer from any or all of its obligations under these presents. Not later than 14 days after the execution of any such documents as aforesaid and after compliance with the said requirements of the Trustee, the relevant Issuer or any such previous Substitute Issuer shall give notice thereof in a form previously approved by the Trustee to the Noteholders in the manner provided in Condition 13.

24.3 The Trustee may at any time or times without the consent or sanction of the Noteholders or the Couponholders agree to the addition of another company as an issuer of Notes under the Programme and these presents (any such issuer as aforesaid being hereinafter in this Clause referred to as an “**Additional Issuer**”) PROVIDED THAT:

- (a) an undertaking is given by the Additional Issuer in a form and manner satisfactory to the Trustee to be bound by the terms of these presents with any consequential amendments which the Trustee may deem appropriate as fully as if the Additional Issuer had been a party to these presents and named herein; and
- (b) the Issuers and the Additional Issuer shall comply with such other requirements in the interests of the Noteholders as the Trustee may direct and such modification to these presents shall be made as the Trustee may require.

Date) at the rate(s) per annum equal to the Rate(s) of Interest (in each case for the period(s) specified in the applicable Final Terms) payable in arrear on the Interest Payment Date(s) specified in the applicable Final Terms.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on such date will amount to the Fixed Coupon Amount. In the case of any long or short interest period (the “**Stub Period**”), payments of interest on the relevant Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified in respect of such Stub Period.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the applicable Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (I) the Fixed Rate Notes represented by such Global Note or (II) such Registered Notes; or
- (B) in the case of Fixed Rate Notes which are Bearer Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note which is a Bearer Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the number by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

(b) Interest on Fixed Rate Reset Notes

Each Fixed Rate Reset Note bears interest:

- (i) from (and including) the Interest Commencement Date (which unless otherwise specified in the applicable Final Terms shall be the Issue Date) to (but excluding) the Reset Date at the rate per annum equal to the Initial Rate of Interest; and
- (ii) from (and including) the Reset Date to (but excluding) the Maturity Date, at the rate per annum equal to the Reset Rate of Interest,

in each case, payable in arrear on the Interest Payment Date(s) specified in the applicable Final Terms.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of each Interest

Period ending on or before the Reset Date will amount to the Fixed Coupon Amount. In the case of any long or short interest period (the “**Stub Period**”), payments of interest on the relevant Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified in respect of such Stub Period.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the applicable Rate of Interest to:

- (A) in the case of Fixed Rate Reset Notes which are (i) represented by a Global Note or (ii) Registered Notes in definitive form, the aggregate outstanding nominal amount of (I) the Fixed Rate Reset Notes represented by such Global Note or (II) such Registered Notes; or
- (B) in the case of Fixed Rate Reset Notes which are Bearer Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Reset Note which is a Bearer Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Reset Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the number by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

The Principal Paying Agent or, where specified in these Conditions or the applicable Final Terms, the Calculation Agent will at, or as soon as practicable after, the Determination Time on each Reset Determination Date, determine the applicable Rate of Interest for the Reset Period. The Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the Reset Period as soon as practicable after calculating the same.

The Principal Paying Agent will cause the Rate of Interest for each Reset Period to be notified to the Issuer and, if required by applicable law or regulation, any stock exchange or other relevant authority on which the relevant Notes are for the time being listed or by which they have been admitted to listing and, if applicable, notice thereof to be published in accordance with Condition 13 as soon as possible after their determination, but in no event later than the fourth London Business Day thereafter.

(c) Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date (which, unless otherwise specified in the applicable Final Terms, shall be the Issue Date) and such interest will be payable in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms;
or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Interest Payment Date specified in the applicable Final Terms, an “**Interest Payment Date**”) which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period.

The Principal Paying Agent or, where specified in these Conditions or the applicable Final Terms, the Calculation Agent will at, or as soon as practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Principal Paying Agent or the Calculation Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount, and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

For the avoidance of doubt, where the Rate of Interest applicable to Floating Rate Notes for any Interest Period is determined to be less than zero, the Rate of Interest for such Interest Period shall (unless otherwise stated in the applicable Final Terms) be zero.

(iv) Notification of Rate of Interest and Interest Amounts

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer

Any such amendment will, if required by applicable law or regulation, be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 13.

(v) No determination available

If for any reason (other than where any of the events described in the relevant paragraph of Condition 4(d)(ii) below has occurred, in which case the relevant paragraph of Condition 4(d)(ii) shall apply instead of this Condition 4(c)(v)) at any relevant time the Principal Paying Agent or, as the case may be, the Calculation Agent defaults in its obligation to determine the Rate of Interest or the Calculation Agent defaults in its obligation to calculate any Interest Amount in accordance with Condition 4(c)(ii) or Condition 4(c)(iii) above, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to the relevant Series for the first Interest Period had the Notes of such Series been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period), and the Interest Amount(s) shall be calculated by a calculation agent (which shall be an investment bank or other suitable entity of international repute) appointed by the Issuer in its discretion. Each such determination or calculation shall be deemed to have been made by the Principal Paying Agent or the Calculation Agent.

(b) if both an Index Cessation Event and the related Index Cessation Event Effective Date have occurred, the Mid-Swap Rate for the Reset Determination Date will be

determined by the Calculation Agent as the rate for swaps in the Relevant Currency:

- (I) with a term equal to the Reset Period; and
- (II) commencing on the Reset Date,

which appears on the Relevant Replacement Screen Page as at approximately 11.00 a.m. in the principal financial centre of the Relevant Currency on such Reset Determination Date, provided that if no such Relevant Replacement Screen Page is available or the applicable swap rate does not appear on the Relevant Replacement Screen Page, in each case as at approximately 11.00 a.m. in the principal financial centre of the Relevant Currency on the Reset Determination Date, the Reset Rate of Interest (if applicable) shall be determined by the Calculation Agent as a rate equal to the Initial Rate of Interest.

- (b) if such bid and offered yields to maturity of the Benchmark Gilt or the Reference Bond, as applicable, do not appear on the Relevant Screen Page, the Benchmark Gilt Rate or the Reference Bond Rate, as applicable, for the Reset Period shall be determined by the Calculation Agent on the basis of yields to maturity of the Benchmark Gilt or the Reference Bond Rate, as applicable, directly quoted on a screen page, display page or other information service as is selected by the Issuer (with the advice of an independent investment bank of international repute) as

being an information service customarily used at such time in connection with primary market issuances to determine yields on (in the case of the Benchmark Gilt Rate) United Kingdom government securities or (in the case of the Reference Bond Rate) government securities issued by the government of the state responsible for issuing the Relevant Currency (which, if the Relevant Currency is euro, shall be Germany); or

- (c) if no screen page, display page or other information service is selected by the Issuer as described in sub-paragraph (B) above, the Benchmark Gilt Rate or the Reference Bond Rate, as applicable, for the Reset Period shall be determined by the relevant Issuer or an agent appointed on its behalf in accordance with generally accepted market practice on the basis of a yield to maturity of the Benchmark Gilt or the Reference Bond, as applicable, equal to the Bond Yield.

(C) Default

If for any reason at any relevant time the Principal Paying Agent or, as the case may be, the Calculation Agent defaults in its obligation to determine the Reset Rate of Interest pursuant to Condition 4(b) or this Condition 4(d)(i), the Reset Rate of Interest shall be the Initial Rate of Interest.

Notwithstanding the paragraph above, in the event the SONIA Administrator publishes guidance as to (i) how the SONIA reference rate is to be determined; or (ii) any rate that is to replace the SONIA reference rate, the Calculation Agent shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine Daily SONIA for the purpose of the Notes for so long as the SONIA reference rate is not available or has not been published, displayed or made available on the Designated Source. If the relevant €STR Index is not published, displayed or made available on the Designated Source by 5.00 p.m. (Central European Time) (or, if later, by the time falling one hour after the customary or scheduled time for publication thereof in accordance with the then-prevailing operational procedures of the €STR Administrator of €STR or such other information service provider, as the case may be) on the relevant Interest Determination Date, the Compounded Daily €STR Rate for the applicable Interest Period for which the €STR Index is not available shall be “Compounded Daily €STR” determined in accordance with Condition 4(c)(ii)(D)(i) (*Compounded Daily €STR (Non-Index Determination)*) above and as if Index Determination were specified in the applicable Final Terms as being “Not Applicable”, and for these purposes: (i) the “Observation Method” shall be deemed to be “Shift” and (ii) the “Observation Look-Back Period” shall be deemed to be equal to “p” TARGET Business Days, as if those alternative elections had been made in the applicable Final Terms.

If, in respect of any TARGET Business Day in the relevant €STR Observation Period or the relevant Interest Period, as applicable, the Calculation Agent determines that the €STR reference rate is not published, displayed or made available on the Designated Source, such €STR reference rate shall be the €STR reference rate for the first preceding TARGET Business Day in respect of which an €STR reference rate was published, displayed or made available on the Designated Source, as determined by the Calculation Agent.

Notwithstanding the paragraph above, in the event the €STR Administrator publishes guidance as to (i) how the €STR reference rate is to be determined; or (ii) any rate that is to replace the €STR reference rate, the Calculation Agent shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine Daily €STR for the purpose of the Notes for so long as the €STR reference rate is not available or has not been published on the Designated Source. To the extent that any amendments or modifications to the Conditions or the transaction documents are required in order for the Calculation Agent to follow such guidance in order to determine Daily €STR, the Calculation Agent shall have no obligation to act until such amendments or modifications have been made in accordance with the Conditions, the Trust Deed, the Agency Agreement and any Calculation Agency Agreement.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent and subject to Condition 4(d)(ii)(E) below, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period).

The first paragraph of this Condition 4(d)(ii)(D) applies for the purposes of Condition 4(c)(ii)(E)(ii) only, the second and third paragraphs of this Condition 4(d)(ii)(D) apply for the purposes of Condition 4(c)(ii)(E)(i) only, and the final paragraph of this Condition 4(d)(ii)(D) applies for the purposes of both Condition 4(c)(ii)(E)(i) and (ii).

If the relevant SORA Index is not published, displayed or made available on the Designated Source by 5.00 p.m. (Singapore time) (or, if later, by the time falling one hour after the customary or scheduled time for publication thereof in accordance with the then-prevailing operational procedures of the SORA Administrator or such other information service provider, as the case may be) on the relevant Interest Determination Date, the Compounded Daily SORA Rate for the applicable Interest Period for which the SORA Index is not available shall be “Compounded Daily SORA” determined in accordance with Condition 4(c)(ii)(E)(i) (*Compounded Daily SORA (Non-Index Determination)*) above and as if Index Determination were specified in the applicable Final Terms as being “Not Applicable”, and for these purposes: (i) the “Observation Method” shall be deemed to be “Shift” and (ii) the “Observation Look-Back Period” shall be deemed to be equal to “p” Singapore Business Days, as if those alternative elections had been made in the applicable Final Terms.

If, in respect of any Singapore Business Day in the relevant SORA Observation Period or the relevant Interest Period, as applicable, the Calculation Agent determines that the SORA reference rate is not published, displayed or made available on the Designated Source, such SORA reference rate shall be the SORA reference rate for the first preceding Singapore Business Day in respect of which an SORA reference rate was published, displayed or made available on the Designated Source, as determined by the Calculation Agent.

Notwithstanding the paragraph, in the event the SORA Administrator publishes guidance as to (i) how the SORA reference rate is to be determined; or (ii) any rate that is to replace the SORA reference rate, the Calculation Agent shall, subject to receiving written instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine Daily SORA for the purpose of the Notes for so long as the SORA reference rate is not available or has not been published by the Designated Source. To the extent that any amendments or modifications to the Conditions or the transaction documents are required in order for the Calculation Agent to follow such guidance in order to determine Daily SORA, the Calculation Agent shall have no obligation to act until such amendments or modifications have been made in accordance with the Conditions, the Trust Deed, the Agency Agreement and any Calculation Agency Agreement.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent and subject to Condition 4(d)(ii)(E) below, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period); or (ii) if there is no such preceding Interest Determination

Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin applicable to the first Interest Period).

(E) Index Cessation Event

If, in connection with any Index Cessation Event, an Alternative Reference Rate has been determined by the Issuer in connection with a Reference Rate Modification pursuant to Condition 14(c), the relevant Rate of Interest shall, with effect on and from the applicable Index Cessation Event Effective Date (and with respect to all Interest Periods commencing on and/or after such date) and notwithstanding the foregoing provisions of this Condition 4(d)(ii), be determined by the Calculation Agent or the Principal Paying Agent, as applicable, by reference to such Alternative Reference Rate and taking into account any other Reference Rate Modification(s) pursuant to Condition 14(c).

For the purposes of this Condition 4(d)(ii), unless the context otherwise requires, the following terms shall have the following meanings:

“Designated Source” means, as specified in the applicable Final Terms:

- (b) such other screen page, display page or other information service of a distributor or other information service provider that is authorised by the Relevant Benchmark Administrator to publish or otherwise make available the Relevant Benchmark, as specified in the applicable Final Terms, or any successor thereto or replacement thereof (and if any such screen page, display page or other information service is temporarily unavailable, as otherwise published by such distributor or other information service provider),

provided that if the Relevant Benchmark Administrator’s Website is specified as the Designated Source in the applicable Final Terms but ceases to so publish or make available such rate, the Designated Source shall be such other screen page, display page or other information service of a distributor or other information service provider that is authorised by the Relevant Benchmark Administrator to publish or otherwise make available the Relevant Benchmark, as selected by the Issuer and notified to the Noteholders in accordance with Condition 13 and the Principal Paying Agent.

- (2) a public statement or publication of information by the regulatory supervisor for the Relevant Benchmark Administrator, the central bank for the Relevant Currency, an insolvency official with jurisdiction over the Relevant Benchmark Administrator, a resolution authority with jurisdiction over the Relevant Benchmark Administrator or a court or an entity with similar insolvency or resolution authority over the Relevant Benchmark Administrator, which states that the Relevant Benchmark Administrator has ceased or will cease to provide the Relevant Benchmark permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide Relevant Benchmark;

“Index Cessation Event Effective Date” means the first date on which the Relevant Benchmark for any applicable period is, permanently or indefinitely, no longer provided by the Relevant Benchmark Administrator;

“Relevant Benchmark” means, as applicable, the Mid-Swap Rate, the Mid-Swap Floating Leg Original Benchmark Rate, EURIBOR, SONIA, the SONIA Index, €STR, the €STR Index, SORA, the SORA Index or such other benchmark (excluding SOFR and the SOFR Index) which is used for the purpose of calculating interest and other amounts payable under the Notes (or any relevant component part(s) thereof), as specified in applicable Final Terms;

“Relevant Benchmark Administrator” means, as applicable, the SONIA Administrator, the €STR Administrator, the SORA Administrator or the administrator of EURIBOR, and any successor administrator thereof;

“Relevant Screen Page” has the meaning specified in the applicable Final Terms.

(iii) Floating Rate Notes (SOFR)

The following provisions (the **“Benchmark Transition Provisions”**) apply for the purposes of Condition 4(c)(ii)(C):

- (a) If the Issuer determines on or prior to the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the relevant Benchmark, the Benchmark Replacement will replace such Benchmark for all purposes relating to the Notes in respect of such determination on such date and all determinations on all subsequent dates (subject to any subsequent application of this Condition 4(d)(iii) with respect to such Benchmark Replacement).

- (b) In connection with the implementation of a Benchmark Replacement with respect to the Notes, the Issuer has the right to make Benchmark Replacement Conforming Changes from time to time.
- (c) Any determination, decision or election that may be made by the Issuer pursuant to this Condition 4(d)(iii) including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, in each case, solely with respect to any SOFR linked Floating Rate Notes, will be conclusive and binding absent manifest error, and may be made in the Issuer's sole discretion.
- (d) Promptly following the determination of any Benchmark Replacement as described in this Condition 4(d)(iii), the Issuer shall give notice thereof and of any Benchmark Replacement Conforming Changes to the Trustee, the Principal Paying Agent, any Calculation Agent and, in accordance with Condition 13, the Noteholders, provided that failure to provide such notice will have no impact on the effectiveness of, or otherwise invalidate, any such determination.
- (e) The Trustee and the Principal Paying Agent shall, at the direction of the Issuer (following consultation with the Principal Paying Agent and/or the Calculation Agent), effect any amendments to the Trust Deed, the Agency Agreement, these Conditions and any other document as may be required to give effect to any Benchmark Replacement Conforming Changes.

Prior to any such amendments taking effect, the Issuer shall provide a certificate signed by two authorised signatories of the Issuer to the Trustee, the Principal Paying Agent and, where applicable, the Calculation Agent, which (I) confirms that a Benchmark Transition Event has occurred, specifies the Benchmark Replacement and provides details of the Benchmark Replacement Conforming Changes (if any) and (II) certifies that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement, and the Trustee, the Principal Paying Agent and, where applicable, the Calculation Agent, shall be entitled to rely on such certificate without further enquiry or liability to any person. For the avoidance of doubt, the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person. Such changes shall apply to the Notes for all future Interest Periods (subject to the subsequent operation of this Condition 4(d)(iii)).

The Trustee shall not be obliged to agree to any modification if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed.

No consent of the Noteholders shall be required in connection with effecting the relevant Benchmark Replacement as described in this Condition 4(d)(iii) or any Benchmark Replacement Conforming Changes pursuant to this Condition 4(d)(iii),

including for the execution of, or amendment to, any documents or the taking of other steps by the Issuer or any of the parties to the Trust Deed and/or the Agency Agreement (if required).

Notwithstanding any other provision of this Condition 4(d)(iii) no Benchmark Replacement will be adopted, and no other Benchmark Replacement Conforming Changes will be made pursuant to this Condition 4(d)(iii), if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected to prejudice (i) the qualification of the Dated Subordinated Notes as Tier 2 Capital of the Issuer or of the Group or (ii) the eligibility of the Senior Notes issued by Santander UK Group Holdings to qualify in full towards the Issuer's and/or the Group's minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments.

For the avoidance of doubt, in any circumstances where under the ISDA Definitions the Calculation Agent would be required to exercise any discretion, including the selection of any reference banks and seeking quotations from reference banks, when calculating the relevant ISDA Fallback Rate, the relevant determination(s) which require the Calculation Agent to exercise its discretion shall instead be made by the Issuer or its designee.

(f) For the purposes of this Condition 4(d)(iii):

"Benchmark" means, initially, SOFR, as originally specified for the purposes of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Notes; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to SOFR or any Benchmark which has replaced it in accordance with this Condition 4(d)(iii), then **"Benchmark"** means the applicable Benchmark Replacement;

- (ii) the sum of: (I) the ISDA Fallback Rate and (II) the Benchmark Replacement Adjustment; or
- (iii) the sum of: (I) the alternate rate of interest that has been selected by the Issuer as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for any SOFR linked floating rate notes at such time and (II) the Benchmark Replacement Adjustment;

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Issuer as of the Benchmark Replacement Date:

- (i) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;

- (iii) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for any SOFR linked floating rate notes at such time;

- (ii) in the case of paragraph (ii) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein;

provided, however, that on or after the 60th day preceding the date on which such Benchmark Replacement Date would otherwise occur (if applicable), the Issuer may give written notice to holders of any SOFR linked Notes in which the Issuer designates an earlier date (but not earlier than the 30th day following such notice) and represents that such earlier date will facilitate an orderly transition of any

SOFR linked Notes to the Benchmark Replacement, in which case such earlier date shall be the Benchmark Replacement Date;

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including any daily published component used in the calculation thereof):

- (iii) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative;

“Compounded SOFR” means, for purposes of determining a replacement Benchmark for the compounded average of SOFRs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate (which, for example, may be compounded in arrears with a look-back and/or suspension period as a mechanism to determine the interest amount payable prior to the end of each interest period or compounded in advance) being established by the Issuer in accordance with:

- (i) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Governmental Body for determining Compounded SOFR; or
- (ii) if, and to the extent that, the Issuer determines that Compounded SOFR cannot be determined in accordance with paragraph (i) above, the rate, or methodology for this rate, and conventions for this rate that have been selected by the Issuer giving due consideration to any industry-accepted

market practice for similar U.S. dollar denominated floating rate notes at such time;

(e) Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date fixed for its redemption unless

payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in Condition 6(l).

In these Conditions, “**Business Day**” means a day which is:

(b) Presentation of definitive Bearer Notes and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Fixed Rate Reset Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “**Long Maturity Note**” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender of the relevant definitive Bearer Note.

(c) Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes or otherwise in the manner specified in the relevant Bearer Global Note, where applicable, against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the United States. A record of each payment, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note either by the Paying Agent to which it was presented, and such record shall be prima facie evidence that the payment in question has been made, or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

No payments of principal, interest or other amounts due in respect of a Bearer Global Note will be made by mail to an address in the United States or by transfer to an account maintained in the United States.

(d) Payments in respect of Registered Notes

Payments of principal in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the “**Register**”) (i) where in global form, at the close of the business day (being for this purpose a day on which Euroclear and Clearstream, Luxembourg or any other relevant clearing system are open for business) before the relevant due date, and (ii) where in definitive form, at the close of business on the fifteenth calendar day before the relevant due date (in each case, the “**Record Date**”). For these purposes, “**Designated**

Account” means the account maintained by a holder with a Designated Bank and identified as such in the Register and **“Designated Bank”** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest in respect of each Registered Note (whether or not in global form) will be made by transfer to the Designated Account (as defined above) of the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the Record Date.

Such arrangements shall apply to all payments of principal or interest in respect of the Registered Notes which become payable to the relevant holder until such time as the Registrar is notified in writing to the contrary by such holder.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of any such amount transferred in accordance with this Condition having been received after the due date for payment. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Rule 144A Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency for conversion into U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Trustee and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) General provisions applicable to payments

For so long as the Notes of a Series are listed on the Official List and admitted to trading on the London Stock Exchange’s market for listed securities and for so long as the rules of the FCA so require, the Issuer shall procure that there is a Paying Agent approved in writing by the Trustee in the City of London for the payment of principal and interest, if any, on the Notes.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to DTC, Euroclear or Clearstream, Luxembourg, as

the case may be, for their share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(f) Interpretation of principal and interest

Any reference in these Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) the Loss Absorption Disqualification Redemption Amount(s) (if any) of the Senior Notes issued by Santander UK Group Holdings; and
- (vi) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. Redemption and Purchase

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below or in the applicable Final Terms, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

(b) Redemption at the option of the Issuer for tax reasons

If:

- (i) for the purposes of any Notes (whether Senior Notes or Dated Subordinated Notes), as a result of a Tax Law Change:
 - (a) in making any payments on the Notes, the Issuer will or would be required to pay additional amounts on the Notes under Condition 7; or
 - (b) the Issuer will not or would not be entitled to claim a deduction in respect of any payments (other than the repayment of the principal amount of the Notes) in computing its taxation liabilities or the amount of the deduction would be materially reduced; or
- (ii) for the purposes of Dated Subordinated Notes only, as a result of a Tax Law Change:
 - (a) the Dated Subordinated Notes will or would no longer be treated as loan relationships for United Kingdom tax purposes;
 - (b) the Issuer will not or would not, as a result of the Dated Subordinated Notes being in issue, be able to have losses or deductions set against the profits or gains, or profits or gains offset by the losses or deductions, of companies with which the Issuer is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the Dated Subordinated Notes or any similar system or systems having like effect as may from time to time exist);
 - (c) the Issuer will or would, in the future, have to bring into account a taxable credit, taxable profit or the receipt of taxable income if the principal amount of the Dated Subordinated Notes were written down, on a permanent or temporary basis, or the Dated Subordinated Notes were converted into ordinary shares in the capital of the Issuer, or
 - (d) the Dated Subordinated Notes or any part thereof will or would become treated as a derivative or an embedded derivative for United Kingdom tax purposes,

(each such event, a “**Tax Event**”) then the Issuer may (subject, in the case of Dated Subordinated Notes and Senior Notes issued by Santander UK Group Holdings, to Condition 6(k)), provided that in the case of each Tax Event, the consequences of the Tax Event cannot be avoided by the Issuer taking reasonable measures available to it, having given not less than 30 nor more than 60 days’ notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), redeem all, but not some only, of the Notes at any time (if this Note is not a Floating Rate Note) or on the next Interest Payment Date (in the case of Floating Rate Notes). Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Prior to the publication of any notice of redemption pursuant to this Condition 6(b), the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories of the Issuer stating that the relevant requirement or circumstance referred to in this Condition 6(b) applies and the consequences of the relevant Tax Event cannot be avoided by the Issuer taking reasonable measures available to it. Such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the Noteholders and all other interested parties as correct, conclusive and sufficient evidence thereof and the Trustee is entitled to rely on such certificate without liability to any person.

In these Conditions, “**Tax Law Change**” means a change in, or amendment to, the laws or regulations of the United Kingdom or the taxing jurisdiction of any territory in which the Issuer is incorporated or resident for tax purposes, or any political subdivision or authority therein or thereof having the power to tax, including any treaty to which the UK is a party, or any change in the application of such laws by a decision of any court or tribunal, that provides for a position with respect to such laws or regulations that differs from the previously generally accepted position in relation to similar transactions (in respect of securities similar to the relevant Notes and which, in the case of the Dated Subordinated Notes, are capable of constituting Tier 2 Capital) or which differs from any specific written confirmation given by a tax authority in respect of the relevant Notes, which change or amendment becomes effective or, in the case of a change in law, if such change is enacted by a UK Act of Parliament or by Statutory Instrument, on or after the Issue Date of the most recently issued Tranche of Notes of the relevant Series.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount determined pursuant to Condition 6(h) below.

(c) Redemption at the option of the Issuer (Issuer Call)

If the Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may (subject, in the case of Dated Subordinated Notes and Senior Notes issued by Santander UK Group Holdings, to Condition 6(k)) having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Trustee, the Principal Paying Agent, the Noteholders, and in the case of a redemption of Registered Notes, the Registrar, (which notice shall be irrevocable and shall specify the date fixed for redemption) redeem all or (if so specified in the applicable Final Terms) some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together with interest accrued to (but excluding) the relevant

Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount (if any). In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of DTC and/or Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than the minimum period specified in the applicable Final Terms prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

(d) Redemption of Dated Subordinated Notes at the option of the Issuer due to Regulatory Capital Event

This Condition 6(d) is only applicable to Dated Subordinated Notes issued by Santander UK Group Holdings.

If the Regulatory Capital Event Call is specified as being applicable in the applicable Final Terms relating to Dated Subordinated Notes and a Regulatory Capital Event has occurred and is continuing, the Issuer may (subject to Condition 6(k)), having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Trustee, the Principal Paying Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), redeem all, but not some only, of the Dated Subordinated Notes at any time (if this Dated Subordinated Note is not a Floating Rate Note) or on the next Interest Payment Date (in the case of Floating Rate Notes). Upon the expiry of such notice the Issuer shall be bound to redeem the Dated Subordinated Notes accordingly. Prior to the publication of any notice of redemption pursuant to this Condition 6(d), the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories of the Issuer stating that the relevant requirement or circumstance referred to in this Condition 6(d) applies. Such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the Noteholders and all other interested parties as correct, conclusive and sufficient evidence thereof and the Trustee is entitled to rely on such certificate without liability to any person.

Dated Subordinated Notes redeemed pursuant to this Condition 6(d) will be redeemed at their Early Redemption Amount determined pursuant to Condition 6(h) below.

In these Conditions, a "**Regulatory Capital Event**" will occur if at any time there is a change in the regulatory classification of the Dated Subordinated Notes occurring after the Issue Date of the most recently issued Tranche of Notes of the relevant Series that does, or will, result in the Dated Subordinated Notes being fully or partially excluded from the Tier 2 Capital of the Group, provided that no Regulatory Capital Event shall occur where

such exclusion is solely (A) a result of any applicable limitation on the amount of such capital, or (B) in accordance with any requirement that recognition of such Series of Dated Subordinated Notes as part of the Group's Tier 2 Capital be amortised in the five years prior to maturity of such Dated Subordinated Notes (in the case of either (A) or (B), in accordance with applicable Capital Rules in force as at the Issue Date of the most recently issued Tranche of such Series of Dated Subordinated Notes).

(e) Redemption at the option of the Noteholders of Notes issued by Santander UK (Investor Put)

This Condition 6(e) is only applicable to Senior Notes issued by Santander UK.

If Investor Put is specified as being applicable in the applicable Final Terms in respect of any Senior Notes issued by Santander UK, upon the holder of any Senior Note giving to the Issuer in accordance with Condition 13 not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms specified in the applicable Final Terms (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem in whole (but not, in the case of a Bearer Note in definitive form, in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount together with interest accrued to (but excluding) the Optional Redemption Date. Registered Notes may be redeemed under this Condition 6(e) in any multiple of their lowest Specified Denomination.

If this Note is in definitive form, to exercise the right to require redemption of this Note, the holder of this Note must deliver such Note at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a "Put Notice") and in which the holder must specify a bank account to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2(b). Holders of Notes represented by a Global Note or in definitive form and held through DTC, Euroclear and/or Clearstream, Luxembourg must exercise the right to require redemption of their Notes by giving notice (including all information required in the applicable Put Notice) through DTC, Euroclear or Clearstream, Luxembourg, as the case may be (which notice may be in electronic form) in accordance with their standard procedures.

(f) Redemption of Senior Notes issued by Santander UK Group Holdings at the option of the Issuer due to Loss Absorption Disqualification Event (Loss Absorption Disqualification Event Call)

This Condition 6(f) is only applicable to Senior Notes issued by Santander UK Group Holdings.

If the Loss Absorption Disqualification Event Call is specified as being applicable in the applicable Final Terms relating to Senior Notes issued by Santander UK Group Holdings and a Loss Absorption Disqualification Event has occurred and is continuing, the Issuer may (subject to Condition 6(k)), having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Trustee, the Principal Paying Agent, the Noteholders and, in the case of a redemption of Registered Notes, the Registrar, (which notice shall be irrevocable and shall specify the date fixed for redemption (the “**Loss Absorption Disqualification Redemption Date**”)) redeem all, but not some only, of such Senior Notes at any time (if this Senior Note is not a Floating Rate Note) or on the next Interest Payment Date (in the case of Floating Rate Notes) and at the Loss Absorption Disqualification Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together with interest accrued to (but excluding) the Loss Absorption Disqualification Redemption Date. Upon the expiry of such notice the Issuer shall be bound to redeem such Senior Notes accordingly. Prior to the publication of any notice of redemption pursuant to this Condition 6(f), the Issuer shall deliver to the Trustee a certificate signed by two duly authorised signatories of the Issuer stating that the relevant requirement or circumstance referred to in this Condition 6(f) applies and any preconditions to the exercise of the Loss Absorption Disqualification Event Call specified in any Loss Absorption Regulation are satisfied. Such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the Noteholders and all other interested parties as correct, conclusive and sufficient evidence thereof and the Trustee is entitled to rely on such certificate without liability to any person.

In these Conditions, a “**Loss Absorption Disqualification Event**” will occur if:

- (i) at the time that any Loss Absorption Regulation becomes effective after the Issue Date of the Senior Notes issued by Santander UK Group Holdings, and as a result of such Loss Absorption Regulation becoming so effective, in each case with respect to the Issuer and/or the Group, such Senior Notes are not or will not be eligible to qualify in full towards the Issuer’s and/or the Group’s minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments; or
- (ii) as a result of any amendment to, or change in, any Loss Absorption Regulation, or any change in the application or official interpretation of any Loss Absorption Regulation, in any such case becoming effective on or after the Issue Date of the Senior Notes issued by Santander UK Group Holdings, such Senior Notes are or will be either (x) fully excluded or (y) fully or partially excluded (as specified in the applicable Final Terms relating to such Senior Notes) from the Issuer’s and/or the Group’s minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments,

in each case as such minimum requirements are applicable to the Issuer of such Senior Notes and/or the Group and determined in accordance with, and pursuant to, the relevant Loss Absorption Regulations; provided that in the case of (i) and (ii) above, a Loss Absorption Disqualification Event shall not occur where the exclusion of such Senior Notes from the relevant minimum requirement(s) is due to the remaining maturity of such Senior Notes being less than any period prescribed by any applicable eligibility criteria for such

minimum requirements under the relevant Loss Absorption Regulations effective with respect to the Issuer and/or the Group on the Issue Date of such Senior Notes.

In these Conditions, “**Loss Absorption Regulations**” means, at any time, the laws, regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments of the United Kingdom, the PRA, the United Kingdom resolution authority, the Financial Stability Board and/or any regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments adopted or applied by the PRA and/or the United Kingdom resolution authority from time to time (whether or not such regulations, requirements, guidelines, rules, standards or policies are applied generally or specifically to the Issuer or to the Group).

(g) Clean-up Redemption Option (Clean-up Call)

If the Clean-up Redemption Option is specified as being applicable in the applicable Final Terms, and if the percentage specified in the applicable Final Terms (the “**Clean-up Percentage**”) of the aggregate nominal amount of the relevant Series has been redeemed pursuant to Conditions 6(c) and/or 6(e) and/or purchased and cancelled pursuant to Conditions 6(i) and 6(j), the Issuer may at any time (subject, in the case of Dated Subordinated Notes and Senior Notes issued by Santander UK Group Holdings, to Condition 6(k)) having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Trustee, the Principal Paying Agent, the Noteholders, and in the case of a redemption of Registered Notes, the Registrar, (which notice shall be irrevocable and shall specify the date fixed for redemption (the “**Clean-up Redemption Date**”)) redeem all, but not some only, of the Notes of such Series then outstanding. Any such redemption of Notes shall take place on the Clean-up Redemption Date at the Optional Clean-up Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together with interest accrued to (but excluding) the Clean-up Redemption Date.

(h) Early Redemption Amount

For the purpose of Conditions 6(b) and 6(d) above and Condition 9, each Note will be redeemed at its outstanding nominal amount together with interest accrued to (but excluding) the date fixed for redemption (the “**Early Redemption Amount**”).

For the purpose of Condition 9(b)(ii), references in this Condition 6(h) to the date of “redemption” shall be construed as references to the date of payment of the relevant claim.

(i) Purchases

The Issuer or any Subsidiary of the Issuer may (subject, in the case of Dated Subordinated Notes and Senior Notes issued by Santander UK Group Holdings, to Condition 6(k)) at any time purchase Notes (provided that, in the case of definitive Bearer Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of

the Issuer or the relevant Subsidiary (as applicable), surrendered to any Paying Agent and/or the Registrar.

For the purposes of this Condition 6(i), a company is a “**Subsidiary**” of another company if that other company:

- (a) holds a majority of the voting rights in it;
- (b) is a member of it and has the right to appoint or remove a majority of its board of directors; or
- (c) is a member of it and controls alone, pursuant to an agreement with other members, a majority of the voting rights in it,

or if it is a Subsidiary of a company that is itself a Subsidiary of that other company.

(j) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and Notes purchased and cancelled pursuant to paragraph (f) above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(k) Conditions to redemption and purchase of Dated Subordinated Notes and/or Senior Notes issued by Santander UK Group Holdings

Any redemption or purchase of Dated Subordinated Notes and/or Senior Notes issued by Santander UK Group Holdings pursuant to Conditions 6(b), 6(c), 6(d), 6(f), 6(g) or 6(i) is subject (if required pursuant to any Capital Rules or any Loss Absorption Regulations, as applicable) to:

- (i) the Issuer having obtained Regulatory Approval; and
- (ii) the Issuer being in compliance with the Regulatory Preconditions.

For the purposes of this Condition 6:

“**Regulatory Approval**” means, at any time, such approval, consent or prior permission by, or notification required within prescribed periods to, the Regulator, or such waiver of the then prevailing Capital Rules in the case of Dated Subordinated Notes, or the then prevailing Loss Absorption Regulations in the case of Senior Notes issued by Santander UK Group Holdings, from the Regulator, as is required under the then prevailing Capital Rules in the case of Dated Subordinated Notes, or the then prevailing Loss Absorption Regulations in the case of Senior Notes issued by Santander UK Group Holdings, at such time; and

“**Regulatory Preconditions**” means:

- (a) if, at the time of such redemption or purchase, the prevailing Capital Rules in the case of Dated Subordinated Notes, or the prevailing Loss Absorption Regulations in the case of Senior Notes issued by Santander UK Group Holdings, permit the redemption or purchase after compliance with any pre-conditions, the Issuer having complied with such pre-conditions; and
- (b) in the case of a redemption pursuant to Conditions 6(b) or 6(d) occurring prior to the fifth anniversary of the Issue Date of the most recently issued Tranche of the relevant Series of the Dated Subordinated Notes only,
 - (i) the Regulator being satisfied (such satisfaction to be evidenced by the granting of Regulatory Approval) that the Issuer has demonstrated to the satisfaction of the Regulator that the circumstance that entitles the Issuer to exercise its right of redemption was not reasonably foreseeable, judged at the Issue Date of the most recently issued Tranche of the relevant Series of the Dated Subordinated Notes and is (in the case of a redemption pursuant to Condition 6(d)) sufficiently certain or (in the case of a redemption pursuant to Condition 6(b)) material; or
 - (ii) if, at the time of such redemption, the prevailing Capital Rules permit the redemption after compliance with an alternative pre-condition, the Issuer having complied with such other pre-condition.

(l) Late payment

If any amount payable in respect of any Note is improperly withheld or refused upon its becoming due and repayable or is paid after its due date or on or after accelerated maturity following an Event of Default (as defined in Condition 9), the principal amount due and repayable in respect of such Note (the “**Late Payment**”) shall continue to accrue interest (both before and after any judgment or other order of a court of competent jurisdiction) from (and including) the date on which such payment was improperly withheld or refused or, as the case may be, became due, to (but excluding) the Late Payment Date at the rate determined in accordance with Condition 4(a), 4(b), 4(c) or 4(d), as the case may be, on the basis of the Day Count Fraction specified in the applicable Final Terms or, if none is specified, on a 30/360 basis.

For the purpose of this paragraph (h) the “**Late Payment Date**” shall mean the earlier of:

- (A) the date which the Trustee determines to be the date on which, upon further presentation of the relevant Note, payment of the full amount (including interest as aforesaid) in the relevant currency in respect of such Note is to be made; and
- (B) the seventh day after notice is given to the relevant Noteholder(s) (whether individually or in accordance with Condition 13) that the full amount (including interest as aforesaid) in the relevant currency in respect of such Note is available for payment,

provided that in the case of both (A) and (B), upon further presentation thereof being duly made, such payment is made.

(m) Substitution or variation

If Substitution or Variation is specified as “Applicable” in the applicable Final Terms, then following the occurrence of a Relevant Disqualification Event in relation to any Notes (the “**Existing Notes**”), the Issuer may, subject to the other provisions of this Condition 6(m) (without any requirement for the consent or approval of the Noteholders or the Trustee), either substitute all (but not some only) of such Existing Notes for, or vary the terms of such Existing Notes so that they remain or, as appropriate, become, Compliant Securities. Upon the expiry of the notice required by this Condition 6(m), the Issuer shall either substitute or vary the terms of the Existing Notes in accordance with this Condition 6(m) and, subject as set out below, the Trustee shall agree to such substitution or variation.

Any substitution or variation in accordance with this Condition 6(m) is subject to the Issuer (i) obtaining Regulatory Approval therefor (if and to the extent required at the relevant time) and (ii) giving not less than 30 nor more than 60 calendar days’ notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 13, to the Noteholders (which notice shall be irrevocable).

Prior to the publication of any notice of substitution or variation pursuant to this Condition 6(m), the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories stating that the Relevant Disqualification Event giving rise to the right to substitute or vary has occurred and is continuing. Such certificate shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the Noteholders and all other interested parties as correct, conclusive and sufficient evidence thereof and the Trustee is entitled to rely on such certificate without liability to any person.

The Trustee shall concur in the substitution of the Existing Notes for Compliant Securities, or the variation of the terms of the Existing Notes so that they remain or become Compliant Securities, as the case may be, provided that the Trustee shall not be obliged to concur in any such substitution or variation if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed.

For the purposes of this Condition 6(m):

“**Compliant Securities**” means securities issued by the Issuer that:

- (a) rank at least equally with the ranking of the Existing Notes;
- (b) have terms not materially less favourable to Noteholders than the terms of the Existing Notes, which shall be deemed to be the case provided that such securities:
 - (1) contain terms such that they comply with the then applicable Capital Rules in relation to Tier 2 Capital (if the Existing Notes are Dated Subordinated Notes) or the then applicable Loss Absorption Regulations (if the Existing Notes are Senior Notes);

- (2) include terms which provide for the same (or, from a Noteholder's perspective, a more favourable) Rate of Interest from time to time, Interest Payment Dates, Maturity Date and redemption amount(s) as apply from time to time to the Existing Notes immediately prior to such substitution or variation;
 - (3) shall preserve any existing rights under these Conditions to any accrued interest, principal and/or premium which has not been satisfied;

"Rating Agency" means Fitch Ratings Ltd., Moody's Investors Service Limited or S&P Global Ratings UK Limited or their respective successors and affiliates.

"Relevant Disqualification Event" means:

- (a) in relation to Dated Subordinated Notes, a Regulatory Capital Event; and
- (b) in relation to Senior Notes, a Loss Absorption Disqualification Event;

7. Taxation

All payments of principal and interest in respect of the Notes and Coupons by or on behalf of the Issuer will be made without withholding of or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the United Kingdom or the taxing jurisdiction of any territory in which the Issuer is incorporated or resident for taxation purposes, or any political subdivision of either of the same or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event (but not in respect of any payment of principal in respect of Dated Subordinated Notes or Senior Notes issued by Santander UK Group Holdings) the Issuer will pay such additional amounts as may be necessary in order that the net amounts receivable by the holders after such withholding or deduction shall equal the respective amounts of principal, and interest, if applicable, which would have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of any requirement to make such withholding or deduction, except that no such

additional amounts shall be payable in relation to any payment with respect to any Note or Coupon:

- (i) presented for payment by, or by a third party on behalf of, a holder who (a) would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority but fails to do so, or (b) is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of the holder having some connection with the above-mentioned taxing jurisdiction of the Issuer other than the mere holding of such Note or Coupon; or
- (ii) where such Note or Coupon is presented for payment in the jurisdiction in which the Issuer is incorporated or resident for tax purposes or in the United Kingdom; or
- (iii) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days, assuming that day had been a Business Day if that day was not in fact a Business Day.

The “**Relevant Date**” means the date on which the payment in respect of the Note or Coupon first becomes due and payable but, if the full amount of the moneys payable on such date has not been received by the Principal Paying Agent or the Trustee on or prior to such date, the “**Relevant Date**” means the date on which such moneys shall have been so received and notice to that effect shall have been given to the Noteholders in accordance with Condition 13.

All payments in respect of the Notes will be made subject to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto, and the Issuer shall not be required to pay any additional amounts under this Condition on account of any such deduction or withholding described in this paragraph.

8. Prescription

The Notes and, if applicable, the Coupons (which for this purpose shall not include Talons) will become void unless claims in respect of principal and/or interest are made within a period of 10 years in the case of principal and five years in the case of interest from the Relevant Date (as defined in Condition 7) relating hereto. The Issuer shall be discharged from its obligation to pay principal on a Registered Note to the extent that the relevant Registered Note certificate has not been surrendered to the Registrar by the end of the period of 10 years from the Relevant Date in respect of such payment. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

9. Events of Default and Enforcement

(a) Events of Default and enforcement in respect of Senior Notes issued by Santander UK

This Condition 9(a) is only applicable to Senior Notes issued by Santander UK.

In the case of any Series of Senior Notes issued by Santander UK, the Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter in nominal amount of the Senior Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified and/or secured and/or prefunded to its satisfaction), give notice to the Issuer that the Senior Notes are, and they shall accordingly thereby become, immediately due and repayable each at their Early Redemption Amount (determined pursuant to Condition 6(h)) together with accrued interest as provided in the Trust Deed, in any of the following events ("**Events of Default**"):

- (i) if default is made for a period of 14 days or more in the payment of any principal or interest due in respect of the Notes or any of them and such sum has not been duly paid within a further 14 days following written notice from the Trustee to the Issuer requiring the non-payment to be made good, provided that it shall not be such a default if, during the 14 days after the Trustee's notice it satisfies the Trustee that such payment was refused or withheld in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction. Where there is doubt as to the validity or applicability of any such law, regulation or order, it shall not be such a default to refuse or withhold any such payment in accordance with advice given at any time during the said period of 14 days by independent legal advisers acceptable to the Trustee; or
- (ii) if the Issuer fails to perform or observe any of its other obligations under the Senior Notes or the Trust Deed and (except where the Trustee considers such failure to be incapable of remedy when no such continuation or notice as is hereinafter referred to will be required) such failure continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or
- (iii) if an effective resolution is passed or an order is made for the winding up or dissolution of the Issuer (except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders),

provided that, in the case of an Event of Default described in paragraph (ii) above, the Trustee shall have certified to the Issuer that such Event of Default is, in its opinion, materially prejudicial to the interests of the Noteholders.

At any time after the Senior Notes or any of them shall have become immediately due and repayable and have not been repaid, the Trustee may, at its discretion and without further notice, institute such steps, actions or proceedings against the Issuer as it may think fit to enforce repayment thereof together with accrued interest, if any, and to enforce the

provisions of the Trust Deed, but it shall not be bound to institute any such steps, actions or proceedings unless (a) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter of the nominal amount of the Notes then outstanding and (b) it shall have been indemnified and/or secured and/or prefunded to its satisfaction. No Noteholder or Couponholder shall be entitled to proceed against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

(b) Events of Default and enforcement in respect of Dated Subordinated Notes and Senior Notes issued by Santander UK Group Holdings

This Condition 9(b) is only applicable to Notes issued by Santander UK Group Holdings.

In the case of any Series of Dated Subordinated Notes or Senior Notes issued by Santander UK Group Holdings:

- (i) if default is made for a period of 14 days or more in the payment of any principal or interest due in respect of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, or any of them and such sum has not been duly paid within a further 14 days following written notice from the Trustee to the Issuer requiring the non-payment to be made good, the Trustee in its discretion may, and if so requested by Noteholders of at least one-quarter in principal amount of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, then outstanding or if so directed by an Extraordinary Resolution, shall (subject in each case to Condition 9(b)(iv)) institute steps, actions or proceedings for the winding-up of the Issuer, but may take no further or other action to enforce, prove or claim for any such payment (except as provided in Condition 9(b)(ii)), provided that it shall not be such a default to refuse or withhold any such payment in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction. Where there is doubt as to the validity or applicability of any such law, regulation or order, it shall not be such a default to refuse or withhold any such payment in accordance with advice as to such validity or applicability given at any time during the said period of 14 days after the Trustee's notice by independent legal advisers acceptable to the Trustee;
- (ii) if an order is made by the competent court or resolution passed for the winding-up of the Issuer (other than an Approved Winding-up), the Trustee at its discretion may, and if so requested by Noteholders of at least one quarter in principal amount of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to Condition 9(b)(iv)), give notice to the Issuer (or, as applicable, the liquidator) that the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, are, and they shall accordingly forthwith become, immediately due and repayable at the amount equal to their Early Redemption Amount, and, in the case of Dated Subordinated Notes, the claim in respect thereof will be subject to the subordination provided for in Condition 3(b);

- (iii) without prejudice to Conditions 9(b)(i) and 9(b)(ii) above, the Trustee may at its discretion and without further notice institute such steps, actions or proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, these Conditions and the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, and the relative Coupons (if any) (other than any payment obligation of the Issuer under or arising from the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, and the relative Coupons (if any) or the Trust Deed including, without limitation, payment of any principal or interest in respect of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, and the relative Coupons (if any) and any damages awarded for breach of any obligations) provided that in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums (in cash or otherwise) sooner than the same would otherwise have been payable by it. Nothing in this Condition 9(b)(iii) shall, subject to Condition 9(b)(i), prevent the Trustee instituting steps, actions or proceedings for the winding-up of the Issuer, proving in any winding-up of the Issuer and/or claiming in any liquidation of the Issuer in respect of any payment obligations of the Issuer arising from the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, and the relative Coupons (if any) or the Trust Deed (including without limitation, payment of any principal or interest in respect of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, and the relative Coupons (if any) and any damages awarded for any breach of any obligations);
- (iv) the Trustee shall not be bound to take any of the actions referred to in Condition 9(b)(i), 9(b)(ii) or 9(b)(iii) above to enforce the obligations of the Issuer under the Trust Deed or the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter in principal amount of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, then outstanding and (ii) provided in each case it has been indemnified and/or secured and/or prefunded to its satisfaction against all costs, charges, liabilities and expenses which may be incurred by it in connection with such action, including the costs of its management's time and/or other internal resources, calculated in accordance with its normal hourly rates in force from time to time;
- (v) no Noteholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute steps, actions or proceedings for the winding-up or claim in the liquidation of the Issuer or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up or claim in such winding-up, fails to do so within a reasonable period and such failure is then continuing, in which case the relevant Noteholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise as set out in this Condition 9(b); and

- (vi) no remedy against the Issuer, other than as referred to in this Condition 9(b), shall be available to the Trustee, the Noteholders or the Couponholders, whether for the recovery of amounts owing in respect of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Dated Subordinated Notes or, if applicable, the Senior Notes issued by Santander UK Group Holdings, or under the Trust Deed.

10. Replacement of Notes, Coupons and Talons

Should any Note or, if applicable, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed it may be replaced, in the case of Bearer Notes or Coupons, at the specified office of the Principal Paying Agent or, in the case of Registered Notes, at the specified office of the Registrar (or in any case such other place of which notice shall have been given to the Noteholders in accordance with Condition 13) upon payment in any such case by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes or, if applicable, Coupons or Talons must be surrendered before replacements will be issued.

11. Agents

The names of the initial Agents and their initial specified offices are set out below. If any additional Paying Agent(s) are appointed in connection with any Series, the names of such Paying Agent(s) will be specified in Part B of the applicable Final Terms.

The Issuer is entitled, subject to the prior written approval of the Trustee, to vary or terminate the appointment of any Agent and/or approve any change in the specified office through which any Agent acts and/or, subject to prior consultation with the Trustee, appoint additional or other Agents, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Note) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) there will at all times be a Paying Agent with a specified office in a city approved in writing by the Trustee in continental Europe other than any such jurisdiction in which the Issuer is incorporated or resident for tax purposes; and
- (d) so long as any of the Rule 144A Global Notes payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in London.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(e). Notice of any variation, termination, appointment or change in respect of the Agents relating to the Notes will be given to the Noteholders promptly by the Issuer in accordance with Condition 13.

In acting under the Agency Agreement, the Agents act solely as agents or, as the case may be, registrars of the Issuer and, in certain circumstances, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

12. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. Notices

All notices regarding the Bearer Notes will be deemed to be validly given if published in one leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the Financial Times in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to listing. Any such notice will be deemed to have been given on the date of the first publication. If publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of that stock exchange or other relevant authority so require, the relevant notice will be published in a daily newspaper of general circulation in the place or places required by the rules of that stock exchange or other relevant authority. Any such notice will be deemed to have been given on the date of such publication. If the giving of notice as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

Until such time as any definitive Notes are issued, notice may be given (so long as any Global Notes representing the Notes are held in their entirety on behalf of DTC, Euroclear and/or Clearstream, Luxembourg (and so long as the rules of any stock exchange on

which the Notes are listed, or the rules of any other relevant authority by which the Notes have been admitted to listing, permit)) by delivery of the relevant notice to DTC, Euroclear and/or Clearstream, Luxembourg (instead of by way of publication or mailing) for communication by them to the holders of the Notes provided that, in addition, for so long as any Notes are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of that stock exchange or other relevant authority so require, such notice will be published in a daily newspaper of general circulation in a place or places required by the rules of that stock exchange or other relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes the day after the day on which the said notice was given to DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent or the Registrar through DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent, the Registrar and DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. Meetings of Noteholders, Modification, Waiver, Determination and Substitution

The Trust Deed contains provisions for convening meetings (including by way of conference call or by use of a videoconference platform) of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of the provisions of these Conditions, the Notes, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer at the request of Noteholders holding not less than ten per cent. in nominal amount of the Notes for the time being outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of these Conditions, the Notes, the Coupons or the Trust Deed as detailed in the Trust Deed (any such modification, a “**Basic Terms Modification**”), the quorum shall be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting one or more persons holding or representing not less than one-third, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Couponholders.

The Trustee may (in the case of paragraphs (a) and (b) below) agree, and the Trustee shall (in the case of paragraph (c) below) agree, in each case without the consent of the Noteholders or Couponholders, to:

- (a) (other than as detailed in the Trust Deed) any modification of, or any waiver or authorisation of any breach or proposed breach of, any of the provisions of these

Conditions, the Notes, the Coupons or the Trust Deed or, in the case of modification, the Agency Agreement which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders;

- (b) any modification of any of the provisions of these Conditions, the Notes, the Coupons or the Trust Deed which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of applicable law; or
- (c) any modification to any of the provisions of these Conditions, the Notes, the Coupons, the Trust Deed or the Agency Agreement that the Issuer considers necessary for the purpose of changing the Reset Rate (in the case of Fixed Rate Reset Notes) or the Reference Rate (in the case of Floating Rate Notes), as applicable, from the relevant Original Reference Rate (as defined below) to an alternative reference rate (any such rate, an “**Alternative Reference Rate**”) and making such other amendments as are necessary or advisable in the reasonable judgment of the Issuer to facilitate such change (including, without limitation, the application of any spread(s) or adjustment(s) as are necessary or advisable in the reasonable judgment of the Issuer in connection with the use of the Alternative Reference Rate in place of the Original Reference Rate) (any such modification, a “**Reference Rate Modification**”), provided that:
 - (A) the Issuer certifies to the Trustee in writing (such certificate, a “**Reference Rate Modification Certificate**”) that the relevant Reference Rate Modification is being undertaken due to:
 - (i) a material disruption to the relevant Original Reference Rate, an adverse change in the methodology of calculating the relevant Original Reference Rate or the relevant Original Reference Rate ceasing to exist or be published;
 - (ii) the insolvency or cessation of business of the administrator of the relevant Original Reference Rate or any other relevant interest rate benchmark (in circumstances where no successor administrator has been appointed);
 - (iii) a public statement by the administrator of the relevant Original Reference Rate that it will cease publishing such Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator for the relevant Original Reference Rate has been appointed that will continue publication of the relevant Original Reference Rate) or has or will change the relevant Original Reference Rate in an adverse manner;
 - (iv) a public statement by the supervisor of the administrator of the relevant Original Reference Rate or the central bank for the currency of the relevant Original Reference Rate that the relevant Original Reference Rate has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner;

- (v) a public statement by the supervisor of the administrator of the relevant Original Reference Rate or the central bank for the currency of the relevant Original Reference Rate that means the relevant Original Reference Rate may no longer be used or that its use is or will be subject to restrictions or adverse consequences;
- (vi) a public announcement of the permanent or indefinite discontinuation of the relevant Original Reference Rate that applies to the Notes at such time; or
- (vii) the reasonable expectation of the Issuer that any of the events specified in sub-paragraph (i), (ii), (iii), (v) or (vi) will occur or exist within six months of the proposed effective date of the relevant Reference Rate Modification,

and, in each case, has been drafted solely to such effect;

- (B) the relevant Alternative Reference Rate is either:
 - (i) a rate published, endorsed, approved or recognised by the Bank of England, the Federal Reserve, the European Central Bank, any regulator in the United States, the United Kingdom or the European Union (as the case may be) or any stock exchange on which the Notes are listed and/or admitted to trading (or any relevant committee or other body established, sponsored or approved by any of the foregoing); or
 - (ii) a rate that has replaced the relevant Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining floating rates of interest or reset rates of interest, as applicable, (or the relevant component part thereof) denominated in the Specified Currency in respect of notes, bonds or securities and with interest periods or a reset period, as applicable, of a comparable duration to the relevant Interest Periods or Reset Period, as applicable, or if the Issuer (acting in good faith and in a commercially reasonable manner) determines that there is no such rate, such other rate as the Issuer (acting in good faith and in a commercially reasonable manner) determines in its sole discretion is most comparable to the relevant Original Reference Rate;
- (C) at least 35 calendar days' prior written notice of the relevant Reference Rate Modification has been given to the Trustee;
- (D) the Reference Rate Modification Certificate in relation to the relevant Reference Rate Modification is provided to the Trustee at the time the Trustee is notified of the relevant Reference Rate Modification and on the effective date of the relevant Reference Rate Modification;

- (E) with respect to each rating agency that has assigned to the Notes a rating that has been solicited by the Issuer, either:
- (i) the Issuer obtains from each such rating agency written confirmation that the relevant Reference Rate Modification would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to the Notes by the relevant rating agency or (y) the relevant rating agency placing the Notes on rating watch negative (or equivalent) and delivers a copy of each such confirmation to the Trustee; or
 - (ii) the Issuer certifies in writing to the Trustee that it has notified each such rating agency of the relevant Reference Rate Modification and, in its opinion, formed on the basis of due consideration and consultation with each such rating agency (including, as applicable, upon receipt of oral confirmation from an appropriately authorised person at each such rating agency), the relevant Reference Rate Modification would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to the Notes by the relevant rating agency or (y) the relevant rating agency placing the Notes on rating watch negative (or equivalent);
- (F) the Issuer pays (or arranges for the payment of) all reasonable and documented fees, costs and expenses (including legal fees) properly incurred by the Trustee in connection with the relevant Reference Rate Modification;
- (G) if in the opinion of the Principal Paying Agent or, as the case may be, the Calculation Agent, there is in relation to the relevant Reference Rate Modification and the operation thereof any uncertainty between two or more alternative courses of action in making any determination or calculation, the Principal Paying Agent or the Calculation Agent, as the case may be, shall promptly notify the Issuer thereof and the Issuer shall direct the Principal Paying Agent or the Calculation Agent, as the case may be, in writing as to which alternative course of action to adopt; if the Principal Paying Agent or the Calculation Agent, as the case may be, is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason beyond its control, it shall notify the Issuer thereof and the Principal Paying Agent or the Calculation Agent, as the case may be, shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so; and
- (H) (i) the Issuer has given at least 30 calendar days' notice of the relevant Reference Rate Modification to the Noteholders and Couponholders in accordance with Condition 13 (in each case specifying the date and time by which such Noteholders must respond if they do not consent to the relevant Reference Rate Modification, as described below), and (ii) Noteholders representing at least ten per cent. in nominal amount of the

Notes for the time being outstanding have not notified the Issuer in accordance with Condition 13 within such notification period that such Noteholders do not consent to the relevant Reference Rate Modification.

If Noteholders representing at least ten per cent. in aggregate nominal amount of the Notes for the time being outstanding have notified the Issuer within the notification period described above that they do not consent to the relevant Reference Rate Modification, then the relevant Reference Rate Modification will not be made unless it is sanctioned by an Extraordinary Resolution of the holders of the Notes pursuant to the Trust Deed (and, for the purposes of the relevant Extraordinary Resolution, the relevant Reference Rate Modification will not constitute a Basic Terms Modification).

For the avoidance of doubt, the Issuer may propose an Alternative Reference Rate on more than one occasion provided that the conditions set out in this Condition 14(c) are satisfied.

Notwithstanding any other provision of this Condition 14(c), no Reference Rate Modification will be made if and to the extent that, in the sole determination of the Issuer, the same could reasonably be expected to prejudice (i) the qualification of the Dated Subordinated Notes as Tier 2 Capital of the Issuer or of the Group or (ii) the eligibility of the Senior Notes issued by Santander UK Group Holdings to qualify in full towards the Issuer's and/or the Group's minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments.

For the purpose of this Condition 14(c), "**Original Reference Rate**" means (i) in respect of any Fixed Rate Reset Notes where Mid-Swap Rate is specified as the Reset Rate in the applicable Final Terms, the Mid-Swap Rate (or any relevant component part thereof) or (ii) in respect of any Floating Rate Notes where EURIBOR, Compounded Daily SONIA, Compounded Daily €STR or Compounded Daily SORA, as the case may be, is specified as the Reference Rate for any period in the applicable Final Terms, EURIBOR, SONIA reference rate, €STR reference rate or SORA reference rate, as applicable (or any relevant component part thereof), provided that if pursuant to a previous Reference Rate Modification or otherwise pursuant to these Conditions, such originally specified rate has been replaced by an Alternative Reference Rate or another replacement rate, the term "Original Reference Rate" shall then include any such Alternative Reference Rate or other replacement rate and the provisions of this Condition 14(c) shall then apply to such Alternative Reference Rate or other replacement rate, *mutatis mutandis*.

When implementing any modification pursuant to this Condition 14(c):

- (A) a Reference Rate Modification shall not constitute a Basic Terms Modification;

- (B) the Trustee shall not consider the interests of the Noteholders or any other person and shall act and rely solely and without investigation or liability on any Reference Rate Modification Certificate or other certificate or evidence provided to it by the Issuer; and the Trustee shall not be liable to the Noteholders or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person; and
- (C) the Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Trustee, would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights, powers, authorisations, discretions, indemnification or protections, of the Trustee under these Conditions and/or the Trust Deed.

The Issuer and the Principal Paying Agent may agree, without the consent of the Trustee, the Noteholders or Couponholders, to any modification of any of the provisions of any applicable Final Terms which is of a formal, minor or technical nature or is made to correct a manifest error.

The Trustee may also determine, without the consent of the Noteholders or the Couponholders, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such if the Trustee is satisfied that so to do will not be materially prejudicial to the interests of the Noteholders. In addition, the Trustee shall, without the consent of the Noteholders or the Couponholders, concur with the Issuer in making modifications to these Conditions and/or other relevant transaction documents to which it is a party that the Issuer considers necessary in the circumstances set out in Condition 4(d)(iii), and to any substitution or variation of the Notes pursuant to Condition 6(m). Subject as provided in the Trust Deed, the Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders, may agree, without the consent of the Noteholders or Couponholders, to the substitution of any other person or persons incorporated in any country in the world (other than the United States) in place of the Issuer as principal debtor under the Trust Deed, the Notes and, if applicable, the Coupons. The Trustee may also agree without the consent of the Noteholders or Couponholders to the addition of another company as an issuer of Notes under the Programme and the Trust Deed. Any such addition shall be subject to the relevant provisions of the Trust Deed and to such amendment thereof and such other conditions as the Trustee may require.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, but without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular, but without limitation, shall not have regard to the consequences (including any tax consequences) of such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the

Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except, in the case of the Issuer to the extent provided for in Condition 7 and/or any undertaking given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

Any such modification, waiver, authorisation, determination, substitution or addition as aforesaid shall be binding on the Noteholders the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

No such modification, waiver, authorisation, determination, substitution or addition as aforesaid which relates to any Dated Subordinated Notes (and/or any Senior Notes issued by Santander UK Group Holdings, if applicable pursuant to any Loss Absorption Regulations) shall become effective unless the Issuer shall have received the consent of the Regulator (unless such consent is not then required under the Capital Rules in the case of Dated Subordinated Notes, or the Loss Absorption Regulations in the case of Senior Notes issued by Santander UK Group Holdings).

15. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the issue price and date of issue thereof and the amount and date of the first payment of interest thereon and so as to be consolidated and form a single Series with the outstanding Notes; provided, however, that if such further notes are not issued as part of the same "issue", in a "qualified reopening" or with less than a *de minimis* amount of original issue discount, in each case for U.S. federal income tax purposes, the further notes will have a separate Common Code, ISIN and (where applicable) CUSIP and CINS from such numbers assigned to the previously issued Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

16. Miscellaneous

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or pre-funded to its satisfaction.

A person who is not a Noteholder has no right by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy which exists or is available apart from that Act.

17. Governing Law

The Trust Deed, the Agency Agreement, the Notes and the Coupons, and any non-contractual obligations arising out of, or in connection with, the Trust Deed, the Agency

Agreement, the Notes and/or the Coupons, are governed by, and shall be construed in accordance with, English law.

18. Agreement and Acknowledgement with Respect to the Exercise of Bail-in Power

Notwithstanding and to the exclusion of any other term of any Series of Notes or any other agreements, arrangements, or understandings between the Issuer and any Noteholder (or the Trustee on behalf of the Noteholders), by its acquisition of the Notes, each Noteholder (and the Trustee on behalf of the Noteholders), acknowledges and accepts that the Amounts Due arising under the Notes may be subject to the exercise of Bail-in Powers by the Resolution Authority, and acknowledges, accepts, consents and agrees to be bound by:

No repayment or payment of Amounts Due on the Notes, will become due and payable or be paid after the exercise of any Bail-in Power by the Resolution Authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise.

(c) Event of Default

Neither a reduction or cancellation, in part or in full, of the Amounts Due, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Resolution Authority with respect to the Issuer, nor the

exercise of the Bail-in Power by the Resolution Authority with respect to the Notes, will be an Event of Default or default for any purpose.

(d) Notice to Noteholders

Upon the exercise of the Bail-in Power by the Resolution Authority with respect to any Notes, the Issuer shall notify the Trustee and the Principal Paying Agent in writing of such exercise and give notice of the same to Noteholders in accordance with Condition 13 (Notices). TEMPORARY BEARER GLOBAL NOTE

This Note is a Temporary Bearer Global Note in respect of a duly authorised issue of Notes of the Issuer (the “**Notes**”) of the Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Notes (the “**Final Terms**”) or, if the Notes are Exempt Notes, as are specified in the Pricing Supplement applicable to the Notes (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented by the Final Terms or in the case of Exempt Notes, as supplemented, replaced and/or modified by the Pricing Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms or Pricing Supplement, the Final Terms or Pricing Supplement (as the case may be) will prevail. Words and expressions defined in the Conditions shall bear the same meanings when used in this Bearer Global Note. References herein to “**Final Terms**” shall be deemed to be a reference to Pricing Supplement, in respect of a Series of Exempt Notes, unless the context otherwise requires. This Bearer Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed dated 4 September 2015 (such Trust Deed as modified and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) made between the Issuer and Citicorp Trustee Company Limited as trustee for the holders of the Notes.

The Issuer, subject as hereinafter provided and subject to and in accordance with the Conditions and the Trust Deed, promises to pay to the bearer hereof on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Bearer Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Bearer Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Bearer Global Note to or to the order of the Principal Paying Agent or any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Bearer Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking SA (“**Clearstream, Luxembourg**”) and together with Euroclear, the “**relevant Clearing Systems**”). The records of the relevant Clearing Systems (which expression in this Bearer

Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes represented by this Bearer Global Note (but excluding any interest in the Notes represented by this Bearer Global Note held by one relevant Clearing System shown in the records of the other relevant Clearing System)) shall be conclusive evidence of the nominal amount of Notes represented by this Bearer Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Bearer Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Bearer Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II or Part III of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Bearer Global Note the Issuer shall procure that:

- (a) if the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems, and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Bearer Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (b) if the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Bearer Global Note and the Notes represented by this Bearer Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Bearer Global Note shall be made to the bearer of this Bearer Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make entries referred to above shall not affect such discharge.

Payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will only be made to the bearer hereof to the extent that there is presented to the Principal Paying Agent by Clearstream, Luxembourg or Euroclear a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Bearer Global Note (as shown by its records) a certificate of non-US beneficial ownership in the form required by it. The bearer of this Bearer Global Note will not (unless upon due presentation of this Bearer Global Note for exchange, delivery of the appropriate number of Definitive Notes (together, if applicable, with the Coupons and Talons appertaining thereto in or substantially in the forms set out in Parts 4 and 5 of Schedule 2 to the Trust Deed) or, as the case may be, issue and delivery (or, as the case may be, endorsement) of the Permanent Bearer Global Note is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment hereon due on or after the Exchange Date.

On or after the date (the “**Exchange Date**”) which is 40 days after the Issue Date, this Bearer Global Note may be exchanged (free of charge) in whole or in part for, as specified in the applicable Final Terms, either (a) Definitive Notes and (if applicable) Coupons and/or Talons (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing, replacing or modifying the Conditions appearing in the applicable Final Terms has been endorsed on or attached to such Definitive Notes) or (b) either (if the Final Terms indicate that this Global Note is intended to be a New Global Note) interests recorded in the records of the relevant Clearing Systems in a Permanent Bearer Global Note or (if the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note) a Permanent Bearer Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 2 to the Trust Deed (together with the Final Terms attached thereto) upon notice being given by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Bearer Global Note and subject, in the case of Definitive Notes, to such notice period as is specified in the applicable Final Terms.

If Definitive Bearer Notes and (if applicable) Coupons and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Bearer Global Note, then this Bearer Global Note may only thereafter be exchanged for Definitive Bearer Notes and (if applicable) Coupons and/or Talons pursuant to the terms hereof. Presentation of this Bearer Global Note for exchange shall be made by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in London at the office of the Principal Paying Agent specified above.

The Issuer shall procure that Definitive Bearer Notes or (as the case may be) the Permanent Bearer Global Note shall be so issued and delivered and (in the case of the Permanent Bearer Global Note where the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note) interests in the Permanent Bearer Global Note shall be recorded in the records of the relevant Clearing Systems in exchange for only that portion of this Bearer Global Note in respect of which there shall have been presented to the Principal Paying Agent by Euroclear or Clearstream, Luxembourg a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes represented by this Bearer Global Note (as shown by its records) a certificate of non U.S. beneficial ownership in the form required by it.

On an exchange of the whole of this Bearer Global Note, this Bearer Global Note shall be surrendered to the Principal Paying Agent. The Issuer shall procure that:

- (a) if the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note, on an exchange of the whole or part only of this Bearer Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Bearer Global Note shall be reduced by the nominal amount of this Bearer Global Note so exchanged; or
- (b) if the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note, on an exchange of part only of this Bearer Global Note details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Bearer Global Note and the Notes represented by this Bearer Global Note shall be reduced by the nominal amount of this Bearer Global Note so exchanged. On any exchange of this Bearer Global Note for a Permanent Bearer Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two to the Permanent Bearer Global Note and the relevant space in Schedule Two thereto recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Bearer Global Note as aforesaid, the bearer hereof shall (subject as provided in the next paragraph) in all respects (except as otherwise provided herein) be entitled to the same benefits as if he were the bearer of Definitive Notes and the relative Coupons and/or Talons (if any) in the form(s) set out in Part 4 and Part 5 (as applicable) of Schedule 2 to the Trust Deed.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of the Notes represented by this Bearer Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Principal Paying Agent and any other Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such nominal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this Bearer Global Note in accordance with and subject to the terms of this Bearer Global Note and the Trust Deed.

This Bearer Global Note and any non-contractual obligations arising out of or in connection with it is governed by, and shall be construed in accordance with, English law.

No rights are conferred on any person by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Bearer Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

This Bearer Global Note shall not be valid unless authenticated by Citibank, N.A., London Branch as Principal Paying Agent and, if the Final Terms indicate that this Bearer Global Note is intended to be a NGN (i) which is intended to be held in a manner which would allow Eurosystem eligibility or (ii) in respect of which effectuation is to be applicable, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

In witness whereof the Issuer has caused this Bearer Global Note to be signed manually or in facsimile by a person duly authorised on its behalf.

PERMANENT BEARER GLOBAL NOTE

This Note is a Permanent Bearer Global Note in respect of a duly authorised issue of Notes of the Issuer (the “**Notes**”) of the Nominal Amount, Specified Currency(ies) and Specified Denomination(s) as are specified in the Final Terms applicable to the Notes (the “**Final Terms**”) or, if the Notes are Exempt Notes, as are specified in the Pricing Supplement applicable to the Notes (the “**Pricing Supplement**”), a copy of which is annexed hereto. References herein to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 1 to the Trust Deed (as defined below) as supplemented by the Final Terms or, in the case of Exempt Notes, as supplemented, replaced and/or modified by the Pricing Supplement but, in the event of any conflict between the provisions of the said Conditions and the information in the Final Terms or Pricing Supplement, the Final Terms or Pricing Supplement (as the case may be) will prevail. Words and expressions defined in the Conditions shall bear the same meanings when used in this Bearer Global Note. References herein to “**Final Terms**” shall be deemed to be a reference to Pricing Supplement, in respect of a Series of Exempt Notes, unless the context otherwise requires. This Bearer Global Note is issued subject to, and with the benefit of, the Conditions and a Trust Deed dated 4 September 2015 (such Trust Deed as modified and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) made between the Issuer and Citicorp Trustee Company Limited as trustee for the holders of the Notes.

The Issuer, subject to and in accordance with the Conditions and the Trust Deed, promises to pay to the bearer hereof on the Maturity Date and/or on such earlier date(s) as all or any of the Notes represented by this Bearer Global Note may become due and repayable in accordance with the Conditions and the Trust Deed, the amount payable under the Conditions in respect of such Notes on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Bearer Global Note calculated and payable as provided in the Conditions and the Trust Deed together with any other sums payable under the Conditions and the Trust Deed, upon presentation and, at maturity, surrender of this Bearer Global Note to or the order of the Principal Paying Agent or any of the other Paying Agents located outside the United States, its territories and possessions (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

If the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Bearer Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking SA (“**Clearstream, Luxembourg**”) and together with Euroclear, the “**relevant Clearing Systems**”). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customer's interest in the Notes represented by this Bearer Global Note (but excluding any interest in the Notes represented by this Global Note held by one relevant Clearing

System shown in the records of the other relevant Clearing System)) shall be conclusive evidence of the nominal amount of Notes represented by this Bearer Global Note and, for these purposes, a statement issued by a relevant Clearing System stating the nominal amount of Notes represented by this Bearer Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Bearer Global Note shall be the amount stated in the applicable Final Terms or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part II or Part III of Schedule One hereto or in Schedule Two hereto.

On any redemption of, or payment of interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Bearer Global Note the Issuer shall procure that:

- (i) if the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Bearer Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled; or
- (ii) if the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One hereto and the relevant space in Schedule One hereto recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption or purchase and cancellation, the nominal amount of this Bearer Global Note and the Notes represented by this Bearer Global Note shall be reduced by the nominal amount of such Notes so redeemed or purchased and cancelled.

Payments due in respect of Notes for the time being represented by this Bearer Global Note shall be made to the bearer of this Bearer Global Note and each payment so made will discharge the Issuer's obligations in respect thereof and any failure to make entries referred to above shall not affect such discharge.

If the Notes represented by this Bearer Global Note were, on issue, represented by a Temporary Bearer Global Note then on any exchange of such Temporary Bearer Global Note for this Bearer Global Note or any part hereof, the Issuer shall procure that:

- (i) if the Final Terms indicate that this Bearer Global Note is intended to be a New Global Note, details of such exchange shall be entered in the records of the relevant Clearing Systems such that the nominal amount of Notes represented by this Bearer Global Note shall be increased by the nominal amount of the Temporary Bearer Global Note so exchanged; or
- (ii) if the Final Terms indicate that this Bearer Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two hereto and the relevant space in Schedule Two hereto recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Bearer Global Note and the Notes represented by this Bearer Global Note shall be increased by the nominal amount of the Temporary Bearer Global Note so exchanged.

This Bearer Global Note may be exchanged (free of charge) in whole, but not in part, for Definitive Notes and (if applicable) Coupons and/or Talons in or substantially in the forms set out in Part 4 and

Part 5 of Schedule 2 to the Trust Deed (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons and/or Talons and the relevant information supplementing the Conditions appearing in the Final Terms or, in the case of Exempt Notes, the relevant information supplementing, replacing and/or modifying the Conditions appearing in the Pricing Supplement has been endorsed on or attached to such Definitive Notes) either, as specified in the Final Terms:

- (a) upon not less than 60 days' written notice being given to the Principal Paying Agent by Euroclear and/or Clearstream Luxembourg, (acting on the instructions of any holder of an interest in this Bearer Global Note); or
- (b) only upon the occurrence of an Exchange Event.

An “**Exchange Event**” means:

- (i) an Event of Default has occurred and is continuing;
- (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no alternative clearing system satisfactory to the Trustee is available; or
- (iii) the Issuer has or will become obliged to pay additional amounts as provided for or referred to in Condition 7 which would not be required were the Notes in definitive form.

Upon the occurrence of an Exchange Event:

- (a) the Issuer will promptly give notice to Noteholders in accordance with Condition 13 of the occurrence of such Exchange Event; and
- (b) Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in this Bearer Global Note) or the Trustee may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Principal Paying Agent requesting exchange.

Any such exchange shall occur on a date specified in the notice not later than 60 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The first notice requesting exchange in accordance with the above provisions shall give rise to the issue of Definitive Notes for the total nominal amount of Notes represented by this Bearer Global Note.

Any such exchange as aforesaid will be made upon presentation of this Bearer Global Note by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for business in London at the office of the Principal Paying Agent specified above.

- (a) As used in this Schedule the following expressions shall have the following meanings unless the context otherwise requires:
- (i) “**voting certificate**” shall mean an English language certificate issued by a Paying Agent and dated in which it is stated:
- (A) that on the date thereof Bearer Notes (whether in definitive form or represented by a Bearer Global Note and not being Bearer Notes in respect of which a block voting instruction has been issued and is outstanding in respect of the meeting specified in such voting certificate or any adjourned such meeting) were deposited with such Paying Agent or (to the satisfaction of such Paying Agent) were held to its order or under its control or blocked in an account with a clearing system and that no such Bearer Notes will cease to be so deposited or held or blocked until the first to occur of:
- I. the conclusion of the meeting specified in such certificate or, if later, of any adjourned such meeting; and
- II. the surrender of the certificate to the Paying Agent who issued the same; and
- (B) that the bearer thereof is entitled to attend and vote at such meeting and any adjourned such meeting in respect of the Bearer Notes represented by such certificate;
- (ii) “**block voting instruction**” shall mean an English language document issued by a Paying Agent and dated in which:
- (A) it is certified that Bearer Notes (whether in definitive form or represented by a Bearer Global Note and not being Bearer Notes in respect of which a voting certificate has been issued and is outstanding in respect of the meeting specified in such block voting instruction and any adjourned such meeting) have been deposited with such Paying Agent or (to the satisfaction of such Paying Agent) were held to its order or under its control or blocked in an account with a clearing system and that no such Bearer Notes will cease to be so deposited or held or blocked until the first to occur of:
- I. the conclusion of the meeting specified in such document or, if later, of any adjourned such meeting; and
- II. the surrender to the Paying Agent not less than 48 hours before the time for which such meeting or any adjourned such meeting is convened of the receipt issued by such Paying Agent in respect of each such deposited Bearer Note which is to be released or (as the case may require) the Bearer Note or Bearer Notes ceasing with the agreement of the Paying Agent to be held to its order or under its control or so blocked

and the giving of notice by the Paying Agent to the relevant Issuer in accordance with paragraph 17 hereof of the necessary amendment to the block voting instruction;

- (B) it is certified that each holder of such Bearer Notes has instructed such Paying Agent that the vote(s) attributable to the Bearer Note or Bearer Notes so deposited or held or blocked should be cast in a particular way in relation to the resolution or resolutions to be put to such meeting or any adjourned such meeting and that all such instructions are during the period commencing 48 hours prior to the time for which such meeting or any adjourned such meeting is convened and ending at the conclusion or adjournment thereof neither revocable nor capable of amendment;
 - (C) the aggregate principal amount of the Bearer Notes so deposited or held or blocked are listed distinguishing with regard to each such resolution between those in respect of which instructions have been given as aforesaid that the votes attributable thereto should be cast in favour of the resolution and those in respect of which instructions have been so given that the votes attributable thereto should be cast against the resolution; and
 - (D) one or more persons named in such document (each hereinafter called a “**proxy**”) is or are authorised and instructed by such Paying Agent to cast the votes attributable to the Bearer Notes so listed in accordance with the instructions referred to in (c) above as set out in such document;
- (iii) “**24 hours**” shall mean a period of 24 hours including all or part of a day upon which banks are open for business in both the place where the relevant meeting is to be held and in each of the places where the Paying Agents have their specified offices (disregarding for this purpose the day upon which such meeting is to be held) and such period shall be extended by one period or, to the extent necessary, more periods of 24 hours until there is included as aforesaid all or part of a day upon which banks are open for business in all of the places as aforesaid; and
- (iv) “**48 hours**” shall mean a period of 48 hours including all or part of two days upon which banks are open for business both in the place where the relevant meeting is to be held and in each of the places where the Paying Agents have their specified offices (disregarding for this purpose the day upon which such meeting is to be held) and such period shall be extended by one period or, to the extent necessary, more periods of 24 hours until there is included as aforesaid all or part of two days upon which banks are open for business in all of the places as aforesaid.
- (b) A holder of a Bearer Note (whether in definitive form or represented by a Bearer Global Note) may obtain a voting certificate in respect of such Note from a Paying Agent or require a Paying Agent to issue a block voting instruction in respect of such Note by depositing such Bearer Note with such Paying Agent or (to the satisfaction of such Paying Agent) by such Bearer Note being held to its order or under its control or being blocked in an account with a clearing system, in each case not less than 48

hours before the time fixed for the relevant meeting and on the terms set out in subparagraph (a)(i)(A) or (a)(ii)(A) above (as the case may be), and (in the case of a block voting instruction) instructing such Paying Agent to the effect set out in subparagraph (a)(ii)(B) above. The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting or adjourned meeting of Noteholders be deemed to be the holder of the Bearer Notes to which such voting certificate or block voting instruction relates and the Paying Agent with which such Bearer Notes have been deposited or the person holding the same to the order or under the control of such Paying Agent or the clearing system in which such Bearer Notes have been blocked shall be deemed for such purposes not to be the holder of those Bearer Notes.

(c)

- (i) A holder of Registered Notes (whether in definitive form or represented by a Registered Global Note (other than a Registered Note referred to in (iv) below)) may, by an instrument in writing in the English language (a **“form of proxy”**) signed by the holder or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the specified office of the Registrar not less than 48 hours before the time fixed for the relevant meeting, appoint any person (a **“proxy”**) to act on his or its behalf in connection with any meeting of the Noteholders and any adjourned such meeting.
- (ii) Any holder of Registered Notes (whether in definitive form or represented by a Registered Global Note) which is a corporation may by resolution of its directors or other governing body authorise any person to act as its representative (a **“representative”**) in connection with any meeting of the Noteholders and any adjourned such meeting.
- (iii) Any proxy appointed pursuant to subparagraph (i) above or representative appointed pursuant to subparagraph (ii) above shall so long as such appointment remains in force be deemed, for all purposes in connection with the relevant meeting or adjourned meeting of the Noteholders, to be the holder of the Registered Notes to which such appointment relates and the holder of the Registered Notes shall be deemed for such purposes not to be the holder.
- (iv) For so long as any of the Registered Notes is represented by a Rule 144A Global Note registered in the name of DTC or its nominee, DTC may mail an Omnibus Proxy to the relevant Issuer in accordance with and in the form used by DTC as part of its usual procedures from time to time in relation to meetings of Noteholders. Such Omnibus Proxy shall assign the voting rights in respect of the relevant meeting to DTC’s direct participants as of the record date specified therein. Any such assignee participant may, by an instrument in writing in the English language signed by such assignee participant, or, in the case of a corporation, executed under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation and delivered to the specified office of the Registrar or any Transfer Agent before the time fixed for the relevant meeting, appoint any person (a **“sub-proxy”**) to act on his or its behalf in connection with any meeting of Noteholders and any adjourned such meeting. All references to **“proxy”** or **“proxies”** in this

Schedule other than in this paragraph shall be read so as to include references to sub-proxy or sub-proxies.

- 2** Any Issuer or the Trustee may at any time and any Issuer shall upon a requisition in writing in the English language signed by the holders of not less than 10 per cent. in nominal amount of the Notes for the time being outstanding convene a meeting of the Noteholders and if such Issuer makes default for a period of seven days in convening such a meeting the same may be convened by the Trustee or the requisitionists. Whenever any Issuer is about to convene any such meeting such Issuer, as the case may be, shall forthwith give notice in writing to the Trustee of the day, time and place (which need not be a physical place and instead may be by way of a conference call or a videoconference platform or by way of a combined physical meeting and meeting held via a conference call or a videoconference platform) thereof and of the nature of the business to be transacted thereat. Every such meeting shall be held at such time and place as the Trustee may appoint or approve.
- 3** At least 21 days' notice (exclusive of the day on which the notice is given and the day on which the meeting is to be held) specifying the place, day and hour of meeting shall be given to the holders of the relevant Notes prior to any meeting of such holders in the manner provided by Condition 13. Such notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the meeting thereby convened but (except for an Extraordinary Resolution) it shall not be necessary to specify in such notice the terms of any resolution to be proposed. Such notice shall include statements, if applicable, to the effect that (i) Bearer Notes may, not less than 48 hours before the time fixed for the meeting, be deposited with Paying Agents or (to their satisfaction) held to their order or under their control or blocked in an account with a clearing system for the purpose of obtaining voting certificates or appointing proxies and (ii) the holders of Registered Notes may appoint proxies by executing and delivering a form of proxy in the English language to the specified office of the Registrar not less than 48 hours before the time fixed for the meeting or, in the case of corporations, may appoint representatives by resolution of their directors or other governing body. A copy of the notice shall be sent by post to the Trustee (unless the meeting is convened by the Trustee) and to the relevant Issuer (unless the meeting is convened by such Issuer).
- 4** A person (who may but need not be a Noteholder) nominated in writing by the Trustee shall be entitled to take the chair at the relevant meeting or adjourned meeting but if no such nomination is made or if at any meeting or adjourned meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the meeting or adjourned meeting the Noteholders present shall choose one of their number to be Chairman, failing which the relevant Issuer may appoint a Chairman. The Chairman of an adjourned meeting need not be the same person as was Chairman of the meeting from which the adjournment took place.
- 5** At any such meeting one or more persons present holding Definitive Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one-twentieth of the nominal amount of the Notes for the time being outstanding shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any meeting unless the requisite quorum be present at the commencement of the relevant business. The quorum at any such meeting for passing an Extraordinary Resolution shall (subject as provided below) be one or more persons present holding Definitive Notes or voting certificates or being proxies or representatives and holding or

representing in the aggregate a clear majority in nominal amount of the Notes for the time being outstanding PROVIDED THAT at any meeting the business of which includes any of the following matters (each a “**Basic Terms Modification**”, and each of which shall, subject only to Clause 18.2, only be capable of being effected after having been approved by Extraordinary Resolution) namely:

- (a) reduction or cancellation of the amount payable or, where applicable, modification, except where such modification is in the opinion of the Trustee bound to result in an increase, of the method of calculating the amount payable (except, for the avoidance of doubt, a proposed Reference Rate Modification) or modification of the date of payment or, where applicable, of the method of calculating the date of payment in respect of any principal or interest in respect of the Notes;
- (b) alteration of the currency in which payments under the Notes and Coupons are to be made;
- (c) alteration of the majority required to pass an Extraordinary Resolution;
- (d) the sanctioning of any such scheme or proposal as is described in paragraph 18(i) below; and
- (e) alteration of this proviso or the proviso to paragraph 6 below;

the quorum shall be one or more persons present holding Definitive Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than two-thirds of the nominal amount of the Notes for the time being outstanding.

- 6** If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the meeting shall if convened upon the requisition of Noteholders be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 clear days nor more than 42 clear days, and to such place as may be appointed by the Chairman either at or subsequent to such meeting and approved by the Trustee). If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Chairman may either (with the approval of the Trustee) dissolve such meeting or adjourn the same for such period, being not less than 13 clear days (but without any maximum number of clear days), and to such place as may be appointed by the Chairman either at or subsequent to such adjourned meeting and approved by the Trustee, and the provisions of this sentence shall apply to all further adjourned such meetings. At any adjourned meeting one or more persons present holding Definitive Notes of the relevant one or more Series or voting certificates or being proxies or representatives (whatever the nominal amount of the Notes so held or represented by them) shall (subject as provided below) form a quorum and shall have power to pass any resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present PROVIDED THAT at any adjourned meeting the quorum for the transaction of business comprising any Basic Terms Modification shall be one or more persons present

holding Definitive Notes or voting certificates or being proxies or representatives and holding or representing in the aggregate not less than one-third of the nominal amount of the Notes for the time being outstanding.

- 7** Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 above and such notice shall state the required quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.
- 8** Every question submitted to a meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy or as a representative.
- 9** At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman, the relevant Issuer, the Trustee or any person present holding a Definitive Note of the relevant Series or a voting certificate or being a proxy or representative (whatever the nominal amount of the Notes so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 10** Subject to paragraph 12 below, if at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
- 11** The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
- 12** Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
- 13** The Trustee and its lawyers and any director, officer or employee of a corporation being a trustee of these presents and any director or officer of the relevant Issuer and its or their lawyers and any other person authorised so to do by the Trustee may attend and speak at any meeting. Save as aforesaid, but without prejudice to the proviso to the definition of outstanding in Clause 1, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of Noteholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on Noteholders by Condition 9 unless he either produces the Definitive Bearer Note or Definitive Bearer Notes of which he is the holder or a voting certificate or is a proxy or a representative of a Noteholder or is the holder of a Definitive Registered Note or Definitive Registered Notes. No person shall be entitled to vote at any meeting in respect of Notes held by, for the benefit of, or on behalf of, the relevant Issuer or any Subsidiary of the relevant Issuer. Nothing herein shall prevent any of the proxies named in any block voting instruction or form of proxy from being a director, officer or representative of or otherwise connected with the relevant Issuer.

- 14** Subject as provided in paragraph 13 above at any meeting:
- (a) on a show of hands every person who is present in person and produces a Definitive Bearer Note or voting certificate or is a holder of a Definitive Registered Note or is a proxy or representative shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of each €1 or such other amount as the Trustee may in its absolute discretion stipulate (or, in the case of meetings of holders of Notes denominated in another currency, such amount in such other currency as the Trustee in its absolute discretion may stipulate) in nominal amount of the Definitive Bearer Notes so produced or represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of which he is the registered holder.

Without prejudice to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

- 15** The proxies named in any block voting instruction or form of proxy and representatives need not be Noteholders.
- 16** Each block voting instruction together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the relevant Paying Agent and each form of proxy shall be deposited by the relevant Paying Agent or (as the case may be) by the Registrar or the relevant Transfer Agent at such place as the Trustee shall approve not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction or form of proxy propose to vote and in default the block voting instruction or form of proxy shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A copy of each block voting instruction and form of proxy shall be deposited with the Trustee before the commencement of the meeting or adjourned meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction or form of proxy.
- 17** Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the relevant Noteholders' instructions pursuant to which it was executed provided that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or in the case of a Registered Note from the holder thereof by the relevant Issuer at its registered office (or such other place as may have been required or approved by the Trustee for the purpose) by the time being 24 hours and 48 hours respectively before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction or form of proxy is to be used.
- 18** A meeting of the Noteholders shall in addition to the powers hereinbefore given have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) namely:
- (a) Power to sanction any compromise or arrangement proposed to be made between the relevant Issuer, the Trustee, any Appointee and the Noteholders and Couponholders or any of them.
 - (b) Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Trustee, any Appointee, the Noteholders, the

Couponholders or the relevant Issuer against any other or others of them or against any of their property whether such rights shall arise under these presents or otherwise.

- (c) Power to assent to any modification of the provisions of these presents which shall be proposed by the relevant Issuer, the Trustee or any Noteholder.
- (d) Power to give any authority or sanction which under the provisions of these presents is required to be given by Extraordinary Resolution.
- (e) Power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interests of the Noteholders and to confer upon such committee or committees any powers or discretions which the Noteholders could themselves exercise by Extraordinary Resolution.
- (f) Power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of these presents.
- (g) Power to discharge or exonerate the Trustee and/or any Appointee from all liability in respect of any act or omission for which the Trustee and/or such Appointee may have become responsible under these presents.
- (h) Power to authorise the Trustee and/or any Appointee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution.
- (i) Power to sanction any scheme or proposal for the exchange or sale of the Notes for or the conversion of the Notes into or the cancellation of the Notes in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities of the relevant Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as aforesaid and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the Noteholders to execute an instrument of transfer of the Registered Notes held by them in favour of the persons with or to whom the Notes are to be exchanged or sold respectively.

19 Any resolution passed at a meeting of the Noteholders duly convened and held in accordance with these presents shall be binding upon all the Noteholders whether present or not present at such meeting and whether or not voting and upon all Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 13 by the relevant Issuer within 14 days of such result being known PROVIDED THAT the non-publication of such notice shall not invalidate such result.

20 The expression Extraordinary Resolution when used in these presents means (a) a resolution passed at a meeting of the Noteholders duly convened and held in accordance with these presents by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands or if a poll is duly demanded by a majority consisting of not less than three-fourths of the votes cast on such poll; (b) a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes

outstanding, which resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more of the Noteholders; (c) a resolution passed by an Electronic Consent.

21 Minutes of all resolutions and proceedings at every meeting of the Noteholders shall be made and entered in books to be from time to time provided for that purpose by the relevant Issuer and any such minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings transacted shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings transacted thereat to have been duly passed or transacted.

22

(a) If and whenever the relevant Issuer shall have issued and have outstanding Notes of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:

(i) a resolution which in the opinion of the Trustee affects the Notes of only one Series shall be deemed to have been duly passed if passed at a separate meeting of the holders of the Notes of that Series;

(ii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;

(iii) a resolution which in the opinion of the Trustee affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and

(iv) to all such meetings all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and Noteholders were references to the Notes of the Series or group of Series in question or to the holders of such Notes, as the case may be.

(b) If any Issuer shall have issued and have outstanding Notes which are not denominated in euro in the case of any meeting of holders of Notes of more than one currency the principal amount of such Notes shall (i) for the purposes of paragraph 2 above be the equivalent in euro at the spot rate of a bank nominated by the Trustee for the conversion of the relevant currency or currencies into euro on the seventh dealing day prior to the day on which the requisition in writing is received by such Issuer and (ii) for the purposes of paragraphs 5, 6 and 14 above (whether in respect of the meeting or any adjourned such meeting or any poll resulting therefrom) be the equivalent at such spot rate on the seventh dealing day prior to the day of such meeting. In such circumstances, on any poll each person present shall have one vote for each €1 (or such other euro amount as the Trustee may in its absolute

discretion stipulate) in principal amount of the Notes (converted as above) which he holds or represents.

- 23** Subject to all other provisions of these presents the Trustee may (after consultation with the relevant Issuer where the Trustee considers such consultation to be practicable but without the consent of the relevant Issuer, the Noteholders or the Couponholders) prescribe such further regulations regarding the requisitioning and/or the holding of meetings of Noteholders and attendance and voting thereat (including, but not limited to, the holding of meetings by way of conference call or videoconference platform) as the Trustee may in its sole discretion reasonably think fit.
- 24** For so long as the Notes are in the form of a Global Note held on behalf of a clearing system, then, in respect of any resolution proposed by the relevant Issuer or the Trustee:
- (a) where the terms of the resolution proposed by the relevant Issuer or the Trustee (as the case may be) have been notified to the Noteholders through the relevant clearing system(s), as provided in sub-paragraphs (i) and (ii) below each of the relevant Issuer and the Trustee shall be entitled to rely upon approval of such resolution proposed by the relevant Issuer or the Trustee (as the case may be) given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures (“**Electronic Consent**”) by or on behalf of the holders of not less than three-fourths in principal amount of the Notes outstanding (the “**Required Proportion**”) by close of business on the Relevant Date. Any resolution passed in such manner shall be binding on all Noteholders, even if the relevant consent or instruction proves to be defective. None of the Issuers or the Trustee shall be liable or responsible to anyone for such reliance.
 - (i) When a proposal for a resolution to be passed as an Electronic Consent has been made, at least 10 days’ notice (exclusive of the day on which the notice is given and of the day on which affirmative consents will be counted) shall be given to the Noteholders through the relevant clearing system(s). The notice shall specify, in sufficient detail to enable Noteholders to give their consents in relation to the proposed resolution, the method by which their consents may be given (including, where applicable, blocking of their accounts in the relevant clearing system(s)) and the time and date (the “**Relevant Date**”) by which they must be received in order for such consents to be validly given, in each case subject to and in accordance with the operating rules and procedures of the relevant clearing system(s).
 - (ii) If, on the Relevant Date on which the consents in respect of an Electronic Consent are first counted, such consents do not represent the Required Proportion, the resolution shall, if the party proposing such resolution (the “**Proposer**”) so determines, be deemed to be defeated. Such determination shall be notified in writing to the other party or parties to the Trust Deed. Alternatively, the Proposer may give a further notice to Noteholders that the resolution will be proposed again on such date and for such period as shall be agreed with the Trustee (unless the Trustee is the Proposer). Such notice must inform Noteholders that insufficient consents were received in relation to the original resolution and the information specified in sub-paragraph (i) above. For the purpose of such further notice, references to “**Relevant Date**” shall be construed accordingly.

For the avoidance of doubt, an Electronic Consent may only be used in relation to a resolution proposed by the relevant Issuer or the Trustee which is not then the subject of a meeting that has been validly convened in accordance with paragraph 2 above, unless that meeting is or shall be cancelled or dissolved; and

- (b) where Electronic Consent is not being sought, for the purpose of determining whether an Extraordinary Resolution has been validly passed, the relevant Issuer and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the relevant Issuer and/or the Trustee, as the case may be, by (a) accountholders in the clearing system with entitlements to such Global Note or, (b) where the accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person identified by that accountholder as the person for whom such entitlement is held. For the purpose of establishing the entitlement to give any such consent or instruction, the relevant Issuer and the Trustee shall be entitled to rely on any certificate or other document issued by, in the case of (a) above, the relevant clearing system and, in the case of (b) above, the relevant clearing system and the accountholder identified by the relevant clearing system. Any resolution passed in such manner shall be binding on all Noteholders, even if the relevant consent or instruction proves to be defective. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes.
