If a written request for such confirmation is delivered to each Rating Agency and (a) either (i) a Rating Agency (a Non-Responsive Rating Agency) indicates that it does not consider such confirmation necessary in the circumstances or (ii) within 30 days of delivery of such request, such request elicits no confirmation and/or such request elicits no statement by such Non-Responsive Rating Agency that such confirmation could not be given; and (b) at least one Rating Agency gives such a confirmation based on the same facts, then the rate specified by the Calculation Agent shall be effective, so that there shall be no requirement for the confirmation from any Non-Responsive Rating Agency.
