*The FCA published guidance on the 20 March 2020 on how they expect mortgage lenders and administrators to treat customers fairly during the coronavirus pandemic. Mortgage borrowers impacted financially by the coronavirus pandemic should be offered a payment holiday for up to three months. Pursuant to Santander UK plc.'s obligations as Servicer under Principle 6 (A firm must pay due regard to the interests of its customers and treat them fairly) of the FCA Handbook and Mortgage Conduct of Business rule 2.5A.1R (A firm must act honestly, fairly and professionally in accordance with the best interests of its customer) will follow this guidance. Where borrowers have made a successful application, they will be not considered to be in a payment shortfall and therefore any such missed payments will not be considered as arrears for the purposes of investor reporting. Neither will they be reported as having been subject to any form of restructuring or forbearance.

This stratification table is being made available to disclose the successful applications for what the Servicer is referring to as an "extraordinary payment holiday"

**An account may have more than one loan part therefore the total number of accounts will not be equal to the number of loans reported in other stratification tables
