11213 Mini Current Account

Key Facts Document (including Specific Conditions, Financial Services Compensation Scheme (FSCS) Information sheet & Exclusions List)

Effective from 29 February 2024

Specific conditions - 11213 Mini Current Account

The table below sets our specific conditions for your account. These conditions apply as well as the general terms.

Sole or joint account	You can only have this account in your sole name. You can't open this as a joint account with someone else but you can open it as a trust account.
Eligibility	You can only open this account if you're under 18 and live in the UK. You can keep the account until you're 19.
How can an account be opened for a child?	<p>For a child under 13, a parent or legal guardian must open this account as a trust account – they'll act as the "trustee". If the child is over 13, it'll need to be in their sole name.</p> <p>The trustee will need to live in the UK and be aged 18 or over. They'll also need to have a Santander personal current account (in their sole name or held jointly with someone else).</p> <p>There can only be one trustee on the account.</p> <p>After opening the account, the trustee must manage the account on behalf of the child (the beneficiary). We'll send updates and any other information about the account to the trustee.</p> <p>When the child is aged 11, the trustee can remove the trust status of the account. This means the account will be in the child's sole name so the child can manage the account without the trustee.</p>
Number of accounts	You can only have one of these accounts including where it's a trust account. But the same trustee can manage more than one of these accounts for different children.
Fee for maintaining the account	There's no monthly fee.

Your interest and when we'll pay it	How much interest we pay depends on your balance. You'll earn interest on the money in your account up to £2,000.	
	Balance	Interest rate
	Up to £999.99	1.00% AER / 1.00%* gross (variable) on the entire balance
	£1,000 up to £1,499.99	2.00% AER / 1.98% gross (variable) on the entire balance
	£1,500 up to £2,000	3.00% AER / 2.96% gross (variable) on the entire balance
	Over £2,000	We don't pay interest on amounts over £2,000.
* Interest of 1.00% AER is equivalent to 0.995% gross (variable).		
So if you have £3,000 in your account, we'll pay 3.00% AER / 2.96% gross (variable) interest on the first £2,000. The remaining £1,000 won't earn any interest.		
We pay interest without taking off income tax. This is known as 'gross' and the interest rate we give you reflects this.		
How we pay interest		
We'll pay any interest into your account on the same day each month. This is usually on the anniversary of the date you opened it.		
	What does AER mean?	What is the 'gross rate'?
	AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year.	The gross rate is the interest rate we pay where no income tax has been deducted.
Overdrafts	You can't have an overdraft on the account.	
Account alerts	<p>Helping you keep on top of your account</p> <p>Unless your account is held in trust, we'll send you free text messages if we have your mobile number. We'll do this when:</p> <ul style="list-style-type: none"> ◦ you make a payment that may take your balance below zero (an unarranged overdraft), or ◦ we refuse a payment due to lack of funds or intend to refuse a future payment due to lack of funds. <p>As we send these alerts by text, it's important you tell us if your number changes.</p> <p>You can change or turn off these alerts at any time using Online or Mobile Banking or by contacting us in branch or by phone.</p> <p>If you receive these alerts by email at the moment, you'll continue to do so unless you change your preferences. We may send alerts by push notification in Mobile Banking in the future.</p> <p>We can also send you other alerts about your account. For example, alerts when your balance falls below a set limit or when you receive a payment above a certain amount. You can find out more about these alerts on our website and register for them in Online or Mobile Banking, in branch or by calling us.</p>	
Managing the account	You can choose to have a debit card or a cash card unless you have a trust account. If you have a trust account, you won't receive any cards.	
1i2i3 World	<p>When you open an account you become part of 1i2i3 World. This'll give you access to a range of 1i2i3 offers. If you have a trust account, the trustee doesn't qualify for 1i2i3 offers unless they have a 1i2i3 product in their own name.</p> <p>When applying for future products, if you're accepted and there's an associated 1i2i3 offer, you'll automatically qualify. This means if you open an account with someone else, any joint applicants or trustees may realise that you hold a 1i2i3 product.</p>	

<p>Once the child becomes an adult</p>	<p>If an account is held in trust</p> <p>Once the child turns 18, if the account is still held in trust, the interest rate will change to 0.10% AER/gross (variable). This is unless we tell you otherwise.</p> <p>At this point, the account can't be transferred to another account in our range. The child will need to apply for an adult current account in their own name.</p> <p>We'll give more information once the child turns 18. You can contact us at any time if you want to know more about what will happen.</p> <p>If the account is held in your own name (and not in trust)</p> <p>If you don't apply to transfer to a different Santander current account before you turn 19, you'll no longer be eligible for a 11213 Mini Current Account. Within 3 months after your birthday, we'll automatically transfer your account to an adult current account.</p> <p>We'll give you at least 2 months' notice before we make this change.</p>
<p>If you change your mind</p>	<p>Tell us if you change your mind</p> <p>You can close your account at any time during your 'cancellation period' – we won't charge you for it. This is 14 days, starting the day after we confirmed your account is open.</p> <p>If you do this, we'll return your money. We'll do this as soon as we can (and within 30 days from when you tell us).</p> <p>You can also close your account at any other time outside this cancellation period – we won't charge you.</p>
<p>Declaration</p>	<p>By applying for this account (either in your name or as the trustee) you declare that:</p> <ul style="list-style-type: none"> ◦ You've received a copy of the General Terms and Conditions and Important Information, this Key Facts Document and our Data Protection Statement. ◦ You agree to the general terms and these specific conditions. <p>By applying for this account as a trustee, you also declare that:</p> <ul style="list-style-type: none"> ◦ You hold the money in this account as a trustee for the beneficiary. ◦ The beneficiary lives in the UK and is under the age of 13. ◦ You have parental responsibility for the beneficiary. ◦ You agree that only one account per child may be held. <p>If you're one of our younger customers and there's something in these terms and conditions that you don't understand, you may want to ask your parent or guardian about it. Or you can contact us about this. You should do this before you apply.</p>

Other important information about your account

1. Making payments in and out of your account

Cards

Unless you tell us otherwise and subject to status, a Santander debit card will be issued to you (if you qualify this will include contactless)

Please note, no cards are issued for accounts held in trust. Accounts held in trust can be managed in branch or using Telephone Banking or Online or Mobile Banking using the trustee's existing log on details for those services.

The table below shows where you can use your card.

Your card	Shops	Internet	Cash machine	Abroad
Santander debit card	✓	✓	✓	✓
Cash card	-	-	✓	✓

Fees may apply when you use your card abroad. You can only use your cash card abroad to make withdrawals via cash machines.

You'll receive more information with your card and PIN when they arrive.

If as trustee, you have cards on your existing Santander current account, your existing current account is linked to a card on another current account or, as a result of a transfer to another account you receive a card, you understand that we may give information on transactions you have made using the cards on this account to any payment system under which we issue the cards (for example Visa or MasterCard). They may provide the information to another country to deal with transactions, to sort out disputes and for statistical purposes.

1. Debit card

If you attempt to make a Santander debit card payment when there is a lack of funds in your account, we may cancel the Santander debit card. We may then choose to issue a cash card instead which can only be used in cash machines.

2. Paying money in and out

Where a card has been issued you can pay in cash or cheques at Santander cash machines in the UK, Santander branches and at a Post Office® branch. If you pay in a cheque at a Post Office branch, we will normally receive it two days later. For accounts held in trust (no card issued) cash or cheque payments into the account must be completed in one of our branches.

Regular payments can be sent to the account, such as pocket money or wages.

You can send money within the UK using Faster Payments. The account can also be used to pay bills, and set up recurring transactions such as Direct Debits and standing orders.

Where companies require a card number for payments, these types of transactions will not be possible on accounts held in trust.

For more information on any of these, including details on when payments into the account clear (clear means that the money is available and ready to take out) please review our General Terms and Conditions for Current Accounts and Savings Accounts, or ask any member of staff for help.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot, Santander Business and Santander Corporate & Commercial trading names.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme.
