All rates contained in the table above are variable.

AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year. The gross rate is the interest rate we pay where no income tax has been deducted. We pay interest each month or year. The tax-free rate is the rate of interest payable where interest is exempt from income tax. p.a stands for per annum. All rates shown to two decimal places.
