

Branch Closure Impact Assessment

**Santander, Buckingham
University, Hunter Street,
Buckingham MK18 1EG**

This branch will be closing on 19 July 2018.
We'd like to explain why, and help you
understand how you can continue
banking with us.

Background to our approach

Santander is a signatory to the Access to Banking Standard, a voluntary agreement introduced in May 2017. The Standard aims to ensure that where banks decide to close branches, their customers are communicated with openly and treated fairly.

We continue to invest in our branch network and, over the last five years, all of our largest and busiest branches across the UK have been refurbished. Increasingly however, customers are changing the way they choose to bank. In addition to using our branches, more and more people are banking with us by phone, online, on tablets and smartphones as well as at cash machines and Post Offices. As a result, some of our branches are being used less often.

We don't take the decision to close any branch lightly and we assess each branch individually to understand the potential impact for customers, and the alternative options available to bank locally.

This leaflet outlines our approach when considering whether to keep a branch open and our specific assessment of the Buckingham University branch.

Branch assessment

Buckingham University is investing significantly in its campus and our current branch premises will be impacted by redevelopment at the University site. As a result, we will be closing our branch on 19 July 2018 and will no longer provide branch facilities on campus.

- We also notified community representatives in Buckingham, including the local Member of Parliament.
- The Buckingham University branch team has spoken to customers about the alternative ways to access their accounts, offering appointments to discuss options and support with the setting-up of telephone, online and mobile banking.
- Posters and leaflets have been available in branch and online, advising customers of the planned closure date and the range of alternative ways to bank with Santander.
- The local Post Office representative has been advised of the closure. All Santander customers who have a Personal or Business current account can use Post Office branches for cash withdrawals, balance enquiries, cash and cheque deposits. To make cheque deposits, paying in slips and envelopes are required. Full details are available at [santander.co.uk/uk/help-support/ways-to-bank/banking-at-your-post-office](https://www.santander.co.uk/uk/help-support/ways-to-bank/banking-at-your-post-office).

Community Feedback

Following our announcement, three responses were received from the customers and community groups we wrote to. The main themes were:

- Overall disappointment at the decision to close the branch
- Concern about the additional travel needed to visit other branches and ATMs

We have undertaken the following activities in response to the key areas of concern:

- We are committed to offering our customers a variety of ways to bank locally with Santander, including telephone, online or mobile banking and the Post Office. Using other Santander branches is just one possible option for customers.
- The Buckingham University branch team has been completely focused on helping customers who are affected by the closure and has provided additional support to ensure customers understand the alternatives available. The team has also proactively contacted our elderly and registered disabled customers to offer additional help or support.
