Please read the following guidance notes carefully prior to completing the self-certification form. For more information please refer to the HMRC's Guidance Notes or please contact your tax adviser.

Introduction

New regulations have come into force that require Santander UK plc to collect and report certain information about an account holder's tax residency. If you (or the account holder, if you are completing the form on their behalf) are tax resident outside of the UK we may be legally obliged to pass on the information in this form and other financial information with respect to your financial account(s) to HM Revenue & Customs (HMRC) or The Income Tax Division of the Isle of Man Treasury, or the Comptroller of Income Tax in Jersey if the account was opened there, who in turn may pass this information on to overseas tax authorities.

The regulations in question are The International Tax Compliance Regulations 2015. The aim of the new regulations are to prevent tax evasion through the use of offshore accounts/investments. More information for account holders can be found on HMRC's website. https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/386413/Automatic_exchange_of_information_-_account_holders.pdf
