

Branch Closure Impact Assessment

Santander, 57 Front Street, Stanley DH9 0SX

This branch will be closing on 31 May 2018.
We'd like to explain why, and help you understand
how you can continue banking with us.

Background to our approach

Santander UK is a signatory to the Access to Banking Standard, a voluntary agreement introduced in May 2017. The Standard aims to ensure that where banks decide to close branches, their customers are communicated with openly and treated fairly.

We continue to invest in our branch network and, over the last five years, all of our largest and busiest branches across the UK have been refurbished. Increasingly however, customers are changing the way they choose to bank. In addition to using our branches, more and more people are banking with us by phone, online, on tablets and smartphones as well as at cash machines and Post Offices. As a result, some of our branches are being used less often.

We don't take the decision to close any branch lightly and we assess each branch individually to understand the potential impact for customers, and the alternative options available to bank locally.

This leaflet outlines our approach when considering whether to keep a branch open and our specific assessment of the Stanley branch.

Branch assessment

Before reaching the decision to close the branch at Stanley, a full internal review of the branch was undertaken, including:

- The facilities in our Stanley branch and the surrounding Santander branches
- The way our Stanley branch customers are choosing to bank with us
- The availability of alternative ways a customer can bank with Santander
- The availability of other ways to bank in the local area

Community Feedback

We have undertaken the following activities in response to the key areas of concern:

- We are committed to offering our customers a variety of ways to bank locally with Santander, including telephone, online or mobile banking and the Post Office. Using other Santander branches is just one possible option for customers.
- The Stanley branch team has been completely focused on helping customers who are affected by the closure and has provided additional support to ensure customers understand the alternatives available. The team has also proactively contacted our elderly and registered disabled customers to offer additional help or support.
- As part of our ongoing review of the branch network, we continue to assess the branch network across a range of factors including customer usage, ATM and digital channel usage and geographic coverage. This considers the impact for all our customers transacting at the branch and takes into account alternative ways for customers to continue banking with Santander.
