We'll need to do some credit and other checks on you

If you apply for a credit product with us, for example a credit card, a loan or current account that offers an overdraft, we'll carry out a search of your credit file (and your Business credit file if you apply for a Business product) with a credit reference agency before we decide to lend money to you. This search, including details about your application, will be recorded on your credit file. For a short period, this may affect your ability to get credit elsewhere. If you make a joint application, the credit reference agencies will 'link' your records together. We'll look at these results and decide if it's suitable to open the account and offer credit where requested. If it's not, we'll decline your application and let you know. If we give you a credit card, a loan or a bank account, we'll also share information with credit reference agencies about how you manage your account.

Pre-Contractual Explanation

What is an overdraft?

An **arranged overdraft** is a loan through your current account which happens when your balance is below zero and allows you to borrow up to an agreed limit. The amount we agree to lend depends on your personal circumstances. You can discuss a new arranged overdraft, or a limit increase for an existing arranged overdraft through Online Banking, by calling us on **0330 9 123 123** or by speaking to us in branch.

An **unarranged overdraft** is where a transaction takes your balance below zero without an arranged overdraft in place or beyond your agreed arranged overdraft limit. These transactions are automatically treated as requests for an unarranged overdraft.

When you try to make a payment that would take you into an unarranged overdraft, we decide whether to allow the payment to go through based on your individual circumstances. There are certain types of transactions we can't stop which you may incur charges for.

Details of the costs for using an overdraft can be found in your account's Key Facts Document. You can also check how much this may be by using our overdraft cost calculator available at **[santander.co.uk](https://www.santander.co.uk)**. You can find out if you may be eligible for an overdraft by using the eligibility tool available at **[santander.co.uk](https://www.santander.co.uk)**

There are other types of borrowing, such as loans and credit cards, which could provide cheaper alternatives depending on your personal circumstances. Visit our website, **[santander.co.uk](https://www.santander.co.uk)** to find out more.

We can ask you to repay any overdraft at any time in line with our General Terms and Conditions.

Put simply

An overdraft lets you borrow through your current account. Having an overdraft can be useful as a back-up to help you deal with short term, unexpected costs. It is not suitable for longer term borrowing.

An **arranged overdraft** is when we agree a set amount you can borrow from us. You need to apply for an arranged overdraft before you can use one, either when you apply for a current account or at any time afterwards.

An **unarranged overdraft** is when your account either goes over your arranged overdraft limit or overdrawn without an arranged overdraft in place. We may choose to allow or reject transactions which could take you in an unarranged overdraft. There are certain types of transactions we can't stop which you may incur charges for.

The costs for using an overdraft are set out in your Key Facts Document.

We may ask you to repay all or part of your overdraft at any time, but we'll try to notify you of this before.

How is your credit file impacted by applying for or using an overdraft?

When you apply for a new or an increase to your existing overdraft, we'll perform a 'credit search'. This means we check details of your credit history with certain credit reference agencies who will keep a record of that search including details about your application with us.

If a credit search is completed but we do not give you an overdraft or overdraft increase, or you remain in an overdraft position for a long period of time, a record will stay on the files that the credit agencies keep on you and may impact other provider's decisions.

Put simply

Because you're asking to borrow from us, we'll check your financial history with the main credit agencies. This is called a credit search. A record of the credit search stays on your file and may affect other provider's decisions.

If you don't make repayments either when due or at our request, this can affect your credit rating. This may make it more difficult or more expensive for you to get credit from us or another lender in the future.

How to request a reduction or a removal of an arranged overdraft?

An overdraft has no fixed end date but we will review it regularly and have the right to change your arranged overdraft limit at any time. You can reduce or cancel your arranged overdraft facility at any point in Online Banking, by calling us or in branch.

If you cancel your arranged overdraft you must repay the money that you have borrowed under your arranged overdraft before the cancellation can be completed. You must also pay all the fees and interest applicable to your overdraft.

Put simply

Your arranged overdraft doesn't have a specific end date and the amount can be reduced or cancelled at any point by either yourself or us.

If you cancel your arranged overdraft, you must repay the overdraft amount and fees/interest before this can be completed.

What are overdraft alerts and why do you receive them?

To help you manage your money and avoid or reduce any charges you may incur, we will send overdraft text alerts to your most up to date mobile number associated with a specific account. Some of these alerts are a regulatory requirement so you will be automatically registered for them, but you can customise them at any point after your account has been set up.

Put simply

There are some messages we need to send you about your overdraft due to certain regulations. We'll text these to your mobile number. If you haven't provided an up to date mobile number, we may not be able to provide the alert in time to help you manage, avoid or reduce charges.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot, Santander Corporate & Commercial, and Santander Corporate & Investment Banking trading names.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply.
