Additional information

Tell us if you change your mind

You can cancel your account at any time during your 'cancellation period' – we won't charge you for it. This is 14 days, starting the day after we confirmed your account is open.

If you do this, we'll return your money together with any interest we owe you. We'll do this as soon as we can (and within 30 days from when you tell us).

If you transferred money from another ISA provider and you cancel this account, that provider may not accept the return of the money. If that happens, you can keep the account open or transfer your money in full to another ISA provider. You'll need to contact your new ISA provider to arrange the transfer.

You can also close your account at any other time outside this cancellation period but we'll charge you a fee equal to 120 days' interest if you do.

Tax status

An ISA allows you to earn interest on your savings without paying tax. That means any interest you receive won't contribute towards your Personal Savings Allowance.

ISAs are subject to the Individual Savings Account Regulations 1998 and other government rules. If you don't follow those rules, your ISA might become 'void' and you may need to pay tax on interest paid.

Financial Services Compensation Scheme (FSCS) Information Sheet

If Santander UK plc should go into insolvency, eligible deposits are protected by the Financial Services Compensation Scheme ('FSCS') and would be repaid up to £120,000 by the Deposit Guarantee Scheme.

Limit of protection

£120,000 per depositor, per bank

cahoot, Santander Business and Santander Corporate & Commercial are all trading names of Santander UK plc.

All eligible deposits at the same bank, building society or credit union are added up to determine the coverage level.

For example, if you hold a savings account with £80,000 and a current account with £50,000, FSCS will pay you £120,000 and you may lose £10,000.

So the FSCS can pay you promptly, please make sure we have your up-to-date contact details, including your email address.

If you have a joint account with other people

For joint accounts, the limit of £120,000 applies to each depositor separately. For example, if there are 2 account holders, you'll each be entitled to £120,000 protection, giving a total of £240,000.

Your small business, limited company or charity will need to meet certain eligibility criteria to claim compensation with the FSCS. We assess eligibility on a case-by-case basis and it varies for different types of claim. Legal status will affect eligibility, e.g. if you're an individual or incorporated entity (such as a corporation or limited partnership).

Charitable status is never relevant to eligibility. To check if you're protected visit [fscs.org.uk/making-a-claim/claims-process/small-business](https://www.fscs.org.uk/making-a-claim/claims-process/small-business)

Temporary high balances

If you have a 'temporary high balance' you might be entitled to more than £120,000 protection for 6 months from when the amount was first deposited or legally transferred. Temporary high balances are deposits connected with certain events, including:

- (a) transactions relating to the purchase and sale of your main home
- (b) major life events such as death, your marriage or civil partnership, divorce, retirement, redundancy, disability, or incapacity
- (c) compensation for personal injuries or wrongful conviction.

How the FSCS will pay you

The FSCS will typically return deposits within 7 business days, by cheque or electronic payment into an alternative account. Payments may take longer in exceptional circumstances. For example, if there's a temporary high balance, or the deposit is held on behalf of underlying beneficiaries.
