Summary box			
Account name	Fixed Term Saver		
What is the interest rate?	The interest rate we pay depends on: - the length of term - whether we pay interest yearly or monthly.		
	Term	Monthly interest	Yearly interest
	1 year ending 1 October 2027	4.20% AER / 4.12% gross (fixed)	4.20% AER / gross (fixed)
	2 year ending 1 October 2028	4.40% AER / 4.31% gross (fixed)	4.40% AER / gross (fixed)
	3 year ending 1 October 2029	4.40% AER / 4.31% gross (fixed)	4.40% AER / gross (fixed)
	AER is based on funds deposited by 1 October 2026. If you pay money in before or after this date, you may earn more or less interest than this. We work out the interest we'll pay on your account each day. Interest can be paid monthly or yearly, and we can pay interest into your Fixed Term Saver or another account with us or another bank. Once you've chosen, you can't change your mind. Interest will be paid on the 1st of the month after you've opened the account, then monthly or yearly after that (including when the term ends). We'll give you details of any interest paid once a year.		

AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year. The gross rate is the interest rate we pay where no income tax has been taken off.

Summary box (continued)			
Can Santander change the interest rate?	No, the interest rate is fixed for the term.		
What would the estimated balance be after 1, 2 and 3 years, based on a £1,000 deposit?	Term	Interest earned	Balance at the end of term
	1 year	£42.00	£1,042.00
	2 year	£89.94	£1,089.94
	3 year	£137.90	£1,137.90
	To work out the estimated balance, we've assumed that: ◦ The account is opened and the initial payment is made on the 1st day of the month. ◦ You don't pay in any more money or take any out. ◦ We pay interest yearly back into the Fixed Term Saver. This illustration is only an example and doesn't take into account your individual circumstances.		
How do I open and manage my account?	Eligibility You can have this account if you're 16 or over and live in the UK. This account can be opened in trust for someone else. If the beneficiary is a child under the age of 13, the trustee must have parental responsibility for the child. You can have an account in your sole name or jointly with one other person. How to open the account You can apply in branch, on our website, using Online or Mobile Banking, or over the phone. Managing the account You can manage your account in branch, on our website, using Online or Mobile Banking, or over the phone. Paying money in ◦ Minimum balance: £500 ◦ Maximum balance: £2 million You can only pay money in within the first 14 days after your account is open. You won't be able to pay money in after this time. If you don't pay in the minimum amount, we may close your account. If that happens and you still want to open the account, you'll have to start a new application.		
Can I withdraw money?	As the account is for a 'fixed' term, you can't take money out during the term. At the end of the term You can choose what you want to do with the money in your Fixed Term Saver up to 28 days before the term ends. We'll give you more details on options closer to the time. If you don't tell us what you want to do, we'll transfer your account to an Everyday Saver.		
Additional information	Tell us if you change your mind You can't cancel the account once it's been opened. But, in exceptional circumstances (for example, if one of the account holders dies), we may let you close the account before the end of the term. Tax status We pay interest without taking off income tax. This is known as 'gross' and the interest rate we give you reflects this. If the total interest you receive in a tax year is more than any Personal Savings Allowance that applies to you, you may have to pay tax on it. You'll need to do this directly with HMRC.

Financial Services Compensation Scheme (FSCS) Information Sheet

The Financial Services Compensation Scheme ('FSCS') protects deposits made by most individuals and businesses. Your account statement will confirm whether your deposits with Santander UK plc are eligible for FSCS protection. Details of certain exclusions from the FSCS's protection are set out in the exclusions list after this information sheet.

Limit of protection

£120,000 per depositor per bank, building society or credit union.

If Santander UK plc goes out of business the eligible deposits with Santander, cahoot, Santander Business and Santander Corporate & Commercial will be added up and the £120,000 will be applied to the total balance. For example, if you hold a savings account with £80,000 and a current account with £50,000, FSCS will pay you £120,000 and you may lose £10,000.

To ensure the FSCS can pay you promptly please ensure that Santander UK plc has your up-to-date contact details including your email address.

Joint and group accounts

Each eligible account holder is entitled to £120,000 protection in total. For example, if there are two account holders, you will each be entitled to £120,000 protection, giving a total of £240,000.

Eligible deposits in business accounts are treated as if made by a single depositor. This means these types of account will only be protected up to £120,000.

Temporary high balances

If you have a 'temporary high balance' you may be entitled to more than £120,000 protection for six months from when the amount was first deposited or legally transferred. Temporary high balances are deposits connected with certain events, including:

- (a) transactions relating to the purchase and sale of your main home
- (b) major life events such as death, your marriage or civil partnership, divorce, retirement, redundancy, disability, or incapacity
- (c) compensation for personal injuries or wrongful conviction.

How the FSCS will pay you

FSCS will typically return deposits within seven business days by cheque or electronic payment into an alternative account. Payments may take longer in exceptional circumstances, for example if there is a temporary high balance, or the deposit is held on behalf of underlying beneficiaries.
