How do I open and manage my account?	<p>Eligibility</p> <p>You can open this cash ISA if you are 18 or over and a UK resident with a maturing cash ISA from Santander. You can only open this account in your sole name - joint ISAs are not allowed.</p> <p>How to open the account</p> <p>When your existing cash ISA matures, we'll automatically transfer the balance to this ISA Saver.</p>

The tax-free rate is the rate of interest payable where interest is exempt from income tax.

AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year.

<p>How do I open and manage my account? (continued)</p>	<p>Managing the account</p> <p>You can manage your account using Online or Mobile Banking, over the phone, in branch or at the Post Office.</p> <p>If you want to make cash withdrawals by card, you can ask us for a cash card. Or, you can link your account to a Santander debit card that you already have. This will let you pay money in at Santander cash machines and take money out at Santander and other cash machines.</p> <p>If you link multiple savings accounts to one card, you'll only be able to access one savings account when using your card at the Post Office. You'll be asked to choose which account is your primary account when adding more than one savings account to your card.</p> <p>Paying money in</p> <p>The UK government sets an 'annual allowance' which is the maximum you can pay into all of your ISAs in any tax year, either with us or another provider. The UK Government may also set restrictions on the number and type of ISAs you can pay into each tax year. A tax year runs from 6 April in one year to 5 April the next. This is available to view on our website.</p> <ul style="list-style-type: none"> ◦ Minimum balance: £0. ◦ Maximum balance: £2,000,000 - but you can only pay in up to your ISA allowance each tax year. <p>After we have transferred your maturing cash ISA, you can pay money in electronically or you can ask us to do a transfer for you from an existing ISA with another provider.</p> <p>UK government rules allow you to make contributions to an ISA on top of your annual ISA allowance when your spouse or civil partner dies. This is called an Additional Permitted Subscription - this cash ISA doesn't accept them.</p>
<p>Can I withdraw money?</p>	<p>Yes, you can take money out of your account at any time using Online or Mobile Banking, at the Post Office (if your account has a linked cash card), and by talking to us in branch or over the phone.</p> <p>You can also take money out at cash machines if you have a cash card or have linked your account to another Santander card you already have.</p> <p>This ISA is not flexible. That means if you take money out, it will lose its tax-free status. If it's repaid into an ISA, it'll count towards your ISA allowance for the current tax year.</p> <p>You can also transfer your cash ISA to another provider by contacting the new ISA provider, though there are some types of transfer we don't allow. Please see our website for more information.</p>
<p>Additional information</p>	<p>Tell us if you change your mind</p> <p>You can close your account at any time during your 'cancellation period' – we won't charge you for it. This is 14 days, starting the day after we confirmed your account is open.</p> <p>If you do this, we'll return your money together with any interest we owe you. We'll do this as soon as we can (and within 30 days from when you tell us).</p> <p>If you transferred money from another ISA provider and you cancel this account, that provider may not accept the return of the money. If that happens, you can keep the account open or transfer your money in full to another ISA provider. You'll need to contact your new ISA provider to arrange the transfer.</p> <p>You can also close your account at any other time outside this cancellation period – we won't charge you.</p> <p>Tax status</p> <p>An ISA allows you to earn interest on your savings without paying tax. That means any interest you receive won't contribute towards your Personal Savings Allowance.</p> <p>ISAs are subject to the Individual Savings Account Regulations 1998 and other government rules. If you don't follow those rules, your ISA might become 'void' and you may need to pay tax on interest paid.</p> <p>Statements</p> <p>We'll send you a statement once a year.</p>

Financial Services Compensation Scheme (FSCS) Information Sheet

If Santander UK plc should go into insolvency, eligible deposits are protected by the Financial Services Compensation Scheme ('FSCS') and would be repaid up to £120,000 by the Deposit Guarantee Scheme.

Limit of protection

£120,000 per depositor, per bank

cahoot, Santander Business and Santander Corporate & Commercial are all trading names of Santander UK plc.

All eligible deposits at the same bank, building society or credit union are added up to determine the coverage level.

For example, if you hold a savings account with £80,000 and a current account with £50,000, FSCS will pay you £120,000 and you may lose £10,000.

So the FSCS can pay you promptly, please make sure we have your up-to-date contact details, including your email address.

If you have a joint account with other people

For joint accounts, the limit of £120,000 applies to each depositor separately. For example, if there are 2 account holders, you'll each be entitled to £120,000 protection, giving a total of £240,000.

Your small business, limited company or charity will need to meet certain eligibility criteria to claim compensation with the FSCS. We assess eligibility on a case-by-case basis and it varies for different types of claim. Legal status will affect eligibility, e.g. if you're an individual or incorporated entity (such as a corporation or limited partnership).

Charitable status is never relevant to eligibility. To check if you're protected visit [fscs.org.uk/making-a-claim/claims-process/small-business](https://www.fscs.org.uk/making-a-claim/claims-process/small-business)

Temporary high balances

If you have a 'temporary high balance' you might be entitled to more than £120,000 protection for 6 months from when the amount was first deposited or legally transferred. Temporary high balances are deposits connected with certain events, including:

- (a) transactions relating to the purchase and sale of your main home
- (b) major life events such as death, your marriage or civil partnership, divorce, retirement, redundancy, disability, or incapacity
- (c) compensation for personal injuries or wrongful conviction.

How the FSCS will pay you

The FSCS will typically return deposits within 7 business days, by cheque or electronic payment into an alternative account. Payments may take longer in exceptional circumstances. For example, if there's a temporary high balance, or the deposit is held on behalf of underlying beneficiaries.
