Santander Edge current account

Key Facts Document (including Specific Conditions, Pre-Contractual Explanation, Pre-Contractual Information, 'Our lending commitments and what we ask of you' and Financial Services Compensation Scheme (FSCS) Information sheet & Exclusions List)

Effective from 31 July 2023

Specific conditions – Santander Edge current account

The table below sets our specific conditions for your account. These conditions apply as well as the general terms.

Sole or joint account	You can have this account in your sole name or jointly with one other person.
Eligibility	You can only have this account if you're 18 or over and live in the UK. You can't have more than two Santander Edge current accounts with us. So, if you have a Santander Edge current account in your sole name and also a joint account, you can't apply for another. If you do apply for another account, we'll reject your application and any person you apply with may become aware of your existing accounts. As this is a paper-free account, you'll need to give us a valid email address and sign up for Online Banking. We'll then email you when we've sent any documents to you.
Fee for maintaining the account	<p>The fee for this account is £3 per month.</p> We'll start charging this fee after you meet the conditions for earning cashback for the first time. Then, we'll take it from your account each month on the anniversary of the date you opened it. We'll do this every month until your account is closed. This includes any months where you don't earn cashback. If you don't have enough money available to cover the monthly fee, we'll still take it and your account may go into an unarranged overdraft. We won't charge you any interest or fees on the amount of the unarranged overdraft.
Your interest and when we'll pay it	We don't pay any interest on the account.

<p>Conditions for cashback</p>	<p>To earn cashback, you must:</p> <ul style="list-style-type: none"> ◦ pay £500 into your account in each monthly period, and ◦ have at least two active Direct Debits set up on your account. <p>If you don't do this, you won't earn any cashback in a particular monthly period.</p>									
<p>What is a monthly billing period?</p>	<p>This isn't a calendar month. It's usually the period between the date you opened your account (or the monthly anniversary of that date) and the same date in the following month. This is the same period as your monthly statements.</p>									
<p>What types of payments count towards the £500?</p>	<p>Generally, all payments made into your account in each monthly period will count towards the £500.</p> <p>But these payments won't count:</p> <ul style="list-style-type: none"> ◦ refunds from card payments ◦ money you transfer from another Santander account in your name (whether solely or jointly). 									
<p>Cashback</p>	<p>What is cashback?</p> <p>Cashback is a monthly reward we pay into your account if you meet the conditions for earning cashback. It's based on Direct Debit payments you make to pay bills for your home or personal use as well as purchases you make in the UK with your debit card.</p> <p>We pay the cashback amount, not the business you pay a bill to. It doesn't affect any other offers they may give you.</p> <p>How much cashback can you earn?</p> <p>You can earn a percentage of the amount of each qualifying payment as cashback.</p> <table border="1" data-bbox="408 1043 1479 1391"> <thead> <tr> <th style="color: red;">Cashback category</th> <th style="color: red;">Cashback</th> <th style="color: red;">On these payments</th> </tr> </thead> <tbody> <tr> <td>Direct Debits</td> <td>1%</td> <td> <ul style="list-style-type: none"> ◦ Council tax ◦ Gas and electricity ◦ Water bills ◦ Mobile and home phone bills, broadband and paid-for TV packages </td> </tr> <tr> <td>Debit card spend</td> <td>1%</td> <td> <ul style="list-style-type: none"> ◦ Supermarket purchases in the UK ◦ Travel (including fuel, train tickets, bus tickets and electric vehicle charging) </td> </tr> </tbody> </table> <p>Remember</p> <ul style="list-style-type: none"> ◦ You'll only earn a maximum of £10 a month in cashback on payments within each cashback category. ◦ This means you can earn up to a maximum of £20 cashback in any monthly period. <p>How do we calculate cashback?</p> <p>We'll calculate cashback on the amount of each qualifying payment made during each monthly period.</p> <p>If you get any refunds from any business you've paid using your debit card or by Direct Debit, they'll reduce the amount of the qualifying payment. You'll only earn cashback on the overall amount the business has received.</p> <p>Remember</p> <ul style="list-style-type: none"> ◦ Sometimes a Direct Debit might be taken on a different day than you expect. We can't always control this. If the payment is made outside a monthly period, it might affect the amount of cashback you earn. ◦ To avoid this, you can ask us to change your statement date or ask the business you're paying to collect your Direct Debit on another day. 	Cashback category	Cashback	On these payments	Direct Debits	1%	<ul style="list-style-type: none"> ◦ Council tax ◦ Gas and electricity ◦ Water bills ◦ Mobile and home phone bills, broadband and paid-for TV packages 	Debit card spend	1%	<ul style="list-style-type: none"> ◦ Supermarket purchases in the UK ◦ Travel (including fuel, train tickets, bus tickets and electric vehicle charging)
Cashback category	Cashback	On these payments								
Direct Debits	1%	<ul style="list-style-type: none"> ◦ Council tax ◦ Gas and electricity ◦ Water bills ◦ Mobile and home phone bills, broadband and paid-for TV packages 								
Debit card spend	1%	<ul style="list-style-type: none"> ◦ Supermarket purchases in the UK ◦ Travel (including fuel, train tickets, bus tickets and electric vehicle charging) 								

	<p>What payments aren't covered by cashback?</p> <p>Any payments which aren't in the table above. For example, you won't earn cashback on Direct Debit payments for business purposes, Liquid Petroleum Gas or bottled gas.</p> <p>When we'll pay your cashback</p> <p>We'll pay the cashback amount into your account at the end of each monthly period. You can find this date by checking your statement.</p> <p>If you close your account during a monthly period, we won't pay you any cashback you may have earned up to that point.</p>
<p>Qualifying payments and spend</p>	<p>Direct Debit cashback</p> <p>You'll only earn cashback if your Direct Debit is to a business on the Santander Edge current account Eligible Originators Classification Listing for these household bills:</p> <ul style="list-style-type: none"> ◦ Council tax. ◦ Gas and electricity. ◦ Water. ◦ Communications. <p>The listing shows all eligible businesses. You can check the businesses that are covered by searching the listings on our website.</p> <p>We've built the listing using the BACS Originator Identification Number table. This gives a unique number for each business that uses the Direct Debit Scheme. The cashback payment is based on the identification number of the business who takes your direct debit.</p> <p>If you think you've not received cashback for a Direct Debit or a business is missing, let us know and we'll look into this.</p> <p>Debit card spend cashback</p> <p>You'll only earn cashback on debit card purchases at a merchant on the Santander Edge current account Eligible Merchant Category Classification Listing. The listing shows all merchants with eligible merchant category codes (these are codes based on the type of things they sell). This includes:</p> <ul style="list-style-type: none"> ◦ Supermarkets – Supermarkets & Grocery Stores (5411, 9751, 5499) ◦ Travel – Petrol (5541, 5542, 9752) ◦ Travel – Commuter Transport (4111) ◦ Travel – Railway (4112, 4011) ◦ Travel – Bus Lines (4131) ◦ Travel – EV Charging (5552) <p>We don't control what merchant category code is given to a merchant. So in some cases a merchant might sell something that looks eligible for cashback but because of their code, the transaction isn't eligible.</p> <p>Changes to the Santander Edge current account Eligible Originators Classification Listing</p> <p>We may update the listing at any time to add or remove businesses or to reflect changes in their services. For example, we may remove businesses that only provide services for business purposes or that provide services for both personal and business purposes using the same identification number.</p> <p>If we agree a business is missing or a category should be changed, we'll update our listing. You'll only earn cashback on payments you make after we update the listing. We won't change the cashback you've earned on payments you made before this happens.</p>
<p>Mastercard debit cards</p>	<p>If you've opened a new Santander Edge current account you'll automatically be sent a Mastercard debit card.</p>

Overdraft interest and fees

We'll charge you interest and fees if you use an arranged overdraft.

Arranged overdraft interest rate

Representative 39.94% APR / EAR (variable)

What does APR mean?

This is the Annual Percentage Rate. It shows the overall cost of the credit as an annual rate. It takes into account the interest, charges and any other cost involved in getting credit, which makes it easy to compare across the market.

What does EAR mean?

This is the Effective Annual Rate. It represents the yearly cost of an arranged or unarranged overdraft. It takes into account how often we charge interest to the account and does not include any other fees or charges.

We won't charge you any interest or fees if:

- you use an unarranged overdraft
- we allow a payment despite lack of funds, or
- we refuse a payment due to a lack of funds.

All overdrafts are subject to status. We may require you to repay the amount you owe in full on demand at any time. If our rates and fees increase, we'll give you at least 2 months' personal notice.

How much does the overdraft cost in pounds and pence?

To help you understand the cost of an overdraft, the table below shows how much the cost of borrowing £500 through an arranged overdraft costs for this account. If you borrow more than this or for a longer period, the cost will be proportionate and may be higher.

For 7 days	For 30 days	For 60 days
£3.27	£14.01	£28.12

This illustration assumes:

- you're £500 into an arranged overdraft from the first day of the period of illustration
- you don't make any payments in or out of your account
- your statement period starts on the first day of the period of illustration and the period of illustration starts in a 30 day month.

The illustration excludes the monthly account fee as you'll need to pay that whether or not you use your arranged overdraft.

There's no monthly overdraft fee cap for this account. If you have an arranged overdraft on your account and you go beyond your limit, we won't charge you any interest on the portion of your balance that's above your limit. However, interest will still apply to the portion of your balance within your limit.

Helping you keep on top of your account and overdraft

If we have your mobile number, we'll send you free text messages when:

- you make a payment that may take your account into an unarranged overdraft,
- we refuse a payment due to lack of funds or intend to refuse a future payment due to a lack of funds, or
- your account uses an arranged overdraft.

We'll send these alerts before we charge you any interest or fees so you have time to pay money into your account to avoid or reduce these charges. As we send these alerts by text, it's important you tell us if your mobile number changes.

You can change or turn off these alerts at any time using Online or Mobile Banking or by contacting us in branch or by phone.

If you receive these alerts by email at the moment, you'll continue to unless you change your preferences. We may send alerts by push notification in Mobile Banking in the future.

<p>Overdraft interest and fees (continued)</p>	<p>We can also send you other alerts about your account. For example, alerts when your balance falls below a set limit or when you receive a payment above a certain amount. You can find out more about these alerts on our website and register for them in Online or Mobile Banking, in branch or by calling us.</p> <p>You can find out more about overdrafts at santander.co.uk by searching 'overdraft'.</p>
<p>Other account benefits</p>	<p>You can make CHAPS, international payments and foreign currency payments for free from this account. We won't charge you the usual £25 fee.</p> <p>Other banks might charge you fees. These are outside our control.</p> <p>You may also be eligible for exclusive products with better rates. For more information see our website.</p> <p>If your Santander Edge current account is closed, we can close your other exclusive product(s) or switch you to a different one.</p> <p>We will not charge you for using your debit card to withdraw cash and make payments in the local currency outside the UK (We will apply a 0% foreign conversion fee)</p> <p>The 0% foreign conversion fee applies 3 working days after you've opened or transferred to the Santander Edge current account. If you use your debit card outside of the UK before then, the standard foreign currency conversion fee of 2.95% will apply. This fee is non-refundable.</p> <p>We'll apply the current Mastercard exchange rate to any purchases or cash withdrawals you make in the local currency. Local banks may charge their own fees when you use one of their cash machines.</p>
<p>Changing your account</p>	<p>We can convert your Santander Edge current account to one that doesn't charge a monthly fee if we think it's no longer the right account for you. For example, if we notice that the monthly fee may be more than the benefits you receive from your account and any related accounts. We'll tell you before we do this to let you know what your options are.</p>
<p>Statements and other important information</p>	<p>We'll send your statements and other important information about your account using Online and Mobile Banking unless we're required to send them another way. You can also change your preferences and ask for paper documents instead.</p>
<p>If you change your mind</p>	<p>Tell us if you change your mind.</p> <p>You can close your account at any time during your 'cancellation period' – we won't charge you for it. This is 14 days, starting the day after we confirmed your account is open.</p> <p>If you do this, we'll return your money. We'll do this as soon as we can (and within 30 days from when you tell us).</p> <p>You can also close your account at any other time outside this cancellation period – we won't charge you.</p>
<p>Declaration</p>	<p>By applying for this account you declare that:</p> <ul style="list-style-type: none"> ◦ You've received a copy of the General Terms and Conditions and Important Information, this Key Facts Document and our Data Protection Statement. ◦ You agree to the general terms and these specific conditions. <p>If you've any questions about the account or the terms and conditions please contact us before you apply.</p>

We'll need to do some credit and other checks on you

If you apply for a credit product with us, for example a credit card, a loan or current account that offers an overdraft, we'll carry out a search of your credit file (and your Business credit file if you apply for a Business product) with a credit reference agency before we decide to lend money to you. This search, including details about your application, will be recorded on your credit file. For a short period, this may affect your ability to get credit elsewhere. If you make a joint application, the credit reference agencies will 'link' your records together. We'll look at these results and decide if it's suitable to open the account and offer credit where requested. If it's not, we'll decline your application and let you know. Pre-Contractual Explanation

What is an overdraft?

An **arranged overdraft** is a loan through your current account which happens when your balance is below zero and allows you to borrow up to an agreed limit. The amount we agree to lend depends on your personal circumstances. You can discuss a new arranged overdraft, or a limit increase for an existing arranged overdraft through Online Banking, by calling us on **0330 9 123 123** or by speaking to us in branch.

An **unarranged overdraft** is where a transaction takes your balance below zero without an arranged overdraft in place or beyond your agreed arranged overdraft limit. These transactions are automatically treated as requests for an unarranged overdraft.

When you try to make a payment that would take you into an unarranged overdraft, we decide whether to allow the payment to go through based on your individual circumstances. There are certain types of transactions we can't stop which you may incur charges for.

Details of the costs for using an overdraft can be found in your account's Key Facts Document. You can also check how much this may be by using our overdraft cost calculator available at **[santander.co.uk](https://www.santander.co.uk)**. You can find out if you may be eligible for an overdraft by using the eligibility tool available at **[santander.co.uk](https://www.santander.co.uk)**

There are other types of borrowing, such as loans and credit cards, which could provide cheaper alternatives depending on your personal circumstances. Visit our website, **[santander.co.uk](https://www.santander.co.uk)** to find out more.

We can ask you to repay any overdraft at any time in line with our General Terms and Conditions.

Put Simply

An overdraft lets you borrow through your current account. Having an overdraft can be useful as a back-up to help you deal with short term, unexpected costs. It is not suitable for longer term borrowing.

An **arranged overdraft** is when we agree a set amount you can borrow from us. You need to apply for an arranged overdraft before you can use one, either when you apply for a current account or at any time afterwards.

An **unarranged overdraft** is when your account either goes over your arranged overdraft limit or overdrawn without an arranged overdraft in place. We may choose to allow or reject transactions which could take you in an unarranged overdraft. There are certain types of transactions we can't stop which you may incur charges for.

The costs for using an overdraft are set out in your Key Facts Document.

We may ask you to repay all or part of your overdraft at any time, but we'll try to notify you of this before.

How is your credit file impacted by applying for or using an overdraft?

When you apply for a new or an increase to your existing overdraft, we'll perform a 'credit search'. This means we check details of your credit history with certain credit reference agencies who will keep a record of that search including details about your application with us.

If a credit search is completed but we do not give you an overdraft or overdraft increase, or you remain in an overdraft position for a long period of time, a record will stay on the files that the credit agencies keep on you and may impact other provider's decisions.

Put Simply

Because you're asking to borrow from us, we'll check your financial history with the main credit agencies. This is called a credit search. A record of the credit search stays on your file and may affect other provider's decisions.

If you don't make repayments either when due or at our request, this can affect your credit rating. This may make it more difficult or more expensive for you to get credit from us or another lender in the future.

How to request a reduction or a removal of an arranged overdraft?

An overdraft has no fixed end date but we will review it regularly and have the right to change your arranged overdraft limit at any time. You can reduce or cancel your arranged overdraft facility at any point in Online Banking, by calling us or in branch.

If you cancel your arranged overdraft you must repay the money that you have borrowed under your arranged overdraft before the cancellation can be completed. You must also pay all the fees and interest applicable to your overdraft.

Put Simply

Your arranged overdraft doesn't have a specific end date and the amount can be reduced or cancelled at any point by either yourself or us.

If you cancel your arranged overdraft, you must repay the overdraft amount and fees/interest before this can be completed.

What are overdraft alerts and why do you receive them?

To help you manage your money and avoid or reduce any charges you may incur, we will send overdraft text alerts to your most up to date mobile number associated with a specific account. Some of these alerts are a regulatory requirement so you will be automatically registered for them, but you can customise them at any point after your account has been set up.

Put Simply

There are some messages we need to send you about your overdraft due to certain regulations. We'll text these to your mobile number. If you haven't provided an up to date mobile number, we may not be able to provide the alert in time to help you manage, avoid or reduce charges.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot, Santander Corporate & Commercial, and Santander Corporate & Investment Banking trading names.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
