

Santander Fixed Rate ISA Transfer Offer Terms and Conditions

1. The Terms

These terms and conditions (**'Terms'**) govern our Fixed Rate ISA Transfer offer (**'ISA Transfer Offer'**) of £50 (**'Voucher Payment'**) in respect of qualifying ISA transfers. The ISA Transfer Offer starts on 21 March 2023 and lasts until withdrawn by us (see condition 4.3 below).

2. Eligibility

To qualify for the ISA Transfer Offer and the Voucher Payment the following eligibility criteria apply:

- 2.1 You need to have provided us with an instruction to transfer in the full balance you hold in an existing cash or stocks and shares ISA held with an ISA manager that is not us or Santander ISA Managers Limited (**'Old Account'**), with a balance of £10,000 or more to a new Santander UK plc 1 Year, 18 Month or 2 Year Fixed Rate ISA (**'Qualifying Account'**) using the ISA Transfer Service (either in-scheme via Pay UK or out-of-scheme paper based service). The transfer in instruction must be provided on or after 21 March 2023 and before the ISA Transfer Offer is withdrawn, see condition 4.3 below.

Please note: Any money you remove yourself from your Old Account will lose its tax efficient status. If you transfer an ISA in full to us and have built up previous tax year flexible allowances with your current provider, you'll lose that allowance when you move to us. If you wish to use the flexible allowance you should re-deposit into Old Account before you transfer to us.

2.2 You will need to:

- 2.2.1 be a UK resident;
- 2.2.2 have a valid email address registered
- 2.2.3 continue to hold the Qualifying Account with a balance of over £10,000 on the date we make the Voucher Payment.

Please note: not all ISA providers participate in the electronic ISA Transfer Scheme, and you may need to complete a paper-based transfer, which can be completed in a Santander branch or by downloading the Cash ISA Transfer form from our website and posting this to us.

3. Voucher Payment

- 3.1 We will assess the Qualifying account within 30 days of the transfer completing to decide whether you have qualified for the ISA Transfer Offer and the Voucher Payment under these Terms. If you Qualify, we will make the Voucher Payment to you.

- 3.2 The Voucher Payment will be paid in the form of an e-voucher. The code to redeem the e-voucher will be valid for 12 weeks.

3.2.1 If you're eligible, we'll email a code to you with details of where you can redeem your e-voucher. Emails may be sent to your spam, promotions or junk folders.

3.2.2 Enter your code to pick an e-voucher from over 100 retailers.

3.2.3 Your chosen e-voucher will be sent to you by email.

3.2.4 The list of retailers is available on our website.

- 3.3 We will make one Voucher Payment per customer.

- 3.4 If you complete a full ISA transfer with a balance of below £10,000 from an Old Account into a Qualifying Account, this will not be eligible for a Voucher Payment. If you make more than one ISA transfer from an Old Account(s) into a Qualifying Account with a cumulative balance of £10,000 or more, this will not be eligible for a Voucher Payment. If you transfer part of the balance you hold in an Old Account which is £10,000 or more into a Qualifying Account, this will not be eligible for a Voucher Payment. Only single full ISA Transfers In with a balance of £10,000 or more into a Qualifying Account will receive a Voucher Payment.

- 3.5 We reserve the right to not make any Voucher Payment where we suspect or are made aware that the ISA Transfer Offer is being abused.

- 3.6 If you have requested an ISA Transfer after the ISA Transfer Offer starts and we subsequently withdraw the ISA Transfer offer before the ISA Transfer completes, you will be eligible for the Voucher Payment as long as you meet the eligibility criteria in condition 2 above.
