This document goes with the relevant investment's Terms and Conditions. Please read them together.

What are the details of the cashback offer and who's eligible?

You'll get £50 cashback when you set up a new monthly Direct Debit of £100 or more for 12 consecutive months. Your first monthly Direct Debit payment must be collected before 28 November 2023. It must also be invested into a fund available on the Santander Investment Hub. The offer period is between 28 August 2023 and 28 November 2023. This means you'll need to have invested at least £1,200 over a year to qualify for the £50 cashback.

You'll be eligible for the cashback offer if you're at least 18 years old.

The offer is open to new and existing Santander customers including Santander UK employees and UK residents only.

Money collected by Direct Debit, but held as cash on the Santander Investment Hub and not invested, isn't eligible. Cashback won't be paid for any monthly Direct Debits that are set up during the offer period but aren't collected or cancelled before the 12 consecutive Direct Debits are made.

Existing Investment Hub customers arranging new regular investments of £100 or more into an existing account are also eligible. You'll need to make sure that:

- they're not transferred out, withdrawn or cancelled before the cashback is paid.
- the investment is new i.e. you didn't have a Direct Debit established before the offer period that you subsequently cancelled to set up a new Direct Debit, e.g. if you changed your bank account.
- your Santander Investment Hub Account is open at the time the cashback is paid, and is able to receive the cashback from us.
- your new monthly Direct Debit payment is £100 or more.
