1. Eligibility

To be eligible for this account, you must have a 11213 Student or 11213 Postgraduate Current Account, be 19 years old or over, live in the UK for tax purposes and be able to provide proof of graduation (graduate certificate or confirmation from the university on letter headed paper). You must also have successfully completed a course with a Higher Education Provider of the following type **within the last three years**:

- your first undergraduate course;
- postgraduate course;
- Higher National Diploma (HND);
- Nursing training course (with a course length of two or more years); or
- Foundation degree (with a course length of two or more years).

When you graduate, your 11213 Student or 11213 Postgraduate Current Account will automatically transfer to a 11213 Graduate Current Account.

Use of your account

Your 11213 Graduate Current Account will last up to two years before it automatically transfers to an appropriate current account. Only one 11213 Graduate Current Account can be open at any one time and it must be used as your main current account and your salary must be paid into it. If you don't regularly pay your salary into this current account, we reserve the right to stop providing some (or all) of the services on your current account, for example, cancelling any Arranged Overdraft allowance on your current account or closing your current account. We'll give you at least two months' notice of any change to the services on your current account or if we close it.

2. Joint account

This account can't be held in joint names.

3. Maintaining the account

There is no monthly fee for maintaining the account.

4. Funding requirements

There is no monthly minimum funding requirement, however you must pay money into your account with your primary form of funding, for example, your salary.

5. Interest rates

We don't pay interest on this account.

6. Interest and fees

At Santander, we want to make all of our overdraft interest and fees clear and simple. You can see these in Section 6.1. below and certain interest and fees are also set out in the Fee Information Document. Where overdraft interest and fees are incurred in any monthly statement period we'll notify you following the end of the statement period of the amount of the fees and charges that you've incurred. We'll take the fees and charges from your account 22 days from the end date of the monthly statement period in which they were incurred. You can discuss, at any time, any fees or interest we've charged you, including why they've been charged. Speak to us in our branches or call us on **0330 9 123 123**.

6.1 Overdraft interest and fees

The following rates, fees and charges apply when using an overdraft:

Year of account	Arranged Overdraft Limit	Arranged Overdraft Interest Rate	Unarranged Overdraft Interest Rate	Fee for allowing a payment despite lack of funds	Fee for refusing a payment due to lack of funds
Year 1	Up to £2,000	Interest not charged		Fee not charged	
Year 2***	Up to £2,000	£0-£1,000 Interest not charged £1,000.01 and over an interest rate of 39.94% EAR* (variable) which gives a Representative rate of 5.97% APR** (variable)		Fee not charged	

*EAR stands for Effective Annual Rate and represents the yearly cost of an Arranged or Unarranged Overdraft, which takes into account of how often we charge interest to the account and does not include any other fees or charges.

**APR stands for Annual Percentage Rate and shows the overall cost of credit as an annual rate charge. It takes into account the interest, charges and any other cost involved in getting credit, which makes it easy to compare across the market.

***If you started Year 2 of your Graduate Current Account on or before 30 June 2021, your Arranged Overdraft will remain interest-free up to £2,000

Pre-Contractual Explanation for Overdrafts can be found on page 5 of this document and provides you with general information on overdrafts.

Pre-Contractual Information for Arranged Overdrafts can be found on page 6 of this document.

Please refer to your General Terms and Conditions for Current Accounts and Savings Accounts and the Fee Information Document for details of other account fees that may apply.

Financial Difficulties

If you would like more information about managing your finances please speak to us in branch or give us a call, you can also find more information online in the support area of our website.

6.2 Arranged Overdraft

This is when you have no money left in your account but you have borrowed money within an agreed limit.

We may automatically withdraw the 0% EAR (variable) Arranged Overdraft allowances at the end of your course. When you enter your second year in the account, we'll reduce your interest-free arranged overdraft limit from £2,000 to £1,000, although your overall arranged overdraft limit won't change. We can also reduce your Arranged Overdraft allowance if we are not satisfied with how you have managed your account.

You can request to reduce your Arranged Overdraft limit at any time. If you want to reduce your Arranged Overdraft limit again at this time you can do so by getting in touch with us.

6.3 Unarranged Overdraft

This is when we've paid a transaction that you've made that has taken you beyond your Arranged Overdraft limit, or below zero without having an Arranged Overdraft in place.

6.4 Allowing or refusing a payment despite lack of funds

If you make a payment when you don't have enough money in your account, based on your individual circumstances, we'll decide whether or not to refuse a payment due to lack of funds.

If we allow a payment, this will take you into an Unarranged Overdraft.

We don't charge fees for allowing or refusing a payment due to lack of funds on this account.

If we refuse your payment, you'll stay in credit or in an Arranged Overdraft but you won't incur a fee for refusing a payment due to lack of funds.

6.5 Overdraft alerts

You will be automatically set up to receive an alert when:

- you've made a payment that may, or has taken you into an unarranged overdraft;
- we have refused a payment due to lack of funds;
- we intend, in relation to a future scheduled payment, to refuse a payment due to lack of funds; or
- your account makes use of an Arranged Overdraft.

As we send these alerts as a text message, it's important you have a mobile number registered with us. Please make sure that this is always kept up to date. Alternatively, if you currently receive these alerts by email, you will continue to do so unless you tell us otherwise. If you have Mobile Banking, we may send alerts by push notification in the future.

We'll send you the alerts before your account is charged so that you have plenty of time to pay in money and either avoid or reduce overdraft charges.

You can also register for other account alerts to help you to stay on top of your finances. For example, alerts to advise you when your balance has fallen below a set limit, or you have had a deposit into your account greater than a set amount.

For more information visit Account alerts at santander.co.uk/personal/support/understanding-our-services/account-alerts

Once your account has been set up, these alerts can be easily amended, or turned off, by logging onto Online Banking, visiting one of our branches or calling us on **0330 9 123 123**.

7. Switching an account

If you ask us to, we'll switch your current account from another bank or building society to us. Your switch will be covered by the Current Account Switch Service (CASS) Guarantee as long as your existing bank or building society is also a participant of CASS. You can find more information about this on the 'Switching your current account to us' information sheet and in General Terms and Conditions for Current Accounts and Savings Accounts. The processing of your switch starts 6 working days before your chosen completion date. Your old current account will automatically close on your completion date. After the completion date we will automatically forward and redirect any payments made to or attempted to be taken from your old current account to your new current account at Santander for a period of at least 3 years, or longer until it is no longer required, in accordance with the Current Account Switch Agreement. It is important to note that the processing of the switch starts 6 working days before the switch completion date and once started cannot be stopped and your old account will close. If you need to discuss the progress of your switch to Santander please contact us on **0800 085 2202** where an adviser will be happy to help you. Lines are open Monday – Friday 8am to 7pm and 9am to 2pm Saturdays. If you switch your account to us, we'll give you a four-month interest free and fee-free Arranged Overdraft (depending on your circumstances and subject to an agreed limit). If you have to pay any Unarranged Overdraft Usage Fees due to an error during the switching process, we'll refund them in full.

8. Your address

You can select which address will be the one to which all communications will be sent. The address you choose must be in the UK.

You must notify us of any change of address immediately by visiting a branch, calling us or by updating your details via Santander Online Banking on santander.co.uk.

9. 11213 World

When your 11213 Student Current Account automatically transfers to a 11213 Graduate Current Account you will remain part of the 11213 World, still giving you access to a range of 11213 Offers. When applying for future products, if you're accepted and there is an associated 11213 offer you'll automatically qualify for it. This means, any joint applicants or trustees (who may open an account on your behalf) may be made aware that you hold a 11213 product.

10. Account closure

You have the right to cancel your account within 14 days of receiving your Account Opening Documentation. This is known as the 'cooling-off period'. You can close the account at any other time by sending a secure message through Online Banking, calling us on **0330 9 123 123** or by visiting one of our branches. Our rights to close your account are set out in the General Terms and Conditions for Current Accounts and Savings Accounts.

11. Changes to your 11213 Graduate Current Account

Unless you notify us beforehand that you wish to have different facilities with us, then on the second anniversary of your account opening you'll cease to be eligible for the 11213 Graduate Current Account:

- your current account will automatically be transferred to an appropriate current account, in respect of which the General Terms and Conditions for Current Accounts and Savings Accounts will continue to apply; and
- the Specific Conditions in this document will cease to apply to your current account.

12. Changes to Specific Conditions

We may change these Specific Conditions by giving you at least 2 months' notice. We'll communicate these changes as set out in Condition 15.7 of Section 2A in the General Terms and Conditions for Current Accounts and Savings Accounts.

13. Declaration

By signing the Agreement for this account you declare that:

- you've been provided with documentation detailing the key features of the account, including the Pre-Contractual Explanation, Pre-Contractual Information for Arranged Overdrafts and you would like to proceed with your application;
- all the Terms and Conditions have been made available to you and you agree to be bound by them;
- you've been provided with the Data Protection Statement.

If you don't understand any of the product details or terms for your account then please talk to us before you apply.

Pre-Contractual Explanation

What is an overdraft?

An **arranged overdraft** is a loan through your current account which happens when your balance is below zero and allows you to borrow up to an agreed limit. The amount we lend depends on your personal circumstances. You can discuss a new arranged overdraft, or a limit increase for an existing arranged overdraft through Online Banking, by calling us on **0330 9 123 123** or by speaking to us in branch.

An **unarranged overdraft** is where a transaction takes you into a negative balance without an arranged overdraft in place or beyond your agreed arranged overdraft limit. These transactions are automatically treated as requests for an unarranged overdraft.

When you try to make a payment that would take you into an unarranged overdraft, we make the decision whether to allow the payment to go through based on your individual circumstances. There are certain types of transactions we can't stop which you may incur charges for.

Details on the costs associated with using an overdraft are available in your account's Key Facts Document. You can also check how much this may be by using our overdraft cost calculator available at [santander.co.uk](https://www.santander.co.uk). You can find out if you may be eligible for an overdraft by using the eligibility tool available at [santander.co.uk](https://www.santander.co.uk)

There are other forms of borrowing, such as loans and credit cards, which could provide cheaper alternatives depending on your personal circumstances. Visit our website, [santander.co.uk](https://www.santander.co.uk) to find out more.

We can ask you to repay any overdraft at any time in line with our General Terms and Conditions.

Put Simply

An overdraft lets you borrow through your current account. Having an overdraft can be useful as a back-up to help you deal with short term, unexpected costs. It is not suitable for longer term borrowing.

An **arranged overdraft** is when we agree a set borrowing limit with you. You need to apply for an arranged overdraft before you can use one. This can be requested during your current account application or at any point later.

An **unarranged overdraft** is when your account goes over your arranged overdraft limit or overdrawn without an arranged overdraft in place. We may choose whether to allow or reject transactions which could take you in an unarranged position but there are certain types of transactions we can't stop which you may incur charges for.

The costs associated with using an overdraft are set out in your Key Facts Document.

We may ask you to repay all or part of your overdraft at any time, but we'll try to notify you of this in advance.

How is your credit file impacted by applying for or using an overdraft?

When you apply for a new or an extension to your existing overdraft, we'll perform a 'credit search', where we check details of your credit history with certain credit reference agencies. They will keep a record of that search including details about your application with us.

If a credit search is completed but we do not give you an overdraft or overdraft extension, or you remain in an overdraft position for a long period of time a record will stay on the files that the credit agencies keep on you and may impact other provider's decisions.

Put Simply

Because you're asking to borrow from us, we'll check your financial history with the main credit agencies. This is called a credit search. A record of the credit search remains on your file and may impact other provider's decisions.

If you don't make repayments or fail to do so upon our request this can affect your credit rating which may make it more difficult or more expensive for you to get credit from us or another lender in the future.

How to request a reduction or a removal of an arranged overdraft?

An overdraft has no fixed end date but we will review it regularly and have the right to change your arranged overdraft limit at any time. You can reduce or cancel your arranged overdraft facility at any point in Online Banking, by calling us or in branch.

If you cancel your arranged overdraft you must repay the money that you have borrowed under your arranged overdraft before the cancellation can be completed. You must also pay all the fees and interest applicable to your overdraft.

Put Simply

Your arranged overdraft facility doesn't have a specific end date and can be reduced or cancelled at any point by either yourself or us.

If this happens, you will have to repay the whole or any part of your overdraft.

What are overdraft alerts and why do you receive them?

To help you manage your money and avoid or reduce any charges you may incur, we will send overdraft text alerts to your most up to date mobile number associated with a specific account. Some of these alerts are a regulatory requirement so you will be automatically registered for them, but you can customise them at any point after your account has been set up.

Put Simply

Due to certain regulations we need to send you automatic overdraft alerts. We'll text these to your mobile number. If you haven't provided an up to date mobile number, we may not be able to provide the alert in time to help you manage, avoid or reduce charges.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot, Santander Corporate & Commercial, and Santander Corporate & Investment Banking trading names.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.
