3. Maintaining the account

The fee for maintaining the account is £1 per month.

The monthly fee is taken to cover the previous month on the same day each month on the date the account was opened or transferred. The monthly fee will be taken every month from your account (including any months you do not qualify for cashback) until you instruct us to close or transfer your account.

If there is a lack of funds in your account to cover the monthly fee, the fee will still be debited. If the payment of the £1 monthly fee causes you to exceed your Arranged Overdraft limit, you won't be charged any fees or interest on the portion of your balance which is above your limit but Arranged Overdraft interest or fees will still apply to the portion of your balance within your limit.

Once you have met the cashback criteria for the first time, you will begin to be charged the £1 monthly fee.

4. Monthly Funding requirements

You must pay at least £500 into your account every month. This is not a calendar month. It's a statement period which usually runs from the monthly anniversary of the date you opened/transferred your account, unless you've asked for it to be changed. The £500 minimum monthly payment doesn't include refunded amounts from your Santander debit card or amounts transferred into the account from another Santander account in your name (including any joint accounts). Transfers in from a Santander Business Account do count towards the minimum £500 payment.

From 5 May 2020	No interest is paid on this account	<p>1% cashback (up to a max of £5 a month) on water, council tax and Santander monthly mortgage payments</p> <p>2% cashback (up to a max of £5 a month) on gas and electricity, Santander Home Insurance premiums (policies administered and underwritten by Aviva Insurance Limited) and Santander life protection premiums (policies administered and underwritten by Aviva Life and Pensions UK Limited)</p> <p>3% cashback (up to a max of £5 a month) on mobile phone, home phone, broadband and paid-for TV packages</p>	<p>✓ Pay in at least £500 a month (see Condition 4)</p> <p>✓ Have at least two active Direct Debits</p> <p>✓ Any participant to log on to Online or Mobile Banking at least once every three months</p>

5.1 Interest

No interest is paid on this account.

5.2 Cashback amount and categories

Cashback is a monthly cash reward that we'll pay directly into your 11213 Lite Current Account, as long as you meet the ongoing eligibility criteria that we've set out in Conditions 4 and 5.

From 5 May 2020, a cap of £5 will apply on the amount of cashback that is paid on each of the eligible percentage cashback categories. This means that you can earn up to £15 in cashback in any one month. Depending on your statement date this may mean that cashback is capped on Direct Debits which you've paid in April 2020.

Payments for financial or additional services (such as servicing and maintenance arrangements, or warranties) from organisations in eligible cashback categories won't qualify for cashback.

You can only earn cashback on eligible Direct Debit payments for your home in the UK as long as it's only for your domestic use. Direct Debit payments for commercial purposes don't qualify for cashback. The cashback is calculated and given by us (Santander UK plc) and not the organisation that receives the Direct Debit payment. This cashback doesn't affect any other offers that these organisations may supply.

We'll only pay cashback on the net amount of the Direct Debit payment. For example, if you're refunded or part-refunded your Direct Debit payment, we'll pay cashback on the net amount that you actually paid to the organisation. Any unpaid cashback which is due when you close your account will not be credited to your account.

You'll need to ensure that Direct Debits are active on your account when we calculate your cashback. We'll credit the total amount of cashback you earn in each statement period to your account. Cashback is based on the date in which Direct Debits are collected. For reasons outside of our control, Direct Debits collection dates may vary which means, at times, a Direct Debit may not be collected within a statement period. This may have an impact on your ability to earn cashback for that month due to this being capped in the following month. You can check your statement or visit Online Banking to find out which date we pay your cashback and can consider changing your statement date, or the date the company collects your Direct Debit to minimise the risk of this happening.

5.3 Santander 11213 Eligible Originators Classification Listing[®]

You can only earn cashback through Direct Debit payments to companies categorised as water, electricity, gas or communications suppliers or as council tax issuing institutions in the Santander 11213 Eligible Originators Classification Listing[®]. We've built this list by using the BACS OIN* Codes table. This table lists all companies, including major providers of these services, which issue Direct Debit transfers in the UK. We've made every effort to make sure the classification and categorisation is accurate. Your cashback payments will be based on the categorisation that we've made and the details are in the Santander 11213 Eligible Originators Classification Listing[®].

*Originator Identification Number (OIN - also known as Service User Number (SUN)) is a unique six digit number given to each organisation or service user who is authorised to use the Direct Debit Scheme.

If you think any of your Direct Debit payments should be eligible, but aren't on the list or you have a query related to an organisation or payment then please call us on **0800 9 123 123**. If we confirm the category should be updated, we'll do this and payments will be adjusted from that point onwards. We won't be able to back-date the payments. For an up-to-date Santander 11213 Eligible Originators Classification Listing[®], please visit santander.co.uk or ask in your local branch. If you'd like to find out how much cashback you've earned, please call us on **0800 9 123 123**.

6. Interest and fees

At Santander, we want to make all of our overdraft interest and fees clear and simple. You can see these in the interest and fees table in Section 6.1 and certain interest and fees are also set out in the Fee Information Document. Where overdraft interest and fees are incurred in any monthly statement period we'll notify you following the end of the statement period of the amount of the fees and charges that you have incurred. We'll take the fees and charges from your account 22 days from the end date of the monthly statement period in which they were incurred. You can discuss, at any time, any fees or interest we have charged you, including why they've been charged. Speak to us in our branches or call us on **0800 9 123 123**.

6.1 Overdraft interest and fees

We are in the process of changing our overdraft rates and fees, with some changes being made on 6 April 2020. The following rates, fees and charges apply when using an overdraft:

Effective Date	Monthly Fee	Arranged Overdraft Interest and Fees	Unarranged Overdraft Interest and Fees	Fee for allowing a payment despite lack of funds	Fee for refusing a payment due to lack of funds
Before 6 April 2020	£1	The Arranged Overdraft Usage Fee will depend on the amount of Arranged Overdraft you use: below £2,000, £1 per day, £2,000 to £2, 999.99, £2 per day, £3,000 and over, £3 per day.	Fees or interest not charged	Fee not charged	Fee not charged
From 6 April 2020	£1	39.9% APR* / EAR**(variable)	0% APR*/EAR** (variable)	Fee not charged	Fee not charged

*APR stands for Annual Percentage Rate and shows the overall cost of credit as an annual rate charge. It takes into account the interest, charges and any other cost involved in getting credit, which makes it easy to compare across the market.

**EAR stands for Effective Annual Rate and represents the yearly cost of an Arranged or Unarranged Overdraft, which takes into account of how often we charge interest to the account and does not include any other fees or charges.

All overdrafts are subject to status. We may require you to repay the amount you owe in full on demand at any time. If our rates and fees increase, we'll give you at least 2 months' personal notice.

Pre-Contractual Explanation for Overdrafts can be found on page 5.

Pre-Contractual Information for Arranged Overdrafts can be found on page 6 of this document and provides you with general information on overdrafts.

Please refer to your General Terms and Conditions for Current Accounts and Savings Accounts and the Fee Information Document for details of other account fees that may apply.

Financial Difficulties

If you would like more information about managing your finances please speak to us in branch or give us a call, you can also find more information online in the support area of our website.

6.2 Fees for allowing or refusing a payment due to lack of funds

If you attempt to make a payment when you do not have enough money in your account, based on your individual circumstances we will decide whether or not to refuse a payment due to lack of funds. If we allow a payment despite lack of funds, you will move into an Unarranged Overdraft but you won't incur any charges for this.

We don't charge fees for refusing a payment due to lack of funds or allowing a payment despite a lack of funds on the 11213 Lite Current Account.

6.3 Overdraft alerts

You will be automatically set up to receive an alert when:

- you've made a payment that may, or has taken you into an Unarranged Overdraft;
- we have refused a payment due to lack of funds; or
- we intend, in relation to a future scheduled payment, to refuse a payment due to lack of funds.

You will also be automatically set up to receive an alert when:

- your account makes use of an arranged overdraft;
- your account goes further into an arranged overdraft; which may cause the cost to increase.

We send these alerts as a text message so it's important you have a mobile number registered with us. Please make sure that this is always kept up to date. Alternatively, if you currently receive these alerts by email, you will continue to do so unless you tell us otherwise. If you have Mobile Banking, we may send alerts by push notification in the future.

We'll send you the alerts before your account is charged so that you have plenty of time to pay in money and either avoid or reduce overdraft charges.

You can also register for other account alerts to help you to stay on top of your finances. For example, alerts to advise you when your balance has fallen below a set limit, or you have had a deposit into your account greater than a set amount.

For more information visit Account alerts at santander.co.uk/personal/support/understanding-our-services/account-alerts.

Once your account has been set up, these alerts can be easily amended, or turned off, by logging onto Online Banking, visiting one of our branches or calling us on **0800 9 123 123**.

7. Switching your account

If you ask us to, we will switch your current account from another bank or building society to us. Your switch will be covered by the Current Account Switch Service (CASS) Guarantee as long as your existing bank or building society is a participant of CASS. You can find more information about this on the 'Switching your current account to us' information sheet and the General Terms and Conditions for Current Accounts and Savings Accounts. The processing of your switch starts 6 working days before your chosen switch completion date. Your old current account will automatically close on your completion date. After the completion date we will automatically forward and redirect any payments made to or attempted to be taken from your old current account to your new current account at Santander for at least 3 years, or longer until it is no longer required, in accordance with the Current Account Switch Agreement. It is important to note that the processing of the switch starts 6 working days before the switch completion date and once started cannot be stopped and your old account will close. If you need to discuss the progress of your switch to Santander please contact us on **0800 085 2202** where we will be happy to help you. Lines are open Monday – Friday 8am to 7pm and 9am to 2pm Saturdays.

If you switch your account to us, we'll give you a four-month interest-free and fee-free Arranged Overdraft (depending on your circumstances).

8. Paper-free account

Once opened, the account will be set up as a paper-free account, which means that your statements and some other documents (including notification of changes to your account or services) will be sent to your 'Document Store' in Online Banking. There may be some instances where we still need to send you information via the post. We'll continue to send you paper-free documents until you tell us otherwise or if we identify that you've not been regularly accessing Online or Mobile Banking.

After your account has been opened for at least 24 hours, you can start receiving statements and other correspondence by post at any time without impacting any cashback earnings. Just log on to Online Banking and change your paper-free settings in the eDocuments section or contact us and we can make this change for you.

9. 1123 World

When you open a 1123 Lite Current Account you become part of 1123 World, giving you access to a range of 1123 Offers. When applying for future products, if you are accepted and there is an associated 1123 Offer you will automatically qualify. This means, any joint applicants or trustees (who may open an account on your behalf) may be made aware that you hold a 1123 product.

10. Account closure

You have the right to cancel your account within 14 days of receiving your Account Opening Documentation. This is known as the 'cooling-off period'. If you close or transfer your account part way through your monthly statement period, any cashback you have earned won't be paid into your account. You can close the account at any other time by sending a secure message through Online Banking, calling us on **0800 9 123 123** or by visiting one of our branches.

11. Changes to Specific Conditions

- 11.1** We may add (or remove) with immediate effect organisations that are included within the eligible cashback categories depending on their business type or to correct a mistake. This could include removing organisation that only provide utilities for non-domestic or commercial purposes, or organisations that provide utilities for both non-domestic and domestic purposes under the same OIN/SUN. In all cases the Santander 1123 Current Account Eligible Originators Classification Listing[©] will be updated to reflect this.
- 11.2** Where an organisation provides multiple utilities under the same OIN/SUN, for example both electricity and broadband, the Cashback percentage you can earn will be confirmed in the 1123 Current Account Eligible Originators Classification Listing[©].
- 11.3** We may change these Specific Conditions including the eligible cashback categories (the rates of cashback), or withdrawing cashback, by giving you no less than 2 months' notice. We'll communicate these changes as set out in Condition 15.7 in section 2A of your General Terms and Conditions for Current Accounts and Savings Accounts.

Pre-Contractual Explanation

What is an overdraft?

An **arranged overdraft** is a loan through your current account which happens when your balance is below zero and allows you to borrow up to an agreed limit. The amount we lend depends on your personal circumstances. You can discuss a new arranged overdraft, or a limit increase for an existing arranged overdraft through Online Banking, by calling us on **0800 9 123 123** or by speaking to us in branch.

An **unarranged overdraft** is where a transaction takes you into a negative balance without an arranged overdraft in place or beyond your agreed arranged overdraft limit. These transactions are automatically treated as requests for an unarranged overdraft.

When you try to make a payment that would take you into an unarranged overdraft, we make the decision whether to allow the payment to go through based on your individual circumstances. There are certain types of transactions we can't stop which you may incur charges for.

Details on the costs associated with using an overdraft are available in your account's Key Facts Document. You can also check how much this may be by using our overdraft cost calculator available at [santander.co.uk](https://www.santander.co.uk). You can find out if you may be eligible for an overdraft by using the eligibility tool available at [santander.co.uk](https://www.santander.co.uk)

There are other forms of borrowing, such as loans and credit cards, which could provide cheaper alternatives depending on your personal circumstances. Visit our website, [santander.co.uk](https://www.santander.co.uk) to find out more

We can ask you to repay any overdraft at any time in line with our General Terms and Conditions.

Put Simply

An overdraft lets you borrow through your current account. Having an overdraft can be useful as a back-up to help you deal with short term, unexpected costs. It is not suitable for longer term borrowing.

An **arranged overdraft** is when we agree a set borrowing limit with you. You need to apply for an arranged overdraft before you can use one. This can be requested during your current account application or at any point later.

An **unarranged overdraft** is when your account goes over your arranged overdraft limit or overdrawn without an arranged overdraft in place. We may choose whether to allow or reject transactions which could take you in an unarranged position but there are certain types of transactions we can't stop which you may incur charges for.

The costs associated with using an overdraft are set out in your Key Facts Document.

We may ask you to repay all or part of your overdraft at any time, but we'll try to notify you of this in advance.

How is your credit file impacted by applying for or using an overdraft?

When you apply for a new or an extension to your existing overdraft, we'll perform a 'credit search', where we check details of your credit history with certain credit reference agencies. They will keep a record of that search including details about your application with us.

If a credit search is completed but we do not give you an overdraft or overdraft extension, or you remain in an overdraft position for a long period of time a record will stay on the files that the credit agencies keep on you and may impact other provider's decisions.

Put Simply

Because you're asking to borrow from us, we'll check your financial history with the main credit agencies. This is called a credit search. A record of the credit search remains on your file and may impact other provider's decisions.

If you don't make repayments or fail to do so upon our request this can affect your credit rating which may make it more difficult or more expensive for you to get credit from us or another lender in the future.

How to request a reduction or a removal of an arranged overdraft?

An overdraft has no fixed end date but we will review it regularly and have the right to change your arranged overdraft limit at any time. You can reduce or cancel your arranged overdraft facility at any point in Online Banking, by calling us or in branch.

If you cancel your arranged overdraft you must repay the money that you have borrowed under your arranged overdraft as soon as possible and no later than 30 days after you cancel it. You must also pay all the fees and interest applicable to your overdraft.

Put Simply

Your arranged overdraft facility doesn't have a specific end date and can be reduced or cancelled at any point by either yourself or us.

If this happens, you will have to repay the whole or any part of your overdraft.

What are overdraft alerts and why do you receive them?

To help you manage your money and avoid or reduce any charges you may incur, we will send overdraft text alerts to your most up to date mobile number associated with a specific account. Some of these alerts are a regulatory requirement so you will be automatically registered for them, but you can customise them at any point after your account has been set up.

Put Simply

Due to certain regulations we need to send you automatic overdraft alerts. We'll text these to your mobile number. If you haven't provided an up to date mobile number, we may not be able provide the alert in time to help you manage, avoid or reduce charges.

Statement of Lender and Borrower Responsibilities

Our lending commitments

As a lender, we have a responsibility to act fairly and as part of this we have committed to follow the Standards of Lending Practice which are monitored and enforced by the LSB: www.lendingstandardsboard.org.uk.

This note sets out some of our key responsibilities and what we ask of you, to ensure that the relationship works well for both of us.

- We will lend responsibly and aim to provide a product that is affordable for you.
- We will provide you with information about our products and services and how they work, in a clear and understandable way, so that you can decide what's best for you and your needs.
- We will endeavour to make sure our products and services offer, wherever possible, the flexibility to meet your needs.
- We will treat you fairly and reasonably at all times and make sure that you are provided with a high level of service.
- If you tell us about any inaccuracies, for example around the personal information we hold about you, we will act quickly to put it right.
- We will always aim to help you if we see, or you tell us, that you are having trouble financially. We will seek to understand your overall circumstances, try and identify options that you can afford and where appropriate, provide a reference to free debt advice.

What we ask of you

- We ask you to think carefully about whether you can afford to repay the money you want to borrow and to be open in your dealings with us.
- Take care of any cards, PINs, online log-in details and other security information to help prevent fraud and help us to protect your accounts.
- Tell us as soon as possible if your card has been lost or stolen, or if you know or suspect someone is misusing your confidential information e.g. your PIN or online log-in details.
- Carefully check your account statements to make sure they are accurate. If anything isn't right, please get in touch with us.

Please let us know if

- Your contact details change, so we can keep our records up to date.
- Your circumstances change, particularly if what's happened is likely to cause you difficulties in managing your account or financial problems.
- You think that you won't be able to keep up with your repayments. The sooner you do this, the more likely it is we'll be able to find a way to help you.

We would also encourage you to refer to the terms and conditions associated with your current account, credit card or personal loan.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot and Santander Corporate and Commercial Bank. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

3 Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

4 Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 10 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
