

PROHIBITION OF SALES TO UK RETAIL INVESTORS – Other than with respect to offers of the N&C Securities in the United Kingdom during the Offer Period specified below, the N&C Securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (the "UK"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended, the "EUWA"); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, the "FSMA") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently, save as provided above, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (as amended, the "UK PRIIPs Regulation") for offering or selling the N&C Securities or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the N&C Securities or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

UK MiFIR product governance / Retail investors, professional investors and ECPs – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the N&C Securities has led to the conclusion that: (i) the target market for the N&C Securities is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"), eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA ("UK MiFIR"); (ii) all channels for distribution to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the N&C Securities to retail clients are appropriate - investment advice. Any person subsequently offering, selling or recommending the N&C Securities (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the N&C Securities (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under COBS, as applicable.

Currency, denomination, par value, number of N&C Securities issued and term of the N&C Securities

The currency of the N&C Securities will be Pounds Sterling (the "**Specified Currency**"). The N&C Securities will have a minimum specified denomination of £1,000 and integral multiples of £1 in excess thereof up to and including £1,999. No N&C Securities in definitive form will be issued with a denomination exceeding £1,999. The N&C Securities will have an aggregate nominal amount of up to £20,000,000.

The N&C Securities will be redeemed on the third Business Day following the Final Reference Date of the Preference Shares (the "**Scheduled Maturity Date**") and the Scheduled Maturity Date is scheduled to be 14 April 2032.

Events of Default: This includes non-payment, non-performance or non-observance of the Issuer's obligations in respect of the N&C Securities and also the insolvency or winding up of the Issuer. An event of default will only be treated as such if at least 25% of the N&C Securityholders in nominal amount have requested this.

Governing Law: The N&C Securities will be governed by English law and the rights thereunder will be construed accordingly.

Status of the N&C Securities

The N&C Securities constitute direct, unconditional, unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without preference amongst themselves and, subject to any applicable statutory provisions or judicial order, at least equally with all other present and future direct, unconditional, unsecured and unsubordinated obligations of the Issuer.

Description of restrictions on free transferability of the N&C Securities

The N&C Securities may not be transferred prior to the Issue Date. Selling restrictions apply to offers, sales or transfers of the N&C Securities under the applicable laws in various jurisdictions. A purchaser of the N&C Securities is required to make certain agreements and representations as a condition to purchasing the N&C Securities. Subject to this, the N&C Securities will be freely transferable.

The payout policy

The N&C Securities are designed to provide a return in the form of a cash payment on redemption (i.e. the Final Redemption Amount as described below). The timing and amount of the redemption payment will depend directly on the value of the Preference Shares and indirectly on the performance of the Preference Share Underlying (as described below).

"Preference Share Underlying" means the FTSE 100 Index and the Eurostoxx 50 Index (each, an **"Index"**).

This product is designed to repay an N&C Securityholder's Initial Investment plus an additional amount if the Index increases over the term and can finish early if the Index is at or above the Observation Level on any of the Annual Observation Dates outlined below. If this happens, the Issuer will return a N&C Securityholder's Initial Investment plus the relevant customer return as stated below for that year.

If the worst performing Index has never finished at or above the relevant Observation Level expressed as a percentage of the Initial Level on any Annual Observation Date during the term, the plan will finish returning the N&C Securityholder's Initial Investment only, providing the Final Level of the worst performing Index has not fallen by 35% or more. If the Final Level of the worst performing Index has fallen by 35% or more from its Starting Level, the N&C Securityholder's Initial Investment will be reduced in line with the fall of the Index.

An investor's return on the N&C Securities will be based on the processes described in 'Final Redemption' and 'Early Redemption' (if applicable).

The Starting Level of each Index will be taken as the closing level of the Index on 31 March 2026.

The Final Level of each Index will be taken as the closing level of the Index on 31 March 2032 subject to the plan not finishing early.

Annual Observation Date	Autocallable Date	Observation Level	Return
31 March 2028	21 April 2028	100 per cent.	115.00 per cent. of Initial Investment and the N&C Securities redeem
3 April 2029	20 April 2029	95 per cent.	122.50 per cent. of Initial Investment and the N&C Securities redeem
1 April 2030	18 April 2030	90 per cent.	130.00 per cent. of Initial Investment and the N&C Securities redeem
31 March 2031	18 April 2031	85 per cent.	137.50 per cent. of Initial Investment and the N&C Securities redeem
31 March 2032	19 April 2032	65 per cent.	145.00 per cent. of Initial Investment and the N&C Securities redeem

If the Final Level of the worst performing Index has fallen by less than 35% from the Initial Level, the N&C Securityholder will be repaid its Initial Investment only. If the Final Level of the worst performing Index has fallen by more than 35% there will be a loss to the N&C Securityholder in line with the fall in the Index.

"**Preference Share Value_{final}**" means the Preference Share Value on the Final Reference Date;

"**Preference Share Value_{initial}**" means the Preference Share Value on the Initial Reference Date; and

In the event of an early redemption, the Issuer will redeem each N&C Security at its Early Redemption Amount on the applicable Early Redemption Date.

The "**Early Redemption Amount**" shall be an amount rounded in accordance with the conditions in the Specified Currency calculated by the Calculation Agent on the same basis as the Final Redemption Amount except that, for these purposes only, the definition of Preference Share Value_{final} shall be the Preference Share Value on the Early Redemption Valuation Date;

Where:

- (a) if the N&C Securities become subject to early redemption other than following an event of default, the Early Preference Share Redemption Valuation Date specified in the notice of early redemption given to N&C Securityholders by the Issuer (or the Calculation Agent on its behalf) in accordance with the conditions; or
- (b) where the N&C Securities are subject to early redemption following an event of default, the 5th Business Day following the date on which the relevant N&C Securityholder's written notice referred to therein is given,

in each case, subject to adjustment;

"**Early Redemption Date**" means the third business day following the Early Redemption Valuation Date; and

"**Early Redemption Valuation Date**" shall be the third Business Day following the Early Preference Share Redemption Valuation Date.

Where will the N&C Securities be traded?

Application is expected to be made by the Issuer (or on its behalf) for the N&C Securities to be admitted to trading on the London Stock Exchange's Regulated Market and to be listed the Official List of the FCA with effect on or about the Issue Date.

What are the key risks that are specific to the N&C Securities?

The N&C Securities are subject to the following key risks:

- (a) investors in the N&C Securities may lose up to the entire value of their investment in the N&C Securities as a result of the occurrence of any of (a) a decrease in the value of the Preference Shares to which the N&C Security is linked, (b) the

insolvency of the Issuer, (c) investors seeking to sell the N&C Securities prior to their scheduled redemption, and (d) amounts payable being subject to deductions for taxes and/or expenses;

- (b) unlike a bank deposit, the N&C Securities are not protected by the Financial Services Compensation Scheme ("FSCS") or other government protection scheme. As a result, neither the FSCS nor any other government will pay compensation to an investor in the N&C Securities upon the failure of the Issuer;
- (c) the value of and return on the N&C Securities depends on the performance of the underlying Preference Shares and therefore subject to risks in relation to the Preference Shares and the relevant Preference Share Underlying. Past performance of the Preference Shares or the relevant Preference Share Underlying is not indicative of future performance;
- (d) the value of the Preference Shares will be linked to the economic performance of the relevant Preference Share Underlying. The performance of the Preference Shares may be dependent on the level of or changes in the level of an index or a basket of indices ("**Index Linked Preference Shares**"). The market price of N&C Securities linked to Index Linked Preference Shares may be volatile and may depend on the time remaining to the redemption date and the volatility of the level of the index or indices. The level of the index or indices may be affected by the economic, financial and political events in one or more jurisdictions, including the stock exchange(s) or quotation system(s) on which any securities notionally comprising the index or indices may be traded;
- (e) the N&C Securities may redeem early due to the occurrence of an unexpected event. Should this occur, investors may receive less than their original investment, and may not be able to invest the redemption proceeds to achieve a potential return similar to the potential return available under the N&C Securities;
- (f) the N&C Securities will have no established trading market when issued, and one may never develop, or the N&C Securities may be illiquid. Investors may not be able to sell their N&C Securities or may only be able to sell at an unfavourable price; and
- (g) the Issue Price of the N&C Securities may be more than the market value as at the Issue Date, and the price of the N&C Securities in secondary market transactions.
