This Supplement has been approved by the Central Bank of Ireland (the "**Central Bank**") as Irish competent authority under the Prospectus Regulation. The Central Bank only approves this Supplement as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval relates only to the Securities which are to be admitted to trading on the regulated market of the Irish Stock Exchange plc, trading as Euronext Dublin, or other regulated markets for the purposes of Directive 2014/65/EU, as amended (the "**Markets in Financial Instruments Directive**") or which are to be offered to the public in a Member State of the European Economic Area and should not be considered as an endorsement of the Issuer or of the quality of the securities that are the subject of the Base Prospectus. Investors should make their own assessment as to the suitability of investing in the N&C Securities.

The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

The Issuer has requested the Central Bank of Ireland, in accordance with Article 25 of the Prospectus Regulation, provide to the United Kingdom Financial Conduct Authority, in its capacity as United Kingdom competent authority, a certificate of approval attesting that this Supplement has been drawn up in accordance with the Prospectus Regulation.

This Supplement has been prepared for the purpose of incorporating by reference into the Base Prospectus certain sections of the Issuer's annual report for the year ended 31 December 2019 and the related glossary (as described in Schedule 1 hereto).

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference in the Base Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Base Prospectus prior to the date of this Supplement, the statement referred to in (a) above will prevail.

If any documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement or the Base Prospectus for the purposes of the Prospectus Regulation except where such information or other documents are specifically incorporated by reference or attached to this Supplement.

Any non-incorporated parts of a document referred to herein are either deemed not relevant for an investor or are otherwise covered elsewhere in the Base Prospectus to which this Supplement relates.

Save as disclosed in this Supplement, no significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus has arisen or been noted, as the case may be, since the publication of the Base Prospectus.

There has been no significant change in the financial position of Santander UK plc and its subsidiaries since 31 December 2019 (being the date to which the most recent financial information was prepared).
