⁽¹⁾ On 23rd June 2015 the Master Definitions and Construction Agreement definitions of 'Calculation Date' and 'Calculation Period' were amended. The 'Calculation Date' was amended from the third London Business Day prior to each LLP Payment Date to the first London Business Day. The 'Calculation Period' was amended to the period from (and including) the first calendar day of each calendar month to (but excluding) the first calendar day of the next following calendar month.
 ⁽²⁾ There are no minimum rating requirements on the issuer, although its ratings are linked to certain programme triggers - see the Programme Triggers section.
 ⁽³⁾ The interest rate swap notional is the sum of all interest rate swap notionals as at the start of the Calculation Period. Note that under an Amendment Agreement dated 24 December 2012, the interest rate swaps may be consolidated into one "over pool swap" at a future date, at the LLP's election.

(i) LLP receive/pay margins are an average across all interest rate swaps
 (ii) LCP receive/pay margins are an average across all interest rate swaps
 (iv) For triggers relating to the swap providers on the cover pool the rating trigger disclosed is the next trigger point - there may be subsequent triggers and these are detailed in the relevant swap agreement. For triggers relating to the covered bond swaps, see table "Programme Triggers"
 (iv) As part of the ring-fence planning, we have commenced the realignment of the wholesale funding structure of our operating companies, Santander UK plc and Abbey National Treasury Services plc (ANTS). As a consequence, as of 1st June 16, Santander UK plc will become the issuer in respect of the outstanding notes which were issued by ANTS under its wholesale funding programmes and some standalone securities. Please see additional information published in Santander UK Investor Update Q1 2016 Results

and the RNS published on the 27th of April 2016
⁽⁸⁰⁾ As of 30th of March 2016, Abbey National Treasury Services transferred all the rights, duties and obligations as the provider of the Swap on the Cover Pool to Santander UK_group+notants/santander-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+notants/santanter-UK_group+nota
