

# Understanding your branch closure

Santander, 69 New Street,  
Birmingham, West Midlands,  
B2 4DU

This branch will be closing on 25 July 2019.  
We'd like to explain why, and help you understand  
how you can continue banking with us.

## Background to our approach

Over the last five years, we've continually invested in our branch network. All of our busiest branches across the UK have been refurbished and we've introduced improved services for our customers, including our new touch screen cash machines. Increasingly however, more of our customers are changing the way they manage their money. As well as using our branches, more and more people find it convenient to do their day to day banking using online, mobile or telephone banking. As a result, customers are visiting our branches less.

Given this change in our customer's requirements we've undertaken a comprehensive review of our branch network. This review incorporates analysis and consideration of many factors including where each of our branches are located and how they are used by our customers. Our branch network remains very important to us and our customers and we're committed to continuing to invest in and develop our branches. However we will be focusing our investment in those locations where our customers need and use our branches the most.

We can assure you that we don't take the decision to close any branch lightly and we assess each branch individually to consider the potential impact for customers and the alternative options available to bank locally.

We hope this leaflet helps to provide more information about our decision to close Birmingham New Street branch.

## Branch assessment

Before reaching the decision to close this branch, a comprehensive internal review was undertaken. Our analysis and considerations included:

- the way our Birmingham New Street customers are choosing to bank with us
- the availability and proximity of additional Santander branches in surrounding areas
- the availability of alternative ways to bank with Santander
- access to alternative ways to bank in the local area such as the Post Office and cash machines
- the level of facilities provided in the branch
- property considerations such as expiry of a lease for the branch premises.

As a result of our assessment and following careful consideration, we have taken the difficult decision to close Birmingham New Street branch on 25 July 2019.

# Supporting you

Following our announcement to close Santander's branch at Birmingham New Street we have been contacting customers and members of the local community to communicate our decision, understand any concerns and to make sure we provide any additional support required locally.

- We wrote to 9391 customers to notify them of the closure, including details of alternative ways to bank with Santander and where to find our impact assessment.
- We also notified community representatives in Birmingham, including the local Member of Parliament.
- The Birmingham New Street branch team has spoken to customers about the alternative ways to access their accounts, offering appointments to discuss options and support with the setting-up of telephone, online and mobile banking.
- Posters and leaflets have been available in branch and online, advising customers of the planned closure date and the range of alternative ways to bank with Santander.
- The local Post Office representative has been advised of the closure. All Santander customers who have a Personal or Business current account can use Post Office branches for cash withdrawals, balance enquiries, cash and cheque deposits. To make cheque deposits, paying in slips and envelopes are required.
