Our Terms of Business

Non-advised

For the majority of our products we only provide you with information, not advice, to help you decide if a product is right for you. On products where we do provide advice, we will make this clear to you. Some products are only available via specific channels (e.g. internet only).

Put simply

We will provide you with a 'non-advised' service, which means we will give you information to help you make your decision.

Regulated

We are authorised and regulated by the Prudential Regulation Authority (PRA) and also regulated by the Financial Conduct Authority (FCA). Our Financial Services Register number is 106054. You can check this on the Financial Services Register by visiting the FCA's website fca.org.uk/register. We are a member of the Financial Services Compensation Scheme (FSCS) – ask for a leaflet in branch for more information. We adhere to the Standards of Lending Practice which are monitored and enforced by the LSB: lendingstandardsboard.org.uk

Put simply

We are authorised and regulated by the Prudential Regulation Authority and also regulated by the Financial Conduct Authority. We are also a member of the Financial Services Compensation Scheme.

Confidentiality

We treat any information you give us confidentially. On joint applications your information may be shared with the other applicant and you must have their permission to provide their information. We may share the information with other companies in the Santander Group, our associated companies and with our service providers and agents, some of whom may be in other countries. We may do this so they can manage your account and to help us develop and improve our products and services. We will ensure your information is used in line with our own strict confidentiality policies and as required under UK data protection legislation. Information may be shared with our regulators for regulatory purposes. We may use the information to provide you with products and services and for marketing purposes. If you don't want to receive marketing information, just tell us. If we decide to send you marketing about a credit product, we'll check your details at the credit reference agencies to see if it is appropriate to send you the marketing, but a record of this will not be seen by other lenders searching your file. You have a number of rights under data protection legislation. For more information on these ask for a copy of the 'Using My Personal Data' booklet.

Put simply

The information you give us is treated confidentially, in line with data protection legislation. For more information on your rights you can ask for a copy of the 'Using My Personal Data' booklet.

Credit and other checks

If you apply for a credit / loan product we will perform a 'credit search', where we check details of your credit history with certain credit reference agencies, who will keep a record of that search (including details about your application with us, whether or not it is successful). For a short period of time this can affect your ability to get credit elsewhere. If the results indicate that the credit product that you are seeking would not be suitable, your application may be declined and we will tell you. If your application is accepted we may file details about you and how you manage your account at credit reference agencies. If you are applying for credit with another person (such as with a business partner), a financial link between the two of you will be created at the credit reference agency. For more information, a leaflet called 'Your application and credit scoring' is available on request. For all applications we will need to carry out some checks, including fraud checks and checking your identity. We'll check your details with fraud prevention and credit reference agencies to check your identity and application details, prevent and investigate crime, trace and recover debt, check insurance claims and for analysis and testing.

Put simply

If you apply for a credit product, we will carry out a credit search to make a decision on your application and this will be recorded on your credit file. Records will be linked together on joint applications.

This data protection statement sets out how we'll use your personal data. You can contact our Data Protection Officer (DPO) at 201 Grafton Gate East, Milton Keynes, MK9 1AN if you have any questions.

When we change this Data Protection Statement in a material way, a notice will be displayed on our website along with the updated privacy policy.

The types of personal data we collect and use

Whether or not you become a customer or additional cardholder, we'll use your personal data for the reasons set out below and if you become a customer or an additional cardholder we'll use it to manage the account, policy or service you've applied for. When applying for a credit card you must have permission to give information about any third party named on the application form.

Providing your personal data

We'll tell you if providing some personal data is optional, including if we ask for your consent to process it. In all other cases you must provide your personal data so we can process your application (unless you're a customer and we already hold your details).

Monitoring of communications

Subject to applicable laws, we'll monitor and record your calls, emails, text messages, social media messages and other communications in relation to your dealings with us. We'll do this for regulatory compliance, self-regulatory practices, crime prevention and detection, to protect the security of our communications systems and procedures, to check for obscene or profane content, for quality control and staff training, and when we need to see a record of what's been said. We may also monitor activities on your account where necessary for these reasons and this is justified by our legitimate interests or our legal obligations.

We'll process your personal data:

- b) When we process any special categories of personal data about you at your request (e.g. your racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership, genetic data, biometric data, data concerning your health, sex life or sexual orientation); and
- c) To send you marketing communications where we've asked for your consent to do so.

You're free at any time to change your mind and withdraw your consent. The consequence might be that we can't do certain things for you.

Sharing of your personal data

Subject to applicable data protection law we may share your personal data with:

- The Santander group of companies* and associated companies in which we have shareholdings;
- Sub-contractors and other persons who help us provide our products and services;
- Companies and other persons providing services to us;
- Our legal and other professional advisors, including our auditors;
- Fraud prevention agencies, credit reference agencies, and debt collection agencies when we open your account and periodically during your account or service management;
- Other organisations who use shared databases for income verification and affordability checks and to manage/collect arrears;
- Government bodies and agencies in the UK and overseas (e.g. HMRC who may in turn share it with relevant overseas tax authorities and with regulators e.g. the Prudential Regulation Authority, the Financial Conduct Authority, the Information Commissioner's Office);
- Courts, to comply with legal requirements, and for the administration of justice;
- In an emergency or to otherwise protect your vital interests;
- To protect the security or integrity of our business operations;
- To other parties connected with your account e.g. guarantors and other people named on the application including joint account holders who will see your transactions;
- When we restructure or sell our business or its assets or have a merger or re-organisation;
- Market research organisations who help to improve our products or services;
- Payment systems (e.g. Visa or Mastercard) if we issue cards linked to your account, your account is linked to a card on another current account, or as a result of a transfer to another account you receive a card. The Payment systems may transfer your personal data to others as necessary to operate your account and for regulatory purposes, to process transactions, resolve disputes and for statistical purposes, including sending your personal data overseas; and
- Anyone else where we have your consent or as required by law.

International transfers

Your personal data may be transferred outside the UK and the European Economic Area. While some countries have adequate protections for personal data under applicable laws, in other countries steps will be necessary to ensure appropriate safeguards apply to it. These include imposing contractual obligations of adequacy or requiring the recipient to subscribe or be certified with an 'international framework' of protection. Further details can be found in the 'Using My Personal Data' booklet.

International Corridors

Where you may have international business needs, we will share information relating to your company, products and accounts, including transactional information, with Banco Santander S.A., Santander group companies and other partner banks who may be based in other countries, to better support the international operations of your company and decide whether to offer your company other products and services. For more information on who those other Santander group companies or other partner banks are, you can contact your Relationship Team or call 0330 123 9860**. The data shared will include information on your company's financial position, its auditable accounts, its directors and shareholders and any information held about the company by Santander, such as information about transactions carried out on your accounts with Santander and information regarding any other products and services that you receive from us. We will do this on the basis of our legitimate interests. **If you do not want us to share your data in this manner you can speak to us.** Unless you have agreed otherwise, if we believe you may have international business needs we will check whether you have accounts held with other Santander group companies. If there are products or services that we or our group of companies or partner banks think may meet your needs we may tell you about these. You can amend your marketing preferences at any time by contacting us.

Identity verification and fraud prevention checks

The personal data we've collected from you at application or at any stage will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment in future. We may also search and use our internal records for these purposes. Further details on how your personal data will be used by us and these fraud prevention agencies, and your data protection rights, can be found in the 'Using My Personal Data' booklet.

Credit reference checks

If you've applied for a credit product then in order to process your application, we'll perform credit and identity checks on you at your home and business address (if you are a business customer) with one or more credit reference agencies. To do this we'll supply your personal data to the credit reference agencies and they'll give us information about you. When we carry out a search at the credit reference agencies they'll place a footprint on your credit file. A credit search may either be: a) a quotation search where a soft footprint is left. This has no effect on your credit score, and lenders are unable to see this; or b) a hard footprint where you've agreed/requested Santander to proceed with your application for credit. This footprint will be viewable by other lenders and may affect your ability to get credit elsewhere. We'll also continue to exchange information about you with credit reference agencies while you have a relationship with us. The credit reference agencies may in turn share your personal information with other organisations. The personal data shared with the credit reference

agencies will relate to you and your business (if you are a business customer). Details about your application (whether or not it's successful) will be recorded and we'll give details of your accounts and how you manage them to credit reference agencies. We will use this personal data to manage your account, including any future increase in your credit limit and card limit, and to determine the interest rate payable and the way interest on the account is charged or calculated if you apply for a credit card. If you do not repay any debt in full or on time, they'll record the outstanding debt and supply this information to others performing similar checks, to trace your whereabouts and to recover debts that you owe. Records remain on file for 6 years after they are closed, whether settled by you or defaulted. A financial association link between joint applicants will be created at the credit reference agencies. This will link your financial records and will be taken into account in all future applications by either or both of you until either of you apply for a notice of disassociation with the credit reference agencies. Very occasionally, if we have insufficient information about you and you apply for a credit card, we may use the information about other members of your family.

If you're a business customer and you're a director, we will seek confirmation from the credit reference agencies that the residential address that you provide is the same as that shown on the restricted register of directors' usual addresses at Companies House.

The identities of the credit reference agencies, and the ways in which they use and share personal information is explained in more detail in the 'Using My Personal Data' booklet, or via the Credit Reference Agency Information Notice (CRAIN) document which can be accessed via any of the following links:

- experian.co.uk/crain
- equifax.co.uk/crain
- transunion.co.uk/crain

Your marketing preferences and related searches

We'll use your home address, phone numbers, email address and social media (e.g. Facebook, Google and message facilities in other platforms) to contact you according to your preferences. You can change your preferences or unsubscribe at any time by contacting us. In the case of social media messages you can manage your social media preferences via that social media platform. We may search the files at credit reference agencies before sending marketing communications or doing marketing in-branch to you about credit. The credit reference agencies don't record this particular search or show it to other lenders and it won't affect your credit rating. We do this as part of our responsible lending obligations which is within our legitimate interests.

If you don't want information on other products and services or to be included in market research, and you haven't told us before, you can let us know by calling us on 0330 678 1783**.

Using automated decision making to make decisions about you

We may automatically process your personal information, without human intervention, to evaluate certain personal aspects about you (known as profiling). In particular, we may analyse or predict (among other things) your economic situation, personal preferences, interests or behaviour. This could mean that automated decisions are made about you using your personal information. For example, we might analyse certain customer demographics, account holdings and account behaviours (such as Direct Debits you have set up on your accounts including those which identify accounts and products such as credit cards and store cards which you hold with other providers/elsewhere) and look at details of transactions relevant to your accounts. We may also analyse events such as the maturity dates of your accounts and opening anniversaries.

In some instances we'll use automated processing and decision making, where relevant, to decide which of our other products or services might be suitable for you, as well as to produce a personalised price for insurance products, to provide an indication of the price prior to an application being made (please note, publicly available information about you and information about you from third party data sources, such as credit reference agencies, will also be used to provide you with an indication of the price). The personalised price would be presented to you in marketing communications and during contacts with Santander that might be suitable. We'll look at the types of accounts that you already have with us, as well as your age, where this is relevant to the product we think you might be interested in. We'll also conduct behavioural scoring, including by looking at the accounts and products you already have with us and how they are being used, such as account turnover, arrears and other indications of financial difficulties. Where searches are carried out against publicly available data sources and credit reference agencies, these searches may appear on your credit report, but they will not affect your ability to get credit. You may have a right to certain information about how we make these decisions. You may also have a right to request human intervention and to challenge the decision.

For some insurance products we may use automated decision making to assist the insurer in determining your final insurance premium. The insurer will use an automated underwriting engine to process your personal information and to better assess insurance risk which will generally provide a more accurate price that is relevant to your individual circumstances and needs. The automated underwriting engine will use information including personal information that you provide as well as other information about you held by us, the insurer and other parties. Where the insurer is carrying out any automated decision making it will do so on the basis that is necessary in order for the insurer to enter into the insurance contract with you. You have the right to contest that decision, express your point of view and ask for a human review. Where we carry out any automated decision making for your insurance product, we will ask for your consent during the application process to allow us to do so. You may withdraw your consent at any time. Further details can be found in the 'Using My Personal Data' booklet.

Other information about you if you are a business customer

We may also hold all the information you give to us (i.e. name, address, date of birth, nationality) in order to undertake periodic due diligence checks which banks are required to undertake to comply with UK legislation.

Criteria used to determine retention periods (whether or not you become a customer)

The following criteria are used to determine data retention periods for your personal data:

- **Retention in case of queries.** We'll retain your personal data as long as necessary to deal with your queries (e.g. if your application is unsuccessful);
- **Retention in case of claims.** We'll retain your personal data for as long as you might legally bring claims against us; and
- **Retention in accordance with legal and regulatory requirements.** We'll retain your personal data after your account, policy or service has been closed or has otherwise come to an end based on our legal and regulatory requirements.

Your rights under applicable data protection law

Your rights are as follows (noting that these rights don't apply in all circumstances and that data portability is only relevant from May 2018):

- The **right to be informed** about our processing of your personal data;
- The right to have your personal data **corrected if it's inaccurate** and to have **incomplete personal data completed**;
- The right to **object** to processing of your personal data;
- The right to **restrict processing** of your personal data;
- The right to **have your personal data erased** (the 'right to be forgotten');
- The right to **request access** to your personal data and information about how we process it;
- The right to **move, copy or transfer your personal data** ('data portability'); and
- Rights in relation to **automated decision making** including profiling.

You have the right to complain to the Information Commissioner's Office. It has enforcement powers and can investigate compliance with data protection law: ico.org.uk.

For more details on all the above you can contact our DPO or request the 'Using My Personal Data' booklet by asking for a copy in branch or online at santander.co.uk.

Data anonymisation and aggregation

Your personal data may be converted into statistical or aggregated data, which can't be used to identify you. We may share and sell such anonymised data including in an aggregated format, within and outside of the Santander group of companies, for statistical analysis, research and other business purposes. For example, sharing information about general spending trends in the UK to assist in research. The law says this is not considered to be personal information after it has been anonymised and/or aggregated.

13 The Account

13.1 Use of Cards

- We will put on the Account all Transactions, Special Transactions and all other amounts the Accountholder has to pay to us in connection with the Account.
- If any Cardholder or the Accountholder has authorised a Recurring Transaction, the supplier may continue to take payments from the Account until the Cardholder or the Accountholder tells them or us to cancel it. The Cardholder or the Accountholder may

withdraw their authorisation at any time up to the end of the business day (Monday to Friday other than English bank holidays) before the Recurring Transaction is due to be paid. We will use our best efforts to stop these Transactions from being charged to the Account. As Recurring Transactions are initiated by the supplier, the Cardholder or the Accountholder may wish to contact the supplier as well to stop the Recurring Transaction being initiated. If the Recurring Transaction is taken from the Account after they have withdrawn their authorisation we will refund the Transaction amount together with any related charges or interest.

- The Accountholder and Cardholders must not use the Card or the Account for any illegal purpose.
- Cards belong to us and must be immediately returned to us or destroyed if we ask. We may ask others to retain Cards for us.
- For operational reasons we can recall or replace Cards at any time and may change the Card and/or Account numbers at any time. We may provide a Card using a different payment scheme as a replacement Card as long as we reasonably think the Accountholder will get the same or a better service with that Card. We may issue at our discretion a Card with a contactless function which can be used at suppliers who accept contactless Mastercard or Visa credit card payments. If a Card has a contactless function, this will have a maximum Transaction limit which we will tell the Cardholder or the Accountholder about when they receive a Card or they can contact us on **0330 678 1783*** for more information.
- The Accountholder must not hold duplicate Accounts with us.

13.2 Credit Limit and Cash Limit

- Where a Card is issued on the Account to an additional Cardholder, the Accountholder can limit the additional Cardholder's spend.
- The amount that Cardholders can withdraw in Cash Transactions in any month cannot be more than 50% of the Credit Limit. We may change this Cash Limit from time to time including reducing it to zero and will notify the Accountholder of any changes by post, email, statement or the document store in Online Banking (where available).
- The Credit Limit or the Cash Limit must not be exceeded at any time. If it is, the Accountholder must pay us the excess immediately. To decide whether the Credit Limit or Cash Limit has been exceeded we can take into account the amount of any Transaction we have authorised even if it has not yet been charged to the Account.
- In exceptional circumstances, we may allow the Accountholder to exceed the Credit Limit or an additional Cardholder to exceed their Individual Credit Limit as a service to the Accountholder. If we allow this, the Accountholder will still have to pay the Over Limit Fee detailed in Condition 8.1.
- We may decrease the Credit Limit from time to time and will tell the Accountholder at least 2 months before we do so, unless we are concerned about the Accountholder's ability to repay us in which case we may reduce the Credit Limit immediately in accordance with Condition 15.2. We will tell the Accountholder about any decrease by post, email, text or the document store in Online Banking (where available).
- We may increase the Credit Limit from time to time and we will tell the Accountholder the new limit at least 2 months before we do so. We will tell the Accountholder about any increase by post, email, text or the document store in Online Banking (where available).
- In the future the Accountholder will be able to choose how they want Credit Limit increases to apply to the Account and can change their choice at any time by contacting us. We may tell the Accountholder from time to time that an increased Credit Limit is available. Dependent on how the Accountholder has chosen to manage Credit Limit increases, they will have the option to either:
 - choose to exercise their right to that higher Credit Limit within the time we tell the Accountholder (which will be at least 2 months); or
 - do nothing and the Credit Limit will automatically increase after 2 months.

We may not offer an increased Credit Limit if we have concerns about the risk of the Accountholder repaying us.

A higher Credit Limit may offer greater flexibility and convenience to meet the Accountholder's financial needs. However, it may also increase the risk of taking on too much debt, which may be costly, or take a long time to pay off. The Accountholder should carefully consider whether they need a higher limit.

We will notify the Accountholder when this service becomes available to them.

- The Accountholder can tell us at any time if they no longer want any Credit Limit increases to be offered to them, if the Accountholder wants the Credit Limit to be reduced (subject to a minimum Credit Limit which we will tell them upon request) and the Accountholder may reject any Credit Limit increase that we may offer before it takes effect by calling us on **0330 678 1783***.

13.3 Special Transactions

We may offer Special Transactions from time to time.

13.4 Balance Transfers

- Balance Transfers can only be made from any other credit card account the Accountholder holds which is a business account. Balance Transfers may not be made to pay off an amount the Accountholder owes on any other card issued by a Santander Group company. We will let the Accountholder know of any other restrictions that apply before a Balance Transfer is made. If a Balance Transfer is made to pay off an amount the Accountholder owes another lender, the Accountholder should continue to make any payments due to the other lender both before and after the Balance Transfer has been made. We may put limits on the amount of Balance Transfers or only allow them up to a proportion of the Credit Limit. We will tell the Accountholder about these limits before a Balance Transfer can be made. Details of our Balance Transfer Fees are set out in Condition 8.2. After a Balance Transfer has been added to the Account it cannot be cancelled and any fee we charge for making the Balance Transfer cannot be refunded.
- If the Accountholder asks us to make a Balance Transfer on a business day before the cut-off time, the payment will reach the receiving lender on the next business day. We will tell the Accountholder the cut-off time when they ask for a Balance Transfer. If the Accountholder makes the request on a non-business day or after the cut-off time, we'll process it on the next business day and the payment will reach the receiving lender on the next business day after that.
- If the Accountholder asks us to make a Balance Transfer and the funds are sent to the wrong account, we will, unless the Accountholder provided us with the wrong details,

restore the Account to the state it would have been in had the payment not been made. If we send it late, the Accountholder may ask us to contact the recipient lender and ask them to credit the Balance Transfer as if it had been received on the correct date.

- d) Where we find that the Accountholder has given us incorrect details, we will use reasonable steps to recover any amounts sent. We are entitled to charge the Accountholder a reasonable sum for doing this.

14 Additional Cards

- 14.1 The Accountholder may ask us to issue an additional Card to any person that they nominate as long as they are eligible for one.
- 14.2 The Accountholder is responsible for use of all Cards issued on the Account including the conduct of any Cardholder that makes the Accountholder break this agreement. The Accountholder must ensure that each Cardholder uses the Card according to the terms and conditions of this agreement. This includes ensuring that Cardholders only use the Card for business expenses. The Accountholder must have processes to ensure Cardholders do not use the Account for personal use and the Accountholder must not allow Cardholders to make any repayments to us for any expenditure on the Account.
- 14.3 We will not give Cardholders information about the Account but in certain circumstances we will provide information relating to Transactions made by the Cardholder. This does not affect the Accountholder's responsibility set out in Condition 14.2 above.
- 14.4 The Accountholder can ask us to cancel any Card at any time but will remain responsible for it until it is returned to us or is securely destroyed.

15 Our right to limit use of the Account

- 15.1 We may cancel or suspend the right to use any Card or the Account at any time where we reasonably believe this is necessary because of reasons relating to:
- the security of a Card or the Account;
 - suspected or actual unauthorised or fraudulent use of a Card or the Account;
 - a significantly increased risk that the Accountholder will not repay us; or
 - the Accountholder only meeting the minimum payment for a sustained period and then:
 - not responding to our requests under Condition 6.2 to make additional payments; or
 - responding to our requests under Condition 6.2 but failing to select an additional payment, either because the Accountholder does not feel the higher amount is affordable, or because the Accountholder does not wish to pay the higher amount; or
 - responding to our requests under Condition 6.2 but choosing an option which we have told the Accountholder will result in temporary suspension of the Cards until the balance has been repaid or choosing another option but subsequently failing to maintain the higher payments for the requested period.
- 15.2 We will usually tell the Accountholder before we cancel or suspend your right to use the Card or Account and give our reason for doing this. Where it isn't practical for us to do this, we will tell the Accountholder immediately after, for example, where:
- we are unable to contact the Accountholder to tell them of this; or
 - use of the Card or the Account is unlawful
- The agreement will continue if we cancel or suspend your right to use the Card or Account and we will not be liable for any loss or damage the Accountholder or an additional cardholder may suffer as a result of the cancellation or suspension.

- 15.3 We may refuse to carry out a Transaction if:
- there is a threat to the security of a Card or the Account;
 - the Accountholder has exceeded or would exceed the Cash Limit or (except in the circumstances described in Condition 13.2 d)) the Accountholder has exceeded or would exceed the Credit Limit or an additional Cardholder has exceeded or would exceed their Individual Credit Limit;
 - the Accountholder or Cardholder tells us that a Card has been lost or stolen;
 - we are required to do so for any legal, regulatory or fraud prevention purposes;
 - the Accountholder or Cardholder has given us an inaccurate or unclear payment instruction;
 - the Transaction appears unusual compared to the normal spending pattern;
 - the Transaction is not for a merchant category code which has been authorised for the Cardholder; or
 - we suspect fraud or that carrying out a Transaction may result in increased credit risk.
- The Accountholder can contact us to find out why we have refused to carry out a Transaction. Where we refuse to carry out a Transaction we will notify the Accountholder of this and give reasons for such refusal and tell the Accountholder the steps required to complete the Transaction unless doing so would compromise our reasonable security measures or otherwise be unlawful.

- 15.4 We may decline to issue a replacement Card where:
- the Accountholder, or anyone acting on their behalf, has repeatedly broken this agreement with us;
 - the Account is dormant; or
 - we reasonably consider that there is a significantly increased risk the Accountholder will not be able to repay us.

16 Charges

- 16.1 Details of fees charged in relation to all Transactions are detailed in Condition 8.
- 16.2 If a Cardholder uses their Card (or Card number) to withdraw cash from any cash machine or for another type of Cash Transaction, we will charge the Accountholder the Cash Transactions Fee set out in Condition 8.2.
- 16.3 All Transactions in currencies other than sterling will be converted into sterling on the day they are added to your Account at the Payment Scheme Exchange Rate (at the date and time the Transaction is processed) together with the Non-Sterling Transaction Fee. The Payment Scheme Exchange Rate used may differ from the rate when the Transaction was made as exchange rates vary on a daily basis. The Payment Scheme Exchange Rate used when such Transactions are made and the amount of the Transactions in sterling following application of the exchange rate will be set out in the statement. For an indication of the Payment Scheme Exchange Rate visit santander.co.uk or call us on **0330 678 1783**.

17 Payments and interest

- 17.1 The Accountholder must make at least the minimum monthly payment each month, to be received by us by the payment due date shown in the statement. Payments will reduce the balance only when they are credited to the Account. The statement will give guidance on when to make payments by different methods so that they reach us and can be added to the Account on time. We will treat any payment made (or part of it) as paying off any arrears on the Account first before treating it as the minimum monthly payment due on the Account.
- 17.2 We may at any time waive the whole or part of any interest in respect of any amount charged to the Account, if we think it appropriate to do so, based on how the Account is used.
- 17.3 As we process payments automatically we may accept partial payments marked 'payment in full' or other similar language without losing our right to claim full payment.
- 17.4 The Accountholder authorises us to take payments due to us under this agreement from current or savings accounts the Accountholder has with any Santander Group company if the Accountholder does not pay them on time. We will give the Accountholder advance notice and will not take payment if we consider that the funds in the relevant account will be required to pay standing orders or direct debits pending at the time we intend to take payment.
- 17.5 The Accountholder should not make payments that place the Account in credit. If this does occur, we may still restrict the use of Cards and the Account to the amount of the Credit Limit and we can return any credit balance to the Accountholder.
- 17.6 The Accountholder may pay the Account balance in whole or in part at any time and can call us on **0330 678 1783*** to find out the Account balance and can make payments using any of the methods set out in the statement.

18 Disputed Transactions and refunds

- 18.1 Where a Cardholder or the Accountholder disputes a Transaction, we will ask for information about the Transaction which is reasonably necessary to allow us to carry out our investigation. We will advise what information we require and the timeframe in which we need it when the Cardholder or the Accountholder contacts us. If, following our investigation, we find that the Transaction was not authorised, we will refund the amount of the Transaction and restore the Account to the state it would have been in had the Transaction not taken place. If we refund the amount of the Transaction before we investigate the claim, we reserve the right to redebit the Account should our investigations show that the disputed Transaction was correctly authorised by the Cardholder or the Accountholder.
- 18.2 If a Cardholder or the Accountholder disputes any pre-authorised Transaction, they must tell us about this as soon as possible. If the dispute relates to the amount of any Transaction where the amount of the Transaction exceeds the amount that was reasonably expected (other than as a result of exchange rate fluctuations), the Cardholder or the Accountholder must tell us within eight weeks from the date on which the Transaction was put on the Account as the Accountholder is entitled to a full refund. The right to a refund does not apply where the Cardholder or Accountholder has given consent to the Transaction to be made and information about the Transaction was provided at least four weeks before the date on which payment is due.
- 18.3 The Accountholder cannot use a claim against a supplier as a reason for not making payments to us unless they have a legal right to do so.
- 18.4 Where a shop or other person a Cardholder has paid using a Card gives a refund, the Account will be re-credited when we receive an acceptable refund voucher. Any refund is treated as a payment towards the Account balance and allocated in accordance with Condition 7. This means it may not pay off the specific Transaction to which it related.

19 Statements

- 19.1 We will send a statement each month that there is activity or a balance on the Account. The statement will show any payments made to the Account and all Transactions and other amounts added to the Account since the last statement.
- 19.2 The Accountholder must make the minimum payment each month even if a statement is not received for any reason. In these cases the Accountholder must contact us to find out the minimum payment due that month. If a statement is not received, the Accountholder will still have to pay any interest on the Account balance.
- 19.3 The Accountholder must tell us as soon as possible if the statement appears to be wrong or if a statement is not received.
- 19.4 The Accountholder agrees that, if Online or Mobile Banking is available on your Account, we may make the statement available in a printable and/or downloadable format via the document store. The Accountholder will receive an email when a document is ready to view. The Accountholder can choose not to receive statements in this way in which case they will be sent to the most recent postal address we have for the Accountholder.

20 Remote access and security

- 20.1 If the Accountholder has been provided with Personal Security Details, they will be able to use them to operate the Account and any other Santander Group accounts the Accountholder may have using the Internet, telephone and other channels, which may be available for the Santander Group accounts from time to time.
- 20.2 Whenever the Accountholder uses the Internet, telephone or other channels to access the Santander Group accounts of the Accountholder, the use of their Personal Security Details authorises us to provide the service requested.
- 20.3 We may withdraw any or all of an Accountholder's Personal Security Details if we believe that this is necessary for security reasons or to prevent misuse of remote access services or of the Account.
- 20.4 Each Cardholder must:
- make sure that each physical Card is signed as soon as it is received;
 - keep any Personal Security Details and the Cards safe and not let anyone else know them or use them;
 - make sure they know the Personal Security Details, PIN and other security information and keep them secret at all times, including destroying the notification we send the Cardholder;
 - take care when storing or disposing of information about the Account; and
 - comply with the security procedures we tell them about from time to time.
- 20.5 If a Card is lost or stolen or the Accountholder or Cardholder thinks that it or the Personal Security Details or Card number may be misused, or that someone may know the Personal Security Details or PIN, the Accountholder or Cardholder must tell us as soon as possible by telephoning **0330 678 1783*** or writing to **Credit Card Customer Service, Santander UK plc, PO Box 983, Bradford, BD1 9FE**. If we ask, they must write to us within seven days.

- 20.6 The Accountholder and any Cardholder must give us all the information they have about the loss, theft or misuse of the Card, Card number, Personal Security Details or the PIN, and any other information we ask for to help us. We may give the police any information we think will be useful.
- 20.7 The Accountholder will not have to pay for any unauthorised use of a Card or PIN after the Accountholder or Cardholder has told us that it is lost or stolen or they think that it may be misused by someone other than the Accountholder or the Cardholder, unless the Cardholder or the Accountholder has acted fraudulently or were responsible for the misuse, for example by allowing someone else to have the Card. The Accountholder may have to pay us up to £0 for unauthorised use before someone lets us know that the Card or PIN is lost, stolen or liable to misuse.
- 20.8 Cardholders must not damage or deface any Card or interfere with any chip in a Card at any time except those Cards that have to be cancelled, withdrawn or have expired, which must be destroyed by cutting them into several pieces.
- 20.9 Our fraud detection systems highlight suspicious spending patterns. We may call the Accountholder or Cardholder if suspicious Transactions appear on the Account. These calls may include computer generated speech. If the Accountholder does not want us to call in this way, please phone us on **0800 169 3344**.
- 20.10 To prevent and detect fraud, where we hold information about devices the Accountholder uses such as mobiles or tablets, we may use location or other data from these devices. For example, we may check if the Accountholder is in the country where their payments are being made in instances where we suspect fraud on the Account. We will not use this information for any other purpose.
- 20.11 Any person who is a business owner and who provided us with a mobile phone number or email address will be registered for our free alerts service so that we can send them messages about the Account. These alerts will be sent by SMS and/or email. Alternatively, if a business owner registers for Mobile Banking and opts into receiving push notifications, we may choose to send these alerts by push notification instead of SMS and/or email in the future. We'll use the most recent contact details we hold for business owners. Details can be updated through Online Banking (where available) or by calling us.
- 20.12 These alerts will not be sent to additional signatories, additional Cardholders or authorised users who are not business owners.
- 20.13 If the business owners are happy to receive these alerts, they don't need to do anything. However each business owner can change or cancel alerts at any time through Online Banking (where available) or by calling us. Any other business owners will continue to receive alerts unless they also cancel them. In addition to these alerts, there are a variety of other alerts the business owners may find useful. Further details of these can be found in Online Banking (where available) or by calling us.
- 20.14 Alerts will only be sent to each business owner once. If a message is deleted, we cannot send it again.
- 20.15 All balances in any alert will be correct as at the date and time stated in the text or email and are subject to possible re-adjustments. Any balance shown refers to the actual balance on the Account and may include Transactions that are still being processed and so may be subject to change.
- 20.16 If we do not send an alert to any or all business owners, or if any alert that we send is inaccurate, we will only be responsible for any charges incurred on the Account which could have otherwise been avoided.
- 20.17 The Accountholder consents to us using their information to provide payment services to them. If the Accountholder withdraws this consent, we will stop providing payment services but may still use the Accountholder's data where we have lawful grounds to do so (for example because we need to retain records for regulatory purposes).

21 Third Party Providers

- 21.1 The Accountholder can instruct a TPP to access information on the Account and make online Balance Transfers from the Account as long as they have identified themselves to us and acted in accordance with the relevant regulatory requirements. We will treat any instructions from a TPP as if they are from the Accountholder.
- 21.2 Although the Accountholder must not, generally, give the security details to anyone else, the Accountholder may give them to a TPP if they ask for them.
- 21.3 It is important that the Accountholder checks that any TPP they use is authorised to access the Account. They should make this clear from the information they give the Accountholder. The Accountholder must not give security details to a third party that isn't authorised. If they do, we'll have to assume it's the Accountholder that's authorising us to give access to information about the Account and the Accountholder will be responsible for any payments made as a result.
- 21.4 We can refuse to allow a TPP to access the Account where we are concerned about unauthorised or fraudulent access by that TPP. Before doing so, we will tell the Accountholder that we intend to deny access and give our reasons for doing so, unless it is not reasonably practicable to do so, in which case we will tell the Accountholder immediately afterwards. In either case, we will tell the Accountholder in the manner in which we consider most appropriate in the circumstances. We won't tell the Accountholder where doing so would compromise our reasonable security measures or otherwise be unlawful. If we deny access to a TPP, we must also tell our regulator that we have done so. Where the Accountholder revokes consent to allow a TPP access to the Account, we will tell the TPP that the Accountholder has done this.

22 Changes to this agreement

- 22.1 We may change fees and charges (including removing or adding fees or charges) for reasons which relate only to the Accountholder and which may be based on a number of factors, such as credit risk (which may include use of external credit reference data), the way the Accountholder uses the Account and whether the Accountholder breaks the terms of this agreement.
- 22.2 We may also change fees and charges (including removing or adding fees or charges) and other terms where the change is to:
- take account of an actual, or reasonably expected, change in the interest rates we have to pay for example as a result of a change to the Bank of England Base Rate; or
 - reflect an actual, or reasonably expected, change in our underlying costs or in law or regulation or to our way of doing business, including the introduction of new technology; or
 - reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to the Accountholder.

Any change we make will not be more than is reasonably proportionate to the impact of the underlying change on us. We will not make changes to cover the same cost twice.

- 22.3 As this agreement has no fixed end date, we may also change fees and charges (including removing or adding fees or charges) and other terms at any time.
- 22.4 We will give the Accountholder at least 2 months' notice before we make a change under Condition 22.1, 22.2 or 22.3 unless it is to the Accountholder's advantage, in which case we may make the change immediately and tell the Accountholder about it within 30 days. If a change is to the Accountholder's disadvantage the Accountholder can write to us within 60 days to close the Account. If the Accountholder does so, the change will apply until the agreement ends.
- 22.5 We will give notice about any changes by post, email, statement or via the document store in Online Banking (where available).

23 Ending the agreement

- 23.1 The Accountholder may end this agreement at any time by writing to our Customer Service Department at the address in Condition 20.5 or calling us on 0330 678 1783* and paying the full amount the Accountholder owes us.
- 23.2 We can end this agreement by giving the Accountholder two months' written notice. The Accountholder must continue to pay interest on all amounts the Accountholder owes us even after the Account is terminated or closed.
- 23.3 In exceptional circumstances, we can end this agreement immediately without giving the Accountholder advance notice. We'll only do this if:
- the Accountholder, or anyone acting on behalf of the Accountholder has acted abusively, offensively or violently towards any of our staff; or
 - the Accountholder, or anyone acting on behalf of the Accountholder breaks this agreement regularly or seriously; or
 - we find out that our decision to lend was based on inaccurate, misleading or incomplete information;
 - we have suspended any cards under Condition 15.1(d) and the Accountholder has repaid all amounts owed to us.
- 23.4 We may demand repayment of the full amount the Accountholder owes us (including any Special Transactions) if:
- we find out that our decision to lend to the Accountholder was based on inaccurate, misleading or incomplete information; or
 - the Accountholder breaks this agreement regularly or seriously, die, become bankrupt or make a voluntary arrangement with other people the Accountholder owe money to; or
 - the Accountholder breaks the terms of another agreement the Accountholder has with us and as a result we have given the Accountholder notice ending that agreement and we have reasonable grounds for thinking that the Accountholder may not be able to continue making payments under this agreement. Before making any demand we will provide the Accountholder with any notices required by law.
- 23.5 We may close the Account (by providing two months' written notice), cancel or suspend the right to use the Account or reduce the Credit Limit if it has been dormant, meaning there have been no Transactions or a zero balance for a period of six months or more. Before we close, cancel or suspend the right to use the Account, we will contact the Accountholder to determine whether they intend to make any further Transactions on the Account.
- 23.6 Once notice has been given, Cards, Card numbers and PINs must not be used and must be destroyed them or, if we ask the Accountholder to, return all Cards having cut them into several pieces and cancel any instructions or authorities the Accountholder have given others to charge the Account. The Accountholder must continue to make all payments due under this agreement, which will continue until the Accountholder have repaid all amounts owed to us, including amounts added to the Account after the notice to end the agreement.

24 General

- 24.1 The Accountholder must have a UK address. The Accountholder must tell us if they change their name, address, or contact details.
- 24.2 The Accountholder must promptly notify us as soon as reasonably practicable if they are, become or intend to become an RFL.
- 24.3 We may transfer to any other person or business any or all of our rights under this agreement at any time and our duties (including, without limitation, our duty to lend). If the arrangements for servicing the Account do not change as a result of this assignment, we may do this without notice, but we will give notice if and when the arrangements do change. In other cases we will give notice as soon as reasonably possible. The Accountholder's rights under this agreement and legal rights (including under the Consumer Credit Act 1974 where the Accountholder is a CCA Protected Business) will not be affected. The Accountholder may not transfer any of their rights and / or obligations.
- 24.4 This agreement is governed by the laws of England and Wales (unless the address from which the application was made in Scotland when Scots law shall apply) which will also govern the relationship between us and the Accountholder before the conclusion of this agreement. The courts of England and Wales have non-exclusive jurisdiction for any related disputes. We will only communicate in English.
- 24.5 If we do not strictly apply our rights under this agreement at any time, this will not prevent us from doing so later.
- 24.6 There may be other taxes or costs, which are not paid through us or charged by us, that the Accountholder has to pay in connection with this agreement.
- 24.7 We will not be liable if we are prevented from doing anything we have said we will do under this agreement because of anything that we cannot reasonably control, including any machine failing to work, any person, company or supplier refusing to accept any Card and industrial disputes.
- 24.8 The Accountholder can request a copy of this agreement at any time.

25 Complaints and how we are regulated
