

Branch Closure Impact Assessment

Santander, 335-336 Elephant & Castle Shopping Centre SE1 6TB

This branch will be closing on 25 October 2018.
We'd like to explain why, and help you understand
how you can continue banking with us.

Background to our approach

Santander is a signatory to the Access to Banking Standard, a voluntary agreement introduced in May 2017. The Standard aims to ensure that where banks decide to close branches, their customers are communicated with openly and treated fairly.

We continue to invest in our branch network and, over the last five years, all of our largest and busiest branches across the UK have been refurbished. Increasingly however, customers are changing the way they choose to bank. In addition to using our branches, more and more people are banking with us by phone, online, on tablets and smartphones as well as at cash machines and Post Offices. As a result, some of our branches are being used less often.

We don't take the decision to close any branch lightly and we assess each branch individually to understand the potential impact for customers, and the alternative options available to bank locally.

This leaflet outlines our approach when considering whether to keep a branch open and our specific assessment of the Elephant and Castle branch.

Branch assessment

The decision to close the branch has been taken following a full review. The lease at our branch in Elephant and Castle Shopping Centre has expired. Due to our landlord's plans to redevelop the entire shopping centre a lease renewal is not available. We have therefore taken a decision to close the Branch during 2018.
