\*The FCA published guidance on the 20 March 2020 on how they expect mortgage lenders and administrators to treat customers fairly during the coronavirus pandemic. Mortgage financially by the coronavirus pandemic should be offered a payment holiday for up to three months

Pursuant to Santander UK plc.'s obligations as Servicer under Principle 6 (A firm must pay due regard to the interests of its customers and treat them fairly) of the FCA Handbook of Business rule 2.5A.1R (A firm must act honestly, fairly and professionally in accordance with the best interests of its customer) will follow this guidance. Where borrowers have application, they will be not considered to be in a payment shortfall and therefore any such missed payments will not be considered as arrears for the purposes of investor reporting reported as having been subject to any form of restructuring or forbearance.

This stratification table is being made available to disclose the successful applications for what the Servicer is referring to as an "extraordinary payment holiday"

<sup>\*\*</sup>An account may have more than one loan part therefore the total number of accounts will not be equal to the number of loans reported in other stratification tables

#### Notes

#### 1 Current value of mortgages

Total principal amount outstanding

#### 2 Arrears

This arrears multiplier is calculated as the arrears amount ( which is the difference between the expected monthly repayments and the amount that has actually been paid, i.e., a total of under and/or over payments ) divided by the monthly amount repayable. It is recalculated every time the arrears amount changes, i.e. on the date 3 Defaults

For the purpose of the Bank of England Market Notice dated 30 November 2010 "defaults" is defined as properties been taken into possession.
