This branch will be closing on 29 November 2018. We’d like to explain why, and help you understand how you can continue banking with us.

Background to our approach

Santander is a signatory to the Access to Banking Standard, a voluntary agreement introduced in May 2017. The Standard aims to ensure that where banks decide to close branches, their customers are communicated with openly and treated fairly.

We continue to invest in our branch network and, over the last five years, all of our largest and busiest branches across the UK have been refurbished. Increasingly however, customers are changing the way they choose to bank. In addition to using our branches, more and more people are banking with us by phone, online, on tablets and smartphones as well as at cash machines and Post Offices. As a result, some of our branches are being used less often.

We don't take the decision to close any branch lightly and we assess each branch individually to understand the potential impact for customers, and the alternative options available to bank locally.

This leaflet outlines our approach when considering whether to keep a branch open and our specific assessment of the 297 Byres Road branch.
Branch assessment

Before reaching the decision to close the branch at 297 Byres Road, a full internal review of the branches across Glasgow was undertaken, including:

- The facilities in our 297 Byres Road branch and the surrounding Santander branches
- The way our 297 Byres Road branch customers are choosing to bank with us
- The availability of alternative ways a customer can bank with Santander
- The availability of other ways to bank in the local area

How customers use the branch

- 93% of customers transacting at 297 Byres Road branch already use a variety of ways to complete their banking
- 69% of 297 Byres Road branch customers also use an additional Santander branch
- 69% of customers have transacted using our Online, Mobile or Telephone Banking services

Community Feedback

Following our announcement, three responses were received from the customers and community groups we wrote to. The main themes were:

- Overall disappointment at the decision to close the branch
- Concern about the additional travel needed to visit other branches and ATMs
- Concern over the elderly and those with disability
- Customers who do not wish to bank digitally

We have undertaken the following activities in response to the key areas of concern:

- For customers who are unable or do not wish to access online services, all Santander current account holders can also use the Post Office for cash and cheque deposits. We also have Telephony Advisors who are available to support customers with account management. The teams are available to assist 7am to 9pm Monday to Saturday and 8am to 9pm on Sundays. You can reach them by calling 0800 9 123 123.
