Dear Sirs,

### **Confirmation - Funding Swap (Variable Rate Loans)**

This letter constitutes a "**Confirmation**" as referred to in the 1992 ISDA Master Agreement (Multicurrency-Cross Border) entered into between us, you and the Security Trustee dated as of 24 May 2019 (the "**Agreement**").

The definitions and provisions contained in the 2006 ISDA Definitions as published by the International Swaps & Derivatives Association, Inc. (the "**Definitions**") are incorporated into this Confirmation. In the event of any inconsistency between any of the following, the first listed shall govern (i) this Confirmation; (ii) the Master Definitions Schedule (as defined below); and (iii) the Definitions. The following expressions shall have the following meanings:

The term "**Transaction**" as used herein shall, for the purposes of the Definitions, have the same meaning as "**Swap Transaction**".

**Average Loan Balance** means, in respect of a Calculation Period or a particular date, the average outstanding daily principal balance of the Loans on the first day of the relevant Calculation Period or the outstanding principal balance of the Loans on such date (as applicable), as notified by the Cash Manager in accordance with the provisions of the Cash Management Agreement.

**Calculation Date** means the first day of each calendar month or, as the case may be, the date on which (i) any Refinancing Contribution is made by the Seller to Funding pursuant to Clause 6 of the Mortgages Trust Deed, (ii) any consideration (excluding Deferred Consideration) is paid by Funding

**Calculation Period** means the period from (and including) a Calculation Date to (but excluding) the next following Calculation Date.

**Calculation Period Funding Amount** means, in respect of a Calculation Period, an amount in Sterling equal to the amount produced by applying the Weighted Average SVR Rate for such Calculation Period to the Notional Amount for such Calculation Period, such amount to be calculated by the Calculation Agent on the basis of the actual number of days in such Calculation Period, *divided by 365*.

**Calculation Period Funding Revenue Receipts** means, in respect of a Calculation Period, the Funding Revenue Receipts received by Funding on the Distribution Date falling within that Calculation Period.

**Daily Notional Amount** means, in respect of each day in a Calculation Period, the Notional Amount in respect of that Calculation Period.

**Daily Variable Rate SONIA Spread** means, in respect of each day in a Calculation Period, the Variable Rate SONIA Spread in respect of that Calculation Period.

**Funding Amount** means, in respect of an Interest Period, the product of (i) the sum of each of the Calculation Period Funding Amounts in respect of that Interest Period's Relevant Calculation Periods and (ii) the Shortfall Ratio in respect of that Interest Period.

**Funding Available Amount** means, in respect of an Interest Period, an amount, subject to a minimum of zero, equal to the sum of (i) the Calculation Period Funding Revenue Receipts in respect of that Interest Period's Relevant Calculation Periods that are available to be applied on the Relevant Interest Payment Date minus (ii) the aggregate of the amounts required to be paid on the Relevant Interest Payment Date pursuant to items (a) to (c) (both inclusive) of the Funding Pre-enforcement Revenue Priority of Payments, each as notified by the Cash Manager in accordance with the terms of the Cash Management Agreement.

**Funding Swap Confirmation** means each Confirmation setting out the terms of transactions entered into under the Agreement and dated the date of this Confirmation.

**Interest Payment Date** means 15 January, 15 April, 15 July and 15 October in each year, commencing on 15 October 2000.

  - (A) an amount equal to:
    - (i) the aggregate principal amount outstanding of all SONIA-Linked Intercompany Loans on the first day of such Calculation Period; *minus*
    - (ii) the balance of the Principal Deficiency Ledger on the first day of such Calculation Period multiplied by the SONIA Ratio; *plus*
    - (iii) the aggregate principal amount of all SONIA-linked Intercompany Loans advanced after the first day of such Calculation Period and on or before the first London Banking Day prior to the first day of the relevant Interest Period; and
  - (B) the Variable Rate Ratio determined on the first day of the Relevant Calculation Period; and
- (2) in respect of each subsequent Relevant Calculation Period in respect of such Interest Period, an amount equal to the amount determined pursuant to (1) above except that paragraphs (A)(i), (A)(ii) and (B) shall be determined in respect of the subsequent Relevant Calculation Period.

The Notional Amount calculated pursuant to paragraph (1) above shall be determined on the first day of the Relevant Calculation Period, as if any changes made on such date to the principal amount outstanding of the SONIA-Linked Intercompany Loans, the balance of the Principal Deficiency Ledger and the amount of principal receipts in the Funding GIC Account had become effective.

**Relevant Average Variable Rate Loan Balance** means, in respect of a Calculation Period, or a particular date, the average outstanding daily principal balance of the Relevant Variable Rate Loans on the first day of the relevant Calculation Period, or the outstanding principal balance of the Loans on such date (as applicable), as notified by the Cash Manager in accordance with the provisions of the Cash Management Agreement.

**Relevant Calculation Period** means, in respect of an Interest Period (or the related Interest Payment Date which falls immediately after such Interest Period), each Calculation Period which ends on a date falling after the first day of the calendar month in which such Interest Period commenced and before the first day of the calendar month in which such Interest Period ends.

**Relevant Interest Payment Date** means, in respect of an Interest Period, the Interest Payment Date immediately following the last day of that Interest Period.

**Relevant Variable Rate Loans** means Loans (which, for the avoidance of doubt, shall include any Further Advance in respect of a Loan, each to be regarded as a separate Loan for the purpose of this definition) to the extent that and for such period that their Mortgage Terms provide that they are subject to a rate of interest which may at any time be varied in accordance with the relevant Mortgage Terms (and shall, for the avoidance of doubt, exclude (i) Loans (or any Further Advance in respect thereof, as the case may be) during the period that the interest on all of the Outstanding Principal Balance (or the relevant part of the Outstanding Principal Balance, in the case of a Further Advance) is fixed and (ii) Loans (or any Further Advance in respect thereof, as the case may be) for which the

interest rate on all of the Outstanding Principal Balance (or the relevant part of the Outstanding Principal Balance, in the case of a Further Advance) may be set at a fixed or variable margin above or below rates set from time to time by the Bank of England).

**Shortfall Ratio** means, in respect of an Interest Period, the lesser of (i) 1; and (ii) an amount equal to (A) the Funding Available Amount in respect of that Interest Period; divided by (B) the sum, for all Funding Swaps (including this Transaction), of the Calculation Period Funding Amounts in respect of that Interest Period's Relevant Calculation Periods.

**SONIA-Linked Intercompany Loan** means any Intercompany Loan entered into from time to time between Funding, and Issuer, and the Security Trustee that pays a Compounded Daily SONIA rate.

**SONIA Ratio** means, in respect of any Calculation Period, an amount equal to the aggregate principal amount outstanding of all SONIA-Linked Intercompany Loans on the first day of such Calculation Period divided by the aggregate principal amount outstanding of all Intercompany Loans on the first day of such Calculation Period.

**Variable Rate Ratio** means, in respect of a Calculation Period or a particular date, the Relevant Average Variable Rate Loan Balance *divided by* the Average Loan Balance, in each case, for such Calculation Period or date (as applicable).

**Variable Rate SONIA Spread** means 2.95% per annum, or such other rate specified as the Variable Rate SONIA Spread in the most recent Final Terms, or such other rate as the Calculation Agent may, in consultation with the Cash Manager, on any Assignment Date, specify as being effective for one or more succeeding Calculation Periods provided that the Rating Agencies have confirmed to the Security Trustee in writing that such other rate will not cause the then current rating of the Rated Notes to be downgraded or placed under review for possible downgrade. If a written request for such confirmation is delivered to each Rating Agency and (a) either (i) a Rating Agency (a **Non-Responsive Rating Agency**) indicates that it does not consider such confirmation necessary in the circumstances or (ii) within 30 days of delivery of such request, such request elicits no confirmation and/or such request elicits no statement by such Non-Responsive Rating Agency that such confirmation could not be given; and (b) at least one Rating Agency gives such a confirmation based on the same facts, then the rate specified by the Calculation Agent shall be effective, so that there shall be no requirement for the confirmation from any Non-Responsive Rating Agency.

**Weighted Average Notional Amount** means, in respect of an Interest Period, the sum of the Daily Notional Amounts for each day in that Interest Period *divided by* the number of days in that Interest Period.

**Weighted Average SVR Rate** means, in respect of a Calculation Period, the weighted average of the variable rates of interest charged to borrowers of Relevant Variable Rate Loans on the first day of the relevant Calculation Period as notified by the Cash Manager in accordance with the provisions of the Cash Management Agreement.

**Weighted Average Variable Rate SONIA Spread** means, in respect of an Interest Period, the sum of the Daily Variable Rate SONIA Spread for each day in that Interest Period *divided by* the number of days in that Interest Period.

**EXHIBIT 1**  
**COMPOUNDED DAILY SONIA RATE**

*The following is extracted from the Master Intercompany Loan Agreement and sets out in detail the calculations for Compounded Daily SONIA rate. Please refer to the Master Intercompany Loan Agreement for further details.*

In relation to any Term Advance which pays a Compounded Daily SONIA rate, as specified in the relevant Term Advance Supplement, the Term Advance Rate of Interest will, subject as provided below, be Compounded Daily SONIA plus or minus (as indicated in the relevant Term Advance Supplement, the Relevant Margin) and the Term Advance Interest Amount in respect of such Term Advance shall be determined on the basis of the provisions set out below:

**Compounded Daily SONIA** means the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the Agent Bank on the Interest Determination Date in relation to such Term Advance, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[ \prod_{i=1}^{d_o} \left( 1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

$d$  is the number of calendar days in the relevant Interest Period;

$d_o$  is the number of London Banking Days in the relevant Interest Period;

$i$  is a series of whole numbers from 1 to  $d_o$ , each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Period;

**London Banking Day** or **LBD** means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

$n_i$ , for any day  $i$ , means the number of calendar days from and including such day  $i$  up to but excluding the following London Banking Day;

**Observation Period** means the period from and including the date falling  $p$  London Banking Days prior to the first day of the relevant Interest Period and ending on, but excluding, the date falling  $p$  London Banking Days prior to the Funding 1 Interest Payment Date for such Interest Period (or the date falling  $p$  London Banking Days prior to such earlier date, if any, on which the Term Advance becomes due and payable);

**Observation Look-Back Period**, as specified in the relevant Term Advance Supplement;

$p$  means, for any Interest Period, the number of London Banking Days included in the **Observation**

**Look-Back Period**, being not less than 5 London Banking Days, as specified in the relevant Term Advance Supplement;

**SONIA Reference Rate**, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average (**SONIA**) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published by such authorised distributors (on the London Banking Day immediately following such London Banking Day); and

**SONIA<sub>*i-pLBD*</sub>** means, in respect of any London Banking Day falling in the relevant Interest Period, the SONIA Reference Rate for the London Banking Day falling *p* London Banking Days prior to the relevant London Banking Day *i*.

If, in respect of any London Banking Day in the relevant Observation Period, the Agent Bank determines that the SONIA Reference Rate is not available or has not otherwise been published by the relevant authorised distributors, such SONIA Reference Rate shall be: (i) the Bank of England's Bank Rate (the **Bank Rate**) prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA Reference Rate to the Bank Rate over the previous five days on which a SONIA Reference Rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, in the event the Bank of England publishes guidance as to (i) how the SONIA Reference Rate is to be determined; or (ii) any rate that is to replace the SONIA Reference Rate, the Agent Bank shall, subject to receiving written Instructions from the Issuer and to the extent that it is reasonably practicable, follow such guidance in order to determine SONIA<sub>*i*</sub> for the purpose of the relevant Term Advance for so long as the SONIA Reference Rate is not available or has not been published by the authorised distributors. To the extent that any amendments or modifications to the Conditions or the Transaction Documents are required in order for the Agent Bank (or such other party responsible for the calculation of the Term Advance Rate of Interest, as specified in the applicable Term Advance Supplement) to follow such guidance in order to determine SONIA<sub>*i*</sub>, the Agent Bank (or such other party responsible for the calculation of the Term Advance Rate of Interest, as specified in the applicable Term Advance Supplement) shall have no obligation to act until such amendments or modifications have been made in accordance with the Conditions and the Transaction Documents.

In the event that the Term Advance Rate of Interest cannot be determined in accordance with the foregoing provisions by the Agent Bank, the Term Advance Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date in relation to such Term Advance (though substituting, where a different Relevant Margin is to be applied to the Relevant Interest Period from that which applied to the last preceding Interest Period, the Relevant Margin relating to the relevant Interest Period in place of the Relevant Margin relating to that last preceding Interest Period); or (ii) if there is no such preceding Interest Determination Date, the initial Term Advance Rate of Interest which would have been applicable to such Term Advance for the first Interest Period had the Term Advance existed for a period equal in duration to the scheduled first Interest Period but ending on (and excluding) the first Loan Payment Date (but applying the Relevant Margin applicable to the first Interest Period).
