- (e) in respect of any increase in the Funding 1 Share:
 - (i) Funding 1 has entered into, if necessary, a New Funding 1 Start-up Loan and a New Funding 1 Swap;

outstanding or any rated debt instruments of a Funding Company (if applicable) then outstanding will not be downgraded, withdrawn or qualified as a result of any increase in, as applicable, the Funding 1 Share or any Further Funding Company Share (it being acknowledged that none of the Rating Agencies has any obligation to provide such confirmation at any time and that, pursuant to Condition 16, the confirmation of one of the Rating Agencies may be sufficient for such purpose in respect of the Issuer Notes);

PROVIDED THAT Funding 1 may not make a Further Contribution, a Refinancing Contribution or an Initial Contribution to the Mortgages Trustee if, as at the relevant date of making such Contribution, the Step-up Date in respect of any Class of Notes of the Issuer or any New Issuer has been reached and the Issuer or any New Issuer (as applicable) that issued that Class of Notes has not exercised its option to redeem that Class of Notes as at the relevant date in accordance with the terms and conditions of that Class of Notes. For the avoidance of doubt, this prohibition on Funding 1 making Further Contributions, Refinancing Contributions and Initial Contributions shall remain in effect only for so long as any such Class of Notes remains outstanding and, upon, its redemption, Funding 1 may again make such Contributions to the Mortgages Trustee.

8.2 Conditions precedent

- (a) Subject to the proviso in Clause 8.1(c)(ii) above, a Funding Company may only agree to accept a Refinancing Distribution if, immediately prior to receiving any Refinancing Distribution, it delivers a solvency certificate, executed by an authorised signatory of the relevant Funding Company, to the Mortgages Trustee, the Beneficiary making the corresponding Refinancing Contribution and (if the Recipient Funding Company would be Funding 1) the Funding 1 Security Trustee and (if the Recipient Funding Company would be any other Funding Companies) each of the relevant Further Funding Security Trustees, in form and content acceptable to each of them.
- (b) If any Further Funding Company enters into New Loan Tranches that would have the effect of extending the Funding 1 Cash Accumulation Period in respect of any Cash Accumulation Loan Tranche that is, as at the date that such New Loan Tranche is entered into, in a Cash Accumulation Period or which would, as a result of the issue of that New Loan Tranche, be in a Cash Accumulation Period (each an **affected Cash Accumulation Loan Tranche**), then the proceeds of such New Loan Tranche must be applied to make a Refinancing Contribution to the Mortgages Trustee in an amount equal to the aggregate Cash Accumulation Requirement of Funding 1 in respect of each affected Cash Accumulation Loan Tranche. The Mortgages Trustee shall apply the proceeds of such Refinancing Contribution to make a Refinancing Distribution to Funding 1 on such date and in such amount.

8.3 Conditions subsequent

As at the date of this Deed, this Clause 8.3 only applies to Funding 1.

- (a) Unless Clause 8.3(b) below applies, upon receipt of a Refinancing Distribution from the Mortgages Trustee, Funding 1 shall apply the proceeds thereof in accordance with the relevant Funding 1 Pre-Enforcement Principal Priority of Payments on the next Funding 1 Payment Date.
- (b) If the Refinancing Distribution would be received from the Seller, then Funding 1 shall:
 - (i) apply the proceeds thereof on the next Funding 1 Payment Date to repay in whole or in part only the Loan Tranches under the Intercompany Loan or the Funding 1 Loan (as the case may be), previously designated by the Seller; and
 - (ii) (save in respect of the Funding 1 Loan or an NR VFN Loan Tranche) prior to the application under subparagraph (i) above, obtain written confirmation from the Issuer and any relevant New Issuer(s) (if any) that the Issuer and any relevant New Issuer(s) (if any) will use the proceeds of the relevant payment to repay the corresponding classes of Notes of the Issuer and any relevant New Issuer(s).

9. CALCULATION OF ADJUSTMENT OF SHARES

In making the relevant calculations on each Trust Calculation Date (or Interim Trust Calculation Date, as applicable) and making the distributions to the Beneficiaries, the Mortgages Trustee, or the Cash Manager on its behalf, will take account of and make adjustments for such calculations and distributions in order that:

- (a) subject as provided in subparagraphs (b) to (f) below, payment by any Beneficiary of a Contribution (excluding a Deferred Contribution) shall increase that Beneficiary's Share by a

corresponding amount. Any such increase will be calculated on and take effect from and including the relevant Sale Date or Further Contribution Date;

- (b) any consideration provided by the Seller in accordance with Clauses 4.1(a) and 4.1(b) shall increase the Seller Share by a corresponding amount. Any such increase will be calculated on and take effect from and including the relevant Sale Date;
- (c) any Cash Withdrawal or Further Advance funded in accordance with Clause 6.1 shall increase the Seller Share by a corresponding amount (for the avoidance of doubt, in the case of Excluded Further Advances or Further Advances otherwise repurchased pursuant to the terms of the Mortgage Sale Agreement, until so repurchased). Any such increase will take effect from the start of the next Trust Calculation Period commencing on the first day of the calendar month immediately following the date of such Cash Withdrawal or Further Advance (for the avoidance of doubt, in the case of Excluded Further Advances or Further Advances otherwise repurchased pursuant to the terms of the Mortgage Sale Agreement, until so repurchased) but will be as calculated on the Trust Calculation Date occurring on the first Business Day in such Trust Calculation Period;
- (d) any Seller Contribution shall increase the Seller Share by a corresponding amount. Any such increase will take effect from the start of the next Trust Calculation Period commencing on the first day of the calendar month immediately following the date of such Seller Contribution but will be as calculated on the Trust Calculation Date occurring on the first Business Day in such Trust Calculation Period;
- (e) payment of any Special Distribution to the Seller shall decrease the Seller Share by a corresponding amount. Any such decrease will be calculated on and take effect from the Further Contribution Date on which such Special Distribution is paid to the Seller;
- (f) payment of any Refinancing Distribution to a Funding Company shall decrease the Share of the Recipient Funding Company by a corresponding amount. Any such decrease will be calculated on and take effect from the Further Contribution Date on which such Refinancing Distribution is paid to the Recipient Funding Company.

Each Beneficiary acknowledges and agrees to each of the adjustments to a Beneficiary's Share as a result of the application of the above provisions.

10. INITIAL FUNDING COMPANY SHARES AND INITIAL SELLER SHARE

10.1 Initial Funding 1 Share

The **Initial Funding 1 Share** was £100 upon the execution and delivery of the Existing Mortgages Trust Deed and was £2,505,373,309 as at the Initial Closing Date following the transfer of the Initial Portfolio (other than the CCA Mortgages) to the Mortgages Trustee and the declaration of the CCA Mortgages Trust in favour of the Mortgages Trustee. The **Initial Funding 1 Share Percentage** on the Initial Closing Date was the Initial Funding 1 Share expressed as a percentage of the Aggregate Principal Balance of the Loans comprising the Initial Closing Trust Property (after the Initial Closing Trust Property has been transferred to the Mortgages Trustee on the Initial Closing Date), which shall be notified in writing by the Mortgages Trustee to Funding 1 and the other Beneficiaries immediately thereafter.

10.2 Initial Seller Share

The **Initial Seller Share** was £nil as at the date of the Existing Mortgages Trust Deed and, on the Initial Closing Date (after the Initial Closing Trust Property had been transferred to the Mortgages

Trustee on the Initial Closing Date), was the Aggregate Principal Balance of the Loans comprising the Initial Closing Trust Property minus the Initial Funding 1 Share as at that date. The **Initial Seller Share Percentage** on the Initial Closing Date was the Initial Seller Share on the Initial Closing Date expressed as a percentage of the Aggregate Principal Balance of the Loans comprising the Initial Closing Trust Property. The amount of the Initial Seller Share and the Initial Seller Share Percentage on the Initial Closing Date was notified in writing by the Mortgages Trustee to the Seller and the other Beneficiaries immediately thereafter.

10.3 Initial Distribution

On the Initial Closing Date, the Cash Manager allocated and paid to Funding 1 an amount of £100 following the transfer of the Initial Portfolio to the Mortgages Trustee.

11. ADJUSTMENT OF SHARES AND SHARE PERCENTAGES OF BENEFICIARIES

11.1 Dates for Calculations and Distributions

- (a) On each of the following dates other than any such dates occurring prior to the date hereof (which, excluding, for the avoidance of doubt, the Initial Closing Date, shall be calculated in accordance with the Existing Mortgages Trust Deed), the then current Share and Share Percentages of each of the Beneficiaries in the Trust Property will be calculated by the Cash Manager (on behalf of the Mortgages Trustee and the Beneficiaries) based on the aggregate Current Balance of the Loans constituting the Trust Property (as adjusted from time to time as provided herein) as at the close of business on the last day of the immediately preceding Calculation Period or, as the case may be, Interim Trust Calculation Period:
 - (i) the London Business Day following the last day of each calendar month and the day on which the Mortgages Trust is terminated (each such date together with the Initial Closing Date and the last day of each calendar month occurring subsequent thereto and prior to the date hereof, a **Trust Calculation Date**). The period from (and including) the first day of each calendar month (or, as applicable, the Initial Closing Date) to (and including) the last day of that calendar month or, as applicable, the date of termination of the Mortgages Trust shall be a **Trust Calculation Period**;
 - (ii) on each Sale Date under the Mortgage Sale Agreement; and
 - (iii) on the day on which any of the Beneficiaries makes a Further Contribution to the Mortgages Trust (excluding for this purpose any Seller Contribution, but including a Refinancing Contribution) (each such date, a **Further Contribution Date**).
- (b) When the Cash Manager recalculates the relevant Shares and Share Percentages of each Beneficiary on a Trust Calculation Date, that recalculation will apply for the then current Trust Calculation Period (commencing on the first day of the calendar month in which such Trust Calculation Date occurs). However, if during such Trust Calculation Period the Seller sells New Loans to the Mortgages Trustee pursuant to the Mortgage Sale Agreement or a Further Contribution (excluding any Seller Contribution) is made by a Beneficiary under the terms hereof, the recalculation made by the Cash Manager on that Sale Date or Further Contribution Date (as applicable) (each, an **Interim Trust Calculation Date**) will only apply from (and including) that Sale Date or Further Contribution Date to (and including in the case of (a) and excluding in the case of (b)) the earlier to occur of (a) the end of that then current Trust Calculation Period and (b) the next occurring Sale Date and Further Contribution Date (which shall be (a), in the case that (a) and (b) occur on the same date). The portion of a Trust Calculation Period that is less than a full Trust Calculation Period is called an **Interim Trust Calculation Period**.

- (c) On each Distribution Date, the Mortgages Trustee will distribute Principal Receipts and Revenue Receipts according to the Share Percentage of each Beneficiary in the Trust Property in accordance with Clauses 12.4 and 14 hereof.

11.2 Funding 1 Share Percentage

- (a) On each Trust Calculation Date (the **Relevant Trust Calculation Date**), the Funding 1 Share Percentage will be recalculated and the recalculated amount will take effect for the then current Trust Calculation Period or the relevant Interim Trust Calculation Period. The **Funding 1 Share Percentage** will be an amount, expressed as a percentage (calculated to an accuracy of five decimal places (rounded upwards), equal to:

$$\frac{A - B - C + D + E + F}{G} \times 100$$

where,

- A = the Funding 1 Share as calculated on the immediately preceding Trust Calculation Date (or, in the case of the first Trust Calculation Date, the Initial Funding 1 Share as at the Initial Closing Date and, for the avoidance of doubt, in respect of Trust Calculation Dates occurring subsequent thereto and prior to the date hereof, as calculated in accordance with this Deed);
- B = the sum of (i) the amount of any Principal Receipts on the Loans to be distributed to Funding 1 on the Distribution Date immediately following the Relevant Trust Calculation Date in accordance with the provisions described in Clause 14 below and (ii) any Refinancing Distribution made to Funding 1 in the immediately preceding Trust Calculation Period;
- C = the amount of any Losses sustained on the Loans in the immediately preceding Trust Calculation Period and the amount of any reductions occurring in respect of the Loans as described in paragraphs (i) to (iv) of Clause 11.6(a), in each case allocated to Funding 1 in the immediately preceding Trust Calculation Period;
- D = the amount of any Initial Contribution paid by Funding 1 to the Mortgages Trustee during the immediately preceding Trust Calculation Period in respect of the Funding 1 Share of any New Trust Property sold to the Mortgages Trustee during such Trust Calculation Period;
- E = the amount of any Further Contribution paid by Funding 1 to the Mortgages Trustee during the immediately preceding Trust Calculation Period to increase the Funding 1 Share;
- F = the amount of any Capitalised Arrears which have been allocated to Funding 1 in the immediately preceding Trust Calculation Period; and
- G = the aggregate Current Balance of all the Loans constituting the Trust Property as at the Relevant Trust Calculation Date including after making or provisioning for the distributions, allocations and additions referred to in B, C, D, E and F above and after taking account of (without double counting any amounts referred to in B, C, D, E and F above):
- (i) the sale, if any, of New Trust Property during the immediately preceding Trust Calculation Period;
 - (ii) any distributions to be made of Principal Receipts and Revenue Receipts to any of the Beneficiaries on the Distribution Date immediately following the Relevant Trust Calculation Date;

- (iii) any Contributions by any Beneficiaries in the immediately preceding Trust Calculation Period;
- (iv) any Distributions to any Beneficiaries in the immediately preceding Trust Calculation Period;
- (v) the amount of any Losses or Capitalised Arrears allocated to the Beneficiaries in the immediately preceding Trust Calculation Period;
- (vi) the amount of any increase in the Current Balance of the Loans due to capitalisation of insurance premiums due by Borrowers during the immediately preceding Trust Calculation Period;
- (vii) the adjustments referred to in paragraphs (i) to (iv) (inclusive) of Clause 11.6(a) below; and
- (viii) the amount of any other additions to or subtractions from the Outstanding Principal Balance of the Loans comprising the Trust Property (including any subtractions made from the Outstanding Principal Balance of the Loans resulting from Overpayments made by Borrowers and/or any additions to the Outstanding Principal Balance of the Loans resulting from Borrowers making Cash Withdrawals or Underpayments or taking Payment Holidays under a Flexible Loan or the Seller making Further Advances to a Borrower (for the avoidance of doubt, in the case of Excluded Further Advances or Further Advances otherwise repurchased pursuant to the terms of the Mortgage Sale Agreement, until so repurchased) or a Borrower making Further Drawdowns under a Loan during the immediately preceding Trust Calculation Period, as described in Clause 6).

- (b) On each Interim Trust Calculation Date, the Funding 1 Share Percentage in the Trust Property will be recalculated by the Cash Manager for the related Interim Trust Calculation Period for the sole purpose of calculating the distributions to be made from the Trust Property on the immediately succeeding Distribution Date and will be an amount, expressed as a percentage (calculated to an accuracy of five decimal places (rounded upwards)), equal to:

$$\frac{A - B + D}{G} \times 100$$

where

- A = the size of the Funding 1 Share as determined on the later of the Trust Calculation Date (or, in the case of the first Trust Calculation Date, the Initial Funding 1 Share as at the Initial Closing Date and, for the avoidance of doubt, in respect of Interim Trust Calculation Dates occurring subsequent thereto and prior to the date hereof, as determined in accordance with this Deed) and, if applicable, any Interim Trust Calculation Date immediately preceding the relevant Interim Trust Calculation Date (for the avoidance of doubt, in respect of Interim Trust Calculation Dates occurring prior to the date hereof, as determined in accordance with this Deed);
- B = the actual amount of any Refinancing Distribution paid to Funding 1 on such Interim Trust Calculation Date which is a Further Contribution Date; and
- D = (a) the amount of any Initial Contribution paid by Funding 1 to the Mortgages Trustee on such Interim Trust Calculation Date which is a Sale Date in respect of the Funding 1 Share

of any New Trust Property or, as the case may be, (b) an amount equal to the Further Contribution paid by Funding 1 to the Mortgages Trustee on such Interim Trust Calculation Date which is a Further Contribution Date; and

G = the sum of:

- (i) the aggregate Current Balance of all of the Loans in the Trust Property as at the immediately preceding Trust Calculation Date or, as applicable, the Interim Trust Calculation Date; and
- (ii) the aggregate Current Balance of the New Trust Property sold to the Mortgages Trustee after the immediately preceding Trust Calculation Date, or, as applicable, the Interim Trust Calculation Date including the New Trust Property sold to the Mortgages Trustee on such Interim Trust Calculation Date which is a Sale Date.

11.3 Funding 1 Share

- (a) On each Trust Calculation Date, the **Funding 1 Share** will be an amount equal to:

$$A - B - C + D + E + F$$

where **A**, **B**, **C**, **D**, **E** and **F** have the meanings specified in Clause 11.2(a) above.

- (b) On each Interim Trust Calculation Date, the **Funding 1 Share** will be an amount equal to:

$$A - B + D$$

where **A**, **B** and **D** have the meanings specified in Clause 11.2(b).

11.4 Weighted Average Funding 1 Share

On any Trust Calculation Date in respect of which a Sale Date or a Further Contribution Date has occurred during the immediately preceding Trust Calculation Period, the Cash Manager will calculate (for the sole purpose of making the distributions to be made on the immediately succeeding Distribution Date) the weighted average of the Funding 1 Share Percentage in respect of each Interim Trust Calculation Period occurring in that immediately preceding Trust Calculation Period. The calculation will be based on the amount of the Revenue Receipts and the Principal Receipts received and the Losses sustained during each of the preceding Interim Trust Calculation Periods. The **Weighted Average Funding 1 Share Percentage** for any such Trust Calculation Date will be equal to:

- (a) in respect of the distribution of Revenue Receipts to be made on the immediately succeeding Distribution Date (the **Weighted Average Funding 1 Share (Revenue) Percentage**), the sum, in respect of all Interim Trust Calculation Periods during the Trust Calculation Period immediately preceding the relevant Trust Calculation Date, of:
 - (i) for each Interim Trust Calculation Period during that Trust Calculation Period, the product of:
 - (A) the related Funding 1 Share Percentage for that Interim Trust Calculation Period; and
 - (B) the amount of all Revenue Receipts received by the Mortgages Trustee during that Interim Trust Calculation Period;

divided by:

- (ii) the aggregate of all Revenue Receipts received by the Mortgages Trustee during the Trust Calculation Period immediately preceding that Trust Calculation Date;
- (b) in respect of the distribution of Principal Receipts to be made on the immediately succeeding Distribution Date (the **Weighted Average Funding 1 Share (Principal) Percentage**), the sum, in respect of all Interim Trust Calculation Periods during the Trust Calculation Period immediately preceding the relevant Trust Calculation Date, of:
 - (i) for each Interim Trust Calculation Period during that Trust Calculation Period, the product of:
 - (A) the related Funding 1 Share Percentage for that Interim Trust Calculation Period; and
 - (B) the amount of all Principal Receipts received by the Mortgages Trustee during that Interim Trust Calculation Period;

divided by:

- (ii) the aggregate of all Principal Receipts received by the Mortgages Trustee during the Trust Calculation Period immediately preceding that Trust Calculation Date; and
- (c) in respect of the allocation of Losses to be made on the immediately succeeding Distribution Date (the **Weighted Average Funding 1 Share (Losses) Percentage**), the sum, in respect of all Interim Trust Calculation Periods during the Trust Calculation Period immediately preceding the relevant Trust Calculation Date, of:
 - (i) for each Interim Trust Calculation Period during that Trust Calculation Period, the product of:
 - (A) the related Funding 1 Share Percentage for that Interim Trust Calculation Period; and
 - (B) the amount of all Losses sustained on the Loans during that Interim Trust Calculation Period;

divided by:

- (ii) the aggregate of all Losses sustained on the Loans during the Trust Calculation Period immediately preceding that Trust Calculation Date.

11.5 Share Percentage etc. of each Further Funding Company

- (a) The Share Percentage of each Further Funding Company and each Further Funding Company's Share in the Trust Property will be recalculated on each Trust Calculation Date, and, if applicable, each Interim Trust Calculation Date occurring during the then current Trust Calculation Period, in the same way that the Funding 1 Share Percentage and the Funding 1 Share are recalculated in Clauses 11.2 and 11.3 respectively, except that references to Funding 1 are to be read as references to the relevant Further Funding Company.
- (b) The Weighted Average Further Funding Company Share Percentage, the Weighted Average Further Funding Company Share (Revenue) Percentage, the Weighted Average Further Funding Company

Share (Principal) Percentage and the Weighted Average Further Funding Company Share (Losses) Percentage of each Further Funding Company will be calculated in the same way as the Weighted Average Funding 1 Share Percentage, the Weighted Average Funding 1 Share (Revenue) Percentage, the Weighted Average Funding 1 Share (Principal) Percentage and the Weighted Average Funding 1 Share (Losses) Percentage are calculated in Clause 11.4, except that references to Funding 1 are to be read as references to that Funding Company.

11.6 Adjustments to Trust Property

- (a) On each relevant Trust Calculation Date, the aggregate Current Balance of the Loans constituting the Trust Property shall be reduced or, as the case may be, deemed to be reduced for the purposes of the calculation set out in "G" in Clause 11.2 above, if any of the following events has occurred during the Trust Calculation Period or, as applicable, Interim Trust Calculation Period immediately preceding the relevant Trust Calculation Date or, as applicable, relevant Interim Trust Calculation Date:
- (i) any Borrower exercises a right of set-off in relation to Loans constituting part of the Trust Property so that the amount of principal and/or interest owing under a Loan is reduced but no corresponding amount is received by the Mortgages Trustee in which event the aggregate Current Balance of the Loans constituting the Trust Property shall be reduced by an amount equal to the amount set-off; and/or
 - (ii) a Loan or its Related Security (A) does not materially comply with the Loan Warranties in the Mortgage Sale Agreement as at the date such Loan Warranties are made or deemed to be repeated, (B) is the subject of a Product Switch or a Further Advance (other than Excluded Further Advance) which does not comply with the relevant conditions for remaining in the Trust Property (and in each case the Seller fails to repurchase the Loan and its Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) as required by the terms of the Mortgage Sale Agreement) or the Seller makes an Excluded Further Advance and does not repurchase the Loan and its Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) as required by the terms of the Mortgage Sale Agreement or (C) is a Portable Loan and the Seller accepts an application from a Borrower to transfer such Portable Loan to a New Property, then the aggregate Current Balance of the Loans constituting the Trust Property shall be deemed to be reduced for the purposes of the calculation of "G" in Clause 11.2 above by an amount equal to the Current Balance of the relevant Loan or Loans under the relevant Mortgage Account; and/or
 - (iii) the Seller would be required to repurchase a Loan and its Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) in accordance with the terms of the Mortgage Sale Agreement, but such Loan and its Related Security (and any other Loan secured or intended to be secured by that Related Security or any part of it) are not capable of repurchase, in which case the aggregate Current Balance of the Loans constituting the Trust Property shall be deemed to be reduced for the purposes of the calculation of "G" in Clause 11.2 above by an amount equal to the Current Balance of the relevant Loan or Loans; and/or
 - (iv) the Seller breaches any other material warranty under the Mortgage Sale Agreement and/or (for so long as it is the Servicer) is required to indemnify the Beneficiaries under the Servicing Agreement, in which event the aggregate Current Balance of the Loans constituting the Trust Property shall be deemed for the purposes of the calculation of "G" in Clause 11.2 above to be reduced by an amount equivalent to all losses, costs, liabilities, claims, expenses and damages incurred by the Beneficiaries as a result of such breach.

- (b) The reductions and deemed reductions set out in paragraph (i) to (iv) (inclusive) of Clause 11.6(a) above shall be made on each London Business Day, but only aggregated and accounted for on the next following relevant Trust Calculation Date or, as applicable, Interim Trust Calculation Date, first to the Seller Share (including the Minimum Seller Share) only, and thereafter shall be made to the Funding 1 Share and any Further Funding Company Share *pro rata* according to the then current Funding Proportion thereof.

Funding Proportion means each of the Funding 1 Proportion and each Further Funding Company Proportion.

Funding 1 Proportion means, on a Distribution Date, Sale Date, Further Contribution Date or Funding 1 Payment Date, an amount equal to:

$$\frac{A}{A + B}$$

Further Funding Company Proportion means, on a Distribution Date, Sale Date, Further Contribution Date or Funding 1 Payment Date, an amount equal to:

$$\frac{B}{A + B}$$

in each case where:

A = the Funding 1 Share on that date; and

B = each Further Funding Company Share on that date.

- (c) If at any time after the Initial Closing Date the Mortgages Trustee holds, or there is held to its order, or it receives, or there is received to its order, any property, interest, right or benefit relating to any Loan and its Related Security which is or has been subject to any reduction or deemed reduction pursuant to paragraphs (i) to (iv) (inclusive) of Clause 11.6(a) above, then such property, interest, right or benefit shall constitute a Revenue Receipt under the relevant Loan. Such Revenue Receipt shall belong to each of the Funding Companies according to the then current Funding Proportion thereof (but only if and to the extent that the related reductions were applied against the Funding 1 Share and each Further Funding Company Share) and thereafter shall belong to the Seller.

11.7 Seller Share Percentage

On each Trust Calculation Date and on each Interim Trust Calculation Date, the **Seller Share Percentage** will be recalculated as the amount calculated to the accuracy of five decimal places equal to 100% minus the aggregate of the Funding 1 Share Percentage and each Further Funding Company Share Percentage, each as calculated on the relevant Trust Calculation Date or, as the case may be, the relevant Interim Trust Calculation Date.

11.8 Seller Share

The **Seller Share** will be an amount equal to the aggregate Current Balance of Loans constituting the Trust Property as calculated on the relevant Trust Calculation Date or, as the case may be, the relevant Interim Trust Calculation Date minus the aggregate of the Funding 1 Share and each Further Funding Company Share each as calculated on the relevant Trust Calculation Date or, as the case may be, the relevant Interim Trust Calculation Date.

11.9 Weighted Average Seller Share

On any Trust Calculation Date in respect of which a Sale Date or a Further Contribution Date has occurred during the immediately preceding Trust Calculation Period, the Cash Manager will calculate (for the sole purpose of making the distributions to be made on the immediately succeeding Distribution Date) the weighted average of the Seller Share Percentages that were calculated previously in respect of each Interim Trust Calculation Period occurring in that immediately preceding Trust Calculation Period. The calculation will be based on the amount of the Revenue Receipts and the Principal Receipts received and the Losses sustained during each of the preceding Interim Trust Calculation Periods. The **Weighted Average Seller Share Percentage** for any such Trust Calculation Date will be equal to:

- (a) in respect of the distribution of Revenue Receipts to be made on the immediately succeeding Distribution Date (the **Weighted Average Seller Share (Revenue) Percentage**), the sum based on the following formula:

100% *minus* (then current Weighted Average Funding 1 Share (Revenue) Percentage *plus* then current Weighted Average Further Funding Company Share (Revenue) Percentage of each Further Funding Company)

- (b) in respect of the distribution of Principal Receipts to be made on the immediately succeeding Distribution Date (the **Weighted Average Seller Share (Principal) Percentage**), the sum based on the following formula:

100% *minus* (then current Weighted Average Funding 1 Share (Principal) Percentage *plus* then current Weighted Average Further Funding Company Share (Principal) Percentage of each Further Funding Company)

- (c) in respect of the allocation of Losses to be made on the immediately succeeding Distribution Date (the **Weighted Average Seller Share (Losses) Percentage**), the sum based on the following formula:

100% *minus* (then current Weighted Average Funding 1 Share (Losses) Percentage *plus* then current Weighted Average Further Funding Company Share (Losses) Percentage of each Further Funding Company).

11.10 Funding Company Shares/Seller Share

None of the Funding 1 Share, each Further Funding Company Share (if applicable) or the Seller Share may be reduced below zero, regardless of the requirements in relation to the Minimum Seller Share. At all times, the Funding 1 Share Percentage, each Further Funding Company Share Percentage (if applicable) and the Seller Share Percentage shall be equal to 100% of the Aggregate Principal Balance of the Loans comprising the Trust Property as calculated on the most recent Trust Calculation Date or (if applicable) Interim Trust Calculation Date.

12. MINIMUM SELLER SHARE

12.1 Initial Minimum Seller Share

The Seller Share includes an amount equal to the Minimum Seller Share. Subject to paragraph (iv) of the proviso to Clause 14.2, unless and until:

- (a) each of the Funding 1 Share and any Further Funding Company Share is in an amount equal to zero; or
- (b) an Asset Trigger Event occurs,

the Seller will not be entitled to receive Principal Receipts which would reduce the Seller Share to an amount less than the Minimum Seller Share and the Seller consents and directs the Mortgages Trustee accordingly.

12.2 Fluctuation of Minimum Seller Share on each Trust Calculation Date

The amount of the Minimum Seller Share will be recalculated by the Cash Manager on each Trust Calculation Date and each Closing Date (in each case, after any sale of Loans to the Mortgages Trustee on that date) and will be an amount equal to the greater of: (i) the greater of (a) 5 per cent. of the aggregate Principal Amount Outstanding of all Notes, other than any Notes that are at all times held by the Seller or one or more of its wholly-owned affiliates, calculated in accordance with Section 15G of the Exchange Act (the **U.S. Credit Risk Retention Requirements**) at the relevant date of determination or as otherwise permitted under the U.S. Credit Risk Retention Requirements, and (b) 5 per cent. of the aggregate Current Balance of the Loans within the Trust Property calculated in accordance with Article 6(1) of the Securitisation Regulation (the **EU Risk Retention Requirements**) or such other amount required by the relevant EU Credit Risk Retention Requirements and (ii) the amount determined (without double counting) pursuant to the following formula:

$$X + Y + Z$$

where:

X =

- (a) save where paragraph (c) below applies, if the FSCS Excess Amounts (as defined below) can be determined on the relevant Trust Calculation Date or Closing Date, 103.4 per cent. of the aggregate of the FSCS Excess Amounts, or such other percentage of the aggregate of the FSCS Excess Amounts determined by the Seller and notified to the Mortgages Trustee following its annual review (or, if the short-term unsecured, unguaranteed and unsubordinated debt obligations of the Seller cease to have an "Issuer Default Rating" at least as high as "F1" (or its equivalent) by Fitch or "A-1" (or its equivalent) by Standard and Poor's, following its quarterly review), provided that, in each case, such amount shall not be less than 103 per cent. of the aggregate of the FSCS Excess Amounts; or
- (b) save where paragraph (c) below applies, if the FSCS Excess Amounts cannot be determined on the relevant Trust Calculation Date or Closing Date, 3.4 per cent. of the aggregate Outstanding Principal Balance of all Loans comprised in the Trust Property or such other percentage of the aggregate Outstanding Principal Balance of all Loans comprised in the Trust Property determined by the Seller and notified to the Mortgage Trustee following its annual review (or, if the short-term unsecured, unguaranteed and unsubordinated debt

obligations of the Seller cease to have an "Issuer Default Rating" at least as high as "F1" (or its equivalent) by Fitch or "A-1" (or its equivalent) by Standard and Poor's, following its quarterly review), provided that such amount shall not, in any case, be less than 3 per cent. of the aggregate Outstanding Principal Balance of all Loans comprised in the Trust Property; or

- (c) if the Seller does not have a counterparty risk assessment by Moody's of at least Baa3(cr) or if the long-term, unguaranteed, unsecured and unsubordinated rating of the Seller is less than BBB- by Standard & Poor's or its long-term "Issuer Default Rating" is less than BBB- by Fitch (and regardless of whether the FSCS Excess Amounts can be determined on the relevant Trust Calculation Date or Closing Date), the greater of (i) 3.4 per cent. of the aggregate Outstanding Principal Balance of all Loans comprised in the Trust Property and (ii) the aggregate amount of all deposits of Borrowers held with the Seller whose Loans and their Related Security are held within the Mortgages Trust as at the date of notification to the Borrowers of the assignment or assignation of the Loans and their Related Security to the Mortgages Trust pursuant to the Mortgage Sale Agreement;

where:

FSCS Excess Amount means, in respect of each Borrower whose total deposits with the Seller exceed the FSCS Limit, the total deposit account balances of that Borrower with the Seller minus the FSCS Limit; and

FSCS Limit means the then current applicable compensation limit for depositors in the UK established by the Financial Services Compensation Scheme;

Y = the product of: $p \times q \times r$ where:

$p = 8\%$;

$q =$ the **Flexible Draw Capacity**, being an amount equal to the maximum amount of Cash Withdrawals that Borrowers are entitled to draw under Flexible Loans included in the Trust Property as at the end of the immediately preceding Trust Calculation Period; and

$r = 3$; and

$Z =$ the aggregate Current Balance of all Cash Withdrawals made by Borrowers under Flexible Loans in the Trust Property and the aggregate Current Balance of all Further Advances made under Loans in the Trust Property pursuant to Loans that are regulated by the CCA that are not represented to be enforceable (excluding Excluded Further Advances or Further Advances pursuant to Loans otherwise repurchased pursuant to the terms of the Mortgage Sale Agreement), in each case as at the end of the immediately preceding Trust Calculation Period.

12.3 Recalculation of Minimum Seller Share following occurrence of exceptional events

Prior to the occurrence of a Trigger Event:

- (a) the calculation of the Minimum Seller Share in accordance with Clause 12.2 above will be recalculated or increased on a date other than a Trust Calculation Date (in consultation with the relevant Rating Agencies) if the Seller merges or otherwise combines its business with another bank or other financial institution so as to increase the risks associated with Borrowers holding deposits in accounts of the Seller and such merger or combination results

in the then current ratings of the Rated Notes then outstanding or any rated debt instruments of a Funding Company (if applicable) then outstanding being withdrawn, qualified or downgraded and such withdrawal, qualification or downgrade would be avoided if the Minimum Seller Share was so recalculated or increased;

- (b) the calculation of the Minimum Seller Share in accordance with Clause 12.2 above will be recalculated or increased on a date other than a Trust Calculation Date (in consultation with the relevant Rating Agencies) if notice has been received from one or more of the Rating Agencies that the then current ratings of the Rated Notes then outstanding or any rated debt instruments of a Funding Company (if applicable) then outstanding would be withdrawn, qualified or downgraded and that such withdrawal, qualification or downgrade would be avoided if the Minimum Seller Share was so recalculated or increased;
- (c) the amount of the Minimum Seller Share as calculated in accordance with Clause 12.2 above will be decreased (and the calculation thereof amended accordingly) from time to time at the request of the Seller or any Funding Company (acting reasonably) provided that written confirmation has been received from each of the Rating Agencies that the then current ratings of the Rated Notes then outstanding or any rated debt instruments of a Funding Company (if applicable) then outstanding would not be withdrawn, qualified or downgraded as a result thereof (it being acknowledged that none of the Rating Agencies has any obligation to provide such confirmation at any time and that, pursuant to Condition 16, the confirmation of one of the Rating Agencies may be sufficient for such purpose in respect of the Issuer Notes).

12.4 Without prejudice to Clause 12.1, the Seller will not be entitled to receive Principal Receipts which would reduce the Seller Share to an amount less than 5% of the then aggregate current balance of Loans in the Trust Property and the Seller consents and directs the Mortgages Trustee accordingly.

12.5 Minimum Seller Share Requirement

- (a) The Seller undertakes to each of Funding 1, as Beneficiary, and the Mortgages Trustee that it will ensure that the Seller Share is, at all times, at least equal to the most recently calculated Minimum Seller Share.
- (b) If the Seller Share falls below the Minimum Seller Share as calculated in accordance with item (i) of Clause 12.2, the Seller shall, within 30 calendar days of the relevant Trust Calculation Date or Closing Date, as applicable, take such steps as are necessary to increase the Seller Share to an amount at least equal to the required Minimum Seller Share.
- (c) On each Trust Calculation Date and Closing Date, the Seller shall calculate the Seller Share (i) as a percentage of the aggregate Principal Amount Outstanding of all Notes issued by the Issuer, other than any Notes that are at all times held by the Seller or one or more of its wholly-owned affiliates, calculated in accordance with the U.S. Credit Risk Retention Requirements at the relevant date of determination (or as otherwise permitted under the U.S. Credit Risk Retention Requirements), and (ii) as a percentage of the aggregate current balance of the Loans within the Trust Property calculated in accordance with the EU Risk Retention Requirements (or such other amount required by the EU Risk Retention Requirements) and the Cash Manager shall provide the Servicer with such information as the Servicer shall require for its monthly Investor Reports in order to comply with any reporting obligations under the U.S. Credit Risk Retention Requirements and the EU Risk Retention Requirements.

13. ALLOCATION AND DISTRIBUTION OF REVENUE RECEIPTS

13.1 Allocation and Distribution of Third Party Amounts

The Mortgages Trustee and the Beneficiaries hereby consent to such deductions.

13.2 Allocation and Distribution of Mortgages Trust Available Revenue Receipts

 - (B) payment has not already been provided for elsewhere;
- (b) *second, pari passu and pro rata*, to pay:

PROVIDED THAT, if a Sale Date or Further Contribution Date has occurred during the Trust Calculation Period immediately preceding the relevant Distribution Date, then the Cash Manager will use:

PROVIDED THAT in relation to paragraphs (a) to (e) above, the following rules shall apply:

- (i) the amount of Mortgages Trust Available Principal Receipts to be allocated and paid:
 - (A) to Funding 1 on a Distribution Date will be reduced by an amount equal to the aggregate of Funding 1 Available Revenue Receipts which are to be applied on the immediately succeeding Funding 1 Payment Date in reduction of deficiencies on the Funding 1 Principal Deficiency Ledger; and
 - (B) to each Further Funding Company on a Distribution Date will be reduced by an amount equal to the aggregate of available revenue receipts of that Funding Company which are to be applied on the immediately succeeding payment date of

but in each case only to the extent that (following any such reduction) amounts falling due under paragraphs (a), (b), (c) and (d) above are still able to be paid in full;

- (ii) the amount of Mortgages Trust Available Principal Receipts to be allocated and paid to Funding 1 on a Distribution Date immediately preceding a Funding 1 Interest Payment Date will be increased by an amount (and will reduce the Seller Share of such Mortgages Trust Available Principal Receipts by a corresponding amount) equal to the lesser of (A) the deficit that will otherwise arise on the immediately succeeding Funding 1 Interest Payment Date in Funding 1 Available Revenue Receipts to pay items (a) to (e) inclusive, (g), (j), (l) and (n) of the Funding 1 Pre-Acceleration Revenue Priority of Payments after the application of Funding 1 Principal Receipts (plus any part of the balance of the Cash Accumulation Ledger which is not comprised in Funding 1 Available Principal Receipts) and (B) the aggregate principal amount outstanding of all NR Loan Tranches less the balance of the NR Principal Deficiency Sub-Ledger (such amount, the **Funding 1 Revenue Deficit Cure Amount**);
- (iii) a Funding Company will not be entitled to have allocated to it (nor will it have allocated to it or receive) in aggregate an amount of Mortgages Trust Available Principal Receipts from the Mortgages Trustee on a Distribution Date which is in excess of:
 - (A) in respect of Funding 1, the Funding 1 Share on such Distribution Date; and
 - (B) in respect of each Further Funding Company, the Further Funding Company Share on such Distribution Date;
- (iv) if on any Trust Calculation Date prior to the occurrence of a Non-Asset Trigger Event the Seller Share is less than the Minimum Seller Share:
 - (A) the Mortgages Trustee will make provision in an amount which would have been payable to the Seller if the Seller Share had been greater than the Minimum Seller Share; and
 - (B) the Seller will not receive nor have allocated to it any amount so provided for by the Mortgages Trustee in paragraph (e) above until such time as the Seller Share is greater than the Minimum Seller Share and provided that:
 - I. the Seller will not receive nor have allocated to it any such amount if a Non-Asset Trigger Event occurs and is occurring; and
 - II. if an Asset Trigger Event occurs and is occurring, the Seller will have allocated to it and will be paid such amount but only to the extent permitted by the rules governing distribution of Principal Receipts after the occurrence of an Asset Trigger Event.

14.3 Distribution of Principal Receipts on or after the occurrence of a Non-Asset Trigger Event but prior to the occurrence of an Asset Trigger Event

On each Distribution Date after the occurrence of a Non-Asset Trigger Event and until the occurrence of an Asset Trigger Event, all Mortgages Trust Available Principal Receipts shall be allocated to the Beneficiaries and distributed in the following order:

- (a) to the Funding Companies *pari passu* and *pro rata* according to the Funding 1 Proportion and each Further Funding Company Proportion, respectively, until each of the Funding 1 Share and each Further Funding Company Share (as calculated on the Relevant Trust Calculation Date falling in the immediately preceding Trust Calculation Period) is zero; and
- (b) the remainder, if any, of such receipts shall thereafter be paid to the Seller.

14.4 Distribution of Principal Receipts on or after the occurrence of an Asset Trigger Event

- (a) On each Distribution Date after the occurrence of an Asset Trigger Event, all Mortgages Trust Available Principal Receipts shall be allocated to the Beneficiaries and distributed *pari passu* and *pro rata* to the Beneficiaries according to the Funding 1 Share Percentage, the Funding Company Share Percentage of each Further Funding Company and the Seller Share Percentage (in each case as calculated on the Relevant Trust Calculation Date falling in the immediately preceding Trust Calculation Period), until each of the Funding 1 Share, the Funding Company Share of each Further Funding Company and the Seller Share is zero (and, for the avoidance of doubt, such payments may reduce the Seller Share to an amount less than the Minimum Seller Share).
- (b) Notwithstanding the foregoing, if a Sale Date has occurred during the Trust Calculation Period immediately preceding such Distribution Date, the Cash Manager on behalf of the Mortgages Trustee shall apply all Principal Receipts by way of allocation and payment between and to the Beneficiaries *pari passu* and *pro rata* to the Weighted Average Funding 1 Share (Principal) Percentage, the Weighted Average Further Funding Company Share (Principal) Percentage of each Further Funding Company and the Weighted Average Seller Share (Principal) Percentage for that Distribution Date, until each of the Funding 1 Share and each Further Funding Company Share is zero.

 - (ii) in relation to each Further Funding Company, such Further Funding Company's Funding Company Share Percentage; and
 - (iii) in relation to the Seller, the Seller Share Percentage,

in each case as determined on the immediately preceding Trust Calculation Date prior to calculating the allocation of Mortgages Trustee Available Principal Receipts on that Trust Calculation Date, until the share of each Beneficiary in the Trust Property is zero, regardless of the requirements in relation to the Minimum Seller Share.

- (b) If a Sale Date or a Further Contribution Date has occurred during the Trust Calculation Period immediately preceding the relevant Trust Calculation Date, then the amount of Losses shall be multiplied by, as applicable, the Weighted Average Funding 1 Share (Losses) Percentage, the Weighted Average Further Funding Company Share (Losses) Percentage of each Further Funding Company and the Weighted Average Seller Share (Losses) Percentage, in each case as calculated for the immediately preceding Trust Calculation Period on that Trust Calculation Date, rather than the Funding 1 Share Percentage, the then current Further Funding Company Share Percentage of that Funding Company and the then current Seller Share Percentage, respectively.

16. LEDGERS

The Mortgages Trustee shall maintain, or shall procure that the Cash Manager maintains on its behalf, the following Mortgages Trustee Ledgers:

Such New Beneficiary shall accede to this Deed in accordance with Clause 2.1 and shall thereupon become a Further Funding Company.
