1.4 Transfers

- (a) Title to the Master Issuer Notes shall pass by and upon registration in the Register. Subject as provided otherwise in this **Condition 1.4**, a Master Issuer Note may be transferred upon surrender of the relevant note certificate, with the endorsed form of transfer duly completed, at the Specified Office of the Registrar or the Transfer Agent, together with such evidence as the Registrar or (as the case may be) such Transfer Agent may reasonably require to prove the title of the transferor and the authority of the individuals who have executed the form of transfer; provided, however, that a Master Issuer Note may only be transferred in the minimum denominations specified in the relevant Final Terms. Within five Business Days of such surrender of a note certificate, the Registrar will register the transfer in question and deliver a new note certificate of a like principal amount to the Master Issuer Notes transferred to each relevant Holder at its Specified Office or (as the case may be) the Specified Office of the Transfer Agent or (at the request and risk of any such relevant Holder) by uninsured first class mail (and by airmail if the Holder is overseas) to the address specified for such purpose by such relevant Holder.

The transfer of a Master Issuer Note will be effected without charge by or on behalf of the Master Issuer, the Registrar or any Transfer Agent, but against such indemnity as the Registrar or (as the case may be) any Transfer Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

Noteholders may not require transfers of Master Issuer Notes to be registered during the period of 15 days ending on the due date for any payment of principal or interest in respect of the Master Issuer Notes.

All transfers of Master Issuer Notes and entries on the Register are subject to the detailed regulations concerning the transfer of Master Issuer Notes scheduled to the Master Issuer Paying Agent and Agent Bank Agreement. The regulations may be changed by the Master Issuer with the prior written approval of the Note Trustee and the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar to any Noteholder who requests in writing a copy of such regulations.

- (b) Title to a Class Z Variable Funding Note shall only pass by and upon registration of the transfer in the Class Z Variable Funding Note register provided that no transferee shall be registered as a new holder of the Class Z Variable Funding Note unless (i) the prior written consent of the Master Issuer and (for so long as any Rated Notes are outstanding) the Note Trustee has been obtained (and the Note Trustee shall give its consent to such a transfer if the same has been sanctioned by an Extraordinary Resolution of the holders of the Rated Notes) and (ii) such transferee has certified to, *inter alios*, the Registrar and the Master Issuer that it is (A) a person falling within paragraph 3(1) of Schedule 2A to the Insolvency Act 1986, (B) an independent person in relation to the Master Issuer within the meaning of regulation 2(1) of the Taxation of Securitisation Companies Regulations 2006 and (C) a Qualifying Noteholder. The Trust Deed also contains provisions:

- (i) limiting the powers of the Class B Noteholders, the Class M Noteholders, the Class C Noteholders and the Class Z Noteholders in each case, of any Series, *inter alia*, to request or direct the Note Trustee to take any action or to pass an effective Extraordinary Resolution according to the effect thereof on the interests of the Class A Noteholders of that Series or of any other Series. Except in certain circumstances described in Condition 12, the Trust Deed contains no such limitation on the powers of the Class A Noteholders, the exercise of which will be binding on the Class B Noteholders, the Class M Noteholders, the Class C Noteholders and the Class Z Noteholders in each case, of any Series, irrespective of the effect thereof on their respective interests;
- (ii) limiting the powers of the Class M Noteholders, the Class C Noteholders and the Class Z Noteholders in each case, of any Series, *inter alia*, to request or direct the Note Trustee to take any action or to pass an effective Extraordinary Resolution according to the effect thereof on the interests of the Class B Noteholders of that Series or of any other Series. Except in certain circumstances described above and in Condition 12, the Trust Deed contains no such limitation on the powers of the Class B Noteholders, the exercise of which will be binding on the Class M Noteholders, the Class C Noteholders and the Class Z Noteholders, in each case, of any Series, irrespective of the effect thereof on their respective interests;

Notwithstanding that none of the Note Trustee, the Master Issuer Security Trustee and the Noteholders may have any right of recourse against the Rating Agencies in respect of any confirmation given by them and relied upon by the Note Trustee or the Master Issuer Security Trustee pursuant to this Condition 3, the Note Trustee and the Master Issuer Security Trustee shall each be entitled to assume, for the purpose of exercising any right, power, trust, authority,

duty or discretion under or in relation to these Conditions or any of the Master Issuer Transaction Documents, that such exercise will not be materially prejudicial to the interests of the Noteholders (or any series and/or class thereof) if the Rating Agencies have confirmed that the then current ratings of the applicable series and/or class or classes of Master Issuer Notes would not be adversely affected by such exercise. It is agreed and acknowledged that, notwithstanding the foregoing, a credit rating is an assessment of credit and does not address other matters that may be of relevance to the Noteholders. In being entitled to rely on the fact that the Rating Agencies have confirmed that the then current rating of the relevant series and/or class or classes of Master Issuer Notes would not be adversely affected, it is expressly agreed and acknowledged by the Note Trustee and the Master Issuer Security Trustee and specifically notified to the Noteholders (and to which they are bound by the Conditions) that the above does not impose or extend any actual or contingent liability for the Rating Agencies to the Note Trustee or the Master Issuer Security Trustee, the Noteholders or any other person or create any legal relations between the Rating Agencies and the Note Trustee, the Master Issuer Security Trustee, the Noteholders or any other person whether by way of contract or otherwise.

As security for, *inter alia*, the payment of all monies payable in respect of the Master Issuer Notes, the Master Issuer has entered into the Master Issuer Deed of Charge creating, *inter alia*, the Master Issuer Security in favour of the Master Issuer Security Trustee for itself and on trust for the Noteholders and the other persons expressed to be secured parties under the Master Issuer Deed of Charge (the **Master Issuer Secured Creditors**).

have an interest in any bank account, other than the bank accounts maintained pursuant to the Master Issuer Bank Account Agreement, the Master Issuer Cash Management Agreement or any other Master Issuer Transaction Document, except in connection with the issue of a Series where such bank account is immediately charged in favour of the Master Issuer Security Trustee pursuant to the Master Issuer Deed of Charge;

5. Interest

5.1 Interest on Fixed Rate Master Issuer Notes

Each Fixed Rate Master Issuer Note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable, subject as provided in these Conditions, in arrear on the Interest Payment Date(s) in each year specified for such note up to (and including) the Final Maturity Date.

Except as provided in the applicable Final Terms, the amount of interest payable in respect of any Fixed Rate Master Issuer Note on each Interest Payment Date for a Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified for such note in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Conditions, **Fixed Interest Period** means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or the first) Interest Payment Date.

If interest is required to be calculated in respect of any Fixed Rate Master Issuer Note for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest specified for such note in the applicable Final Terms to the Principal Amount Outstanding on such note, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an amount of interest for any Fixed Rate Master Issuer Note in accordance with this **Condition 5.1**:

- (a) if "Actual/Actual (ICMA)" is specified for such note in the applicable Final Terms:
 - (i) in the case of Master Issuer Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date for such notes (or, if none, the Interest

Commencement Date) to (but excluding) the relevant Interest Payment Date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (A) the number of days in such Determination Period and (B) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

- (ii) in the case of Master Issuer Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates that would occur in one calendar year; and
- (b) if "30/360" is specified for such note in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date for such note (or, if none, the Interest Commencement Date) to (but excluding) the relevant Interest Payment Date (such number of days being calculated on the basis of a year of 360 days with twelve 30-day months) divided by 360.

As used in these Conditions, **Determination Period** means each period from and including a Determination Date (as defined in the applicable Final Terms) to but excluding the next Determination Date (including where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date).

5.2 *Interest on Floating Rate Master Issuer Notes*

(a) *Interest payment dates*

Each Floating Rate Master Issuer Note bears interest on its Principal Amount Outstanding from (and including) the Interest Commencement Date and such interest will be payable in arrear on the Interest Payment Date(s) in each year specified for such note. Such interest will be payable in respect of each Floating Interest Period.

As used in these Conditions, **Floating Interest Period** means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or the first) Interest Payment Date.

If a Business Day Convention is specified for a Floating Rate Master Issuer Note in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which a Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (i) the "Following Business Day Convention", the Interest Payment Date for such note shall be postponed to the next day which is a Business Day; or
- (ii) the "Modified Following Business Day Convention", the Interest Payment Date for such note shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (iii) the "Preceding Business Day Convention", the Interest Payment Date for such note shall be brought forward to the immediately preceding Business Day.

In these Conditions, **Business Day** means a day which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the **TARGET System**) is open.

(b) *Rate of interest*

The Rate of Interest payable from time to time in respect of a Floating Rate Master Issuer Note will be determined in the manner specified for such note in the applicable Final Terms.

(i) ISDA Determination for Floating Rate Master Issuer Notes

Where "ISDA Determination" is specified for such note in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated for such note in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (i), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent Bank or other person specified in the applicable Final Terms under an interest rate swap transaction if the Agent Bank or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (A) the Floating Rate Option is as specified for such note in the applicable Final Terms;
- (B) the Designated Maturity is the period specified for such note in the applicable Final Terms; and
- (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on LIBOR, USD-LIBOR, EURIBOR, AUD-BBR-BBSW, JPY-LIBOR or CDOR for a currency, the first day of that Interest Period, or (ii) in any other case, as specified for such note in the applicable Final Terms.

For the purposes of this subparagraph (i), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

(ii) Screen rate determination for Floating Rate Master Issuer Notes

Where **Screen Rate Determination** is specified for a Floating Rate Master Issuer Note in the applicable Final Terms as the manner in which the Rate of Interest is to be determined for such note, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. London time (in the case of LIBOR, USD-LIBOR or JPY-LIBOR), 10.15 a.m. Toronto time (in the case of CDOR), 11.00 a.m. Brussels time (in the case of EURIBOR) or 10:10 a.m. Sydney time (in the case of AUD-BBR-BBSW) (the **Specified Time**) on the Determination Date in question plus or minus the Margin (if any), all as determined by the Agent Bank. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the

lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent Bank for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of clause (ii)(A), no offered quotation appears or, in the case of clause (ii)(B), fewer than three offered quotations appear, in each case as at the Specified Time, the Agent Bank shall request each of the Reference Banks to provide the Agent Bank with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent Bank with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent Bank.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent Bank with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent Bank determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent Bank by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR, USD-LIBOR or JPY-LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Canadian inter-bank market (if the Reference Rate is CDOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent Bank with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Master Issuer suitable for the purpose) informs the Agent Bank it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR, USD-LIBOR or JPY-LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Canadian inter-bank market (if the Reference Rate is CDOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

(c) *Minimum rate of interest and/or maximum rate of interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for a Floating Rate Master Issuer Note for any Interest Period, then, in the event that the Rate of Interest for such note in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such note for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for such note for any Interest Period, then, in the event that the Rate of Interest for such note in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such note for such Interest Period shall be such Maximum Rate of Interest.

(d) *Determination of rate of interest and calculation of interest amounts*

The Agent Bank will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period (provided that no provision of these Conditions or the Paying Agent and Agency Bank Agreement shall require an Agent to do anything which may be illegal or contrary to applicable law or regulation).

The Agent Bank will calculate the amount of interest payable on the Floating Rate Master Issuer Notes in respect of each Specified Denomination (each an **Interest Amount**) for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Principal Amount Outstanding of each Master Issuer Note, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Day Count Fraction means, in respect of the calculation of an amount of interest for a Floating Rate Master Issuer Note in accordance with this **Condition 5.2(d)** for any Interest Period:

- (i) if **Actual/365** or **Actual/Actual (ISDA)** is specified for such note in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
 - (ii) if **Actual/365 (Fixed)** is specified for such note in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
 - (iii) if **Actual/365 (Sterling)** is specified for such note in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of a Interest Payment Date falling in a leap year, 366;
 - (iv) if **Actual/360** is specified for such note in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
 - (v) if **30/360**, **360/360** or **Bond Basis** is specified for such note in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with twelve 30-day months (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
 - (vi) if **30E/360** or **Eurobond Basis** is specified for such note in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with twelve 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Final Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).
- (e) *Notification of rate of interest and interest amounts*

The Agent Bank will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Note Trustee, the Master Issuer Security Trustee, the Master Issuer Cash Manager, the Paying Agents, the Registrar and to any stock exchange or other relevant competent authority or quotation system on which the relevant Floating Rate Master Issuer Notes are for the time being listed, quoted and/or traded or by which they have been admitted to listing and to be published in accordance with **Condition 12.10** as soon as possible after their determination but in no event later than the fourth Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. Any such amendment or alternative arrangements will be promptly notified to the Note Trustee and each stock exchange or other relevant authority on which the relevant Floating Rate Master Issuer Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with **Condition 12.10**.

(f) *Determination or calculation by Note Trustee*

13.4.8

If for any reason at any relevant time, the Agent Bank or, as the case may be, the Calculation Agent defaults in its obligation to determine the Rate of Interest for a Floating Rate Master Issuer Note or the Agent Bank defaults in its obligation to calculate any Interest Amount for such note in accordance with **subparagraph (b)(i) or (ii)** above or as otherwise specified for such note in the applicable Final Terms, as the case may be, and in each case in accordance with **Condition 5.2(d)**, the Note Trustee may determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified for such note in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Note Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent Bank or the Calculation Agent, as the case may be.

(g) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this **Condition 5.2**, whether by the Agent Bank or the Calculation Agent or the Note Trustee shall (in the absence of wilful default, bad faith or manifest error) be binding on the Master Issuer, the Master Issuer Cash Manager, the Principal Paying Agent, the Calculation Agent, the other Paying Agents, the Note Trustee and all Noteholders and (in the absence of wilful default or bad faith) no liability to the Master Issuer or the Noteholders shall attach to the Agent Bank or the Calculation Agent or the Note Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 *Accrual of interest*

Interest (if any) will cease to accrue on each Master Issuer Note (or in the case of the redemption of part only of a Master Issuer Note, that part only of such note) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused in which event, interest will continue to accrue until the earlier of:

- (a) the date on which all amounts due in respect of such note have been paid; and
- (b) the seventh day after notice is duly given by the Principal Paying Agent or the U.S. Paying Agent (as the case may be) to the Holder thereof that such payment will be made, provided that subsequently, payment is in fact made.

5.4 *Deferred interest*

To the extent that, subject to and in accordance with the relevant Master Issuer Priority of Payments, the funds available to the Master Issuer to pay interest on any Series and Class (or Sub-Class) of Master Issuer Notes (other than the most senior Class (or Sub-Class) of Master Issuer Notes of any Series then outstanding) on an Interest Payment Date (after discharging the Master Issuer's liabilities of a higher priority) are insufficient to pay the full amount of such interest, payment of the shortfall attributable to such Series and Class (or Sub-Class) of Master Issuer Notes (**Deferred Interest**) will not then fall due but will instead be deferred until the first Interest Payment Date for such notes thereafter on which sufficient funds are available (after allowing for the Master Issuer's liabilities of a higher priority and subject to and in accordance with the relevant Master Issuer Priority of Payments) to fund the payment of such Deferred Interest to the extent of such available funds.

Such Deferred Interest will accrue interest (**Additional Interest**) at the rate of interest applicable from time to time to the applicable Series and Class (or Sub-Class) of Master Issuer Notes and payment of any Additional Interest will also be deferred until the first Interest Payment Date for such notes thereafter on which funds are available (after allowing for the Master Issuer's liabilities of a higher priority subject to and in accordance with the relevant Master Issuer Priority of Payments) to the Master Issuer to pay such Additional Interest to the extent of such available funds.

Amounts of Deferred Interest and Additional Interest shall not be deferred beyond the Final Maturity Date of the applicable Series and Class (or Sub-Class) of Master Issuer Notes, when such amounts will become due and payable.

Payments of interest due on an Interest Payment Date in respect of the most senior Class of Master Issuer Notes of any Series then outstanding will not be deferred. In the event of the delivery of a Note Enforcement Notice (as described in **Condition 10**), the amount of interest in respect of such Master Issuer Notes that was due but not paid on

such Interest Payment Date will itself bear interest at the applicable rate until both the unpaid interest and the interest on that interest are paid as provided in the Trust Deed.

5.5 Interest Where There is an Increase Amount of a Class Z Variable Funding Note

If, in the Floating Interest Period immediately preceding an Interest Payment Date, there has been a subscription of an Increase Amount in respect of a Class Z Variable Funding Note pursuant to **Condition 6.10** below, the Interest payable shall be determined as the sum of:

(a) the interest determined as being payable in respect of the Class Z Variable Funding Note as if the Principal Amount Outstanding were the Principal Amount Outstanding of the Class Z Variable Funding Note at the beginning of such Floating Interest Period; plus

(b) the interest determined as being payable in respect of each Increase Amount made in such Floating Interest Period calculated on the basis set out in **Condition 5.2** as if references in **Condition 5.2** to the Principal Amount Outstanding in respect of such Class Z Variable Funding Note were to the Increase Amount and the Floating Interest Period in respect of such Increase Amount commenced on the Increase Date. The Rate of Interest in respect of any Increase Amount made on an Increase Date which is not an Interest Payment Date shall be the same rate as that determined in respect of the Principal Amount Outstanding of the Class Z Variable Funding Note immediately prior to such Increase Date or such other rate as may be specified in the applicable Final Terms in respect of such Class Z Variable Funding Note.

In all other cases, the interest payable in respect of each Class Z Variable Funding Note shall be determined pursuant to **Condition 5.2** above.

6. Redemption, Purchase and Cancellation

6.1 Final Redemption

Unless previously redeemed in full as provided in this **Condition 6**, the Master Issuer shall redeem a Series and Class (or Sub-Class) of Master Issuer Notes at their then Principal Amount Outstanding together with all accrued interest on the Final Maturity Date in respect of such Series and Class (or Sub-Class) of Master Issuer Notes.

The Master Issuer may not redeem such notes in whole or in part prior to their Final Maturity Date except as provided in **Conditions 6.2, 6.4 or 6.5**, but without prejudice to **Condition 10**.

6.2 Mandatory Redemption

On each Interest Payment Date, other than an Interest Payment Date on which a Series and Class (or Sub-Class) of Master Issuer Notes are to be redeemed under **Condition 6.1 above**, and **Conditions 6.4 and 6.5 below** and the Master Issuer shall repay principal in respect of such notes in an amount equal to the amount (if any) repaid on such Interest Payment Date in respect of the related Term Advance, and pursuant to, the Master Intercompany Loan Agreement converted, where the Specified Currency for such notes is not sterling, into the Specified Currency at the Specified Currency Exchange Rate for such notes.

To the extent that there are insufficient funds available to the Master Issuer to repay the amount due to be paid on such Interest Payment Date the Master Issuer will be required to repay the shortfall, to the extent that it receives funds therefor (and subject to the terms of the Master Issuer Deed of Charge and the Master Issuer Cash Management Agreement) on subsequent Interest Payment Dates in respect of such notes.

6.3 Note Principal Payments, Principal Amount Outstanding and Pool Factor

The principal amount redeemable (the **Note Principal Payment**) in respect of each Master Issuer Note of a particular Series and Class (or Sub-Class) on any Interest Payment Date under **Condition 6.2** shall be a proportion of the amount required as at that Interest Payment Date to be applied in redemption of such Series and Class (or Sub-Class) of Master Issuer Notes on such date equal to the proportion that the Principal Amount Outstanding of the relevant Master Issuer Note bears to the aggregate Principal Amount Outstanding of such Series and Class (or Sub-Class) of Master Issuer Notes rounded down to the nearest sub-unit of the Specified Currency; provided always that no such Note Principal Payment may exceed the Principal Amount Outstanding of the relevant Master Issuer Note.

On each Note Determination Date the Master Issuer shall determine (or cause the Agent Bank to determine) (a) the amount of any Note Principal Payment payable in respect of each Master Issuer Note of the relevant Series and

Class (or Sub-Class) on the immediately following Interest Payment Date and (b) the Principal Amount Outstanding of each such note which shall be the Specified Denomination plus (in the case of each Class Z Variable Funding Note) the aggregate of all relevant Increase Amounts, less the aggregate amount of all Note Principal Payments in respect of such note that has been paid since the relevant Closing Date and on or prior to that Note Determination Date (the **Principal Amount Outstanding**) and (c) the fraction expressed as a decimal to the fifth decimal point (the **Pool Factor**), of which the numerator is the Principal Amount Outstanding of such note (as referred to in (b) above) and the denominator is the Specified Denomination. Each determination by or on behalf of the Master Issuer of Note Principal Payment of a Master Issuer Note, the Principal Amount Outstanding of a Master Issuer Note and the Pool Factor shall in each case (in the absence of wilful default, bad faith or manifest error) be final and binding on all persons.

The Master Issuer will cause each determination of the Note Principal Payment and the Principal Amount Outstanding and the Pool Factor in respect of a Series and Class (or Sub-Class) of Master Issuer Notes to be notified forthwith, and in any event not later than 1.00 p.m. (London time) on the Business Day immediately succeeding the Note Determination Date, to the Note Trustee, the Master Issuer Security Trustee, the Paying Agents, the Agent Bank, the Registrar and (for so long as such notes are listed on one or more stock exchanges) the relevant stock exchanges, and will cause notice of each determination of the Note Principal Payment and the Principal Amount Outstanding to be given to Noteholders in accordance with **Condition 12.10** by no later than the Business Day after the relevant Interest Payment Date.

If the Master Issuer does not at any time for any reason determine (or cause the Agent Bank to determine) a Note Principal Payment, the Principal Amount Outstanding or the Pool Factor in accordance with the preceding provisions of this **Condition 6.3**, such Note Principal Payment and/or Principal Amount Outstanding and/or Pool Factor may be determined by the Note Trustee in accordance with this **Condition 6.3** in the manner the Note Trustee in its discretion considers fair and reasonable in the circumstances, having regard to this **Condition 6.3**, and each such determination or calculation shall be deemed to have been made by the Master Issuer. Any such determination shall (in the absence of wilful default, bad faith or manifest error) be binding on the Master Issuer, the Agent Bank and the Noteholders.

6.4 Optional Redemption in Full

Provided a Note Enforcement Notice has not been served and subject to the provisos below, upon giving not more than 60 nor less than 30 days' prior notice to the Note Trustee, the Noteholders and the relevant Master Issuer Swap Provider(s) in accordance with **Condition 12.10**, the Master Issuer may redeem a Series and Class (or Sub-Class) of Master Issuer Notes at their aggregate Redemption Amount together with any accrued and unpaid interest in respect thereof on the following dates:

- (a) the date specified as the Step-Up Date for such notes in the applicable Final Terms and on any Interest Payment Date for such notes thereafter; or
- (b) on any Interest Payment Date on which the aggregate Principal Amount Outstanding of such notes and all other Classes of Master Issuer Notes of the same Series is less than 10 per cent. of the aggregate Principal Amount Outstanding of such Series of Master Issuer Notes as at the Closing Date on which such Series of Master Issuer Notes were issued,
- (c) the date specified as the Optional Redemption Date for such notes in the applicable Final Terms and on each Interest Payment Date for such notes thereafter,

PROVIDED THAT (in either of the cases above), on or prior to giving any such notice, the Master Issuer shall have provided to the Note Trustee a certificate signed by two directors of the Master Issuer to the effect that (i) it will have the funds, not subject to any interest of any other person, required to redeem such notes as aforesaid and any amounts required to be paid in priority to or *pari passu* with such notes outstanding in accordance with the terms and conditions of the Master Issuer Deed of Charge and the Master Issuer Cash Management Agreement and (ii) the Repayment Tests will be satisfied following the making of such redemptions and the Note Trustee shall be entitled to accept such certificate as sufficient evidence thereof in which event it shall be conclusive and binding on the Noteholders and all other persons.

6.5 Optional Redemption for Tax and other Reasons

Provided a Note Enforcement Notice has not been served, if the Master Issuer at any time satisfies the Note Trustee immediately prior to the giving of the notice referred to below that on the next Interest Payment Date either:

- (a) the Master Issuer would by virtue of a change in the law or regulations of the United Kingdom or any other jurisdiction (or the application or interpretation thereof) be required to deduct or withhold from any payment of principal or interest or any other amount under a Series and Class (or Sub-Class) of Master Issuer Notes any amount for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature (other than where the relevant Holder or beneficial owner has some connection with the relevant jurisdiction other than the holding of the Master Issuer Notes); or
- (b) Funding would be required to deduct or withhold from amounts due in respect of the Term Advance under the Master Intercompany Loan Agreement which was funded by such notes any amount for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature; and
- (c) in relation to either the events described in (a) and (b) above, such obligation of the Master Issuer or Funding (as the case may be) cannot be avoided by the Master Issuer or Funding (as the case may be) taking reasonable measures available to the Master Issuer or Funding (as the case may be),

then the Master Issuer shall use its reasonable endeavours to arrange the substitution of a company incorporated in another jurisdiction approved by the Note Trustee as principal debtor under such notes and/or as lender of such Term Advance as the case may be, upon the Note Trustee being satisfied that (1) such substitution will not be materially prejudicial to the interests of the Noteholders of any Series and Class, and (2) upon the Master Issuer Security Trustee being satisfied that (A) the position of the Master Issuer Secured Creditors will not thereby be adversely affected, and (B) such substitution would not require registration of any new security under United States securities laws or materially increase the disclosure requirements under United States law or the costs of issuance. Only if the Master Issuer is unable to arrange a substitution will the Master Issuer be entitled to redeem the Master Issuer Notes as described in this **Condition 6.5**.

Subject to the proviso below, if the Master Issuer is unable to arrange a substitution as described above and, as a result, one or more of the events described in (a) and (b) above (as the case may be) is continuing, then the Master Issuer may, having given not more than 60 nor less than 30 days' notice to the Note Trustee, the Noteholders and the relevant Master Issuer Swap Provider(s) in accordance with **Condition 12.10**, redeem all (but not some only) of such notes on the immediately succeeding Interest Payment Date for such notes at their aggregate Redemption Amount together with any accrued and unpaid interest in respect thereof provided that (in either case), prior to giving any such notice, the Master Issuer shall have provided to the Note Trustee:

- (i) a certificate signed by two directors of the Master Issuer stating the circumstances referred to in (a) or (b) and (c) above prevail and setting out details of such circumstances; and
- (ii) an opinion in form and substance satisfactory to the Note Trustee of independent legal advisors of recognised standing to the effect that the Master Issuer and/or Funding has or will become obliged to deduct or withhold such amounts as a result of such change or amendment.

The Note Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the circumstance set out in (a) or (b) and (c) above, in which event they shall be conclusive and binding on the Noteholders. The Master Issuer may only redeem such notes as aforesaid, if on or prior to giving such notice, the Master Issuer shall have provided to the Note Trustee a certificate signed by two directors of the Master Issuer to the effect that it will have the funds, not subject to any interest of any other person, required to redeem such notes as aforesaid and any amounts required to be paid in priority to or *pari passu* with such notes outstanding in accordance with the terms and conditions of the Master Issuer Deed of Charge and the Master Issuer Cash Management Agreement and the Note Trustee shall be entitled to accept such certificate as sufficient evidence thereof in which event it shall be conclusive and binding on the Noteholders and all other persons.

In addition to the foregoing, if, at any time, the Master Issuer delivers a certificate to Funding, the Note Trustee and the Master Issuer Security Trustee to the effect that it would be unlawful for the Master Issuer to make, fund or allow to remain outstanding a Term Advance made by it under the Master Intercompany Loan Agreement and stating that the Master Issuer may require Funding to prepay the relevant Term Advance on an Interest Payment Date subject to and in accordance with the provisions of the Master Intercompany Loan Agreement to the extent necessary to cure such illegality and the Master Issuer may redeem all (but not some only) of the relevant Master Issuer Notes at their Redemption Amount together with any accrued interest upon giving not more than 60 days' nor less than 30 days' (or

such shorter period as may be required under any relevant law) prior written notice to the Master Issuer Security Trustee, the Note Trustee, the relevant Master Issuer Swap Provider(s) and the Noteholders in accordance with **Condition 12.10** provided that, prior to giving any such notice, the Master Issuer shall have provided to the Note Trustee a certificate signed by two directors of the Master Issuer to the effect that it will have the funds, not subject to the interest of any other person, required to redeem the Master Issuer Notes as provided above and any amount to be paid in priority to or *pari passu* with the Master Issuer Notes and the Note Trustee shall be entitled to accept such certificate as sufficient evidence thereof in which event it shall be conclusive and binding on the Noteholders and all other persons. Such monies received by the Master Issuer shall be used to redeem the relevant Master Issuer Notes in full, together with any accrued and unpaid interest on the equivalent Interest Payment Date.

6.6 Redemption Amounts

For the purposes of this **Condition 6.6, Redemption Amount** means, in respect of any Series and Class (or Sub-Class) of Master Issuer Notes, the amount specified in relation to such notes in the applicable Final Terms or, if not so specified:

- (a) in respect of each Master Issuer Note (other than a Zero Coupon Master Issuer Note), the Principal Amount Outstanding of such note; and
- (b) in respect of each Zero Coupon Master Issuer Note, an amount (the **Amortised Face Amount**) calculated in accordance with the following formula:

$$\text{Redemption Amount} = \text{RP} \times (1 + \text{AY}) \times y$$

where:

RP = the Reference Price;

AY = the Accrual Yield expressed as a decimal; and

y = a fraction, the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the first Closing Date of the applicable Series and Class (or Sub-Class) of Master Issuer Notes to (but excluding) the date fixed for redemption or, as the case may be, the date upon which such note becomes due and payable and the denominator of which is 360.

If the amount payable in respect of any Zero Coupon Master Issuer Note upon redemption of such Zero Coupon Master Issuer Note pursuant to Condition 6.1, 6.2, 6.4 or 6.5 or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such note shall be the amount calculated as provided in this paragraph as though the reference therein to the date fixed for the redemption or, as the case may be, the date upon which such note becomes due and payable were replaced by reference to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such note have been paid; and
- (ii) the date on which the full amount of the monies payable in respect of such note has been received by the Principal Paying Agent or the Note Trustee or the Registrar and notice to that effect has been given to the Noteholders in accordance with **Condition 12.9**.

6.7 Money Market Note Mandatory Transfer

- (a) If remarketing arrangements are specified as applicable in the relevant Final Terms in relation to a Series and Class (or Sub-Class) of Money Market Notes, such Money Market Notes shall, subject to paragraph (c) below, be transferred in accordance with paragraph (b) below on each Transfer Date prior to the occurrence of a Mandatory Transfer Termination Event, as confirmed by the Remarketing Bank providing a Conditional Purchase Confirmation to the Master Issuer and the Principal Paying Agent, in exchange for payment of the Transfer Price and the Master Issuer and the Principal Paying Agent will procure payment of the Transfer Price to the Noteholders of the Money Market Notes on the relevant Transfer Date.

- (b) Subject to paragraphs (a) above and (c) below, all the interests of the Noteholders of the Money Market Notes in the Money Market Notes shall be transferred on the relevant Transfer Date to the account of the Remarketing Bank on behalf of the relevant purchasers or as otherwise notified by or on behalf of the Remarketing Bank prior to such date or if Money Market Notes in definitive form are then issued, the Money Market Notes will be registered in the name of the Remarketing Bank or as otherwise notified by or on behalf of the Remarketing Bank by the Registrar and the Register will be amended accordingly with effect from the relevant Transfer Date.
- (c) Any Noteholder of a Money Market Note may exercise his right to retain such Money Market Note through the facilities of DTC at any time prior to the commencement of the Remarketing Period that ends immediately before the relevant Transfer Date.

6.8 Optional Purchase

- (a) If specified in the relevant Final Terms, Santander UK has the right (the **Purchase Option**), by delivering a notice to the relevant Noteholders, the Registrar and the Note Trustee pursuant to the Santander UK Optional Purchase Agreement, to require the relevant Noteholders, subject to and in accordance with any applicable conditions specified in the relevant Final Terms, to sell to Santander UK or otherwise allow Santander UK to be substituted as the Holder of all, but not some only, of the Class B Notes and/or the Class M Notes and/or the Class C Notes and/or the Class Z Notes as so specified (collectively the **Called Notes**) on any Interest Payment Date (prior to the date specified in the Final Terms (the **Final Purchase Date**) or such later date as may be permitted by the UKLA) falling on or after the Interest Payment Date (the **Initial Purchase Date**) specified in the applicable Final Terms (if any) for a price equal to the aggregate redemption amount of any of the Called Notes, together with any accrued and unpaid interest on the Called Notes and, on the date therefor specified in the notice (being an Interest Payment Date falling on or after the Initial Purchase Date), the Registrar shall effect the transfer to Santander UK of such Called Notes by entering such transfer in the Register.
- (b) Immediately after such transfer or substitution of Santander UK as the Holder of the Called Notes, each former Holder of the Called Notes shall cease to have any interest in the Called Notes.
- (c) The Called Notes transferred to Santander UK pursuant to the Purchase Option shall, subject as provided in the Transaction Documents, remain outstanding until the date on which they would otherwise be redeemed or cancelled in accordance with their terms and conditions.
- (d) By subscribing to or purchasing the Called Notes, each Holder of the Called Notes (i) is deemed to have notice of and be bound by the provisions of the Santander UK Optional Purchase Agreement and (ii) directs, authorises and requests the Note Trustee to enter into the Santander UK Optional Purchase Agreement. Each Holder of Called Notes also irrevocably authorises and instructs the Master Issuer, the Registrar, DTC, Euroclear or, as the case may be, Clearstream, Luxembourg to effect the transfer of its Called Notes on the relevant Interest Payment Date to Santander UK, in accordance with the relevant Final Terms and the rules for the time being of DTC, Euroclear or, as the case may be, Clearstream, Luxembourg.

6.9 Optional Redemption in Part

Noteholders will not be charged commissions or expenses on payments.

7.3 Payment of Interest following a failure to pay Principal

7.6 *Partial Payment*

If a Paying Agent makes a partial payment in respect of any Master Issuer Note, the Master Issuer shall procure and the Registrar will ensure that the amount and date of such payment are noted on the Register and, in the case of partial payment upon presentation of a Master Issuer Note, that a statement indicating the amount and date of such payment is endorsed on the relevant Master Issuer Note.

In this **Condition 8**, the **relevant date**, in respect of a payment under a Master Issuer Note, is the date on which the payment in respect thereof first becomes due or (if the full amount of the monies payable in respect of those payments under all the Master Issuer Notes due on or before that date has not been duly received by the Principal Paying Agent or the Note Trustee on or prior to such date) the date on which, the full amount of such monies having been so received, notice to that effect is duly given to Noteholders in accordance with **Condition 12.10**.

9. Taxation

All payments in respect of the Master Issuer Notes will be made without withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature unless the Master Issuer or any relevant Paying Agent is required by applicable law to make any payment in respect of the Master Issuer Notes subject to any such withholding or deduction. In that event, the Master Issuer or such Paying Agent shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount so required to be withheld or deducted. The Note Trustee may, at its discretion and without notice at any time and from time to time, take such steps or actions and institute such proceedings against the Master Issuer or any other person as it may think fit to enforce the provisions of the Master Issuer Notes, the Trust Deed (including these Conditions) or any of the other Master Issuer Transaction Documents to which it is a party and the Note Trustee may, at its discretion without notice, at any time after the Master Issuer Security has become enforceable (including after the service of a Note Enforcement Notice in accordance with **Condition 10**), instruct the Master Issuer Security Trustee to take such steps as it may think fit to enforce the Master Issuer Security. The Note Trustee shall not be bound to take such steps or institute such proceedings or give such instructions unless:

- (a) (subject in all cases to restrictions contained in the Trust Deed to protect the interests of any higher ranking Class of Noteholders) it shall have been so directed by an Extraordinary Resolution of the Class A Noteholders, the Class B Noteholders, the Class M Noteholders, the Class C Noteholders and the Class Z Noteholders (which for this purpose means the Holders of all Series of the Class A Notes, the Class B Notes, the Class M Notes, the Class C Notes or the Class Z Notes (as applicable)) or so requested in writing by the Holders of at least 25 per cent. in aggregate Principal Amount Outstanding of the Class A Notes, the Class B Notes, the Class M Notes, the Class C Notes and the Class Z Notes (as applicable) of all Series then outstanding; and
- (b) it shall have been indemnified and/or secured to its satisfaction.

Amounts available for distribution after enforcement of the Master Issuer Security shall be distributed in accordance with the terms of the Master Issuer Deed of Charge.

No Noteholder shall be entitled to proceed directly against the Master Issuer unless the Note Trustee or the Master Issuer Security Trustee (as the applicable), having become bound so to do, fails to do so within a reasonable period and such failure shall be continuing, provided that no Class B Noteholder, Class M Noteholder, Class C Noteholder or Class Z Noteholder will be entitled to commence proceedings for the winding-up or administration of the Master Issuer at any time unless:

- there are no outstanding Master Issuer Notes of a Class with higher priority; or

- there is no Master Issuer Security remaining which is capable of being realised or otherwise converted into cash;
- all amounts available from the Master Issuer Security have been applied to meet or provide for the relevant obligations specified in, and in accordance with, the provisions of the Master Issuer Deed of Charge; and

respect of the Master Issuer Notes) and such unpaid amounts shall be deemed to be discharged in full and any relevant payment rights shall be deemed to cease.

In respect of the Class Z Notes, the Trust Deed provides that, subject to **Condition 12.2**:

- (i) a resolution which, in the opinion of the Note Trustee, affects the interests of the Holders of the Class Z Notes of one Sub-Class or Series (as the case may be) only shall be deemed to have been duly passed if passed at a meeting of the Holders of the Class Z Notes of that Sub-Class or Series (as the case may be);
- (ii) a resolution which, in the opinion of the Note Trustee, affects the interests of the Holders of the Class Z Notes of any two or more Sub-Classes or Series (as the case may be) but does not give rise to a conflict of interest between the Holders of any such two or more Sub-Classes or Series (as the case may be) of Class Z Notes, shall be deemed to have been duly passed if passed at a single meeting of the Holders of such two or more Sub-Classes or Series (as the case may be) of Class Z Notes; and
- (iii) a resolution which, in the opinion of the Note Trustee, affects the interests of the Holders of the Class Z Notes of any two or more Sub-Classes or Series (as the case may be) and gives or may give rise to a conflict of interest between the Holders of any such Sub-Classes or Series (as the case may be) of Class Z Notes, shall be deemed to have been duly passed only if, in lieu of being passed at a single meeting of the Holders of such two or more Sub-Classes or Series (as the case may be) of Class Z Notes, it shall be duly passed at a separate meeting of the Holders of each such Sub-Class or Series (as the case may be) of Class Z Notes.

In the case of a single meeting of the Holders of the Class Z Notes of any two or more Sub-Classes or Series (as the case may be) which are not all denominated in the same currency, the Principal Amount Outstanding of any Class Z Note denominated in a currency other than sterling shall be converted into sterling at the relevant swap rate.

The Trust Deed contains provisions similar to those in the preceding two paragraphs in relation to requests in writing from Class Z Noteholders upon which the Note Trustee or, as the case may be, the Master Issuer Security Trustee is bound to act.

The quorum for any meeting of the Holders of any Series and Class (or Sub-Class) of Master Issuer Notes or of any Class of Master Issuer Notes of more than one Series convened to consider a resolution (except for the purpose of passing an Extraordinary Resolution or a Programme Resolution) will be one or more persons holding or

representing not less than 50 per cent. of the aggregate Principal Amount Outstanding then outstanding of such Series and Class (or Sub-Class) of Master Issuer Notes or such Class of Master Issuer Notes of more than one Series or, at any adjourned meeting, one or more persons being or representing Noteholders of such Series and Class (or Sub-Class) of Master Issuer Notes or such Class of Master Issuer Notes of more than one Series, whatever the aggregate Principal Amount Outstanding then outstanding of the relevant Master Issuer Notes so held or represented. A **resolution** means a resolution (excluding an Extraordinary Resolution or a Programme Resolution) passed at a meeting of Noteholders duly convened and held in accordance with the provisions of the Trust Deed by a simple majority of the persons voting thereat upon a show of hands or if a poll is duly demanded by a simple majority of the votes cast on such poll.

Subject to the following paragraph, the quorum at any meeting of the Holders of any Series or Class (or Sub-Class) of Master Issuer Notes or of any Class of Master Issuer Notes of more than one Series of Master Issuer Notes convened to consider the passing of an Extraordinary Resolution (including, for the avoidance of doubt, a Programme Resolution (as defined in **Condition 12.2**)) shall (subject as provided below) be one or more persons holding or representing not less than 50 per cent. of the aggregate principal amount outstanding of the Master Issuer Notes of the relevant Series and Class (or Sub-Class) or of the Class of Master Issuer Notes of more than one Series of Master Issuer Notes or, at any adjourned and reconvened meeting, not less than one or more persons being or representing Noteholders whatever the principal amount outstanding of the Master Issuer Notes of the relevant Series and Class (or Sub-Class) or of the Class of Master Issuer Notes of more than one Series of Master Issuer Notes.

The quorum at any meeting of the Holders of any Series and Class (or Sub-Class) of Master Issuer Notes or of any Class of Master Issuer Notes of more than one Series of Master Issuer Notes convened to consider an Extraordinary Resolution which includes the sanctioning of a modification which would have the effect of altering the amount or timing of payments of principal on the Master Issuer Notes of such Series and Class (or Sub-Class) or of such Class or the rate, the day or the timing of payments of interest thereon or of the currency of payment of the Master Issuer Notes of such Series and Class (or Sub-Class) or of such Class or altering the priority of payments or altering the quorum or majority required in relation to any resolution (each, a **Basic Terms Modification**, as more fully defined in the Trust Deed), shall be one or more persons holding or representing not less than 75 per cent. of the aggregate Principal Amount Outstanding then outstanding of the Master Issuer Notes of the relevant Series and Class (or Sub-Class) or of the Class of Master Issuer Notes of more than one Series of Master Issuer Notes or, at any adjourned and reconvened meeting, 25 per cent. of the aggregate Principal Amount Outstanding then outstanding of the Master Issuer Notes of the relevant Series and Class (or Sub-Class).

An Extraordinary Resolution passed at any meeting of Noteholders shall be binding on all of the Noteholders of the relevant Series and Class (or Sub-Class) or of the Class of Master Issuer Notes of more than one Series of Master Issuer Notes whether or not they are present or represented at the meeting.

A resolution signed by or on behalf of all the Noteholders of the relevant Series and Class (or Sub-Class) or of the relevant Class of more than one Series of Master Issuer Notes who for the time being are entitled to receive notice of a meeting under the Trust Deed shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Holders of such Series and Class (or Sub-Class) or of the relevant Class of more than one Series of Master Issuer Notes.

12.2 Programme Resolution

Notwithstanding the provisions of **Condition 12.1**, any Extraordinary Resolution of the Noteholders of any Class to direct the Note Trustee to give a Note Enforcement Notice pursuant to **Condition 10** or take any enforcement action or instruct the Master Issuer Security Trustee to enforce the Master Issuer Security pursuant to **Condition 11** (a **Programme Resolution**) shall only be capable of being passed at a single meeting of the Noteholders of all Series of such Class of Master Issuer Notes. The quorum at any such meeting for passing a Programme Resolution shall be one or more persons holding or representing not less than 50 per cent. of the aggregate Principal Amount Outstanding then outstanding of the Master Issuer Notes of such Class or, at any adjourned and reconvened meeting, one or more persons being or representing Master Issuer Noteholders of such Class of Master Issuer Notes, whatever the aggregate Principal Amount Outstanding of such Class of Master Issuer Notes so held or represented by them.

 - (iv) agree to any modification of any of these Conditions or any Master Issuer Transaction Documents as expressly provided for in the Master Issuer Transaction Documents.
- (b) Subject as provided in the Trust Deed, the Note Trustee shall be obliged, without the consent or sanction of the Noteholders, to concur with the Master Issuer, and to direct the Master Issuer Security Trustee and the Security Trustee to concur with the Master Issuer, in making any modification (other than a Basic Terms Modification, provided that a Base Rate Modification (as defined below) shall not constitute a Basic Terms Modification) of these Conditions or any of the Transaction Documents that the Master Issuer (acting on the advice of the Master Issuer Cash Manager) considers necessary for the purpose of changing the screen rate or base rate (the **Applicable Base Rate**) that then applies in respect of the Floating Rate Master Issuer Notes, the Master Issuer Swap Agreements, the Master Issuer Term Advances, in each case, in relation only to Master Issuer Notes issued on or after 5 March 2018, and/or the Funding Swaps (such replacement rate, an **Alternative Base Rate**) and making such other related or consequential amendments as are necessary or advisable in the reasonable judgment of the Master Issuer and/or Funding (in each case, acting on the advice of the Master Issuer Cash Manager) to facilitate such change (a **Base Rate Modification**), provided that, in relation to any such Base Rate Modification:

- (i) the Master Issuer (or the Master Issuer Cash Manager, acting on behalf of the Master Issuer) certifies to the Note Trustee in writing (such certificate, a **Base Rate Modification Certificate**) that such Base Rate Modification is being undertaken due to:
- (A) a material disruption to LIBOR, EURIBOR or any other relevant interest rate benchmark, an adverse change in the methodology of calculating such interest rate benchmark or such interest rate benchmark ceasing to exist or be published;
 - (B) the insolvency or cessation of business of the administrator of LIBOR, EURIBOR or any other relevant interest rate benchmark (in circumstances where no successor administrator has been appointed);
 - (C) a public statement by the administrator of LIBOR, EURIBOR or any other relevant interest rate benchmark that it has or will cease publishing the relevant interest rate benchmark permanently or indefinitely (in circumstances where no successor administrator has been appointed) or has or will change such interest rate benchmark in an adverse manner;
 - (D) a public statement by the supervisor of the administrator of LIBOR, EURIBOR or any other relevant interest rate benchmark that the relevant interest rate benchmark has been or will be permanently or indefinitely discontinued or will be changed in an adverse manner;
 - (E) a public statement by the supervisor of the administrator of LIBOR, EURIBOR or any other relevant interest rate benchmark that means the relevant interest rate benchmark may no longer be used or that its use is or will be subject to restrictions or adverse consequences;
 - (F) a public announcement of the permanent or indefinite discontinuation of the relevant screen rate or base rate that applies to the Floating Rate Master Issuer Notes at such time;
 - (G) it becoming unlawful for any Paying Agent, the Agent Bank, any calculation agent, the Master Issuer or the Master Issuer Cash Manager to calculate any payments due to be made to any Noteholder or any party to the Transaction Documents using the Applicable Base Rate; or
 - (H) the reasonable expectation of the Master Issuer (or the Master Issuer Cash Manager, acting on behalf of the Master Issuer) that any of the events specified in paragraphs (A) to (G) above will occur or exist within six months of the proposed effective date of such Base Rate Modification;
- (ii) such Alternative Base Rate is a base rate published, endorsed, approved or recognised by the Federal Reserve, the Bank of England or the European Central Bank, any regulator in the United States, the United Kingdom or the European Union or any stock exchange on which the Master Issuer Notes are listed (or any relevant committee or other body established, sponsored or approved by any of the foregoing);
- (iii) each of the Rating Agencies confirms in writing to the Issuer (copied to the Note Trustee) that the then current ratings of any Rated Notes will not be downgraded, withdrawn or qualified as a result of such Base Rate Modification (it being acknowledged that none of the Rating Agencies has any obligation to provide such confirmation at any time and that the confirmation of one of the Rating Agencies may be sufficient for that purpose; provided that (i) a written request for confirmation or response has been delivered to each Rating Agency by or on behalf of the Master Issuer (copied to the Note Trustee) and (ii) one or more Rating Agencies either (x) indicates it does not consider such confirmation or response necessary, or (y) provides no confirmation or response within a reasonable timeframe)); and
- (iv) the Seller or the Master Issuer pays all fees, costs and expenses (including legal fees) properly incurred by the Master Issuer, the Note Trustee and or any other Transaction Party in connection with such Base Rate Modification,

provided that:

- (x) at least 35 calendar days' prior written notice of any such proposed Base Rate Modification has been given to the Note Trustee;
- (y) the Base Rate Modification Certificate in relation to such Base Rate Modification shall be provided to the Note Trustee both at the time the Note Trustee is notified of the proposed Base Rate Modification and on the date that such Base Rate Modification takes effect; and
- (z) the Master Issuer Cash Manager, acting on behalf of the Master Issuer, certifies in writing to the Note Trustee (which certification may be in the Base Rate Modification Certificate) that the Master Issuer has provided at least 30 calendar days' notice to the Noteholders of the proposed Base Rate Modification in accordance with Condition 12.10 (Notice to Noteholders) and Noteholders representing at least 10 per cent. of the Aggregate Principal Amount Outstanding of the most senior Class of Floating Rate Master Issuer Notes then outstanding have not contacted the Master Issuer or the Principal Paying Agent (acting on behalf of the Master Issuer) in writing (or otherwise in accordance with the then current practice of any applicable clearing system through which such Floating Rate Master Issuer Notes may be held) within such notification period notifying the Master Issuer or the Principal Paying Agent (acting on behalf of the Master Issuer) that such Noteholders do not consent to the Base Rate Modification.

If Noteholders representing at least 10 per cent. of the Aggregate Principal Amount Outstanding of the most senior Class of Floating Rate Master Issuer Notes then outstanding have notified the Master Issuer or the Principal Paying Agent (acting on behalf of the Master Issuer) in writing (or otherwise in accordance with the then current practice of any applicable clearing system through which such Floating Rate Master Issuer Notes may be held) within the notification period referred to above that they do not consent to the Base Rate Modification, then such Base Rate Modification will not be made unless an Extraordinary Resolution of the Noteholders of the most senior Class of Floating Rate Master Issuer Notes then outstanding is passed in favour of such Base Rate Modification in accordance with this Condition 12.

Objections made other than through the applicable clearing system must be in writing and accompanied by evidence to the Note Trustee's satisfaction (having regard to prevailing market practices) of the relevant Noteholder's holding of the Master Issuer Notes.

Nothing in this paragraph (b) affects the rights of the Noteholders of Master Issuer Notes issued prior to 5 March 2018 in relation to amendments to the Funding Swaps.

Notwithstanding anything to the contrary in this Condition 12 or any Transaction Document, when implementing any Base Rate Modification pursuant to this Condition 12.5(b):

- (1) the Note Trustee shall not consider the interests of the Noteholders, any other Secured Creditor or any other person and shall act and rely solely, and without further enquiry or liability, on any certificate (including any Base Rate Modification Certificate) or evidence provided to it by the Master Issuer or the Master Issuer Cash Manager acting on behalf of the Master Issuer and shall not be liable to the Noteholders, any other Secured Creditor or any other person for so acting or relying, irrespective of whether any such Base Rate Modification is or may be materially prejudicial to the interests of any such person; and
- (2) the Note Trustee shall not be obliged to agree to any modification which, in the sole opinion of the Note Trustee, would have the effect of (i) exposing the Note Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protections, of the Note Trustee in the Master Issuer Transaction Documents and/or these Conditions.

For the avoidance of doubt, the Master Issuer (or the Master Issuer Cash Manager, acting on behalf of the Master Issuer) may propose an Alternative Base Rate on more than one occasion provided that the conditions set out in this Condition 12.5(b) are satisfied.

- (c) Without prejudice to (i) Clauses 19.1, 19.2, 19.3 and 19.4 of the Trust Deed and (ii) Clause 25.8 of the Funding Deed of Charge, subject to Clause 19.5(b) of the Trust Deed, the Note Trustee shall, without the consent of any holders of any Series or Class of Notes, be required to give its consent to any modifications to any Funding Agreement or the Master Definitions and Construction Schedule that are requested by Funding or the Cash Manager, provided that Funding or the Cash Manager, as the case may be, has certified to the Note Trustee in writing that such modifications are required in order to accommodate:
- (i) Master Issuer Notes to be issued and/or Master Issuer Term Advances to be made available by the Master Issuer to Funding under the Master Intercompany Loan Agreement;
 - (ii) the entry by Funding into New Intercompany Loan Agreements, the issue of new types of notes by New Issuers or the issue of notes by Funding directly;
 - (iii) the addition of other relevant Funding Secured Creditors to the Transaction Documents;
 - (iv) the assignment of New Loans or their Related Security to the Mortgages Trustee;
 - (v) amendments to the representations and warranties set out in Schedule 1 of the Mortgage Sale Agreement;
 - (vi) changes to the Funding Reserve Fund Required Amount, the Funding Liquidity Reserve Required Amount and/or the manner in which the Funding Reserve Fund or the Funding Liquidity Reserve Fund is funded;
 - (vii) different Interest Payment Dates and/or Interest Periods for any Master Issuer Notes to be issued by the Master Issuer (including modification of the Interest Payment Dates and/or Interest Periods and/or the basis for the calculation of interest in respect of any outstanding Master Issuer Notes) and/or different Interest Payment Dates and/or Interest Periods (including modification of the basis for the calculation of interest) in respect of any outstanding Master Issuer Term Advances under the Master Intercompany Loan Agreement, and consequential modifications in respect of (i) the amounts payable under, the rates for calculating the amounts payable under and the periods for payment and the dates for payment under the Funding Swap Agreement and (ii) the amounts payable under, the rates for calculating the amounts payable under and the periods for payment under and the dates for payment under the Master Issuer Swap Agreements; and/or
 - (viii) the Master Issuer to comply, with respect only to Master Issuer Notes to be issued on or after 27 August 2013, with any requirements which apply to it under European Regulation 648/2012 of 4 July 2012, known as the European Market Infrastructure Regulation (**EMIR**) and which accordingly will be mandatory under EMIR irrespective of whether such modifications are materially prejudicial to the interests of the Noteholders of any Series or Class of Master Issuer Notes or any other Master Issuer Secured Creditor and provided such modifications do not relate to a Basic Terms Modification. The Note Trustee shall not be obliged to agree to any modification pursuant to this Condition 12.5(c)(viii) which (in the sole opinion of the Note Trustee) would have the effect of (a) exposing the Note Trustee to any liability against which it has not been indemnified and/or secured and/or pre-funded to its satisfaction; and (b) increasing the obligations or duties, or decreasing the protections of the Note Trustee in the Transaction Documents and/or the Conditions of the Master Issuer Notes. The Noteholders and the Master Issuer Secured Creditors shall be deemed to have instructed the Note Trustee to concur with such EMIR amendments and shall be bound by them regardless of whether they are materially prejudicial to their interests.

Any modification, waiver, authorisation or determination made pursuant to this Condition 12.5 shall be binding on the Noteholders and, unless the Note Trustee agrees otherwise, any such modification shall be notified to the Noteholders and the Rating Agencies in accordance with **Condition 12.10** as soon as practicable thereafter.

12.6 Redenomination

The Note Trustee may agree, without the consent of the Holders of the Sterling Notes on or after the Specified Date (as defined below), to such modifications to the Sterling Notes and the Trust Deed in respect of redenomination of such Sterling Notes in euro and associated reconventioning, renominatisation and related matters in respect of such Sterling Notes as may be proposed by the Master Issuer (and confirmed by an independent financial institution

approved by the Note Trustee to be in conformity with then applicable market conventions) and to provide for redemption at the euro equivalent of the sterling principal amount of the Sterling Notes. For these purposes, **Specified Date** means the date on which the United Kingdom participates in the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended by the Treaty on European Union, or otherwise participates in European economic and monetary union in a manner with an effect similar to such third stage.

Any such modification shall be binding on the Holders of the Sterling Notes and, unless the Note Trustee agrees otherwise, any such modification shall be notified to such Noteholders in accordance with **Condition 12.10** as soon as practicable thereafter.

12.7 *Exercise of Note Trustee's or Master Issuer Security Trustee's Functions*

Where the Note Trustee or the Master Issuer Security Trustee is required, in connection with the exercise of its powers, trusts, authorities, duties and discretions under these Conditions or any Transaction Document, to have regard to the interests of the Noteholders of any Class, it shall have regard to the interests of such Noteholders as a class and, in particular but without prejudice to the generality of the foregoing, neither the Note Trustee nor the Master Issuer Security Trustee shall have regard to, or be in any way liable for, the consequences of such exercise for individual Noteholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any such exercise, neither the Note Trustee nor the Master Issuer Security Trustee shall be entitled to require, and no Noteholder shall be entitled to claim, from the Master Issuer or any other person, any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders.

12.8 *Indemnification of the Note Trustee and the Master Issuer Security Trustee*

The Trust Deed and the Master Issuer Deed of Charge set out certain provisions for the benefit of the Note Trustee and the Master Issuer Security Trustee. The following is a summary of such provisions and is subject to the more detailed provisions of the Trust Deed and the Master Issuer Deed of Charge.

The Master Issuer Transaction Documents contain provisions governing the responsibility (and relief from responsibility) of the Note Trustee and the Master Issuer Security Trustee, respectively, and providing for its indemnification in certain circumstances, including, among others, provisions relieving the Master Issuer Security Trustee from taking enforcement proceedings or enforcing the Master Issuer Security unless indemnified and/or secured to its satisfaction.

The Note Trustee and the Master Issuer Security Trustee and their related companies are entitled to enter into business transactions with the Master Issuer, the Master Issuer Cash Manager and/or the related companies of any of them and to act as note trustee or security trustee, for the holders of any new notes and/or any other person who is a party to any Master Issuer Transaction Document or whose obligations are comprised in the Master Issuer Security and/or any of their subsidiary or associated companies without accounting for any profit resulting therefrom.

Neither the Note Trustee nor the Master Issuer Security Trustee will be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Master Issuer Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Note Trustee and/or the Master Issuer Security Trustee, as applicable.

Furthermore, the Note Trustee and the Master Issuer Security Trustee will be relieved of liability for making searches or other inquiries in relation to the assets comprising the Master Issuer Security. The Note Trustee and the Master Issuer Security Trustee do not have any responsibility in relation to the legality and the enforceability of the trust arrangements and the related Master Issuer Security. Neither the Note Trustee nor the Master Issuer Security Trustee will be obliged to take any action that might result in its incurring personal liabilities. Neither the Note Trustee nor the Master Issuer Security Trustee is obliged to monitor or investigate the performance of any other person under the Master Issuer Transaction Documents and is entitled to assume, until it has actual knowledge to the contrary, that all such persons are properly performing their duties, unless it receives express notice to the contrary.

Neither the Note Trustee nor the Master Issuer Security Trustee will be responsible for any deficiency that may arise because it is liable to tax in respect of the proceeds of any Master Issuer Security.

12.9 Replacement of Master Issuer Notes

If Definitive Notes are lost, stolen, mutilated, defaced or destroyed, the Noteholder can replace them at the Specified Office of any Paying Agent subject to all applicable laws and stock exchange requirements. The Noteholder will be required both to pay the expenses of producing a replacement and to comply with the Master Issuer's, the Registrar's and the Paying Agent's reasonable requests for evidence and indemnity.

If a Global Note is lost, stolen, mutilated, defaced or destroyed, the Master Issuer will deliver a replacement Global Note to the registered holder upon receipt of satisfactory evidence and surrender of any defaced or mutilated Global Note. A replacement will only be made upon payment of the expenses for a replacement and compliance with the Master Issuer's, Registrar's and Paying Agents' reasonable requests as to evidence and indemnity.

Defaced or mutilated Master Issuer Notes must be surrendered before replacements will be issued.

12.10 Notice to Noteholders

(a) Publication of Notice

Any notice to Noteholders shall be validly given if such notice is:

- (i) published on the Relevant Screen; and
- (ii) for so long as the Master Issuer Notes are admitted to trading on the London Stock Exchange's Regulated Market and listed on the Official List of the Financial Conduct Authority, (A) published by delivery to the applicable clearing system, or (B) any notice shall also be published in accordance with the relevant listing rules and regulations.

(b) Date of Publication

Any notices so published shall be deemed to have been given on the fourth day after the date of posting, or as the case may be, on the date of such publication or, if published more than once on different dates, on the first date on which publication shall have been made in the newspaper or newspapers in which (or on the Relevant Screen on which) publication is required, or, in the case of notices provided pursuant to **Condition 12.10(a)** above, on the same day that such notice was delivered.

(c) Global Notes

While the Master Issuer Notes are represented by Global Notes, any notice to Noteholders will be valid if such notice is provided in accordance with **Condition 12.10(a)** or (at the option of the Master Issuer) if delivered to DTC (in the case of any Master Issuer Notes cleared through DTC) or to Euroclear and/or Clearstream, Luxembourg (in the case of the Master Issuer Notes cleared through Euroclear and/or Clearstream, Luxembourg) or (if specified in the applicable Final Terms) if delivered through an **Alternative Clearing System** specified therein. Any notice delivered to the DTC, Euroclear and/or Clearstream, Luxembourg and/or such Alternative Clearing System will be deemed to be given on the next day after such delivery.

(d) Note Trustee's Discretion to Select Alternative Method

The Note Trustee shall be at liberty to sanction some other method of giving notice to the Noteholders or any Series or Class or category of them having regard to market practice then prevailing and to the requirements of the stock exchanges on which the Master Issuer Notes are then admitted for trading and provided that notice of such other method is given to the Noteholders in such manner as the Note Trustee shall require.

13. Further Master Issuer Notes

13.1 Issuance of Further Master Issuer Notes

In respect of Master Issuer Notes issued after 27 June 2012, the Master Issuer may, without the consent of the Noteholders, raise further funds, from time to time, on any date by the creation and issue of further Master Issuer Notes (**Further Master Issuer Notes**) carrying the same terms and conditions in all respects (or in all respects except for the

Interest Commencement Date) as, and so that the same shall be consolidated and form a single series and rank *pari passu* with the relevant class of the Master Issuer Notes provided that:

- (a) the issuance tests have been satisfied (including written confirmation from S&P, Fitch and Moody's that the then current rating of the Rated Master Issuer Notes outstanding as of that time will not be reduced, withdrawn or qualified because of the new issue) as described in Clause 2.7 of the Trust Deed and the other Transaction Documents;
