EURO MEDIUM TERM NOTE PROGRAMME

Unconditionally and irrevocably guaranteed by

ABBEY NATIONAL plc
(INCORPORATED IN ENGLAND WITH LIMITED LIABILITY, REGISTERED NUMBER 2294747)

On 12th November, 1999, Abbey National Treasury Services plc, Abbey National Treasury International Limited and AN Structured Issues Limited (together, the "Original Issuers") established a U.S.\$15,000,000,000 Euro Medium Term Note Programme (the "Programme"). On 8th November, 2000 the Programme was amended to include Abbey National Funding plc (together with the Original Issuers, the "Issuers" and each an "Issuer") as an additional issuer under the Programme. Pursuant to the Programme, the Issuers may from time to time issue Notes (the "Notes") denominated in any currency as agreed between the relevant Issuer and the relevant Dealer (as defined below). This Information Memorandum supersedes all previous Information Memoranda and is valid for a period of 12 months from the date hereof. Any Notes issued under the Programme on or after the date of this Information Memorandum are issued subject to the provisions hereof. This does not affect any Notes already issued. Abbey National Treasury Services plc may issue any series of Notes through its head office or any other branch designated by it in the applicable Pricing Supplement (each a "Designated Branch").

The payment of all amounts payable in respect of the Notes will be unconditionally and irrevocably guaranteed by Abbey National plc (the "Guarantor"). Notes may be issued in bearer or registered form (respectively "Bearer Notes" and "Registered Notes"). The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme, when combined with the maximum aggregate nominal amount of notes outstanding from time to time under the U.S.\$15,000,000,000 Euro Medium Term Note Programme of Abbey National Treasury Services plc and Abbey National Treasury International Limited, guaranteed by Abbey National plc (the "Original Programme"), will not exceed U.S.\$15,000,000,000 (or its equivalent (the "Equivalent") in other currencies calculated as described herein), subject to increase as described herein.

The Notes may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional Dealer appointed under the Programme from time to time (each a "Dealer" and together the "Dealers"), which appointment may be for a specific issue or on an ongoing basis. References in this Information Memorandum to the "relevant Dealer" shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe such Notes.

Application has been made to the Financial Services Authority in its capacity as the UK Listing Authority (the "UK Listing Authority") for Notes issued under the Programme during the period of 12 months from the date of this Information Memorandum to be admitted to the official list maintained by the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading by the London Stock Exchange (which together, under the Listing Rules of the UK Listing Authority, will constitute official listing on the London Stock Exchange) and to the Luxembourg Stock Exchange for such Notes to be listed on the Luxembourg Stock Exchange. Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in a pricing supplement (the "Pricing Supplement") which, with respect to Notes listed on the Official List and to be admitted to trading by the London Stock Exchange and/or listed on the Luxembourg Stock Exchange, will be delivered to Listing Applications at the UK Listing Authority and the London Stock Exchange and/or the Luxembourg Stock Exchange, as the case may be, on or before the date of issue of the Notes of such Tranche.

The Programme provides that Notes may be listed on such other or further stock exchange(s) as may be agreed between the relevant Issuer, the Guarantor and the relevant Dealer and specified in the relevant Pricing Supplement. In particular, Notes denominated in Australian dollars and issued in the domestic Australian capital markets ("Australian Domestic Notes") may be listed on the Australian Stock Exchange Limited.

See "Risk Factors" for a discussion of certain factors to be considered in connection with an investment in Credit Linked, Equity Linked (each as defined herein) or other structured Notes which may be issued by AN Structured Issues Limited ("ANSIL") under the Programme.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, (the "Securities Act") and may not be offered or sold in the United States or to, or for the benefit of, U.S. persons unless the Notes are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available. Notes issued by ANSIL may not be offered or sold in the United States or to, or for the benefit of, U.S. persons. See "Form of the Notes" for a description of the manner in which Notes will be issued. Registered Notes are subject to certain restrictions on transfer - see "Subscription and Sale and Transfer and Selling Restrictions".

The relevant Issuer, the Guarantor and the Trustee (as defined herein) may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes to be listed on the Official List and to be admitted to trading by the London Stock Exchange or to be listed on the Luxembourg Stock Exchange) a supplementary Information Memorandum, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers or the Trustee as to the accuracy or completeness of the information contained or incorporated in this Information Memorandum or any other information provided by the Issuers or the Guarantor in connection with the Programme. No Dealer or the Trustee accepts any liability in relation to the information contained or incorporated by reference in this Information Memorandum or any other information provided by the Issuers or the Guarantor in connection with the Programme.

Neither this Information Memorandum nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuers, the Guarantor, any of the Dealers or the Trustee that any recipient of this Information Memorandum or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the relevant Issuer and/or the Guarantor. Neither this Information Memorandum nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuers, the Guarantor, any of the Dealers or the Trustee to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Information Memorandum nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning the Issuers and/or the Guarantor is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers and the Trustee expressly do not undertake to review the financial condition or affairs of the Issuers or the Guarantor during the life of the Programme or to advise any investor in the Notes of any information coming to their attention. Investors should review, *inter alia*, the most recently published documents incorporated by reference in this Information Memorandum when deciding whether or not to purchase any Notes.

The Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to or for the account or benefit of United States persons, except in certain transactions permitted by U.S. tax regulations. Notes issued by ANSIL may not be offered, sold or delivered within the United States or its possessions or to or for the account or benefit of United States persons. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and the regulations promulgated thereunder.

This Information Memorandum does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Information Memorandum and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuers, the Guarantor, the Dealers and the Trustee do not represent that this Information Memorandum may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuers, the Guarantor, the Dealers or the Trustee (save for the approval of this document as listing particulars by the UK Listing Authority and delivery of copies of this document to the Registrar of Companies in England and Wales, to the Luxembourg Stock Exchange and to the Registrar of Companies in Jersey) which would permit a public offering of any Notes or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Information Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Information Memorandum or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Information Memorandum and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Information Memorandum and the offer or sale of Notes in the United States, the United Kingdom, Australia, France, Germany, Japan, Hong Kong, Jersey and The Netherlands, see "Subscription and Sale and Transfer and Selling Restrictions".

In making an investment decision, investors must rely on their own examination of the relevant Issuer and the Guarantor and the terms of the Notes being offered, including the merits and risks involved.

None of the Dealers, the Issuers, the Guarantor and the Trustee makes any representation to any investor in the Notes regarding the legality of its investment under any applicable laws. Any investor in the Notes should satisfy itself that it is able to bear the economic risk of an investment in the Notes for an indefinite period of time.

U.S. INFORMATION

The Notes have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Information Memorandum or confirmed the accuracy or determined the adequacy of the information contained in this Information Memorandum. Any representation to the contrary is unlawful.

This Information Memorandum may be distributed on a confidential basis in the United States to a limited number of QIBs (as defined under "Form of the Notes") for informational use solely in connection with the consideration of the purchase of the Notes (other than Notes issued by ANSIL) being offered hereby. Its use for any other purpose in the United States is not authorised. It may not be copied or reproduced in whole or in part nor may it be distributed or any of its contents disclosed to anyone other than the prospective investors to whom it is originally submitted.

Registered Notes may be offered or sold within the United States only to QIBs in transactions exempt from the registration requirements under the Securities Act. Each U.S. purchaser of Registered Notes is hereby notified that the offer and sale of any Registered Notes to it may be made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A under the Securities Act ("Rule 144A").

Each purchaser or holder of Notes represented by a Rule 144A Global Note or any Notes issued in registered form in exchange or substitution therefor (together "Restricted Notes") will be deemed, by its acceptance or purchase of any such Restricted Notes, to have made certain representations and agreements intended to restrict the resale or other transfer of such Notes as set out in "Subscription and Sale and Transfer and Selling Restrictions". Unless otherwise stated, terms used in this paragraph have the meanings given to them in "Form of the Notes".

AVAILABLE INFORMATION

If the Guarantor ceases to be a reporting company under the Exchange Act (as defined below), to permit compliance with Rule 144A in connection with any resales or other transfers of Notes that are "restricted securities" within the meaning of the Securities Act, each Issuer has undertaken in the Trust Deed to furnish, upon the request of a holder of such Notes or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, such Issuer and the Guarantor are neither reporting companies under Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended, (the "Exchange Act") nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder. The Guarantor is currently a reporting company under the Exchange Act.

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

ANTS, ANF and the Guarantor are companies incorporated in England. ANTIL and ANSIL are companies incorporated in Jersey. All of their directors reside outside the United States and all or a substantial portion of the assets of each Issuer and the Guarantor are located outside the United States. As a result, it may not be possible for investors to effect service of process outside England or, as the case may be, Jersey upon an Issuer or the Guarantor, or to enforce judgments against them obtained in the United States predicated upon civil liabilities of the relevant Issuer or the Guarantor or such directors under laws other than English or, as the case may be, Jersey, including any judgment predicated upon United States federal securities laws. The Issuers and the Guarantor have been advised by Slaughter and May, their English solicitors and Ogier & Le Masurier, Jersey lawyers to ANTIL and ANSIL, that there is doubt as to the enforceability in England and Jersey, respectively in original actions or in actions for enforcement of judgments of United States courts of civil liabilities predicated solely upon the federal securities laws of the United States.

PRESENTATION OF FINANCIAL AND OTHER INFORMATION

All references in this document to "U.S. dollars", "U.S.\$" and "\$" are to the currency of the United States of America, to "Sterling" and "£" are to the currency of the United Kingdom, to "Australian dollars" and "A\$" are to the currency of Australia, to "DM" are to the currency of Germany, to "NLG" are to the currency of The Netherlands and to "euro" and "€" are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty establishing the European Community, as amended by the Treaty on European Union and the Treaty of Amsterdam.

Each Issuer and the Guarantor maintains its financial books and records and prepares its financial statements in Sterling in accordance with generally accepted accounting principles in the United Kingdom ("UK GAAP") which differ in certain important respects from generally accepted accounting principles in the United States ("U.S. GAAP").

RISK FACTORS

ANSIL may issue Credit Linked, Equity Linked or other structured Notes (each as defined in "Summary of the Programme") under the Programme, including where the amount of principal and/or interest payable (if any) in respect of such Notes, and payable by the Guarantor under its guarantee thereof, is based on the price, value, performance or some other factor relating to one or more assets or other property (each a "Reference Asset") and/or the creditworthiness of, performance of obligations by or some other factor relating to, one or more entities (each a "Reference Entity"), each as indicated in the applicable Pricing Supplement. In addition, ANSIL may (as indicated in the applicable Pricing Supplement) be entitled to redeem such Notes either by payment of a cash amount ("Cash-Settled Notes") and/or by physical delivery of all or part of a Reference Asset or of some other asset or property ("Physically-Settled Notes").

In certain circumstances (as indicated in the applicable Pricing Supplement), the cash amount payable on Cash-Settled Notes, or the value of assets or property deliverable on Physically-Settled Notes, on redemption of such Notes (whether at maturity or otherwise) may be less than the principal amount of the Notes together with any accrued interest and may in certain circumstances be zero. Moreover, each interest-bearing Note may cease to bear interest from the interest payment date immediately preceding the date of occurrence of the event giving rise to early redemption of the Notes.

The obligations of ANSIL are fully and unconditionally guaranteed by the Guarantor. It should however be noted that this guarantee extends only to amounts which have become due and payable in accordance with the terms of the relevant Credit Linked, Equity Linked or other structured Notes. It is not an assurance that any amount will become due and payable under the terms of the relevant Note (for example, in certain circumstances, interest and/or principal will cease to be payable, or the amount payable will be reduced, under the terms of the relevant Note).

Purchasers of such Notes are deemed to have sufficient knowledge, experience and professional advice to make their own investment decisions including their own legal, financial, tax, accounting and other business evaluation of the risks and merits of investment in such Notes and should ensure that they fully understand the risks associated with investments of this nature which are intended to be sold only to sophisticated investors. Purchasers of Notes are solely responsible for making their own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of any Reference Entity or Reference Asset.

In connection with the issue and distribution of any Tranche of Notes (as defined below), the Dealer (if any) disclosed as the stabilising manager in the applicable Pricing Supplement may, in accordance with all applicable laws and regulations, over-allot or effect transactions which stabilise or maintain the market price of the Notes of the Series (as defined below) of which such Tranche forms part at a level which might not otherwise prevail, but in doing so such stabilising manager shall be acting as principal and not as agent of the relevant Issuer. Such stabilising, if commenced, may be discontinued at any time. Such stabilising may include the purchase of Notes to stabilise their market price, the purchase of Notes to cover some or all of a short position in the Notes maintained by the stabilising manager and the imposition of penalty bids. For a description of these activities, see "Subscription and Sale and Transfer and Selling Restrictions".

DOCUMENTS INCORPORATED BY REFERENCE

The following documents published or issued from time to time after the date hereof shall be deemed to be incorporated in, and to form part of, this Information Memorandum (provided, however, that in relation to Notes listed on the Official List and admitted to trading by the London Stock Exchange such incorporated documents do not form part of the Listing Particulars):

- (1) the most recently published audited consolidated and non-consolidated annual financial statements and, if published later, the most recently published interim consolidated and non-consolidated financial statements (if any) of each of the Issuers and the Guarantor (see "General Information" for a description of the financial statements currently published by each of the Issuers and the Guarantor) and the most recently published Guarantor's report on Form 20-F as filed with the U.S. Securities and Exchange Commission as the same may be amended from time to time; and
- (2) all supplements or amendments to this Information Memorandum circulated by the Issuers and/or the Guarantor from time to time,

save that any statement contained herein or incorporated by reference herein shall be deemed to be modified or superseded for the purpose of this Information Memorandum to the extent that a subsequent statement which is incorporated by reference herein modifies or supersedes such earlier statement (whether expressly, by implication or otherwise) (provided, however, that in relation to Notes listed on the Official List and admitted to trading by the London Stock Exchange such subsequent statement shall not form part of the Listing Particulars). The Issuers and the Guarantor believe that none of the information incorporated herein by reference conflicts in any material respect with the information included in the Listing Particulars.

The Issuers and the Guarantor will provide, without charge, to each person to whom a copy of this Information Memorandum has been delivered, upon the request of such person, a copy of any or all of the documents deemed to be incorporated herein by reference (save that a Pricing Supplement relating to an unlisted Tranche will only be available upon proof satisfactory as to identity of a relevant Noteholder) unless such documents have been modified or superseded as specified above. Requests for such documents should be directed either to the Issuers or to the Guarantor at their respective offices set out at the end of this Information Memorandum. In addition, such documents will be available from the principal office in England of Abbey National Treasury Services plc in its capacity as listing agent (the "London Listing Agent") for Notes listed on the Official List and admitted to trading by the London Stock Exchange and the principal office in Luxembourg of Kredietbank S.A. Luxembourgaise in its capacity as listing agent (the "Luxembourg Listing Agent") for Notes listed on the Luxembourg Stock Exchange. In addition, in relation to Notes listed on such other or further stock exchange(s), such documents will be available from such other offices as are specified in the applicable Pricing Supplement.

The Issuers and the Guarantor have also undertaken to the Dealers in the Programme Agreement (as defined in "Subscription and Sale and Transfer and Selling Restrictions") to comply with sections 147 and 149 of the Financial Services Act 1986.

The Issuers and the Guarantor will, in connection with the listing of the Notes on the Luxembourg Stock Exchange, so long as any Note remains outstanding and listed on such exchange, in the event of any material adverse change in the condition of any of the Issuers or the Guarantor which is not reflected in this Information Memorandum, prepare a supplement to this Information Memorandum or publish a new information memorandum for use in connection with any subsequent issue of Notes to be listed on the Luxembourg Stock Exchange.

If the terms of the Programme are modified or amended in a manner which would make this Information Memorandum, as so modified or amended, inaccurate or misleading, a new or supplemental Information Memorandum will be prepared.

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, each Issuer may from time to time issue Notes denominated in any currency, subject as set out herein. A summary of the terms and conditions of the Programme and of the Notes appears below. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement attached to, or endorsed on, such Notes, as more fully described under "Form of the Notes".

This Information Memorandum and any supplement will only be valid for listing Notes on the Official List and/or the Luxembourg Stock Exchange during the period of 12 months from the date of this Information Memorandum in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme and the aggregate nominal amount of notes then outstanding under the Original Programme, does not exceed U.S.\$15,000,000,000 or its Equivalent (as defined below) in other currencies. For the purpose of calculating the U.S. dollar equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

1. the U.S. dollar equivalent (the "Equivalent") of Notes denominated in another Specified Currency (as defined under "Form of Notes") shall be determined by the Principal Paying Agent (as defined under "Terms and Conditions of the Notes") as of the Issue Date (as defined under "Terms and Conditions of the Notes") of any Notes on the basis of the spot rate for the sale of the U.S. dollar against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the Principal Paying Agent on the relevant day of calculation; and
2. the Equivalent of Variable Redemption Notes, Zero Coupon/Discount Notes and Partly-Paid Notes (each as defined in "Summary of the Programme") shall be calculated in the manner specified above by reference to the original nominal amount on issue of such Notes (in the case of Partly-Paid Notes regardless of the subscription price paid).

SUMMARY OF THE PROGRAMME

The following summary does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Information Memorandum and, in relation to the terms and conditions of any particular Tranche of Notes, the applicable Pricing Supplement. Words and expressions defined in "Form of the Notes" and "Terms and Conditions of the Notes" shall have the same meanings in this summary.

FORM OF THE NOTES

The Notes of each Series will be in either bearer form or registered (or inscribed) form. Bearer Notes will be issued outside the United States in reliance on Regulation S under the Securities Act ("Regulation S") and Registered Notes will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States in reliance on Rule 144A.

Bearer Notes

Each Tranche of Bearer Notes will be initially represented by either a temporary bearer global note (a "Temporary Bearer Global Note") or a permanent bearer global note (a "Permanent Bearer Global Note") and, together with the Temporary Bearer Global Note, the "Bearer Global Notes") as indicated in the applicable Pricing Supplement, which, in either case, will be delivered on or prior to the Issue Date of the Tranche to a common depository (the "Common Depository") for Morgan Guaranty Trust Company of New York, Brussels office, as operator of the Euroclear System ("Euroclear") and Clearstream Banking, société anonyme ("Clearstream, Luxembourg"). Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Bearer Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

In respect of each Tranche of Notes in respect of which a Temporary Bearer Global Note is issued, on and after the date (the "Exchange Date") which is 40 days after the Temporary Bearer Global Note is issued, interests in such Temporary Bearer Global Note will be exchangeable (free of charge) upon a request as described therein for either:

- (i) interests in a Permanent Bearer Global Note of the same Series, or
- (ii) definitive Bearer Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Pricing Supplement and subject, in the case of definitive Bearer Notes, to such notice period as is specified in the applicable Pricing Supplement).

In each case such exchange shall be made against certification of beneficial ownership as described above, unless such certification has already been given. Purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Notes. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due presentation and certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream, Luxembourg against presentation or surrender (as the case may be) of the Permanent Bearer Global Note without any requirement for certification.

The applicable Pricing Supplement will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached upon either:

- (1) not less than 60 days' written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) to the Principal Paying Agent, or
- (2) only upon the occurrence of an Exchange Event (as defined below).

No definitive Bearer Notes will be sent by post or otherwise delivered to any location in the United States or its possessions in connection with such exchange.

For these purposes, "Exchange Event" means that:

- (1) an Event of Default (as defined in Condition 10) has occurred and is continuing,
- (2) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no alternative clearing system satisfactory to the relevant Issuer, the Principal Paying Agent and the Trustee is available, or
- (3) the relevant Issuer or the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Bearer Global Note in definitive form.

The relevant Issuer will promptly give notice to the Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) or the Trustee may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (3) above, the relevant Issuer or the Guarantor may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

The following legend will appear on all Bearer Notes which have an original maturity of more than 365 days and on all receipts and interest coupons relating to such Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Bearer Notes will not be issued in the Australian domestic capital markets.

Registered Notes

Registered Notes may be offered and sold in reliance on Regulation S or in reliance on Rule 144A.

Registered Notes offered and sold in reliance on Regulation S may only be offered and sold to non-U.S. persons outside the United States and will initially be represented by a global note in registered form, without receipts, interest coupons or talons (a "Regulation S Global Note") which will be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg. Prior to expiry of the Distribution Compliance Period (as defined in "Terms and Conditions of the Notes") applicable to each Tranche of Notes, beneficial interests in a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 2 and may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

Registered Notes offered and sold in reliance on Rule 144A may only be offered and sold in the United States or to U.S. persons in private transactions to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act ("QIBs") and will be represented by a global note in registered form, without receipts, interest coupons or talons (a "Rule 144A Global Note" and, together with a Regulation S Global Note, the "Registered Global Notes") which will be deposited with a custodian for, and registered in the name of a nominee of, The Depository Trust Company ("DTC").

Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Notes in registered form.

The Rule 144A Global Note will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person(s) shown on the Register on the relevant Record Date (each as defined in Condition 6(d)) as the registered holder(s) of the Registered Global Notes. None of the relevant Issuer, the Guarantor, the Trustee, any Paying Agent and the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 6(d)) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, "Exchange Event" means that:

- (1) an Event of Default (as defined in Condition 10) has occurred and is continuing;
- (2) in the case of Notes represented by a Rule 144A Global Note only, DTC has notified the relevant Issuer that it is unwilling or unable to continue to act as depository for the Notes and no alternative clearing system satisfactory to the relevant Issuer, the Principal Paying Agent, the Registrar and the Trustee is available;
- (3) in the case of Notes represented by a Rule 144A Global Note only, DTC has ceased to constitute a clearing agency registered under the Exchange Act or in the case of Notes represented by a Regulation S Global Note only, the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no alternative clearing system satisfactory to the relevant Issuer, the Principal Paying Agent, the Registrar and the Trustee is available; or
- (4) the relevant Issuer or the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note in definitive form.

The relevant Issuer will promptly give notice to the Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Registered Global Note) or the Trustee may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (4) above, the relevant Issuer or the Guarantor may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Australian Domestic Notes will be issued in inscribed form. Such Notes will be constituted by the Deed Poll and will take the form of entries on a register to be maintained by the Australian Registrar, all as more fully described in the applicable Pricing Supplement.

Transfer of Interests

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Note. No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent

applicable. Registered Notes are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see “Subscription and Sale and Transfer and Selling Restrictions”.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Pricing Supplement (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" for a description of the content of Pricing Supplements which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by Abbey National Treasury Services plc (which may act through a Designated Branch), Abbey National Treasury International Limited, Abbey National Funding plc or AN Structured Issues Limited (each an "Issuer" and together the "Issuers") constituted by (a) in the case of Notes other than Notes denominated in Australian dollars and issued by Abbey National Treasury Services plc in the domestic Australian capital markets ("Australian Domestic Notes"), a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the "Trust Deed") dated 12th November, 1999 and made between Abbey National Treasury Services plc, Abbey National Treasury International Limited and AN Structured Issues Limited as Issuers, Abbey National plc as guarantor (the "Guarantor") and The Law Debenture Trust Corporation p.l.c. (the "Trustee", which expression shall include any successor as trustee) as trustee for the holders of the Notes (the "Noteholders" or "holders") which expressions shall mean, in relation to Notes in definitive bearer form, the bearers thereof and, in relation to Notes in definitive registered (or inscribed) form, the persons in whose names such Notes are registered and shall, in relation to Notes represented by a Global Note, be construed as provided below or (b) in the case of Australian Domestic Notes, the Deed Poll (as defined in Condition 1). Pursuant to a First Supplemental Trust Deed dated 8th November, 2000, Abbey National Funding plc became an additional Issuer.

References in these Terms and Conditions to the "Issuer" shall be to the Issuer of the Notes specified in the applicable Pricing Supplement (including, in the case of Notes issued by Abbey National Treasury Services plc, any Designated Branch thereof specified in the applicable Pricing Supplement).

References herein to the "Notes" shall be references to the Notes of this Series and shall mean:

1. any global note (a "Global Note") and in relation to any Notes represented by a Global Note, units of the lowest Specified Denomination in the Specified Currency;
2. any definitive Notes in bearer form; and
3. any definitive Notes in registered (or inscribed) form.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) also have the benefit of, in the case of Notes other than Australian Domestic Notes, an Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the "Agency Agreement") dated 8th November, 2000 whereby the Issuers and the Guarantor appoint Citibank, N.A., London as issuing and principal paying agent, agent bank, exchange agent (the "Exchange Agent", which expression shall include any successor exchange agent) and as a transfer agent, (the "Principal Paying Agent", which expression shall include any successor paying agent, agent bank, exchange agent and transfer agent), Citibank AG as registrar (the "Registrar", which expression shall include any successor registrar), the other paying agents named therein (together with the Principal Paying Agent, the "Paying Agents", which expression shall include any additional or successor paying agents), the other transfer agents named therein (together with the Principal Paying Agent in its capacity as a transfer agent, the "Transfer Agents", which expression shall include any additional or successor transfer agents) and the Trustee.

References to the "Calculation Agency Agreement" and "Determination Agency Agreement" are to the calculation agency agreement or determination agency agreement (as the case may be) which may be entered into between the Issuer, the Guarantor, the calculation agent or, as the case may be, the determination agent to be appointed thereby (the "Calculation Agent" and the "Determination Agent", respectively) and the Trustee, the form of which is contained in Schedule 1 to the Agency Agreement.

Interest bearing definitive Bearer Notes (as defined below) (unless otherwise indicated in the applicable Pricing Supplement) have interest coupons ("Coupons") and, if indicated in the applicable Pricing Supplement, talons for further Coupons ("Talons") attached on issue. Any reference in these Terms and Conditions to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Definitive Bearer Notes repayable in instalments have receipts ("Receipts") for the payment of the instalments of principal (other than the final instalment) attached on issue. Registered Notes (as defined below) and Global Notes do not have Receipts, Coupons or Talons attached on issue.

The Pricing Supplement for this Note (or the relevant provisions thereof) is attached to or endorsed on this Note and supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace or modify these Terms and Conditions for the purposes of this Note. References to the "applicable Pricing Supplement" are to the Pricing Supplement (or the relevant provisions thereof) attached to or endorsed on this Note.

Any reference in these Terms and Conditions to "Receiptholders" shall mean the holders of the Receipts and any reference herein to "Couponholders" shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, "Tranche" means Notes which are identical in all respects (including as to listing) and "Series" means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the registered office of the Trustee (being at 8th November, 2000 at Fifth Floor, 100 Wood Street, London EC2V 7EX, England) and at the specified office of each of the Principal Paying Agent, the Registrar, the other Paying Agents and the Transfer Agents (such agents and the Registrar being together referred to as the "Agents"). Copies of the applicable Pricing Supplement are obtainable during normal business hours at the specified office of the Principal Paying Agent, from the specified office of the Luxembourg Paying Agent (in the case of Notes listed on the Luxembourg Stock Exchange) and from the registered office of the Guarantor save that, if this Note is an unlisted Note of any Series, the applicable Pricing Supplement will only be available for inspection by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the Trustee, the Principal Paying Agent or, as the case may be, the Guarantor as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, are bound by, and are entitled to the benefit of, all the provisions of the Trust Deed, the Deed Poll (if applicable), the Agency Agreement, the applicable Pricing Supplement and any other documents specified in the applicable Pricing Supplement which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed and the Agency Agreement.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Pricing Supplement shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Trust Deed and the Agency Agreement, the Trust Deed shall prevail and, in the event of inconsistency between the Trust Deed or the Agency Agreement and the applicable Pricing Supplement, the applicable Pricing Supplement shall prevail.

1. Form, Denomination and Title

The Notes are in bearer form ("Bearer Notes") or in registered (or inscribed) form ("Registered Notes") as specified in the applicable Pricing Supplement in the Specified Currency and the Specified Denomination(s) and, in the case of definitive Notes, serially numbered. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination and Bearer Notes may not be exchanged for Registered Notes and *vice versa*.

This Note may be an Index Linked Redemption Note, a Credit Linked Redemption Note, an Equity Linked Redemption Note, a Dual Currency Note, an Instalment Note, a Partly-Paid Note or a combination of any of the foregoing, depending upon the Redemption/Payment Basis shown in the applicable Pricing Supplement.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon/Discount Note, a Non-Interest Bearing Note, an Index Linked Interest Note, a Credit Linked Interest Note, an Equity Linked Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Pricing Supplement.

Index Linked Redemption Notes, Credit Linked Redemption Notes, Equity Linked Redemption Notes, Dual Currency Notes and other Notes where the Redemption Amount is variable are referred to as "Variable Redemption Notes". Index Linked Interest Notes (together with Index Linked Redemption Notes, "Index Linked Notes"), Credit Linked Interest Notes (together with Credit Linked Redemption Notes, "Credit Linked Notes"), Equity Linked Interest Notes (together with Equity Linked Redemption Notes, "Equity Linked Notes") and other Notes (excluding Floating Rate Notes) where the rate of interest is variable are referred to as "Variable Interest Notes". Variable Redemption Notes and Variable Interest Notes are collectively referred to as "Variable Notes".

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon/Discount Notes or Non-Interest Bearing Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer, the Guarantor, the Trustee and any Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Bearer Global Note or a Regulation S Global Note held on behalf of or, as the case may be, registered in the name of a common nominee for, Morgan Guaranty Trust Company of New York, Brussels office, as operator of the Euroclear System ("Euroclear") and/or Clearstream Banking, société anonyme ("Clearstream, Luxembourg"), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or, as the case may be, the registered holder of the relevant Regulation S Global Note shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly.

For so long as any of the Notes is represented by a Rule 144A Global Note registered in the name of The Depository Trust Company of New York ("DTC") or its nominee, each person who is for the time being shown in the records of DTC or such nominee as the holder of a particular nominal amount of such Notes shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on, or voting, giving consents or making requests in respect of, such nominal amount of such Notes, for which purpose DTC or, in the case of payments only, its nominee shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of such Registered Global Note, and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly.

Interests in a Global Note will be transferable only in accordance with the rules and procedures for the time being of DTC, Euroclear and Clearstream, Luxembourg, as the case may be. References to DTC, Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any successor operator and/or successor clearing system and/or any additional or alternative clearing system specified in the applicable Pricing Supplement or otherwise approved by the Issuer, the Guarantor, the Principal Paying Agent, the Registrar and the Trustee.

In the case of Australian Domestic Notes, the following provisions of this Condition 1 shall apply in lieu of the foregoing provisions of this Condition 1 in the event of any inconsistency. Australian Domestic Notes are debt obligations of the Issuer owing under the Deed Poll dated 11th February, 2000 executed by Abbey National Treasury Services plc as Issuer in favour of the relevant Noteholders and the Trustee (the "Deed Poll") and take the form of entries in a register (the "Australian Register") to be maintained by Computershare Registry Services Pty Limited (ACN 078 279 277) or such other Australian registrar appointed by the Issuer and specified in the applicable Pricing Supplement (the "Australian Registrar"). Although Australian Domestic Notes will not be constituted by the Trust Deed, Australian Domestic Notes will have the benefit of the guarantee from the Guarantor and the other provisions of the Trust Deed. The Agency Agreement is not applicable to Australian Domestic Notes.

Australian Domestic Notes will not be serially numbered. Each entry in the Australian Register constitutes a separate and individual acknowledgement to the relevant Noteholder of the indebtedness of the Issuer to the relevant Noteholder. No certificate or other evidence of title will be issued by or on behalf of the Issuer to evidence title to an Australian Domestic Note unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

No Australian Domestic Note will be registered in the name of more than four persons. Such Note registered in the name of more than one person is held by those persons as joint tenants. Australian Domestic Notes will be registered by name only without reference to any trusteeship. The person registered in the Australian Register as a holder of an Australian Domestic Note will be treated by the Issuer, the Trustee and the Australian Registrar as the absolute owner of that Australian Domestic Note and none of the Issuer, the Guarantor, the Trustee or the Australian Registrar will, except as ordered by a court or as required by statute, be obliged to take notice of any other claim to an Australian Domestic Note.

2. Transfers of Registered Notes

(a) Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Registered Notes in definitive form or for a beneficial interest in another Registered Global Note only in the authorised denominations set out in the applicable Pricing Supplement and only in accordance with the rules and operating procedures for the time being of DTC, Euroclear or Clearstream, Luxembourg, as the case may be and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Rule 144A Global Note shall be limited to transfers of such Rule 144A Global Note, in whole but not in part, to a nominee of DTC or to a successor of DTC or such successor's nominee.

Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 4 to the Agency Agreement). Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail to such address as the transferee may request, a new Registered Note in definitive form for the same aggregate nominal amount as the Registered Note (or the relevant part of the Registered Note) transferred. In the case of a transfer of part only of a Registered Note in definitive form, a new Registered Note in definitive form in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent by uninsured mail to such address as the transferor may request.

(c) Transfers of Australian Domestic Notes

Conditions 2(a) and (b) do not apply to Australian Domestic Notes. Australian Domestic Notes may be transferred in whole but not in part. Australian Domestic Notes will be transferred by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Registrar or by any other manner approved by the Issuer and the Australian Registrar. Notes entered in the Austraclear System (as defined below) will be transferable only in accordance with the Austraclear Regulations (as defined below).

Unless the Australian Domestic Notes are lodged in the Austraclear System, application for the transfer of Australian Domestic Notes must be made by the lodgement of a transfer and acceptance form with the Australian Registrar. Each transfer and acceptance form must be accompanied by such evidence (if any) as the Australian Registrar may require to prove the title of the transferor or the transferor's right to transfer the Australian Domestic Notes and must be signed by both the transferor and the transferee.

Notes may only be transferred within Australia if (a) the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 of the Corporations Law in force in the Commonwealth of Australia, and (b) the transfer is in compliance with the Banking (Exemption) Order No. 82 promulgated under the Banking Act 1959 of the Commonwealth of Australia ("Order No. 82") and any other applicable laws, regulations or directives. Australian Domestic Notes may only be transferred to or from Australia if (a) the aggregate consideration payable by the transferee at the time of transfer is at least A\$500,000 (disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with Part 6D.2 of the Corporations Law in force in the Commonwealth of Australia, (b) the transfer is in compliance with Order No. 82 and any other applicable laws, regulations or directives, and (c) the transfer is in compliance with the laws of the jurisdiction in which the transfer takes place. Australian Domestic Notes may only be transferred between persons in a jurisdiction or jurisdictions other than Australia if (i) a transfer and acceptance form is signed outside Australia, and (ii) the transfer is in compliance with the laws of the jurisdiction in which the transfer takes place. A transfer to an unincorporated association is not permitted.

(e) Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by normal uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

(f) Transfers of interests in Regulation S Global Notes

Prior to expiry of the applicable Distribution Compliance Period (as defined below), transfers by the holder of, or of a beneficial interest in, a Regulation S Global Note to a transferee in the United States or who is a U.S. person will only be made:

- (i) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a "Transfer Certificate"), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Note or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
- (ii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

In the case of paragraph (i) above, such transferee may take delivery through a Restricted Note in global or definitive form. After expiry of the applicable Distribution Compliance Period (i) beneficial interests in Regulation S Global Notes may be held through DTC directly, by a participant in DTC, or indirectly through a participant in DTC and (ii) such certification requirements will no longer apply to such transfers.

(g) Transfers of interests in Restricted Notes

- (ii) to a transferee who takes delivery of such interest through a Restricted Note where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
- (iii) otherwise pursuant to the Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any State of the United States,

and, in each case, in accordance with any applicable securities laws of any State of the United States or any other jurisdiction.

Upon the transfer, exchange or replacement of Restricted Notes, or upon specific request for removal of any United States securities law legend en faced on Restricted Notes, the Registrar shall deliver only Restricted Notes or refuse to remove such legend, as the case may be, unless there is delivered to the Issuer such satisfactory evidence as may reasonably be required by the Issuer, which may include an opinion of U.S. counsel, that neither such legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

(h) Exchanges and transfers of Registered Notes generally

“Securities Act” means the United States Securities Act of 1933, as amended; and

“U.S. person” has the meaning ascribed to it in Regulation S.

3. Status of the Notes and the Guarantee

(a) Status of the Notes

The Notes and any relative Receipts and Coupons constitute direct, unconditional and, subject to the provisions of Condition 4, unsecured obligations of the Issuer and rank without any preference among themselves and, subject as aforesaid, *pari passu* with all other outstanding unsecured and unsubordinated obligations of the Issuer, present and future, but, in the event of insolvency, only to the extent permitted by laws relating to creditors’ rights.

(b) Status of the Guarantee

The payment of the principal, and interest (if any) in respect of the Notes and all other moneys payable by the Issuer under or pursuant to the Trust Deed and, in the case of Australian Domestic Notes, the Deed Poll has been unconditionally and irrevocably guaranteed by the Guarantor in the Trust Deed. The obligations of the Guarantor under such guarantee constitute direct, unconditional and, subject to the provisions of Condition 4, unsecured obligations of the Guarantor and rank without any preference among themselves and, subject as aforesaid, *pari passu* with all other outstanding unsecured and unsubordinated obligations of the Guarantor, present and future, but, in the event of insolvency, only to the extent permitted by laws relating to creditors’ rights.

4. Negative Pledge

So long as any of the Notes remains outstanding (as defined in the Trust Deed), neither the Issuer nor the Guarantor will create or have outstanding any mortgage, lien, pledge, charge or other security interest upon, or with respect to, any of its present or future assets or revenues, to secure any Relevant Indebtedness (as defined below) or any guarantee of any Relevant Indebtedness, unless in any such case the Issuer or the Guarantor, as the case may be, shall simultaneously with, or prior to, the creation of such security interest, take any and all action necessary to procure that all amounts payable by it in respect of the Notes, the Receipts, the Coupons (if applicable), the Trust Deed and the Deed Poll (if applicable) are secured equally and rateably with the Relevant Indebtedness or guarantee secured by such security interest to the satisfaction of the Trustee or such other security is provided as the Trustee shall in its absolute discretion deem not materially less beneficial to the interests of the Noteholders or as shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.

For the purposes of these Terms and Conditions, "Relevant Indebtedness" means any indebtedness for borrowed money (as defined in the Trust Deed) in the form of, or represented by, bonds, notes, debentures or other securities which are or are to be quoted, listed or ordinarily dealt in or traded on any stock exchange, over-the-counter or other securities market (whether or not initially distributed by way of private placing), but excluding any such indebtedness which has a stated maturity not exceeding one year.

Any reference in these Terms and Conditions to an obligation being guaranteed shall include a reference to an indemnity being given in respect thereof.

5. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly-Paid Note, the amount paid up) from (and including) the Interest Commencement Date (which unless otherwise specified in the applicable Pricing Supplement shall be the Issue Date) at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date if that does not fall on an Interest Payment Date.

Except as provided in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction (as defined in Condition 5(f) below), and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

(b) Interest on Floating Rate Notes and Variable Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Variable Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly-Paid Note, the amount paid up) from (and including) the Interest Commencement Date (which unless otherwise specified in the applicable Pricing Supplement shall be the Issue Date) and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an "Interest Payment Date") in each year specified in the applicable Pricing Supplement; or
- (B) if no express Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an "Interest Payment Date") which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Variable Interest Notes will be determined in the manner specified in the applicable Pricing Supplement.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions, as amended and updated as at the Issue Date of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the "ISDA Definitions") and under which:

- (1) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (2) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (3) unless otherwise stated in the applicable Pricing Supplement, the relevant Reset Date is the first day of that Interest Period.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(iii) Minimum and/or Maximum Rate of Interest

If the applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) Determination of Rate of Interest and calculation of Interest Amounts

The Principal Paying Agent or, where specified in the relevant Pricing Supplement, the Calculation Agent, in the case of Floating Rate Notes, and the Calculation Agent or, where specified in the applicable Pricing Supplement, the Determination Agent, in the case of Variable Interest Notes, will at, or as soon as practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Variable Interest Notes, the Calculation Agent or Determination Agent (as applicable) will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Calculation Agent or Determination Agent (as applicable) will calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes and Variable Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"sub-unit" means with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(v) Notification of Rate of Interest and Interest Amounts

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange or other relevant authority on which the relevant Floating Rate Notes or Variable Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes or Variable Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression "London Business Day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) Determination or Calculation by Trustee

If for any reason at any relevant time the Principal Paying Agent or, as the case may be, the Calculation Agent or the Determination Agent (as applicable) defaults in its obligation to determine the Rate of Interest or the Calculation Agent or the Determination Agent (as applicable) defaults in its obligation to calculate any Interest Amount in accordance with sub-paragraph (ii)(A) or (B) above or as otherwise specified in the applicable Pricing Supplement, as the case may be, and in each case in accordance with paragraph (iv) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 5, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Pricing Supplement), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances. In making any such determination or calculation, the Trustee may appoint and rely on a determination or calculation by a calculation agent or a determination agent (which shall be an investment bank or other suitable entity of international repute). Each such determination or calculation shall be deemed to have been made by the Principal Paying Agent, the Calculation Agent or the Determination Agent, as applicable.

(vii) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b), whether by the Principal Paying Agent or, if applicable, the Calculation Agent or the Determination Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor, the Trustee, the Principal Paying Agent and (as applicable) the Calculation Agent or the Determination Agent, the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent or (as applicable) the Calculation Agent or the Determination Agent or the Trustee in connection with the exercise or non-exercise by it of any of its powers, duties and discretions pursuant to such provisions.

(c) Interest on Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Pricing Supplement.

(d) Interest on Partly-Paid Notes

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(e) Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in Condition 7(f).

(f) Business Day, Business Day Conventions, Day Count Fractions and other Adjustments applicable to Fixed Rate Notes, Floating Rate Notes and Variable Interest Notes

In these Terms and Conditions, "Business Day" means a day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Pricing Supplement; and
- (ii) either
 - (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London); or
 - (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the "TARGET System") is operating.

If a Business Day Convention is specified in the applicable Pricing Supplement and if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (2) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (3) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date:
 - (i) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date; or
 - (ii) in the case where there is no numerically corresponding day in the calendar month in which an Interest Payment should occur shall be the last day that is a Business Day in the relevant

month and the provisions of Condition 5(b)(i) (B) above of this paragraph shall apply *mutatis mutandis*.

“Day Count Fraction” means, in respect of the calculation of an amount of interest for any Interest Period:

- (1) if “Actual/Actual (ISMA)” is specified in the applicable Pricing Supplement:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Interest Payment Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period commencing on the last Interest Payment Date on which interest was paid (or, if none, the Interest Commencement Date), the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Interest Payment Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Interest Payment Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year;
- (2) if “Actual/365” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (3) if “Actual/365 (Fixed)” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365;
- (4) if “Actual/365 (Sterling)” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (5) if “Actual/360” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 360;
- (6) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless, in the case of Floating Rate Notes, (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month));
- (7) if “30E/360” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the day last preceding the Maturity Date, such last preceding day is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month); and
- (8) or such other Day Count Fraction as may be specified in the applicable Pricing Supplement.

“Determination Period” means the period from (and including) an Interest Payment Determination Date to (but excluding) the next Interest Payment Date; and

If “adjusted” is specified in the applicable Pricing Supplement, interest in respect of the relevant Interest Period shall be payable in arrear on the relevant Interest Payment Date and calculated from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date, as such Interest Payment Date shall, where applicable, be adjusted in accordance with the Business Day Convention.

If “unadjusted” is specified in the applicable Pricing Supplement, interest in respect of the relevant Interest Period shall be payable in arrear on the relevant Interest Payment Date, as adjusted in accordance with the Business Day Convention, but shall be calculated in respect of the period from (and including) a Period End Date (or the Interest Commencement Date) to (but excluding) the next (or first) Period End Date. For the purpose of this paragraph “Period End Date” means an Interest Payment Date prior to any modification as result of any Business Day Convention.

6. Payments

(a) Method of payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency; and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

Any reference in these Terms and Conditions to payment of any sums in respect of the Notes (including, in respect of Variable Notes, Physically-Settled Notes) shall be deemed to include, as applicable, delivery of assets if so provided in the applicable Pricing Supplement and references to paid and payable shall be construed accordingly.

(b) Presentation of definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Variable Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Variable Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender of the relevant definitive Bearer Note.

(c) Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant Bearer Global Note against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

No payments of principal, interest or other amounts due in respect of a Bearer Global Note will be made by mail to an address in the United States or by transfer to an account maintained in the United States.

(d) Payments in respect of Registered Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the "Register") at the close of business on the fifteenth calendar day before the relevant due date (the "Record Date"). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the nominal amount of the Notes held by a holder is less than U.S.\$100,000 (or its equivalent), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "Designated Account" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "Designated Bank" means (in the case of payment in a Specified

Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the Record Date at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Rule 144A Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency for conversion into U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor, the Trustee and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) Payments in respect of Australian Domestic Notes

The Australian Registrar will act (through its office in Sydney) as principal paying agent for Australian Domestic Notes pursuant to a Registry Services Agreement (such Registry Services Agreement as amended and/or supplemented and/or restated from time to time, the "Registry Services Agreement") dated 11th February, 2000 between the Issuer and the Australian Registrar.

Payments of principal and interest will be made in Sydney in Australian dollars to the persons registered at the close of business on the relevant Record Date (as defined below) as the holders of such Notes, subject in all cases to normal banking practice and all applicable laws and regulations. Payment will be made by cheques drawn on the Sydney branch of an Australian bank despatched by post on the relevant payment date at the risk of the Noteholder or, at the option of the Noteholder by the Australian Registrar giving in Sydney irrevocable instructions for the effecting of a transfer of the relevant funds to an Australian dollar account in Australia specified by the Noteholder to the Australian Registrar, or in any other manner in Sydney which the Australian Registrar and the Noteholder agree.

In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Registrar gives irrevocable instructions in Sydney for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Noteholder and, in the case of accounts maintained in Australia, reaching the account on the same day as the day on which the instructions are given.

If a cheque posted or an electronic transfer for which irrevocable instructions have been given by the Australian Registrar is shown, to the satisfaction of the Australian Registrar, not to have reached the

Noteholder and the Australian Registrar is able to recover the relevant funds, the Australian Registrar may make such other arrangements as it thinks fit for the effecting of the payment in Sydney.

Interest will be calculated in the manner specified in Condition 5 above and will be payable to the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date and cheques will be made payable to the Noteholder (or, in the case of joint Noteholders, to the first-named) and sent to his registered address, unless instructions to the contrary are given by the Noteholder (or, in the case of joint Noteholders, by all the Noteholders) in such form as may be prescribed by the Australian Registrar. Payments of principal will be made to, or to the order of, the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date, subject, if so directed by the Australian Registrar, to receipt from them of such instructions as the Australian Registrar may require.

In this Condition 6(e), Record Date means, in the case of payments of principal or interest, the date which is the eighth calendar day before the due date of the relevant payment of principal or interest.

(f) General provisions applicable to payments

For so long as the Notes of a Series are listed on the Official List and admitted to trading by the London Stock Exchange and for so long as the rules of the UK Listing Authority so require, the Issuer shall procure that there is a Paying Agent approved in writing by the Trustee in the City of London for the payment of principal and interest, if any, on the Notes.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

(g) Non-Business Days

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Business Day, the holder thereof shall not be entitled to payment until the next following Business Day and shall not be entitled to further interest in respect of such delay unless "adjusted" has been specified in the relevant Pricing Supplement for the purposes of Condition 5(f).

(h) Interpretation of principal and interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;

- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon/Discount Notes, the Amortised Face Amount (as defined in Condition 7(e)); and
- (vii) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. Redemption and Purchase

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below or in the applicable Pricing Supplement, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the relevant Specified Currency on the Maturity Date.

(b) Redemption for tax reasons

If the Issuer or the Guarantor satisfies the Trustee immediately prior to the giving of the notices referred to below that, on the occasion of the next payment due under the Notes, either (i) the Issuer would be required to pay additional amounts as provided under Condition 8 or to account to any taxing authority in the taxing jurisdiction of any territory in which the Issuer is incorporated or resident for taxation purposes for any amount (other than any tax withheld or deducted from interest payable on the Notes) calculated by reference to any amount payable in respect of the Notes or (ii) the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making such payment itself would be required to pay additional amounts or to account to any taxing authority in the United Kingdom for any amount as aforesaid or (iii) where the Issuer is not incorporated or resident for taxation purposes in the United Kingdom, the Guarantor would be required to deduct or withhold amounts for or on account of any taxes of whatever nature imposed or levied by or on behalf of the United Kingdom in making any payment of any sum to the Issuer required to enable the Issuer to make a payment in respect of the Notes or to account to any taxing authority in the United Kingdom for any amount calculated by reference to the amount of any such sum to be paid to the Issuer, then the Issuer may, having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), redeem all, but not some only, of the Notes at any time (if this Note is neither a Floating Rate Note nor a Variable Interest Note) or on the next Interest Payment Date (in the case of Floating Rate Notes or Variable Interest Notes). Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount determined pursuant to Condition 7(e) below together (if appropriate) with interest accrued to the date fixed for redemption.

(c) Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Pricing Supplement, the Issuer may, having given not less than 15 nor more than 30 days' notice (or such other period of notice as may be specified in the relevant Pricing Supplement) to the Trustee, the Principal Paying Agent, the Noteholders, and in the case of a redemption of Registered Notes, the Registrar, (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Higher Redemption Amount (if any). In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of DTC and/or Euroclear and/or Clearstream, Luxembourg, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the

"Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days (or such shorter period as is specified in the applicable Pricing Supplement) prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes or represented by a Global Note shall in each case bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding and Notes outstanding represented by such Global Note, respectively, bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such nominal amounts to ensure that each represents an integral multiple of the Specified Denomination. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five days (or such shorter period as is specified in the relevant Pricing Supplement) prior to the Selection Date.

(d) Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Pricing Supplement, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice (or such other period of notice as is specified in the applicable Pricing Supplement) (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified, or determined in the manner specified, in the applicable Pricing Supplement, in whole (but not, in the case of a Bearer Note in definitive form, in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. Registered Notes may be redeemed under this Condition 7(d) in any multiple of their lowest Specified Denomination.

If this Note is in definitive form, to exercise the right to require redemption of this Note, the holder of this Note must deliver such Note at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2(b).

(e) Early Redemption Amounts

For the purpose of Condition 7(b) above and Condition 10, each Note will be redeemed (unless otherwise specified in the applicable Pricing Supplement) at its Early Redemption Amount calculated as follows:

- (i) in the case of a Note other than a Zero Coupon/Discount Note and a Variable Redemption Note (but including any Instalment Note or Partly-Paid Note) at the outstanding nominal amount;
- (ii) in the case of a Zero Coupon/Discount Note, at an amount (the "Amortised Face Amount") equal to the nominal amount of the Note multiplied by the sum of:
 - (A) the Issue Price; and
 - (B) the product of the Issue Price and the Stated Yield compounded annually from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and payable;
- (iii) in the case of a Variable Redemption Note, at an amount determined by the Calculation Agent or the Determination Agent (as applicable) that would on the due date for redemption have the effect of preserving for the holder of the Note the economic equivalent of the obligation of the Issuer to make the payment of the Final Redemption Amount on the Maturity Date.

(f) Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Pricing Supplement. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (e) above.

(g) Partly-Paid Notes

Partly-Paid Notes will be redeemed at maturity in accordance with the provisions of the applicable Pricing Supplement. In the case of Early Redemption, the Early Redemption Amount will be determined pursuant to Condition 7(e)(i) above.

(h) Purchases

The Issuer, the Guarantor or any Subsidiary of the Issuer or the Guarantor may at any time purchase Notes (provided that, in the case of definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer or the Guarantor, surrendered to any Paying Agent and/or the Registrar for cancellation.

(i) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and Notes purchased and cancelled pursuant to paragraph (h) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(j) Late payment

If any amount payable in respect of any Note is improperly withheld or refused upon its becoming due and repayable or is paid after its due date or on or after accelerated maturity following an Event of Default (as defined in Condition 10), the amount due and repayable in respect of such Note (the "Late Payment") shall itself accrue interest (both before and after any judgment or other order of a court of competent jurisdiction) from (and including) the date on which such payment was improperly withheld or refused or, as the case may be, became due, to (but excluding) the Late Payment Date in accordance with the following provisions:

- (i) in the case of a Note other than a Zero Coupon/Discount Note, a Non-Interest Bearing Note or a Variable Note (but including an Instalment Note or Partly-Paid Note) at the rate determined in accordance with Condition 5(a) or 5(b), as the case may be;
- (ii) in the case of a Zero Coupon/Discount Note, at a rate equal to the Stated Yield; and
- (iii) in the case of a Non-Interest Bearing Note or a Variable Note, at a rate calculated by the Calculation Agent so as to reasonably compensate the holder of the Note for the cost of funding the delay in receiving the Late Payment.

For the purpose of this paragraph (j) the "Late Payment Date" shall mean the earlier of:

- (A) the date which the Trustee determines to be the date on which, upon further presentation of the relevant Note, payment of the full amount (including interest as aforesaid) in the relevant currency in respect of such Note is to be made; and
- (B) the seventh day after notice is given to the relevant Noteholder(s) (whether individually or in accordance with Condition 14) that the full amount (including interest as aforesaid) in the relevant currency in respect of such Note is available for payment,

provided that in the case of both (A) and (B), upon further presentation thereof being duly made, such payment is made.

8. Taxation

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer or the Guarantor will be made without withholding of or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by the United Kingdom or the taxing jurisdiction of any territory in which the Issuer is incorporated or resident for taxation purposes, or any political subdivision of either of the same or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer or the Guarantor (as the case may be) will pay such additional amounts as may be necessary in order that the net amounts receivable by the holders after such withholding or deduction shall equal the respective amounts of principal, and interest, if applicable, which would have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any Note, Receipt or Coupon presented for payment:

- (i) by, or by a third party on behalf of, a holder who (a) would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other similar claim for exemption but fails to do so, or (b) is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the above-mentioned taxing jurisdiction of the Issuer (in the case of payments by the Issuer) or the United Kingdom (in the case of payments by the Guarantor) other than the mere holding of such Note, Receipt or Coupon; or
- (ii) where such Note, Receipt or Coupon is presented for payment in the jurisdiction in which the Issuer or the Guarantor is incorporated or resident for tax purposes or in the United Kingdom; or
- (iii) more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

For this purpose, the "Relevant Date" means the date on which the payment in respect of the Note, Receipt or Coupon first becomes due and payable but, if the full amount of the moneys payable on such date has not been received by the Principal Paying Agent or the Trustee on or prior to such date, the "Relevant Date" means the date on which such moneys shall have been so received and notice to that effect shall have been given to the Noteholders in accordance with Condition 14.

9. Prescription

The Notes and, if applicable, the Receipts and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within a period of 10 years in the case of principal and five years in the case of interest from the Relevant Date (as defined in Condition 8) relating hereto. The Issuer shall be discharged from its obligation to pay principal on a Registered Note to the extent that the relevant Registered Note certificate has not been surrendered to the Registrar by, or a cheque which has been duly despatched in the Specified Currency remains uncashed at, the end of the period of 10 years from the Relevant Date in respect of such payment. The Issuer shall be discharged from its obligation to pay interest on a Registered Note to the extent that a cheque which has been duly despatched in the Specified Currency remains uncashed at the end of the period of five years from the Relevant Date in respect of such payment. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

10. Events of Default

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified to its satisfaction), give notice to the Issuer that the Notes are, and they shall accordingly thereby become, immediately due and repayable each at their Early Redemption Amount determined pursuant to Condition 7(e) together with accrued interest as provided in Condition 7(f), in any of the following events ("Events of Default"):

- (i) if default is made for a period of seven days or more in the payment of any principal or 14 days or more in the payment of any interest due in respect of the Notes or any of them; or
- (ii) if the Issuer or the Guarantor fails to perform or observe any of its other obligations under the Notes or the Trust Deed and (except where the Trustee considers such failure to be incapable of remedy when no such continuation or notice as is hereinafter referred to will be required) such failure continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer or the Guarantor, as the case may be, of notice requiring the same to be remedied; or
- (iii) if any loan or loans or other indebtedness for borrowed money (which loan or loans or other indebtedness has or have an outstanding principal or aggregate principal amount of at least the Cross Default Amount) of the Issuer, the Guarantor or any Principal Subsidiary becomes or become due and repayable prematurely by reason of an event of default (however described) or the Issuer, the Guarantor or any Principal Subsidiary fails to make any payment in respect thereof on the due date for such payment as extended by any applicable grace period as originally provided or the security for any such loan or loans or other indebtedness for borrowed money becomes enforceable or if default is made by the Issuer, the Guarantor or any Principal Subsidiary in making any payment due under any guarantee given by it in respect of any such loan or loans or other indebtedness for borrowed money of any person having an outstanding principal or aggregate principal amount of at least the Cross Default Amount; or
- (iv) if the Issuer, the Guarantor or any Principal Subsidiary ceases to carry on the whole or a substantial part of its business (save, in the case of the Issuer where it is incorporated in England and Wales, for so long as it remains after such cessation not unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986, and save, in each case, for the purposes of a reorganisation on terms approved by the Trustee and save, in the case of a Principal Subsidiary, where such cessation results from a solvent winding up of such Principal Subsidiary and the assets thereof attributable directly or indirectly to the Guarantor are distributed to any one or more of the Issuer, the Guarantor and the other Subsidiaries), or the Issuer, the Guarantor or any Principal Subsidiary stops payment of, or admits inability to pay, its debts as they fall due; or
- (v) if an administrative or other receiver or an administrator or other similar official is appointed in relation to the Issuer, the Guarantor or any Principal Subsidiary or in relation to the whole or a material part of the assets of any of them or an encumbrancer takes possession of the whole or a material part of the assets of any of them, or a distress or execution of other process is levied or enforced upon or sued out against the whole or a material part of the assets of any of them, and, in any of the foregoing cases in relation to a Principal Subsidiary, is not discharged within 30 days; or
- (vi) if an effective resolution is passed or an order is made for the winding up or dissolution of the Issuer or the Guarantor (except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders); or
- (vii) if an order is made or an effective resolution is passed for the winding up or dissolution of any Principal Subsidiary (except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders or a resolution for the solvent winding up of such Principal Subsidiary where the assets thereof attributable directly or indirectly to the Guarantor are distributed to any one or more of the Issuer, the Guarantor and the other Subsidiaries),

Provided that, in the case of any such Event of Default other than those described in paragraphs (i) and (vi) above, the Trustee shall have certified to the Issuer that such Event of Default is, in its opinion, materially prejudicial to the interests of the Noteholders.

For the purpose of this Condition, a "Principal Subsidiary" at any time shall mean a Subsidiary of the Guarantor *inter alia*:

- (i) whose total assets (consolidated in the case of a Subsidiary which itself has subsidiaries) attributable to the Guarantor represent not less than 10 per cent. of the consolidated total assets of the Guarantor and its Subsidiaries attributable to the Guarantor, as calculated by reference to the then latest audited accounts (consolidated or, as the case may be, unconsolidated) of such

Subsidiary and the then latest audited consolidated accounts of the Guarantor and its Subsidiaries (or, in each case, if no such accounts have been prepared and audited, calculated as provided in the Trust Deed); or

- (ii) to which is transferred the whole or substantially the whole of the assets and undertaking of a Subsidiary of the Guarantor which immediately prior to such transfer is a Principal Subsidiary,

all as more particularly defined in the Trust Deed. A report by the Auditors (as defined in the Trust Deed) of the Guarantor (whether or not addressed to the Trustee) that in their opinion a Subsidiary of the Guarantor is or is not or was or was not at any particular time a Principal Subsidiary shall, in the absence of manifest error, be conclusive and binding on all parties.

For the purpose of this Condition, "Cross Default Amount" shall mean the greater of: (a) £25,000,000 or its equivalent in any other currency or composite currency; and (b) such amount in sterling as is equal to 1 per cent. of the Adjusted Tangible Net Worth (as defined in the Trust Deed) of the Guarantor and its Subsidiaries or its equivalent in any other currency or composite currency. A certificate by the Auditors of the Guarantor as to the amount of the Cross Default Amount shall, in the absence of manifest error, be conclusive and binding on all parties.

11. Replacement of Notes, Receipts, Coupons and Talons

Should any Note or, if applicable, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed it may be replaced, in the case of Bearer Notes, Receipts or Coupons, at the specified office of the Principal Paying Agent or, in the case of Registered Notes, at the specified office of the Registrar (or in any case such other place of which notice shall have been given to the Noteholders in accordance with Condition 14) upon payment in any such case by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes or, if applicable, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Agents

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled, subject to the prior written approval of the Trustee, to vary or terminate the appointment of any Agent and/or approve any change in the specified office through which any Agent acts and/or, subject to prior consultation with the Trustee, appoint additional or other Agents, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) there will at all times be a Paying Agent with a specified office in a city approved by the Trustee in continental Europe; and
- (d) so long as any of the Rule 144A Global Notes payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in London.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6(f). Any variation, termination, appointment or change relating to the Notes shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement and the Registry Services Agreement, respectively, the Agents and the Australian Registrar, act solely as agents or, as the case may be, registrars of the Issuer and the Guarantor and, in certain circumstances, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

13. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

14. Notices

All notices regarding the Bearer Notes will be deemed to be validly given if published (i) in one leading English language daily newspaper of general circulation in London, and (ii) if and for so long as the Bearer Notes are listed on the Luxembourg Stock Exchange and the rules of the Luxembourg Stock Exchange so require, a daily newspaper of general circulation in Luxembourg. It is expected that such publication will be made in the *Financial Times* in London and the *Luxemburger Wort* in Luxembourg. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to listing. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers. If publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of that stock exchange or other relevant authority so require, the relevant notice will be published in a daily newspaper of general circulation in the place or places required by the rules of that stock exchange or other relevant authority. In addition, notices regarding Australian Domestic Notes shall also be published in a leading daily newspaper of general circulation in Australia. It is expected that such notices will normally be published in *The Australian Financial Review*. Any such notice will be deemed to have been given on the date of such publication. If the giving of notice as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

Until such time as any definitive Notes are issued, notice may be given (so long as any Global Notes representing the Notes are held in their entirety on behalf of DTC, Euroclear and/or Clearstream, Luxembourg (and so long as the rules of any stock exchange on which the Notes are listed, or the rules of any other relevant authority by which the Notes have been admitted to listing, permit)) by delivery of the relevant notice to DTC, Euroclear and/or Clearstream, Luxembourg (instead of by way of publication or mailing) for communication by them to the holders of the Notes provided that, in addition, for so long as any Notes are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of that stock exchange or other relevant authority so require, such notice will be published in a daily newspaper of general circulation in a place or places required by the rules of that stock exchange or other relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the third day after the day on which the said notice was given to DTC, Euroclear and/or Clearstream, Luxembourg as the case may be.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Principal Paying Agent (in the case of Bearer Notes), the Registrar (in the case of Registered Notes) or the Australian Registrar (in the case of Australian Domestic Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent or the Registrar through DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent, the Registrar and DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. Meetings of Noteholders, Modification, Waiver, Determination and Substitution

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of the provisions of these Terms and Conditions, the Notes, the Receipts, the Coupons or any of the provisions of the Trust Deed or the Deed Poll. Such a meeting may be convened by the Issuer, the Guarantor or the Trustee and shall be convened by the Issuer at the request of Noteholders holding not less than ten per cent. in nominal amount of the Notes for the time being outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of these Terms and Conditions, the Notes, the Receipts, the Coupons, the Trust Deed or the Deed Poll, the quorum shall be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting one or more persons holding or representing not less than one-third, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

The Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification of, or any waiver or authorisation of any breach or proposed breach of, any of the provisions of these Terms and Conditions, the Notes, the Receipts, the Coupons, the Trust Deed, the Registry Services Agreement or the Deed Poll or, in the case of modification, the Agency Agreement which, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders; or
- (b) any modification of any of the provisions of these Terms and Conditions, the Notes, the Receipts, the Coupons, the Trust Deed, the Registry Services Agreement or the Deed Poll which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of applicable law.

The Issuer and the Principal Paying Agent may agree, without the consent of the Trustee, the Noteholders, Receiptholders or Couponholders, to any modification of any of the provisions of any Pricing Supplement which is of a formal, minor or technical nature or is made to correct a manifest error.

The Trustee may also determine, without the consent of the Noteholders, the Receiptholders or the Couponholders, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such if the Trustee is satisfied that so to do will not be materially prejudicial to the interests of the Noteholders.

Subject as provided in the Trust Deed, the Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders, may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to the substitution of (i) the Guarantor or any other person or persons incorporated in any country in the world in place of the Issuer as principal debtor under the Trust Deed, the Deed Poll (where applicable), the Notes and, if applicable, the Receipts and Coupons provided that, except in the case of the substitution of the Guarantor, the obligations of such substitute as principal debtor under the Trust Deed, the Deed Poll (where applicable), the Notes and, if applicable, the Receipts and Coupons shall be guaranteed by the Guarantor in such form as the Trustee may require or (ii) any successor company of the Guarantor in place of the Guarantor as guarantor in respect of the Trust Deed, the Deed Poll (where applicable), the Notes and, if applicable, the Receipts and Coupons. The Trustee may also agree without the consent of the Noteholders, Receiptholders or Couponholders to the addition of another company as an issuer of Notes under the Programme and the Trust Deed. Any such addition shall be subject to the relevant provisions of the Trust Deed and to such amendment thereof and such other conditions as the Trustee may require.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, but without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders, Receiptholders or Couponholders (whatever their number) and, in particular, but without limitation, shall not have regard to the consequences

(including any tax consequences) of such exercise for individual Noteholders, Receiptholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the Issuer, the Guarantor or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders except, in the case of the Issuer and the Guarantor, to the extent provided for in Condition 8 and/or any undertaking given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

Any such modification, waiver, authorisation, determination, substitution or addition as aforesaid shall be binding on the Noteholders, the Receiptholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the issue price and date of issue thereof and the amount and date of the first payment of interest thereon and so as to be consolidated and form a single series with the outstanding Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

17. Enforcement

At any time after the Notes or any of them shall have become immediately due and repayable and have not been repaid, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer and/or the Guarantor as it may think fit to enforce repayment thereof together with accrued interest, if any, and to enforce the provisions of the Trust Deed or the Deed Poll, but it shall not be bound to institute any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter of the nominal amount of the Notes then outstanding and (b) it shall have been indemnified to its satisfaction. No Noteholder, Receiptholder or Couponholder shall be entitled to proceed against the Issuer and/or the Guarantor unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

A person who is not a Noteholder has no right by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy which exists or is available apart from that Act.

18. Governing Law and Submission to Jurisdiction

(a) Governing law

The Trust Deed, the Agency Agreement, the Notes, the Receipts and the Coupons are governed by, and shall be construed in accordance with, English law except that Australian Domestic Notes, the Deed Poll and the Registry Services Agreement are governed by, and shall be construed in accordance with, the laws in force in New South Wales, Australia.

(b) Submission to jurisdiction

The Issuer (except where the Issuer is Abbey National Treasury Services plc or Abbey National Funding plc) has irrevocably agreed in the Trust Deed for the exclusive benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders that the Courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with these Terms and Conditions, the Trust Deed, the Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings arising out of or in connection with these Terms and Conditions, the Trust Deed, the Notes, the Receipts and/or the Coupons (together referred to as "Proceedings") may be brought in such Courts.

In the case of Australian Domestic Notes, Abbey National Treasury Services plc has irrevocably agreed for the benefit of Noteholders that the courts of New South Wales, Australia and courts of appeal

from them are to have non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Australian Domestic Notes, any Deed Poll or the Registry Services Agreement and that accordingly any suit, action or proceedings arising out of or in connection with the Australian Domestic Notes, any Deed Poll or the Registry Services Agreement (together referred to as "Australian Proceedings") may be brought in such courts.

The Issuer (except, in the case of the Courts of England, where the Issuer is Abbey National Treasury Services plc or Abbey National Funding plc) has in the Trust Deed irrevocably waived any objection which it may have now or hereafter to the laying of the venue of any Proceedings (or any Australian Proceedings) in any such court and any claim that any such Proceedings (or Australian Proceedings) have been brought in an inconvenient forum and has further irrevocably agreed that a judgment in any such Proceedings (or Australian Proceedings) brought in the Courts of England (or the courts of New South Wales and courts of appeal from them) shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition shall limit any right to take any suit, action or proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of any suit, action or proceedings in one or more jurisdictions preclude the taking of any suit, action or proceedings in any other jurisdiction, whether concurrently or not.

(c) Appointment of Process Agent

The Issuer (except where the Issuer is Abbey National Treasury Services plc or Abbey National Funding plc) has in the Trust Deed appointed the Guarantor at its registered office for the time being as its agent for service of process in England, and has undertaken that, in the event of the Guarantor ceasing so to act, it will appoint such other person as the Trustee may approve as its agent for service of process in England.

For so long as any Australian Domestic Notes are outstanding, Abbey National Treasury Services plc has appointed Dabserv Corporate Services Pty Limited (ACN 001 824 111) as its agent for the time being to accept service of process on its behalf in New South Wales in respect of any legal action or proceedings as may be brought in the courts of New South Wales, Australia or the federal courts of Australia. In the event of Dabserv Corporate Services Pty Limited (ACN 001 824 111) ceasing to act, Abbey National Treasury Services plc will appoint such other agent as the Trustee may approve.

ANTS has branches in Paris and Hong Kong.

Life Assurance Operations

The Group is active in each of the three principal areas of the U.K. life assurance industry: life and ill-health protection assurance, pensions and investments and savings. Scottish Mutual Assurance plc offers a broad range of products through independent financial advisers, and diversified internationally during 1999 by entering markets in mainland Europe. Abbey National Life plc offers products through the Group's distribution network and during 1999 its entire product range was re-launched with even more customer-focused features. Scottish Mutual Assurance plc's new business premiums income arising from policies sold in 1999 increased by 41 per cent. to £2,352 million (1998: £1,672 million). Abbey National Life plc's new business premiums from policies sold in 1999 totalled £1,194 million (1998: £851 million), a 40 per cent. increase.

Finance House

Finance House provides unsecured personal loans under the Abbey National and First National brands. It also provides secured loans, motor finance and vehicle contract hire, leasing, factoring and commercial mortgages. In 1999, First National Bank's assets increased by 8 per cent. to £3.87 billion (1998: £3.57 billion).

General Insurance

The range of general insurance products offered includes property, buildings and contents, payment protection, private medical, motor and travel insurance.

For the year ended 31st December, 1999 new business volumes have increased by 9 per cent. with motor new business volumes in particular growing strongly by 141 per cent. to 59,000 and creditor volumes increasing 42 per cent.

Wealth Management

The Wealth Management Division comprises the offshore businesses of Abbey National and Cater Allen, the onshore retail businesses of Cater Allen, the Abbey National Independent Consulting Group and City Deal Services Limited. Wealth Management Division targets these specialist businesses primarily at high net worth individuals and expatriate clients.

Continental Europe

The Group has operations in France and Italy, the main activity of which is the provision of residential mortgage loans. These businesses have been refocused and are now concentrating on profitable niche markets.

Interim Results for the six months to 30th June, 2000

Underlying profit before tax increased by 19 per cent. to £1,018 million (30th June, 1999: £852 million). This excludes significant investment of £96 million (30th June 1999: £17 million) to transform the Group and profits from material asset disposals (£60 million in 1999 relating to the disposal of the Group's equity stake in Irish Permanent).

Total profit before tax increased by 5 per cent. to £922 million (30th June, 1999: £875 million) representing a strong performance given the substantial levels of investment. Total charges for bad debts fell by 23 per cent. to £132 million (30th June 1999: £171 million).

Total Group assets have increased by 7 per cent. since 31st December, 1999 to £194 billion (31st December, 1999: £181 billion). The equity tier one capital ratio was 7.3 per cent. (31st December, 1999: 7.1 per cent).

UK Retail Banking profit before tax increased by 7 per cent. to £507 million on an underlying basis (30th June, 1999: £472 million). This excludes £8 million costs invested in e-commerce and £20 million redundancy costs relating to the removal of a layer of management in the branch network. In total, profit before tax increased by 2 per cent. to £479 million.

Wholesale Banking increased profits before tax by 30 per cent. to £263 million (30th June, 1999: £202 million) reflecting the excellent performance of the wholesale lending and asset financing businesses, which include fast growing newer income streams such as acquisition finance and project finance.

Life Assurance increased profit before tax by 22 per cent. to £128 million (30th June, 1999: £105 million) with total new business premiums increasing by 24 per cent. to £2,010 million (30th June, 1999: £1,619 million) with funds under management increasing by 22 per cent. since 30th June, 1999 to £19.1 billion.

Finance House underlying profit before tax increased by 20 per cent. to £90 million (30th June, 1999: £75 million). In total, profit before tax was slightly higher at £69 million (30th June, 1999: £68 million).

General Insurance profit before tax increased by 6 per cent. to £51 million (30th June, 1999: £48 million) resulting from a focus on operating cost containment and increased customer retention. This was offset in part by narrower margins due to higher claim costs.

Wealth Management profit before tax increased by 32 per cent. to £25 million (30th June, 1999: £19 million) excluding the £16 million (30th June, 1999: £5 million) cost of new business development.

Continental Europe made a pre-tax loss of £1 million (30th June, 1999: £0.1 million loss).

Cahoot is a separately branded self contained virtual banking service launched on 12th June, 2000. £31 million was invested in building the business in the first half of 2000.

Recent Developments

On 6th September, 2000 Abbey National entered into an agreement with The Scottish Provident Institution ("Scottish Provident") under which the business of Scottish Provident will be transferred to the Group for £1.8 billion (subject to adjustment), of which £1.6 billion will be payable by Abbey National to compensate members for loss of membership rights and £0.2 billion will be paid into Scottish Provident's with profit fund.

Scottish Provident is a mutual insurance group, based in Edinburgh, whose main activity is the provision of life products in the United Kingdom. It also has significant international operations based in the Isle of Man (distributing products internationally) and in the Republic of Ireland. Scottish Provident will form part of the Group's business to business banking division and increase the Group's presence in the life protection market.

The acquisition is subject to, amongst other things, approval by Scottish Provident's members and by certain regulatory authorities and the sanction of the Court. It is currently anticipated that completion of the acquisition will take place in the summer of 2001.

On 3rd November, 2000 the board of Abbey National announced that it "has made an approach to the board of Bank of Scotland which may or may not lead to an offer for Bank of Scotland by Abbey National. Abbey National sees an opportunity to create value for both sets of shareholders by combining the businesses. The proposal is at a very early stage and there can be no guarantee that the acquisition will proceed".

In answer to Abbey National's announcement, Bank of Scotland issued on the same day the following statement:

"Bank of Scotland notes the announcement by Abbey National. During July and August there were talks between Bank of Scotland and Abbey National with a view to a combination. These talks were terminated by Abbey National because they wished to concentrate on organic growth.

Abbey National contacted Bank of Scotland last week. It seems unlikely that Abbey National's approach will lead to a satisfactory transaction for Bank of Scotland's shareholders, but of course the Board of Bank of Scotland always reviews opportunities to optimise shareholder value."

BOOK-ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Clearstream, Luxembourg (together, the "Clearing Systems") currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuers and the Guarantor believe to be reliable. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuers, the Guarantor, the Trustee, the Dealers and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records or payments relating to such beneficial ownership interests.

Book-entry Systems

DTC

DTC has advised the Issuers and the Guarantor that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations ("Direct Participants"). DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants").

Under the rules, regulations and procedures creating and affecting DTC and its operations (the "Rules"), DTC makes book-entry transfers of Registered Notes among Direct Participants on whose behalf it acts with respect to Notes accepted into DTC's book-entry settlement system ("DTC Notes") as described below and receives and transmits distributions of principal and interest on DTC Notes. The Rules are on file with the United States Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Notes ("Owners") have accounts with respect to the DTC Notes are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Notes through Direct Participants or Indirect Participants will not possess Registered Notes, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants can receive payments and transfer their interest with respect to the DTC Notes.

Purchases of DTC Notes under the DTC System must be made by or through Direct Participants, which will receive a credit for the DTC Notes on DTC's records. The ownership interest of each actual purchaser of each DTC Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Notes, except in the event that use of the book-entry system for the DTC Notes is discontinued.

To facilitate subsequent transfers, all DTC Notes deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping an account of their holdings of DTC Notes on behalf of their customers.

Delivery of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Notes of a Series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Notes. Under its usual procedures, DTC will mail an Omnibus Proxy to the relevant Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Notes will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or the relevant Issuer or the Guarantor, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the relevant Issuer or the Guarantor, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants. None of the Issuers or the Guarantor accept any responsibility or liability for any such payments to be made by DTC or by Direct or Indirect Participants.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Notes

The relevant Issuer will apply to DTC in order to have each Tranche of Notes represented by Rule 144A Global Notes accepted in its book-entry settlement system. Upon the issue of any Rule 144A Global Notes, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Rule 144A Global Notes to the accounts of DTC Participants. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in a Rule 144A Global Note will be held through Direct Participants or Indirect Participants of DTC, including the respective depositories of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Rule 144A Global Note will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Rule 144A Global Note registered in the name of DTC's nominee will be made to the order of such nominee as the registered holder of such

Note. In the case of any payment in a currency other than U.S. dollars, payment will be made by the relevant Issuer to the Exchange Agent on behalf of DTC's nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Rule 144A Notes in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

Transfers of Notes Represented by Registered Global Notes

Transfers of any interests in Notes represented by a Registered Global Note within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Notes represented by a Rule 144A Global Note to pledge such Notes to persons or entities that do not participate in the DTC system or to otherwise take action in respect of such Notes may depend upon the ability to exchange such Notes for Notes in definitive form. The ability of any holder of Notes represented by a Rule 144A Global Note to resell, pledge or otherwise transfer such Notes may be impaired if the proposed transferee of such Notes is not eligible to hold such Notes through a Direct or Indirect Participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described under "Subscription and Sale and Transfer and Selling Restrictions", cross-market transfers between DTC, on the one hand, and directly or indirectly through Euroclear or Clearstream, Luxembourg accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Principal Paying Agent and any custodian ("Custodian") with whom the relevant Registered Global Notes have been deposited.

On or after the Issue Date for any Series, transfers of Notes of such Series between accountholders in Euroclear and Clearstream, Luxembourg and transfers of Notes of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Euroclear or Clearstream, Luxembourg and DTC Participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Euroclear and Clearstream, Luxembourg, on the other, transfers of interests in the relevant Registered Global Notes will be effected through the Registrar, the Principal Paying Agent and the Custodian receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a delivery free of payment basis and arrangements for payment must be made separately.

DTC, Euroclear and Clearstream, Luxembourg have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Notes among participants and accountholders of DTC, Euroclear and Clearstream, Luxembourg. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuers, the Guarantor, the Trustee, the Agents or any Dealer will be responsible for any performance by DTC, Euroclear or Clearstream, Luxembourg or their respective Direct or Indirect Participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Notes represented by Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial interests.

The relevant Issuer will apply to Austraclear Limited ("Austraclear") for approval for each Series of Australian Domestic Notes to be traded on the settlement system operated by Austraclear ("Austraclear System"). Such approval by Austraclear is not a recommendation or endorsement by Austraclear of the Australian Domestic Notes.

If accepted for admission to the respective system, interests in Australian Domestic Notes may be held through Euroclear or Clearstream, Luxembourg. In these circumstances, entitlements in respect of holdings of interests in the Notes in Euroclear would be held in the Austraclear System by Westpac Custodian Nominees Limited as nominee of Euroclear while entitlements in respect of holdings of interests in the Notes in Clearstream, Luxembourg would be held in the Austraclear System by ANZ Nominees Limited as nominee of Clearstream, Luxembourg.

The rights of a holder of interests in Australian Domestic Notes held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations for accountholders of Euroclear and Clearstream, Luxembourg, the terms and conditions of agreements between Euroclear and Clearstream, Luxembourg and their respective nominee and the rules and regulations of the Austraclear System.

In addition any transfer of interests in Australian Domestic Notes, which is held through Euroclear or Clearstream, Luxembourg will, to the extent such transfer will be recorded on the Austraclear System, be subject to the Corporations Law in force in Australia and the requirements for minimum consideration set out in Condition 2(c) of the Notes.

The relevant Issuer will not be responsible for the operation of the clearing arrangements which is a matter for the clearing institutions, their nominees, their participants and the investors.

TAXATION

The comments below are of a general nature and are based on the Issuers' and the Guarantor's understanding of current tax law and practice. They relate to the deduction from interest on the Notes for or on account of tax in the United Kingdom and to certain aspects of Jersey, Australia and Hong Kong tax.

UK Taxation

1. United Kingdom withholding tax (including withholding or deduction for tax by issuers, paying and collecting agents) will be abolished in relation to interest payments on the Notes made on or after 1st April, 2001 provided that, so far as concerns deduction by ANTS, ANSIL or ANF or their paying agents, the Notes are listed on a recognised stock exchange, as defined in Section 841 of the Income and Corporation Taxes Act ("ICTA 1988"). Therefore, the rules described in paragraphs 3, 4 and 5 below will not apply to payments of interest made on or after that date. Instead the Inland Revenue will be able to obtain information about persons to whom or, in certain circumstances, for whose benefit, interest is paid.
2. ANTS, provided that it continues to be a bank for the purposes of Section 349 of ICTA 1988 and provided that the interest on the Notes is paid in the ordinary course of its business within the meaning of Section 349 of ICTA 1988, is entitled to make payments of interest on the Notes without withholding or deduction for or on account of United Kingdom income tax.
3. Payments of interest on Notes issued by ANTS, ANF or ANSIL (whether or not paragraph 2. above applies) which are in bearer form and are listed on a "recognised stock exchange" within the meaning of Section 841 of ICTA 1988 or on Notes issued by ANTIL may be made without withholding or deduction for or on account of United Kingdom income tax:
 - (i) where payment is made by or through an overseas paying agent; or
 - (ii) if payment is made by or through a paying agent in the United Kingdom, where the Notes (and any related Receipts and Coupons) are held in a "recognised clearing system" within the meaning of Section 841A of ICTA 1988 (Euroclear and Clearstream, Luxembourg are recognised for these purposes) or where the person who is the beneficial owner of the Notes, the related Receipts (if any) and the related Coupons (if any) is not resident in the United Kingdom, and in each case the person by or through whom the payment is made receives a declaration in the prescribed form that one of these conditions is satisfied; or
 - (iii) with respect to payments of interest on Notes issued by ANTIL, the person who is the beneficial owner of the Notes and the related Receipts (if any) and the related Coupons (if any) and, in some cases, the recipient of the interest where not that beneficial owner, falls into certain other specified categories and certain administrative conditions imposed by regulations made under ICTA 1988 have been satisfied.

In all other cases tax would, subject to any relief available under any applicable double taxation convention, have to be withheld at the rate set out in paragraph 5 below.

4. Any person in the United Kingdom who, in the course of a trade or profession:
 - (a) acts as a custodian of Notes issued by ANTIL or of Notes which are in bearer form and are listed on a recognised exchange and are issued by ANTS, ANF or ANSIL and in each case receives interest on such Notes or has it paid at its direction or with its consent to another person; or
 - (b) collects or secures (or arranges to collect or secure) payment of or receives interest on such Notes as mentioned in (a) above for another person (other than merely by clearing, or arranging to clear, a cheque),

may be required to account for (and therefore may withhold) United Kingdom income tax as set out below in paragraph 5 from such interest unless certain exceptions apply, such exceptions including that:

- (i) the Notes (and any related Receipts or Coupons) are held in a recognised clearing system (as described above) and the collecting agent pays or accounts for the interest directly or indirectly to the recognised clearing system; or
- (ii) the Notes (and any related Receipts or Coupons) are held in a recognised clearing system and the collecting agent is acting as depositary for the recognised clearing system; or
- (iii) the person beneficially entitled to the interest is not resident in the United Kingdom and beneficially owns the Notes (and any related Receipts or Coupons)

and in cases (i) and (iii) a declaration has been made in the prescribed form that one of those conditions is satisfied.

There are also other exemptions for certain types of Noteholder in certain circumstances (e.g. pension funds, charities, non-resident trusts, local authorities, and health service bodies etc.)

5. Where the United Kingdom tax is withheld, the rate is the lower rate of income tax (currently 20 per cent.).
6. In June 2000 the European Council agreed to amend earlier proposals published in May 1998 regarding the taxation of savings income. The Council no longer intends to require member states to implement a withholding tax regime in relation to payments of interest, subject to the entitlement of certain member states (but not the UK) to impose withholding for a transitional period. Instead the Council intends, provided that a number of important conditions are met, to require member states to introduce a system to exchange information regarding interest and similar income.

Jersey Taxation

ANTIL has received confirmation from the Comptroller of Income Tax in Jersey that payments of interest on the Notes may be made by ANTIL without withholding or deduction for or on account of Jersey income tax.

ANSIL has "exempt company" status within the meaning of Article 123A of the Income Tax (Jersey) Law, 1961, as amended, for the calendar year ending 31st December, 2000. ANSIL will be required to pay an annual exempt company charge which is currently £600 in respect of each subsequent calendar year during which it wishes to continue to have "exempt company" status. The retention of "exempt company" status is conditional on the Comptroller of Income Tax in Jersey being satisfied that no Jersey resident has a beneficial interest in the Issuer, except as permitted by concessions granted by the Comptroller of Income Tax.

As an "exempt company", ANSIL will not be liable to Jersey income tax other than on Jersey source income (except bank deposit interest on Jersey bank accounts). For so long as ANSIL is an "exempt company", payments in respect of the Notes will not be subject to taxation in Jersey (unless the Noteholder is resident in Jersey) and no withholding in respect of taxation will be required on any such payment made to a holder of the Notes.

Australian Taxation

So long as the relevant Issuer remains a non-resident of Australia and the Notes are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under the Notes will not be subject to Australian interest withholding tax.

The Issuers have been advised that:

- (a) so long as the relevant Issuer remains a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Income Tax Assessment Act 1936 of Australia ("ITAA") and section 12-140 of the Taxation Administration Act 1953 of Australia ("TAA") should not apply in connection with the Notes;

- (b) the requirements of section 126 of the ITAA relating to bearer debentures do not apply to the obligations of the relevant Issuer in relation to the Notes as such requirements are inapplicable to debentures (which would include the Notes) issued by non-resident body corporates which are not attributable to a permanent establishment of the Issuer in Australia;
- (c) so long as the relevant Issuer does not issue the Notes, or use the proceeds of the Notes or make payments in relation to the Notes, in the course or furtherance of an enterprise carried on in Australia, the requirements of section 12-190 of the TAA relating to the provision of an Australian Business Number ("ABN") should not apply to the obligations of the Issuer in relation to the Notes. Consequently, no withholding should be required to be made by the Issuer from payments of principal and interest on the Notes if a Noteholder does not quote its ABN;
- (d) neither the issue of the Notes nor the payment of principal and interest in respect of the Notes would give rise to a liability to a goods and services tax in Australia; and
- (e) no stamp duty is payable in Australia on the issuance of, subscription for, transfer of or redemption of the Notes (except in some instances on the transfer of Notes in Australia otherwise than for full market value).

Hong Kong Taxation

No interest tax will fall to be withheld from payments of principal or interest in respect of the Notes.

Under Inland Revenue Ordinance (Cap. 112) of Hong Kong as it is currently to be applied according to a practice note issued by the Inland Revenue Department, interest on the Notes will not be subject to Hong Kong profits tax except where the interest is received by or accrued to a financial institution (as defined in the Inland Revenue Ordinance) and the sums received or accrued by the way of interest arise through or from carrying on by the financial institution of its business in Hong Kong.

Hong Kong profits tax may be chargeable on revenue profits arising on the sale, disposal or redemption of the Notes where such transactions are or form part of a trade, profession or business carried on in Hong Kong.

No estate duty will be payable under the Estate Duty Ordinance (Cap. 111) of Hong Kong, as currently enacted, in respect of Notes and Coupons which are physically located outside Hong Kong at the date of the death of the holder thereof.

The Notes are not subject to stamp duty either on issue or transfer thereof under the laws of Hong Kong.

PROSPECTIVE NOTEHOLDERS WHO ARE IN ANY DOUBT AS TO THEIR TAX POSITION OR WHO MAY BE SUBJECT TO TAX IN A JURISDICTION OTHER THAN THE UNITED KINGDOM, JERSEY, AUSTRALIA OR HONG KONG SHOULD SEEK INDEPENDENT ADVICE.

SUBSCRIPTION AND SALE AND TRANSFER AND SELLING RESTRICTIONS

The Dealers have in a programme agreement (the "Programme Agreement") dated 8th November, 2000 agreed with the Issuers and the Guarantor a basis upon which each Issuer may from time to time agree to issue Notes. Any such agreement will extend to those matters stated under "Form of the Notes" and "Terms and Conditions of the Notes". In the Programme Agreement, the relevant Issuer (failing which, the Guarantor) has agreed to reimburse the Dealers for certain of their expenses in connection with the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

In order to facilitate the offering of any Tranche of the Notes, certain persons participating in the offering of the Tranche may engage in transactions that stabilise, maintain or otherwise affect the market price of the relevant Notes during and after the offering of the Tranche. Specifically such persons may over-allot or create a short position in the Notes for their own account by selling more Notes than have been sold to them by the relevant Issuer. Such persons may also elect to cover any such short position by purchasing Notes in the open market. In addition, such persons may stabilise or maintain the price of the Notes by bidding for or purchasing Notes in the open market and may impose penalty bids, under which selling commissions allowed to syndicate members or other broker-dealers participating in the offering of the Notes are reclaimed if Notes previously distributed in the offering are repurchased in connection with stabilisation transactions or otherwise. The effect of these transactions may be to stabilise or maintain the market price of the Notes at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid may also affect the price of the Notes to the extent that it discourages resales of the Notes. No representation is made as to the magnitude or effect of any such stabilising or other transactions. Such transactions, if commenced, may be discontinued at any time. Under current United Kingdom laws and regulations stabilising activities may only be carried on by the Stabilising Manager named in the applicable Pricing Supplement and only for a period of 30 days following the Issue Date of the relevant Tranche of Notes.

Transfer Restrictions

As a result of the following restrictions, purchasers of Notes in the United States are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Notes.

Each purchaser of Registered Notes or person wishing to transfer an interest from one Registered Global Note to another or from global to definitive form or *vice versa*, will be deemed to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A or in Regulation S are used herein as defined therein):

1. that either: (a) it is a QIB, purchasing (or holding) the Notes for its own account or for the account of one or more QIBs and it is aware that any sale to it is being made in reliance on Rule 144A or (b) it is outside the United States and is not a U.S. person;
2. that the Notes are being offered and sold in a transaction not involving a public offering in the United States within the meaning of the Securities Act, and that the Notes have not been and will not be registered under the Securities Act or any other applicable U.S. State securities laws and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as set forth below;
3. that, unless it holds an interest in a Regulation S Global Note and either is a person located outside the United States or is not a U.S. person, if in the future it decides to resell, pledge or otherwise transfer the Notes or any beneficial interests in the Notes, it will do so, prior to the date which is two years after the later of the last Issue Date for the Series and the last date on which the relevant Issuer or an affiliate of the relevant Issuer was the owner of such Notes, only (a) to the relevant Issuer or any affiliate thereof, (b) inside the United States to a person whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A, (c) outside the United States in compliance with Rule 903 or Rule 904 under the Securities Act, (d) pursuant to the exemption from registration provided by Rule 144 under the Securities Act (if available) or (e) pursuant to an effective registration statement under the Securities Act, in each case in accordance with all applicable U.S. State securities laws;

4. it will, and will require each subsequent holder to, notify any purchaser of the Notes from it of the resale restrictions referred to in paragraph 3 above, if then applicable;
5. that Notes initially offered in the United States to QIBs will be represented by one or more Rule 144A Global Notes, and that Notes offered outside the United States in reliance on Regulation S will be represented by one or more Regulation S Global Notes;
6. that the Rule 144A Global Notes and any definitive Registered Notes issued in exchange therefor will bear a legend to the following effect unless otherwise agreed to by the relevant Issuer:

“THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR ANY OTHER APPLICABLE U.S. STATE SECURITIES LAWS AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER (A) REPRESENTS THAT IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) PURCHASING THE SECURITIES FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ONE OR MORE QUALIFIED INSTITUTIONAL BUYERS; (B) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE SECURITIES EXCEPT IN ACCORDANCE WITH THE AGENCY AGREEMENT AND PRIOR TO THE DATE WHICH IS TWO YEARS AFTER THE LATER OF THE LAST ISSUE DATE FOR THE SERIES AND THE LAST DATE ON WHICH THE ISSUER OR AN AFFILIATE OF THE ISSUER WAS THE OWNER OF SUCH SECURITIES, OTHER THAN (1) TO THE ISSUER OR ANY AFFILIATE THEREOF, (2) INSIDE THE UNITED STATES TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (3) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 903 OR RULE 904 UNDER THE SECURITIES ACT, (4) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT (IF AVAILABLE) OR (5) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, IN EACH CASE IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE STATES OF THE UNITED STATES AND ANY OTHER JURISDICTION; AND (C) IT AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS SECURITY IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND.

THIS SECURITY AND RELATED DOCUMENTATION (INCLUDING, WITHOUT LIMITATION, THE TRUST DEED AND THE AGENCY AGREEMENT) MAY BE AMENDED OR SUPPLEMENTED FROM TIME TO TIME, WITHOUT THE CONSENT OF, BUT UPON NOTICE TO, THE HOLDERS OF SUCH SECURITIES SENT TO THEIR REGISTERED ADDRESSES, TO MODIFY THE RESTRICTIONS ON AND PROCEDURES FOR REALES AND OTHER TRANSFERS OF THIS SECURITY TO REFLECT ANY CHANGE IN APPLICABLE LAW OR REGULATION (OR THE INTERPRETATION THEREOF) OR IN PRACTICES RELATING TO REALES OR OTHER TRANSFERS OF RESTRICTED SECURITIES GENERALLY. THE HOLDER OF THIS SECURITY SHALL BE DEEMED, BY ITS ACCEPTANCE OR PURCHASE HEREOF, TO HAVE AGREED TO ANY SUCH AMENDMENT OR SUPPLEMENT (EACH OF WHICH SHALL BE CONCLUSIVE AND BINDING ON THE HOLDER HEREOF AND ALL FUTURE HOLDERS OF THIS SECURITY AND ANY SECURITIES ISSUED IN EXCHANGE OR SUBSTITUTION THEREFOR, WHETHER OR NOT ANY NOTATION THEREOF IS MADE HEREON).”;

Selling Restrictions

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Notes issued by ANSIL may not be offered or sold within the United States or to, or for the account of or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to, or for the account or benefit of, a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S ("Regulation S Notes"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulation S Notes within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Regulation S Notes are a part. Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers may arrange for the resale of Notes to QIBs pursuant to Rule 144A and each such purchaser of Notes is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Notes which may be purchased by a QIB pursuant to Rule 144A is U.S.\$100,000 (or the approximate equivalent thereof in any other currency).

Each issuance of Index Linked Notes or Dual Currency Notes shall be subject to such additional U.S. selling restrictions as the relevant Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Pricing Supplement.
