Fair fees policy

We want to be open and fair in how we charge you for using our overdraft services. To help us do this, we work to the following principles.

- We will notify you at the end of any statement period that you incur any fees, and we will take these 22 days from the end of the monthly statement period in which you were notified.
- We offer a range of free text-message and email alerts designed to help make day-to-day banking at Santander even easier. You'll be automatically set up to receive text alert when your account makes use of an unarranged overdraft or you have a regular payment due on your account which you don't have funds to cover. You will also be automatically set up for arranged overdraft alerts to help you manage your account, reduce or avoid overdraft charges. To manage these alerts or set up new ones you must be registered for Online Banking.
- We allow you time to manage your account so if you use an Arranged or Unarranged Overdraft, you will have until 8pm that day to pay money back into your account with cleared funds and move your balance back to an Arranged Overdraft or credit position. Note: You should always ensure there are sufficient funds available to support all payments from your account. If you pay money into your account on the day a payment is due to be made, there may be some situations, out of our control, where we may not be able to make the payment. If you need any help understanding making payments please speak with a member of staff.
- We have a range of accounts available, if you would like to discuss your options please visit our website at santander.co.uk, visit a branch, or call **0800 9 123 123**.
- We will always be willing to discuss your financial situation and to help find appropriate ways of dealing with any financial difficulties you may have with your current account.

AER stands for Annual Equivalent Rate and shows what the interest rate would be if we paid interest and added it to your account each year. The gross rate is the interest rate we pay where no income tax has been deducted. Rates may change and we pay interest each month.

APR stands for Annual Percentage Rate and shows the overall cost of credit as an annual rate of charge, taking into account the interest, charges, and any other costs involved in getting credit. It doesn't include any other fees and charges.

EAR stands for Effective Annual Rate and represents the yearly cost of an Arranged or Unarranged Overdraft, which takes account of how often we charge interest to the account, and does not include any other fees or charges. Arranged and Unarranged Overdrafts depend on your circumstances and you must repay the amount you owe when we ask in line with our General Terms and Conditions.
