Deposits

A subscription is any deposit (or payment) made by you into an ISA.

There is no minimum deposit required, maximum balance at any time is £2 million.

The ISA allowance for the 2022/23 tax year is £20,000. Deposits for the 2022/23 tax year can be made up to and including 5 April 2023.

Deposits can be made at any time via standing order, one-off payments or online transfers.

This ISA Saver is a cash ISA. Please be aware that if your deposits in any given tax year are less than the full ISA allowance for that tax year, you won't be able to pay into another cash ISA in the same tax year to use the remaining allowance.

You can subscribe your ISA allowance into a cash ISA, a stocks and shares ISA, an innovative finance ISA and a lifetime ISA or a combination of the four. Santander do not offer innovative finance ISAs or lifetime ISAs.

For example, if you subscribe to this ISA Saver you won't also be able to subscribe to one of our other cash ISAs this tax year.

A tax year runs from 6 April in one year to 5 April the next.

This product doesn't accept additional permitted subscriptions.

Manage the account

- Online and Mobile Banking, branch, telephone, Post Office and cash machines.
- A cash card can be requested or the account can be linked to an existing Santander card.
- Please note: if you have multiple accounts linked to one card, only the primary account will be available at the Post Office.
- Statements are issued annually in March. We provide you with information about transactions on your account by posting them to Online Banking for you to view at any time. You can also request this information in branch or by calling us on **0330 9 123 123**.

Can I withdraw money?

Yes, withdrawals can be made in Online and Mobile banking, in branch, over the telephone, at the Post Office and at any Santander cash machine.

Any money that you withdraw yourself from your Santander ISA will lose its tax-free status and if repaid back into an ISA, will count towards your current tax year's ISA limit.

We aren't offering additional flexibility on ISAs but some providers are offering this feature. Those providers may allow you to replace funds that you've withdrawn with them without affecting the ISA limit.

Additional Information

Where the death happens on or after **6 April 2018** any tax benefits of the ISA can continue until the earlier of:

- the completion of the administration of the deceased's estate; or
- the closure of the account; or
- the third anniversary of the deceased's death at which point the ISA balance will be moved to an instant access account.

- the value of the deceased's ISA at the date of their death; or
- the value of the deceased's ISA at the point that the ISA wrapper is removed.

If the spouse/civil partner uses their APS limit, in full or part, or transfers their APS limit to another ISA manager before the point in which the ISA wrapper is removed from the deceased's ISA, they will no longer be eligible to receive the APS limit at the point the ISA wrapper is removed, if this is higher.

No subscriptions or ISA transfers are allowed following the death of the account holder.

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot, Santander Corporate & Commercial, and Santander Corporate & Investment Banking trading names.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
