

Understanding your branch closure

Santander, 130 Market Street,
Piccadilly, Manchester M60 1AY

This branch will be closing permanently at
2pm on 13 April 2023.

We'd like to explain why, and help you understand
how you can continue banking with us.

Background to our approach

Our customers are continuing to change the way that they manage their money. Many more of our customers find it convenient to do their day-to-day banking using Online, Mobile or Telephone Banking and as a result, customers are visiting our branches much less. This has been a gradual change for many years but has accelerated recently.

We've reviewed the ways we can best serve our customers in Manchester and decided to merge the two branches in Manchester into one site. You may have noticed that over the last few months our branch at 28/34 Cross Street has been temporarily closed while we make some improvements, and we look forward to welcoming you there when it's finished. Once Cross Street re-opens, the Piccadilly Gardens branch will permanently close. We expect this to be on 13 April 2023.

As part of this review, we've considered the potential impact for our customers, colleagues and the other options available to bank locally.

We hope this leaflet helps to provide more information about our decision to close Manchester's, Piccadilly Gardens branch, the other ways you can continue to bank with Santander and other local banking services available.
