

Mortgages

Let your adventure start here

Let us help you take the next step

Our Mortgage Advisers are fully trained to give you advice and recommend the right mortgage for you, one that you could afford and is suited to your circumstances.

- A range of fixed and tracker rate mortgages.
- Save money on upfront costs:
 - no product fee on selected mortgages
 - a free standard valuation on a home valued up to £2.5 million
 - we'll pay your standard legal fees or give you £250 cashback if you're remortgaging to us from another lender. These are only repayable if you repay your mortgage within the first two years.
- Spread the cost of your mortgage over 5 to 40 years (subject to your individual circumstances and lending criteria).
- Manage your mortgage in Online and Mobile Banking.

Types of mortgage

Fixed rate mortgage	Tracker rate mortgage
Get peace of mind of knowing how much your monthly payments will be each month.	Your interest rate tracks above the Bank of England base rate, so your payments will increase or decrease in line with any changes.

Ways to repay your mortgage

Repayment	Interest only
Your monthly payments are made up of 'capital' (the amount of money you've borrowed) and interest. As long as you keep up your payments your mortgage will be paid off when your mortgage term ends.	Your monthly payments only pay the interest you owe. You still have to repay the 'capital' (the amount you've borrowed) at the end of your mortgage term, so you must make sure you have a way to do this.

Steps you need to take

1 Pre application

To apply for a mortgage with us you need to:

- be at least 18 years of age and a UK resident;
- want a mortgage for a home in the UK;
- be intending to live in that home;
- have never had a home repossessed; and
- have never been declared bankrupt or subject to an Individual Voluntary Arrangement (IVA).

Visit **santander.co.uk**. Our mortgage calculator shows you how much you could borrow and what your monthly payments could be. You can then get a **decision in principle**. It tells you instantly if we could lend you the amount you want to borrow. Then if you're buying a home, you now need to **make an offer**.

2 Mortgage application

There are three different ways you can apply.

In branch or by phone (with advice)

- Our Mortgage Adviser will take you through a full mortgage application and give you a mortgage illustration – a quote showing what your monthly payments and fees would be for the mortgage they recommend.
- They'll explain everything you need to know and arrange for your property to be valued.
- If you want a survey they'll let you know how you can sort that out.

Online at **santander.co.uk** (without advice)

- Complete a full mortgage application and see the eligible mortgages with their monthly payments and fees.
- No need to complete it in one go, simply save and come back to it.
- Get an instant decision, which is subject to checking any documents we ask for and a satisfactory valuation of the property, which we'll arrange for you after you've submitted your application.
- If you want a survey you can find a surveyor at [ricsfirms.com](https://www.ricsfirms.com)

Applications are subject to status and lending criteria. Applicants must be UK residents aged 18 or over. The amount we will lend depends on your circumstances, the amount borrowed and the property. A higher deposit may be required for a flat or new build.

**YOUR HOME MAY BE REPOSSESSED IF YOU DO NOT KEEP
UP REPAYMENTS ON YOUR MORTGAGE**

3 Post application

We'll issue a **formal offer**, meaning your mortgage has been approved. Your solicitor will carry out all the required checks, like Land Registry searches.

If you're buying a home, your solicitor will need you to sign a contract. A completion date will be agreed and when you're ready you'll **exchange contracts** (called Conclusion of Missives in Scotland). This is then legally binding.

If you're buying a home, at **completion** your solicitor will make sure all money changes hands and let you know when you can pick up your keys and move in! When you're remortgaging we'll arrange for the solicitor to complete the transfer from your existing lender to us.
