DEFINITIONS

Historic Yield: The sum of distributions announced in the preceding twelve months, divided by the unadjusted MID market price as at date of yield. The historic yield reflects distributions announced over the last twelve months as a percentage of the MID market price as at the date of yield. It does not include any preliminary charge and investors may be subject to tax on their distributions.

FUND OBJECTIVE AND POLICY

The Fund's objective is to provide a combination of capital growth and income, over a 5+ year time horizon.

The Fund will aim to outperform its Target Benchmark over a rolling 3 year period.

The Fund aims to achieve its objective by investing globally in a wide range of bonds issued by companies and governments and shares issued by listed companies.

The Fund's exposure to global shares will never exceed 50%.

To obtain exposure to these assets, the Fund will invest indirectly by purchasing units in other index tracking funds, although it may also invest directly.

The Fund may use derivatives for efficient portfolio management purposes only.

Past performance is not a guide to future performance. The value of your investment can fall as well as rise and you may not get back the original amount you invested. Please note that the value of any foreign investments may be affected by changes in currency exchange rates.

RISK AND REWARD PROFILE

LOWER RISK

HIGHER RISK

← Typically lower rewards | Typically higher rewards →

Risk and Reward Indicator: The risk and reward indicator shown above is based on historical data, which may not be a reliable indication for the future risk profile of the Fund. The lowest risk and reward indicator does not mean risk free. The risk and reward indicator shown is not guaranteed and may change over time. The risk and reward indicator is at the level it is because the value of shares and the income from them can fluctuate. The value of bonds issued by companies and governments can also vary, although usually by not as much. This can cause the value of your investment in the Fund to fall as well as to rise. The value of your investment is not guaranteed and you may get back less than the original amount you invested. Investors should refer to the most up to date Key Investor Information Document available from our website.

UK Investor Important Information

The Santander Multi Index 2 Fund (the "Fund") is a sub-fund of Santander Managed Investments OEIC 3, an open-ended investment company with variable capital incorporated in England and Wales under registered number IC000873 and authorised and regulated by the Financial Conduct Authority ("FCA") as a UCITS scheme. The Authorised Corporate Director ("ACD") of the Fund is Santander Asset Management UK Limited ("SAM UK"), a private company limited by shares incorporated in Scotland under registration number 106669 with its registered office at 287 St. Vincent Street, Glasgow, G2 5NB, United Kingdom. SAM UK is authorised and regulated by the FCA under registration number 122491.

All applications for shares in the Fund should be made on the basis of the Santander Managed Investments OEIC 3 Prospectus and Key Investor Information Document for the relevant class of shares, which can be obtained free of charge, with the other documents available for the Fund, at www.santanderassetmanagement.co.uk. These documents as well as the most recent annual and semi-annual report for Santander Managed Investments OEIC 3 may also be requested from the ACD at Level 5, 67 Lombard Street, London EC3V 9LJ.

The Fund has been developed by SAM UK and is not in any way connected to or sponsored, endorsed, sold or promoted by the London Stock Exchange Group plc and its group undertakings (collectively the "LSE Group"). FTSE Russell is a trading name of certain of the LSE Group companies. All rights in the FTSE All Share Index, FTSE A British Govt All Stocks Index, FTSE World Europe Ex UK Index, FTSE USA Index, FTSE Japan Index and the FTSE World Asia Pacific Ex Japan Index (the "Indices") vest in the relevant LSE Group company which own the Indices. FTSE® is a trade mark of the relevant LSE Group company and is used by any other LSE Group company under license. The Indices are calculated by or on behalf of FTSE International Limited or its affiliate, agent or partner. The LSE Group does not accept liability whatsoever to any person arising out of (a) the use of, reliance on or any error in the Indices or (b) investment in or operation of the Fund. The LSE Group makes no claim, prediction, warranty or representation either as to the results to be obtained from the Scheme or the suitability of the Indices for the purpose to which it is being put by SAM UK.

The value of any investments and any income from them can fall as well as rise and is not guaranteed at any time. Past performance is not a guide to future performance. The value of any foreign investments may be affected by changes in rates of currency exchange. Changes in interest rates are likely to affect the Fund's value. In general, as interest rates rise, the price of a fixed bond will fall and vice versa. Investors and potential investors should read and note the relevant risk warnings in the Santander Managed Investments OEIC 3 Prospectus and the relevant Key Investor Information Document before making any investment decision.
