

# Savings accounts interest rates

Effective from 5 January 2021

Please refer to our Savings brochure for information on how these accounts work, where you can open them and how you can manage them. Please ask a member of staff for details of interest rates for accounts no longer available. Unless stated otherwise, interest is paid annually and there is no opening deposit. All of our savings accounts are subject to availability and can be withdrawn from sale at any time.

**A 1i2i3 World customer is someone who holds one of our 1i2i3 current accounts or the 1i2i3 Credit Card. Trustees are not classed as 1i2i3 World customers. Customers must meet the eligibility for each product & 1i2i3 World Offer. Santander Select and Private Banking customers also have access to 1i2i3 World Offers.**

**If you open a 1i2i3 product in joint names, all parties will qualify for the product including any additional credit card holders. This may result in joint account holders becoming aware of your 1i2i3 World and/or Select status.**

**To join Santander Select you must have a Select Current Account and meet one of the following criteria: pay your main income of at least £5,000 per month into a Select Current Account (excluding transfers from other Santander accounts), or maintain £75,000 in any Santander investment(s), savings or current account.**
