Branch Closure Impact Assessment 93 Fishergate, Preston, PR1 2NJ

This branch will be closing on 14 December 2017. We'd like to explain why, and help you understand how you can continue banking with us.

Background

Santander UK is a member of UK Finance and is a signatory to the new Access to Banking Standard, a voluntary agreement introduced in May 2017. This aims to ensure that where banks decide to close branches, their customers are communicated with openly and treated fairly.

We don't take the decision to close any branch lightly. For each individual case, we undertake a comprehensive review to understand the potential impact for customers, and the alternative options available to bank locally. We notify customers and the local community in advance of the branch closure. Branch Closure Impact Assessments are available from your local branch or on our website santander.co.uk/uk/about-santander-uk/media-centre/press-releases

Our approach

We're fully committed to investing in our branch network and, over the last four years, all of our largest and busiest branches across the UK have been refurbished. Increasingly however, customers are changing the way they choose to bank with us. In addition to our branches, more and more people are banking with us by phone, online, on tablets and smartphones as well as at cash machines and post offices.

As a result, some of our branches are being used less often. This review outlines our approach when considering whether to keep a branch open and our specific assessment of the Preston, 93 Fishergate branch.

Branch assessment

Before reaching a decision to close the branch at 93 Fishergate, a full internal review of the Preston branches was undertaken, including:

- The facilities in our 93 Fishergate and 102 Fishergate branches
- The way customers are choosing to bank with us at these branches
- The availability of alternative ways a customer can bank with us
- The availability of other ways to bank in the local area

Our findings identified that 90% of customers using our Preston branches already use a variety of ways to complete their banking transactions. 10% of customers solely use the branches at 93 Fishergate or 102 Fishergate for their banking needs. Customers are increasingly opting to complete day-to-day banking transactions in a range of alternative ways. 59% of customers using our Preston branches have chosen to transact online, by telephone or using their mobile in the six months up to March 2017.

Customers are using the branch at 93 Fishergate less in comparison to the branch at 102 Fishergate.

For these reasons, we've made the decision to close the branch at 93 Fishergate on 14 December 2017. The 102 Fishergate branch will be further enhanced to meet the needs of our customers in Preston impacted by the closure of the 93 Fishergate branch.
