

Understanding your branch closure

Santander, Sainsbury's Shopping Centre, Calcot, Bath Road, Reading RG31 7SA

This branch temporarily closed 12 September 2019 and has permanently closed with immediate effect.

We'd like to explain why, and help you understand how you can continue banking with us.

Background to our approach

In September 2019, the Reading Calcot branch temporarily closed to facilitate the wider redevelopment of the shopping centre. We continued to work to provide a new branch on site, but this has been unsuccessful and combined with recent unprecedented events, the decision has been taken for this branch to permanently close with immediate effect.

We can assure you that we don't take the decision to close any branch lightly and we assess each branch individually to consider the potential impact for customers and the alternative options available to bank locally.

We're very sorry for the inconvenience this may cause however we can reassure you that your account details, including your sort code and account number, won't be affected by these changes.

We hope this leaflet helps to provide more information about our decision to close Reading Calcot branch.

Branch assessment

Before reaching the decision to close this branch, a comprehensive internal review was undertaken. Our analysis and considerations included:

- the way our Reading Calcot customers are choosing to bank with us
- the availability and proximity of additional Santander branches in surrounding areas
- the availability of alternative ways to bank with Santander
- access to alternative ways to bank in the local area such as the Post Office and cash machines
- the level of facilities provided in the branch.

As a result of our assessment and following careful consideration, we have taken the difficult decision to close Reading Calcot with immediate effect.
