

£75 cashback on Santander life protection

Receive £75 cashback when you purchase a new Santander life protection policy. To help you with what happens next, some information has been provided below.

When will I receive the cashback?

We'll aim for the cashback to be paid after 180 days of your policy start date, providing;

- you completed an application and submitted it during the promotional period which started on the 10th August 2020
- your policy has started
- the policy has not been cancelled and the premium payments are up to date.

How will I receive the cashback?

If you have a Santander current account, or Santander credit card, the cashback will be paid directly into one of these accounts and will be detailed on your statement as 'Ins Cashback'. You won't be provided with a separate notification of the payment. If you don't hold a Santander current account or credit card, the cashback payment will be credited to the account from where the premiums are paid or a cheque will be sent to you.

What if I don't receive the cashback?

Occasionally we may need to carry out additional checks on the new policy, which may mean it takes longer for the cashback to be paid.

In the unlikely event that you don't receive the cashback within 210 days of the policy start date, you can contact the Santander helpline on **0800 234 6068**. Lines are open 9am to 8pm Monday to Friday and 9am to 4pm on Saturday.

Can I receive more than one cashback?

Yes, for every new Santander Life Insurance Plan, Life & Critical Illness Plan, Critical Illness Plan and Over 50s Life Insurance policy you will receive the £75 cashback. Please note, for a joint qualifying life protection policy, only one cashback of £75 will be paid to the first named policyholder.
