## Select Current Account

**Key Facts Document** (including Pre-Contractual Information, Select Current Account Specific Terms and Conditions, Santander Select Terms and Conditions, the Statement of Lender and Borrower Responsibilities and Financial Services Compensation Scheme (FSCS) Information Sheet and Exclusions list)

You'll also find other important information about your Select Current Account. This includes how you can manage your Select Current Account and how you'll receive your documents from us.

### Effective from 17 October 2018

These Select Current Account Specific Terms and Conditions apply in addition to our General Terms and Conditions for Current Accounts and Savings Accounts.

The Select Current Account may be withdrawn at any time without notice.

#### 1. Eligibility

To be eligible to open the Select Current Account you must be 18 years old or over and live in the UK for tax purposes. You must also meet one of the following eligibility criteria:

- Pay in your main income of at least £5,000 per month into your Select Current Account (excluding transfers from other Santander accounts)
- Or hold at least £75,000 in any Santander investments, savings or current accounts.

If after opening the Select Current Account you do not continue to meet at least one of the above eligibility criteria your account may be transferred to a 11213 Current Account. We will give you at least two months notice before any changes to your account are made. If you aren't happy with the change, you're free to close the account or there may be other current accounts available to you.

#### 2. Maximum number of accounts

You may hold a maximum of two accounts across the Select Current Account and 11213 Current Account. One in your name and one in joint names. If you attempt to open an additional Select Current Account or 11213 Current Account, the application will be declined and this may result in a joint applicant becoming aware of your Select Current Account(s) or 11213 Current Account(s).

If you open or hold more than two Select Current Account(s), we may change them to another current account. We'll give you at least two months' personal notice if we decide to change the account. If you aren't happy with the change, you're free to close the account or there may be other current accounts available to you.

#### 3. Joint account

A maximum of two people can be named on the Select Current Account. At least one holder must individually meet the eligibility criteria described in Condition 1. It is not a requirement for both account holders to individually meet the Santander Select eligibility criteria for the account.

#### 4. Maintaining the account

The fee for maintaining the account is £5 per month and is taken to cover the previous month.

The monthly fee is taken on the same day each month on the date the account was opened or transferred. The monthly fee will be taken every month from your account (including any months you do not qualify for interest and cashback) until you instruct us to close or transfer your account.

If there are a lack of funds in your account to cover the monthly fee, the fee will still be debited. If the payment of the £5 monthly fee takes you into an Arranged or Unarranged Overdraft, Overdraft Usage Fees will still apply. Once you have paid in £500 and set up two active Direct Debits for the first time, you'll begin to be charged the £5 monthly fee.

#### 5. Requirements for cashback and interest

- 5.1** You must pay at least £500 into your Select Current Account every month to qualify for cashback and interest. This is not a calendar month, it is the monthly anniversary from the date you opened/transferred your account. The £500 minimum monthly payment does not include refunded amounts from your Santander Select Debit card or amounts transferred into the account from another Santander account in your name (including any joint accounts). Transfers in from a Santander Business Account do count towards the minimum £500 payment.
- 5.2** You must also have at least two active Direct Debits set up on your account.
- 5.3** If you have multiple Select Current Accounts you need to make sure you meet the above requirements on each Select Current Account.

## 6. Interest rates and cashback

Interest rates	Cashback percentages you earn on eligible cashback categories	Eligibility for cashback and interest
<b>1.50% AER/1.49%</b> gross (variable) interest on your entire balance up to £20,000	<b>1% cashback</b> on water, council tax and Santander mortgage payments (up to maximum monthly mortgage payments of £1,000)	<b>✓ Pay in at least £500 a month</b> <b>✓ Have at least two active Direct Debits (see Condition 5)</b>
	<b>2% cashback</b> on gas and electricity, Santander Home Insurance premiums (policies administered and underwritten by Aviva Insurance Limited) and Santander life protection premiums (policies administered and underwritten by Aviva Life and Pensions UK Limited)	
	<b>3% cashback</b> on mobile phone, home phone, broadband and paid-for TV packages	

### 6.1 Interest

You will earn interest on your entire balance up to £20,000 for every month you have paid in £500 and have two active Direct Debits set up on the account.

We work out the interest on your daily balance and pay the interest every month. We'll pay this interest into your current account on the same day each month. This is usually on the date you opened or transferred to a Select Current Account. We won't pay you any interest for any month where you don't meet the eligibility requirements for cashback and interest.

**Interest payments** will be paid using the gross rate. This means all the interest we pay you will be without tax deducted. If the total amount of interest you receive exceeds any Personal Savings Allowance to which you're entitled, you may have to pay tax at the applicable rate. This would need to be paid directly to HM Revenue and Customs. For more information, please visit gov.uk and search for 'Personal Savings Allowance'.

### 6.2 Cashback amount and categories

Cashback is a monthly cash reward that we'll pay directly into your Select Current Account, as long as you meet the ongoing eligibility criteria that we've set out in Conditions 5 and 6 of these Select Current Account Specific Terms and Conditions.

Payments for financial or additional services (such as servicing and maintenance arrangements, or warranties) from organisations in eligible cashback categories won't qualify for cashback.

You can only earn cashback on eligible Direct Debit payments for your home in the UK as long as it's only for your domestic use. Direct Debit payments for commercial purposes don't qualify for cashback. The cashback is calculated and given by us (Santander UK plc) and not the organisation that receives the Direct Debit payment. This cashback doesn't affect any other offers that these organisations may supply.

We'll only pay cashback on the net amount of the Direct Debit payment. For example, if you're refunded or part-refunded your Direct Debit payment, we'll pay cashback on the net amount that you actually paid to the organisation. Any unpaid cashback which is due when you close your account will not be credited to your account.

You'll need to ensure that Direct Debits are active on your account when we calculate your cashback. We'll credit the total amount of cashback you earn in each statement period to your account. You can check your statement or visit Online Banking to find out which date we pay your cashback.

### 6.3 Santander Current Account Eligible Originators Classification Listing

You can only earn cashback through Direct Debit payments to companies categorised in the Santander Current Account Eligible Originators Classification listing such as water, electricity, gas, communications suppliers or council tax issuing institutions. We've built this list by using the BACS OIN\* Codes table. This table lists all companies, including major providers of these services, which issue Direct Debit transfers in the UK. We've made every effort to make sure the classification and categorisation is accurate. Your cashback payments will be based on the categorisation that we've made and the details are in the Santander Eligible Originators Classification Listing.

\*Originator Identification Number (OIN) is a Unique six digit number given to each organisation or service user who is authorised to use the Direct Debit Scheme.

If you think any of your Direct Debit payments should be eligible, but aren't on the list or you have a query related to an organisation or payment then please call us on **0800 032 3323**. If we confirm the category should be updated, we'll do this and payments will be adjusted from that point onwards. We won't be able to back-date the payments. For an up-to-date Santander Current Account Eligible Originators Classification Listing, please visit santander.co.uk or ask in your local branch. If you'd like to find out how much cashback you've earned, please call us on **0800 032 3323** or log onto online/mobile banking.

## 7. Charges

At Santander, we want to make all of our fees clear and simple. You can see these in the fees table in Condition 7.1. and certain fees are also set out in the Fee Information Document. Where overdraft fees are incurred in any monthly statement period we'll notify you

following the end of the statement period of the amount of the fees and charges that you have incurred. We'll take the fees and charges from your account 22 days from the end date of the monthly statement period in which they were incurred. You can discuss, at any time, any fees or interest we've charged you, including why they've been charged. Speak to us in our branches or call us on **0800 032 3323**.

### 7.1 Overdraft rates and fees

We don't charge interest when your Select Current Account is overdrawn but the following fees will apply:

Monthly Fee	Arranged Overdraft Usage Fee	Unarranged Overdraft Usage Fee	Fee for allowing a payment despite lack of funds	Fee for refusing a payment due to lack of funds
£5	The Arranged Overdraft Usage Fee will depend on the amount of Arranged Overdraft you use: £0 to £500, fee not charged £500.01 to £1,999.99, £1 per day £2,000 to £2,999.99, £2 per day £3000 and over, £3 per day	Fee not charged	Fee not charged	Fee not charged

All overdrafts are subject to status. We may require you to repay the amount you owe in full on demand at any time. If our rates and fees increase, we will give you at least two months' personal notice.

If you decide to apply for an Arranged Overdraft, there are also other lending options available that you may want to consider. Speak to a member of staff for more information.

**Pre-Contractual Information for Arranged Overdrafts** can be found on page 5 of this document.

Please refer to your General Terms and Conditions for Current Accounts and Savings Accounts and the Fee Information Document, which were provided to you when you opened the account, for details of other account fees that may apply.

### 7.2 Arranged Overdrafts

This is when you have no money left in your account but you have borrowed money with an agreed limit. You must agree the limit with us before it is available to use. You can contact us to discuss a new Arranged Overdraft, or increase the limit of an existing Arranged Overdraft, by calling us on **0800 032 3323** or by speaking to your Relationship Manager. Requests can also be taken via Santander Online Banking at [santander.co.uk](https://www.santander.co.uk).

### 7.3 Unarranged Overdraft

This is when we have paid a transaction that you have made that has taken you beyond your Arranged Overdraft limit, or has taken your account balance below zero without having an Arranged Overdraft in place.

We do not charge Unarranged Overdraft Usage Fees on the Select Current Account. Arranged Overdraft fees will continue to apply when in an Unarranged Overdraft position if you have an Arranged Overdraft.

### 7.4 Fees for allowing or refusing a payment due to lack of funds

If you attempt to make a payment when you do not have enough money in your account, based on your individual circumstances, we will decide whether or not to refuse a payment due to lack of funds. If we allow a payment despite lack of funds, you will move into an Unarranged Overdraft.

We do not charge fees for refusing a payment due to lack of funds or allowing a payment despite lack of funds on the Select Current Account.

### 7.5 Overdraft alerts

You will be automatically set up to receive an alert when:

- you've made a payment that has taken you into an Unarranged Overdraft;
- we have refused a payment due to lack of funds; or
- we intend, in relation to a future scheduled payment, to refuse a payment due to lack of funds.

These alerts will be sent by text message, and/or email.

Once your account has been set up, these alerts can be easily amended, or turned off, by logging onto Online Banking, visiting one of our branches or calling us on **0800 032 3323**.

## 8. Switching your account

If you ask us to, we'll switch your current account from another bank or building society to us. Your switch will be covered by the Current Account Switch Service (CASS) Guarantee as long as your existing bank or building society is a participant of CASS. You can find more information about this on the 'Switching your current account to us' information sheet and the General Terms and Conditions for Current Accounts and Savings Accounts. The processing of your switch starts 6 working days before your chosen switch completion date. Your old current account will automatically close on your completion date. After the completion date we'll automatically forward and redirect any payments made to or attempted to be taken from your old current account to your new current account at Santander for a period of at least 3 years, or longer until it is no longer required, in accordance with the Current Account Switch Agreement. It's important to note that the processing of the switch starts 6 working days before the switch completion date and once started can't be stopped and your old account will close. If you need

to discuss the progress of your switch to Santander please contact us on **0800 085 2202** where we'll be happy to help you. Lines are open Monday – Friday 8am to 7pm and 9am to 2pm Saturdays.

If you switch your account to us, we'll give you a four-month interest-free and fee-free Arranged Overdraft (depending on your circumstances). If you have to pay any Unarranged Overdraft Usage Fees due to an error during the switching process, we'll refund them in full.

## 9. Santander Select and 11213 World

When you open a Select Current Account you become part of Santander Select and 11213 World, giving you access to a range of 11213 Offers. When applying for future products, if you're accepted and there is an associated 11213 Offer, you'll automatically qualify. This means, any joint applicants or trustees (who may open an account on your behalf) may be made aware that you hold a 11213 or Santander Select product.

## 10. Your Debit Card features and Emergency cash and card replacement service

Your Santander Select Debit card will provide you with the following benefits:

Visa will find the most convenient Western Union or other suitable pick-up location, confirm the amount needed in the local currency and will let you know the opening hours for your desired location. In most cases you'll need to provide photo ID to collect the cash. If this has also been lost or stolen, Visa will discuss available options with you.

## 11. Account closure

You have the right to cancel your account within 14 days of receiving your Account Opening Documentation. This is known as the 'cooling-off period'. If you close or transfer your account part way through your monthly statement period, any cashback you've earned won't be paid into your account. Interest earned in this period will be paid to your account on closure or transfer. You can close the account at any time by sending a secure message through Online Banking, calling us on **0800 032 3323** or by visiting one of our branches.

If you close your Select Current Account you will no longer benefit from Santander Select service, preferential products or increased support when you are outside the UK.

## Additional information

### <sup>1</sup> Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

### <sup>2</sup> General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot and Santander Corporate and Commercial Bank. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

### 3 Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

### 4 Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 10 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

### Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.

## FSCS EXCLUSIONS LIST

- (1) The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, building society or credit union.
