1. INTERPRETATION

- 1.1 The master definitions and construction schedule signed by, amongst others, the Issuer and dated 28 November 2006 (as the same may be amended, restated, varied, supplemented, replaced and/or

However, the foregoing shall not apply to the extent inconsistent with the Part VII Scheme or to create or diminish any rights, liabilities, obligations, powers, trusts, authorities, duties or discretions or to create or diminish any other assets and liabilities (as to be defined in the Part VII Scheme) otherwise than as provided for in the Part VII Scheme.

3. SUPPLEMENTAL

Save as expressly amended by this Deed, the Existing Issuer Deed of Charge shall remain in full force and effect and the security created thereunder and all of the other rights, powers, obligations and immunities comprised therein and arising pursuant thereto shall remain in full force and effect notwithstanding this Deed. IT IS AGREED as follows:

1. INTERPRETATION

1.1 Construction

- (a) The master definitions and construction schedule signed by, amongst others, the Issuer and dated 28 November 2006 (as the same may be amended, restated, varied, supplemented, replaced and/or novated from time to time with the consent of the parties to this Deed, including without limitation on 1 August 2007, 20 December 2007, 23 November 2009, 11 March 2010, 21 April 2011, 6 December 2011, 27 April 2012, 19 August 2013, 9 October 2014 and the date hereof) (the **Master Definitions and Construction Schedule**) and the issuer master definitions and construction schedule, signed by, amongst others, the parties to this Deed (as the same may be amended, restated, varied, supplemented, replaced and/or novated from time to time with the consent of the parties to this Deed, including without limitation on 28 November 2006, 1 August 2007, 20 December 2007, 23 November 2009, 11 March 2010, 21 April 2011, 27 April 2012 and 23 May 2012 and the date hereof) (the **Issuer Master Definitions and Construction Schedule**) are expressly and specifically incorporated into this Deed and, accordingly, the expressions defined in the Master Definitions and Construction Schedule and the Issuer Master Definitions and Construction Schedule shall, except where the context otherwise requires and save where otherwise defined herein, have the same meanings in this Deed, including the recitals thereto.

contained in this Deed is a valid disposition in accordance with Section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1994 (the **LP (MP) Act**).

- (g) Unless the context otherwise requires, a reference to an Issuer Charged Property includes the proceeds of sale of that Issuer Charged Property.
- (h) The term **full title guarantee** will be construed in accordance with the LP (MP) Act but so that the covenants implied by the LP (MP) Act in respect of the Issuer Security do not include:

3.6 Floating charge

- (a) The Issuer charges by way of a first floating charge all of its undertaking and all of its property and assets (including, without limitation, its uncalled capital) other than any property or assets at any time otherwise effectively charged or assigned by way of fixed charge or assignment under this Clause 3 (but excepting from the foregoing exclusion all of the Issuer's undertaking, property and assets situated in Scotland or the rights to which are governed by Scots law, all of which are charged by the floating charge hereby created).
- (b) Except as provided below, the Issuer Security Trustee may, by notice to the Issuer, (and so far as permitted by applicable law), convert the floating charge created under this Clause 3 into a fixed charge as regards any of the Issuer's assets subject to the floating charge specified in that notice, if:

- (i) a Note Event of Default occurs;
 - (ii) the Issuer Security Trustee considers those assets or any part thereof to be in danger of being seized or sold under any form of distress, attachment, execution, diligence or other legal process or to be otherwise in jeopardy; and/or
 - (iii) a circumstance occurs which the Issuer Security Trustee considers to (or to be likely to) prejudice, imperil or threaten the Issuer Security.
- (c) Except as provided below, the floating charge created by this Clause 3 will automatically (so far as permitted by applicable law) convert into a fixed charge as regards:
- (i) all of the Issuer's assets subject to the floating charge, upon the service of a Note Acceleration Notice; and/or
 - (ii) any assets of the Issuer subject to the floating charge, if those assets (contrary to the covenants and undertakings contained in the Issuer Transaction Documents):
 - (A) are or become subject to a Security Interest in favour of any person other than the Issuer Security Trustee; or
 - (B) are or become the subject of a sale, transfer or other disposition,
 immediately prior to that Security Interest arising or that sale, transfer or other disposition being made.
- (d) The floating charge created by this Clause 3 may not be converted into a fixed charge solely by reason of:
- (i) the obtaining of a moratorium; or
 - (ii) anything done with a view to obtaining a moratorium,
- under Section 1 of the Insolvency Act 1986 or the Insolvency (Northern Ireland) Order 2002 (if appropriate).
- (e) The floating charge created by this Clause 3 is a **qualifying floating charge** for the purpose of paragraph 14 of Schedule B1 to the Insolvency Act 1986 and for the purpose of paragraph 15 of Schedule B1 to the Insolvency (Northern Ireland) Order 1989 (as amended) (if appropriate).

The Issuer Security Trustee and each Receiver is entitled to all the rights, powers, privileges and immunities conferred by the 1925 Act on mortgagees and receivers duly appointed under the 1925 Act, except that Section 103 of the 1925 Act and Section 20 of the 1881 Act does not apply.

Notwithstanding the foregoing provisions of this Clause 9, if a Note Acceleration Notice is served on the Issuer other than due to a default in payment of any amount due in respect of any Notes, the Issuer Security Trustee will not be entitled to dispose of all or part of the Issuer Charged Property unless either:

- (e) The Issuer Security Trustee shall, without the consent of any Issuer Secured Creditor, be required to give its consent to any modifications to these presents or to any of the other Transaction Documents that are requested by the Issuer (or the Issuer Cash Manager on its behalf), provided that the Issuer has certified to the Issuer Security Trustee in writing that such modifications are required solely for the purposes of enabling the Issuer:

any Ratings Modification Event which, in the sole opinion of the Issuer Security Trustee, would have the effect of (x) exposing the Issuer Security Trustee to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (y) increasing the obligations or duties, or decreasing the protections of the Issuer Security Trustee under the Transaction Documents and/or the Conditions.

- (f) Each Issuer Secured Creditor hereby acknowledges that the Issuer Security Trustee is required to make the modifications set out in paragraph (c) above (subject to paragraph (d)) and paragraph (e) above), and each Issuer Secured Creditor further acknowledges that such modifications may adversely affect the amount of monies available to the Issuer to meet the Issuer Secured Obligations. Each Issuer Secured Creditor agrees that such modifications shall be binding on it and unless the Issuer Security Trustee otherwise agrees, notice thereof shall be given by the Cash Manager to the Issuer Secured Creditors as soon as practicable after the modifications have been made.
- (g) Each Issuer Secured Creditor agrees from time to time to do and perform such other and further acts and execute and deliver any and all such other documents and instruments (to the extent the Issuer Security Trustee and/or the Note Trustee is a party thereto, in form and substance satisfactory to each of the Issuer Security Trustee and the Note Trustee, as applicable) as may be required by law or necessary to give effect to the intent and purpose of this Clause 12.1.

12.3 Requests for consent or approval

If a request is made to the Issuer Security Trustee by the Issuer or any other person to give its consent or approval to any event, matter or thing, then:

- (a) if any Issuer Transaction Document specifies that the Issuer Security Trustee is required to give its consent or approval to that event, matter or thing if certain specified conditions are satisfied in relation to that event, matter or thing, then the Issuer Security Trustee shall give its consent or approval to that event, matter or thing upon being satisfied that those specified conditions have been satisfied; and
- (b) in any other case, the Issuer Security Trustee shall give its consent or approval to that event, matter or thing only if so directed by (a) the Note Trustee so long as there are any Notes outstanding or (b) all of the other Issuer Secured Creditors, if there are no Notes outstanding.

12.4 Binding on Issuer Secured Creditors

Any modification, authorisation, waiver, consent or approval provided under this Clause 12 will be binding on all of the Issuer Secured Creditors.

12.5 Additional terms and conditions

Any modification, authorisation, waiver, consent or approval provided under this Clause 12 may be made or given on such terms and subject to such conditions (if any) as directed by (a) the Note

16.2 No merger

The Issuer Security is in addition to, and will not be merged in, or in any way exclude or prejudice, any other Security Interest or other right which the Issuer Security Trustee or any other Issuer Secured Creditor may now or at any time have (or would apart from the Issuer Security have) as regards the Issuer or any other person in respect of the Issuer Secured Obligations.

16.3 Avoidance of security or payment

- (a) If an amount paid to the Issuer Security Trustee, the Noteholders or any of the other Issuer Secured Creditors under an Issuer Transaction Document is capable of being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency or liquidation for the time being in force or otherwise, then that amount will not be considered to have been irrevocably paid for the purposes of this Deed.
- (b) Any settlement, discharge or release between the Issuer and the Issuer Security Trustee (or any Receiver) will be conditional upon no security or payment granted or made to the Issuer Security Trustee (or any Receiver, as the case may be) by the Issuer or any other person being avoided or reduced by virtue of any provisions or enactments relating to bankruptcy, insolvency or liquidation for the time being in force.
- (c) If any security or payment is avoided or reduced in the circumstances described in paragraph (a) above, then the Issuer Security Trustee (or any Receiver, as the case may be) will be entitled to recover the value or amount of such security or payment from the Issuer as if the relevant settlement, discharge or release had not occurred.

16.4 Retention of Issuer Security

- (a) If the Issuer Security Trustee has grounds for believing that the Issuer may be unable to pay its debts as they fall due as at the date of any payment made by the Issuer to the Issuer Security Trustee, the Noteholders or any of the other Issuer Secured Creditors, then the Issuer Security Trustee may retain the Issuer Security until the expiry of a period of (subject to paragraph (b) below) one month plus the statutory period within which any assurance, security, guarantee or payment can be avoided or invalidated after the payment and discharge in full of all Issuer Secured Obligations notwithstanding any release, settlement, discharge or arrangement which may be given or made by the Issuer Security Trustee on, or as a consequence of, such payment or discharge of liability.
- (b) If, at any time within the period referred to in paragraph (a) above, any person presents a petition, or files documents with a court or any registrar, for the winding-up or administration of the Issuer, or any analogous proceedings are commenced by or against the Issuer, the Issuer Security Trustee may continue to retain the Issuer Security for such further period as it may determine and the Issuer Security will be deemed to continue to be held as

security for the payment and discharge to the Issuer Security Trustee of all of the Issuer Secured Obligations.

The Issuer shall not, save for the Issuer Security, or with the prior written consent of the Issuer Security Trustee, or unless otherwise permitted under any of the Issuer Transaction Documents, create or permit to subsist any Security Interest whatsoever, however created or arising (unless arising by operation of law) over any of its property, assets or undertakings present or future (including any uncalled capital) or any interest, estate, right, title or benefit therein or use, invest or dispose of, including by way of sale or the grant of any Security Interest of whatsoever nature or otherwise deal with, or agree or attempt or purport to sell or otherwise dispose of (in each case whether by one or a series of transactions) or grant any option or right to acquire any such property, assets or undertaking present or future.

17. SET-OFF

 - (ii) set-off or transfer all or any part of any credit balance or any sum standing to the credit of any account referred to in paragraph (i) above (whether or not the same is due to the Issuer from the Issuer Security Trustee or relevant Issuer Secured Creditor and whether or not the credit balance and the account in debit or the Issuer Secured Obligations are expressed in the same currency) in or towards satisfaction of any of the Issuer Secured Obligations; and/or
 - (iii) in its discretion, estimate the amount of any liability of the Issuer which is contingent or unascertained and set-off such estimated amount.
