This supplement (the "**Supplement**", which definition shall also include all information incorporated by reference herein) to the prospectuses each dated 1 June 2016 and listed in the Schedule hereto (the "**Prospectuses**") (each of which comprises a base prospectus for the purpose of Article 5.4 of Directive 2003/71/EC (the "**Prospectus Directive**")), constitutes a supplementary prospectus for the purposes of Section 87G of the Financial Services and Markets Act 2000 ("**FSMA**"). Terms defined in the Prospectuses have the same meaning when used in this Supplement.

This Supplement is supplemental to, and should be read in conjunction with, the Prospectuses and any other supplements to the Prospectuses prepared by Santander UK plc, as issuer (the "**Issuer**") under the EMTN Programme and the Global Covered Bond Programme (each as defined in the Schedule hereto).

This Supplement has been approved by the United Kingdom Financial Conduct Authority (the "**FCA**"), which is the United Kingdom competent authority for the purposes of the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of instruments under each of the programmes described in the Prospectuses.

The Issuer and, in the case of the Covered Bond Programme only, Abbey Covered Bonds LLP (each an "**Obligor**") accept responsibility for the information contained in this Supplement. To the best of the knowledge of each Obligor (each having taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Supplement has been prepared for the purpose of incorporating by reference into the Prospectuses the unaudited consolidated financial information of the Issuer for the nine months ended 30 September 2016 (the "**Quarterly Financial Information**") as described in further detail below.

Any non-incorporated parts of a document referred to herein are either deemed not relevant for an investor or are otherwise covered elsewhere in the Prospectuses to which this Supplement relates.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference in the Prospectuses by this Supplement and (b) any other statement in or incorporated by reference in the Prospectuses prior to the date of this Supplement, the statement in (a) above will prevail.

If any document which is incorporated by reference itself incorporates any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement or the Prospectuses for the purposes of the Prospectus Directive except where such information or other documents are specifically incorporated by reference or attached to this Supplement.

Any information in the documents incorporated by reference which is not incorporated in and does not form part of this Supplement is not relevant for investors or is contained elsewhere in the Prospectuses to which this Supplement relates.

Save as disclosed in this Supplement and the Prospectuses, no significant new factor, material mistake or inaccuracy relating to information included in the Prospectuses has arisen or been noted, as the case may be, since the publication of the Prospectuses.

In circumstances where Sections 87Q(4) – (6) of the FSMA apply, investors who have agreed to purchase or subscribe for securities before this Supplement is published have the right, exercisable before the end of the period of two working days beginning with the working day after the date on which this Supplement was published, to withdraw their acceptances by sending a written notice of withdrawal (which must include the full name and address of the person or
