

# Branch Closure Impact Assessment

## Santander, 13 High Street, Tenby, Pembrokeshire, SA70 7HD

This branch will be closing on 28 September 2017.  
We'd like to explain why, and help you understand  
how you can continue banking with us.

### Background

Santander UK is a member of UK Finance and is a signatory to the new Access to Banking Standard, a voluntary agreement introduced in May 2017. This aims to ensure that where banks decide to close branches, their customers are communicated with openly and treated fairly.

We don't take the decision to close any branch lightly. We undertake a comprehensive review of each branch to understand the potential impact for customers, and the alternative options available to bank locally. We notify customers and the local community in advance of the branch closure. Branch Closure Impact Assessments can be found on our website [santander.co.uk/uk/about-santander-uk/media-centre/press-releases](http://santander.co.uk/uk/about-santander-uk/media-centre/press-releases) and printed versions are available at the closing branch.

### Our approach

We're fully committed to investing in our branch network and, over the last four years, all of our largest and busiest branches across the UK have been refurbished. Increasingly however, customers are changing the way they choose to bank with us. In addition to our branches, more and more people are banking with us by phone, online, on tablets and smartphones as well as at cash machines and post offices.

As a result, some of our branches are being used less often. This review outlines our approach when considering whether to keep a branch open and our specific assessment of the Tenby branch.

## Branch assessment

Before reaching a decision to close the branch at Tenby, a full internal review was undertaken, including:

- The facilities in our Tenby and neighbouring branches
- The way customers are choosing to bank with us at this branch
- The availability of alternative ways a customer can bank with us
- The availability of other ways to bank in the local area

Our findings identified that 91% of customers at Tenby branch already use a variety of ways to complete their banking transactions, with 9% of customers solely using this branch for their banking needs. For this branch, 48% of customer have chosen to transact online, by telephone or using their mobile in the six months to March 2017, as customers increasingly opt to complete day-to-day banking transactions in a range of alternative ways.

Customers are using the Tenby branch less in comparison to the branch at Haverfordwest. Additionally, the premises at Tenby do not provide space for suitable customer meeting areas.

For these reasons, we've made the decision to close the branch at Tenby on 28 September 2017.

## Community Feedback

Following our announcement, four responses were received from our customers, or from the community representatives we wrote to. The main themes were:

- querying ATM facility and cash availability for customers for when the branch closes as a holiday town requires ATMs
- impact of closure for the elderly and local community

We have undertaken the following activities in response to the key areas of concern:

- We are liaising with the Chamber of Trade & Tourism and have highlighted concerns to the Post Office Operations team who are looking to carry out a review to support cash facilities within the town.
- We are committed to offering our customers a variety of ways to bank with Santander, some that require no travel, including online or mobile banking. Therefore using other Santander branches is just one possible option for the local communities.
- For customers who are unable or do not wish to access online services, all Santander current account holders can also use the Post Office for cash and cheque deposits. We also have Telephony Advisors who are available to support customers with account management. The teams are available to assist 7am to 9pm Monday to Saturday and 8am to 9pm on Sundays. You can reach the team by calling **0800 9 123 123**.
- The Tenby branch team has been completely focused on helping customers who are affected by the closure and has provided additional support to ensure customers understand the alternatives available. The team has also proactively contacted our elderly and registered disabled customers to see if they require any additional help or support.
