Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon registration of transfers in accordance with the provisions of the Agency Agreement. The Issuer, the Guarantor, the Trustee and any Agent will (except as otherwise required by law) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes are represented by a Bearer Global Note or a Regulation S Global Note held by or on behalf of or, as the case may be, registered in the name of a common nominee for, Euroclear Bank S.A./N.V. (“Euroclear”) and/or Clearstream Banking, société anonyme (“Clearstream, Luxembourg”), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or, as the case may be, the registered holder of the relevant Regulation S Global Note shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

For so long as any of the Notes are represented by a Rule 144A Global Note registered in the name of The Depository Trust Company of New York (“DTC”) or its nominee, each person who is for the time being shown in the records of DTC or such nominee as the holder of a particular nominal amount of such Notes shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on, or voting, giving consents or making requests in respect of, such nominal amount of such Notes, for which purpose DTC or, in the case of payments only, its nominee shall be treated by the Issuer, the Guarantor, the Trustee and the Agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of such Registered Global Note, and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

In the case of Australian Domestic Notes, the following provisions of this Condition 1 shall apply in lieu of the foregoing provisions of this Condition 1 in the event of any inconsistency. Australian Domestic Notes are debt obligations of the Issuer owing under the Deed Poll dated 11th February, 2000 executed by Abbey National Treasury Services plc as Issuer in favour of the relevant Noteholders and the Trustee (the “Deed Poll”) and take the form of entries in a register (the “Australian Register”) to be maintained by Computershare Investor Services Pty Limited (ABN 48 078 279 277) or such other Australian registrar appointed by the Issuer and specified in the applicable Final Terms (the “Australian Registrar”). Although Australian Domestic Notes will not be constituted by the Trust Deed, Australian Domestic Notes will have the benefit of the guarantee from the Guarantor and the other provisions of the Trust Deed. The Agency Agreement is not applicable to Australian Domestic Notes.

Australian Domestic Notes will not be serially numbered. Each entry in the Australian Register constitutes a separate and individual acknowledgement to the relevant Noteholder of the indebtedness of the Issuer to the relevant Noteholder. No certificate or other evidence of title will be issued by or on behalf of the Issuer to evidence title to an Australian Domestic Note unless the Issuer determines that certificates should be made available or it is required to do so pursuant to any applicable law or regulation.

No Australian Domestic Note will be registered in the name of more than four persons. Such Note registered in the name of more than one person is held by those persons as joint holders. Australian Domestic Notes will be registered by name only without reference to any trusteeship. The person registered in the Australian Register as a holder of an Australian Domestic Note will be treated by the Issuer, the Trustee and the Australian Registrar as the absolute owner of that Australian Domestic Note and none of the Issuer, the Guarantor, the Trustee or the Australian Registrar will, except as ordered by a court or as required by statute, be obliged to take notice of any other claim to an Australian Domestic Note.

Australian Domestic Notes will be eligible for lodgement into the Austraclear System operated by Austraclear Limited (ABN 94 002 060 773) (“Austraclear”). Australian Domestic Notes held in the Austraclear System will be held in the name of Austraclear. Australian Domestic Notes will be transferred by duly completed and (if applicable) stamped transfer and acceptance forms in the form specified by, and obtainable from, the Australian Registrar or by any other manner approved by the Issuer and the Australian Registrar. Notes entered in the Austraclear System (as defined below) will be transferable only in accordance with the Austraclear Regulations (as defined below).

(f) Transfers of interests in Regulation S Global Notes

Prior to expiry of the applicable Distribution Compliance Period (as defined below), transfers by the holder of, or of a beneficial interest in, a Regulation S Global Note to a transferee in the United States or who is a U.S. person will only be made:

- (i) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate with the consent of the Issuer (a “Transfer Certificate”), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Note or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or

(b) Status of the Subordinated Notes

- (i) If the Notes are specified as Subordinated Notes in the applicable Final Terms, the Notes and the related Receipts and Coupons (if any) constitute direct, unsecured and subordinated obligations of the Issuer and the rights and claims of the Noteholders, the Receiptholders and Couponholders against the Issuer rank and will rank, without preference among themselves, at least *pari passu* with all other subordinated Liabilities of the Issuer from time to time outstanding but will rank ahead of the holders of any Subordinated Liabilities of the Issuer whose claims rank or are expressed to rank junior to the Notes, the Receipts and Coupons. The rights and claims of the Noteholders, the Receiptholders and Couponholders will, in the event of the winding up of the Issuer or the appointment of an administrator of the Issuer where the administrator has given notice that the administrator intends to declare and distribute a dividend, be subordinated in right of payment in the manner provided in the Trust Deed to all Senior Liabilities of the Issuer. Accordingly, payment of any amount (whether principal, interest or otherwise) in respect of the Notes, the Receipts and Coupons in such winding up or after such notice has been given by an administrator, as the case may be, is conditional upon, at the time of payment by the Issuer and immediately thereafter, the Issuer being solvent and, accordingly, no such amount which would otherwise fall due for payment shall be payable except to the extent that the Issuer could make such payment and still be solvent immediately thereafter.

- (ii) For the purposes of Condition 3(b)(i), the Issuer shall be solvent if it is able to pay its Senior Liabilities in full, and in determining whether the Issuer is solvent for the purpose of this paragraph, there shall be disregarded obligations which are not payable or capable of being established or determined in the Insolvency of the Issuer.

For the purposes of Condition 3(b)(i), a report given at any relevant time by the Issuer's Insolvency Officer, in form and substance acceptable to the FSA, shall, in the absence of manifest error, be treated and accepted by the FSA, the Issuer, the Trustee and the Noteholders, Receiptholders and Couponholders as correct and sufficient evidence of the Issuer's solvency or insolvency.

- (iii) No Noteholder, Receiptholder or Couponholder shall retain or set off or purport to retain or set off at any time or exercise any right of counterclaim in respect of any amount payable by it to the Issuer against any amount due in respect of the Notes, the Receipts or Coupons and each Noteholder, Receiptholder and Couponholder shall, by virtue of being the holder of any Notes or, as the case may be, Receipts or Coupons, be deemed to have waived all such rights of retention, set-off or counterclaim, and each Bondholder, Receiptholder or Couponholder shall immediately pay an amount equal to any retention or set-off in breach of this Condition 3(b)(iii) to the Issuer and such retention or set-off shall be deemed not to have occurred.

“**Subordinated Liabilities**” means the Notes and any relative Coupons and all other Liabilities of the Issuer in respect of indebtedness which is both unsecured and subordinated by its terms in right of payment to unsubordinated Liabilities of the Issuer in any Insolvency of the Issuer.

(c) Status of the Guarantee

This Condition 3(c) applies only to Senior Notes issued by Abbey National Treasury Services plc or AN Structured Issues Limited.

The payment of the principal, and interest (if any) in respect of the Notes and all other moneys payable by the Issuer under or pursuant to the Trust Deed and, in the case of Australian Domestic Notes, the Deed Poll has been unconditionally and irrevocably guaranteed by the Guarantor in the Trust Deed. The obligations of the Guarantor under such guarantee constitute direct, unconditional and, subject to the provisions of Condition 4, unsecured obligations of the Guarantor and rank without any preference among themselves and, subject as aforesaid, *pari passu* with all other outstanding unsecured and unsubordinated obligations of the Guarantor, present and future, but, in the event of insolvency, only to the extent permitted by laws relating to creditors' rights.

4. Negative Pledge

This Condition 4 applies to Senior Notes only

So long as any of the Notes remains outstanding (as defined in the Trust Deed), neither the Issuer nor the Guarantor will create or have outstanding any mortgage, lien, pledge, charge or other security interest upon, or with respect to, any of its present or future assets or revenues, to secure any Relevant Indebtedness (as defined below) or any guarantee of any Relevant Indebtedness, unless in any such case the Issuer or the Guarantor, as the case may be, shall simultaneously with, or prior to, the creation of such security interest, take any and all action necessary to procure that all amounts payable by it in respect of the Notes, the Receipts, the Coupons (if applicable), the Trust Deed and the Deed Poll (if applicable) are secured equally and rateably with the Relevant Indebtedness or guarantee secured by such security interest to the satisfaction of the Trustee or such other security is provided as the Trustee shall in its absolute discretion deem not materially less

Any reference in these Terms and Conditions to an obligation being guaranteed shall include a reference to an indemnity being given in respect thereof.

5. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date (which unless otherwise specified in the applicable Final Terms shall be the Issue Date) at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Interest Period ending on such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

“sub-unit” means with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Variable Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Variable Interest Note bears interest from (and including) the Interest Commencement Date (which unless otherwise specified in the applicable Final Terms shall be the Issue Date) and such interest will be payable in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Interest Payment Date specified in the applicable Final Terms an “Interest Payment Date”) which falls the number of months or other period specified as the Interest Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Variable Interest Notes will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph

“ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes, (the “ISDA Definitions”) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) unless otherwise stated in the applicable Final Terms, the relevant Reset Date is the first day of that Interest Period.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) Determination of Rate of Interest and calculation of Interest Amounts

The Principal Paying Agent or, where specified in the applicable Final Terms, the Calculation Agent, in the case of Floating Rate Notes, and the Calculation Agent or, where specified in the

applicable Final Terms, the Determination Agent, in the case of Variable Interest Notes, will at, or as soon as practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Variable Interest Notes, the Calculation Agent or Determination Agent (as applicable) will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Calculation Agent or Determination Agent (as applicable) will calculate the amount of interest (the "Interest Amount") payable on the Floating Rate Notes and Variable Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Variable Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Variable Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Variable Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(v) Notification of Rate of Interest and Interest Amounts

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange or other relevant authority on which the relevant Floating Rate Notes or Variable Interest Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes or Variable Interest Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression "London Business Day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) Determination or Calculation by Trustee

If for any reason at any relevant time the Principal Paying Agent or, as the case may be, the Calculation Agent or the Determination Agent (as applicable) defaults in its obligation to determine the Rate of Interest or the Calculation Agent or the Determination Agent (as applicable) defaults in its obligation to calculate any Interest Amount in accordance with sub-paragraph (ii)(A) or (B) above or as otherwise specified in the applicable Final Terms, as the case may be, and in each case in accordance with paragraph (iv) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 5, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances. In making any such determination or calculation, the Trustee may appoint and rely on a determination or calculation by a calculation agent or a determination agent (which shall be an investment bank or other suitable entity of international repute). Each such determination or calculation shall be deemed to have been made by the Principal Paying Agent, the Calculation Agent or the Determination Agent, as applicable.

(vii) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b), whether by the Principal Paying Agent or, if applicable, the Calculation Agent or the Determination Agent,

shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor, the Trustee, the Principal Paying Agent and (as applicable) the Calculation Agent or the Determination Agent, the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent or (as applicable) the Calculation Agent or the Determination Agent or the

Trustee in connection with the exercise or non-exercise by it of any of its powers, duties and discretions pursuant to such provisions.

(c) Interest on Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(d) Interest on Partly-Paid Notes

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date fixed for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in Condition 7(j).

(f) Business Day, Business Day Conventions, Day Count Fractions and other adjustments

In these Terms and Conditions, “Business Day” means a day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Final Terms; and
- (ii) either
 - (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London); or
 - (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the “TARGET System”) is operating (a “TARGET Settlement Day”).

If a Business Day Convention is specified in the applicable Final Terms and if any Interest Payment Date, Maturity Date or any other date (as specified in the applicable Final Terms) would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Following Business Day Convention, such Interest Payment Date, Maturity Date or any other date (as specified in the applicable Final Terms) shall be postponed to the next day which is a Business Day; or
- (2) the Modified Following Business Day Convention, such Interest Payment Date, Maturity Date or any other date (as specified in the applicable Final Terms) shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date, Maturity Date or any other date (as specified in the applicable Final Terms) shall be brought forward to the immediately preceding Business Day; or
- (3) the Preceding Business Day Convention, such Interest Payment Date, Maturity Date or any other date (as specified in the applicable Final Terms) shall be brought forward to the immediately preceding Business Day; or

- (4) in any case where Interest Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, the Interest Payment Date:
- (i) shall be postponed to the next day which is a Business Day and (A) each subsequent Interest Payment Date shall be the day that numerically corresponds with such Business Day, in the month which falls the Interest Period after the preceding applicable Interest Payment Date unless (B) such Business Day would thereby fall into the next calendar month, in which event (C) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (D) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Interest Period after the preceding applicable Interest Payment Date; or
 - (ii) in the case where there is no numerically corresponding day in the calendar month on which an Interest Payment Date should occur, shall be the last day that is a Business Day in the relevant month and the provisions of Condition 5(b)(i)(B) above of this paragraph shall apply *mutatis mutandis*.

“Day Count Fraction” means, in respect of the calculation of an amount of interest for any Interest Period:

- (1) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;
- (2) if “Actual/365” or “Actual/Actual ISDA” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (3) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (4) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (5) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (6) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that

last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month));

- (7) if “30E/360” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month); and
- (8) or such other Day Count Fraction as may be specified in the applicable Final Terms.

“Determination Period” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If “adjusted” is specified in the applicable Final Terms in the Day Count Fraction item, interest in respect of the relevant Interest Period shall be payable in arrear on the relevant Interest Payment Date and calculated from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date, as such Interest Payment Date shall, where applicable, be adjusted in accordance with the Business Day Convention.

If “unadjusted” is specified in the applicable Final Terms in the Day Count Fraction item, interest in respect of the relevant Interest Period shall be payable in arrear on the relevant Interest Payment Date, as adjusted in accordance with the Business Day Convention, but shall be calculated in respect of the period from (and including) a Period End Date (or the Interest Commencement Date) to (but excluding) the next (or first) Period End Date. For the purpose of this paragraph “Period End Date” means an Interest Payment Date prior to any modification as result of any Business Day Convention.

6. Payments

(a) Method of payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency; and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

Any reference in these Terms and Conditions to payment of any sums in respect of the Notes (including, in respect of Variable Notes, Physically-Settled Notes) shall be deemed to include, as applicable, delivery of assets if so provided in the applicable Final Terms and references to paid and payable shall be construed accordingly.

(b) Presentation of definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of definitive Bearer Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Bearer Notes, and payments of interest in respect of definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States

and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of definitive Bearer Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Bearer Note to which it appertains. Receipts presented without the definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Variable Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Variable Note or Long Maturity Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender of the relevant definitive Bearer Note.

(c) *Payments in respect of Bearer Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Bearer Notes and otherwise in the manner specified in the relevant Bearer Global Note against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

No payments of principal, interest or other amounts due in respect of a Bearer Global Note will be made by mail to an address in the United States or by transfer to an account maintained in the United States.

(d) *Payments in respect of Registered Notes*

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note

at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the "Register") at the close of business on the fifteenth calendar day before the relevant due date (the "Record Date"). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the nominal amount of the Notes held by a holder is less than U.S.\$100,000 (or its equivalent), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, "Designated Account" means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and "Designated Bank" means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the Record Date at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Rule 144A Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for payment in such Specified Currency for conversion into U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor, the Trustee and the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) Payments in respect of Australian Domestic Notes

The Australian Registrar will act (through its office in Sydney) as principal paying agent for Australian Domestic Notes pursuant to a Registry Services Agreement (such Registry Services Agreement as amended and/or supplemented and/or restated from time to time, the "Registry Services Agreement") dated 11th February, 2000 between the Issuer and the Australian Registrar.

Payments of principal and interest will be made in Sydney in Australian dollars to the persons registered at the close of business on the relevant Record Date (as defined below) as the holders of such Notes, subject in all cases to normal banking practice and all applicable laws and regulations. Payment will be made by cheques drawn on the Sydney branch of an Australian bank despatched by post on the relevant payment date at the risk of the Noteholder or, at the option of the Noteholder by the Australian Registrar giving in Sydney irrevocable instructions for the effecting of a transfer of the relevant funds to an Australian dollar account in Australia specified by the Noteholder to the Australian Registrar, or in any other manner in Sydney which the Australian Registrar and the Noteholder agree.

In the case of payments made by electronic transfer, payments will for all purposes be taken to be made when the Australian Registrar gives irrevocable instructions in Sydney for the making of the relevant payment by electronic transfer, being instructions which would be reasonably expected to result, in the ordinary course of banking business, in the funds transferred reaching the account of the Noteholder and, in the case of accounts maintained in Australia, reaching the account on the same day as the day on which the instructions are given.

If a cheque posted or an electronic transfer for which irrevocable instructions have been given by the Australian Registrar is shown, to the satisfaction of the Australian Registrar, not to have reached the Noteholder and the Australian Registrar is able to recover the relevant funds, the Australian Registrar may make such other arrangements as it thinks fit for the effecting of the payment in Sydney.

Interest will be calculated in the manner specified in Condition 5 above and will be payable to the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date and cheques will be made payable to the Noteholder (or, in the case of joint Noteholders, to the first-named) and sent to his registered address, unless instructions to the contrary are given by the Noteholder (or, in the case of joint Noteholders, by all the Noteholders) in such form as may be prescribed by the Australian Registrar. Payments of principal will be made to, or to the order of, the persons who are registered as Noteholders at the close of business in Sydney on the relevant Record Date, subject, if so directed by the Australian Registrar, to receipt from them of such instructions as the Australian Registrar may require.

In this Condition 6(e), Record Date means, in the case of payments or principal or interest, the close of business in Sydney on the date which is the eighth calendar day before the due date of the relevant payment of principal or interest.

(f) General provisions applicable to payments

For so long as the Notes of a Series are listed on the Official List and admitted to trading on the London Stock Exchange's market for listed securities and for so long as the rules of the UK Listing Authority so require, the Issuer shall procure that there is a Paying Agent approved in writing by the Trustee in the City of London for the payment of principal and interest, if any, on the Notes.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

(g) Payment Days

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day and shall not be entitled to any further payment in respect of such delay. "Payment Day" means any day which (subject to Condition 9):

- (i) is a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the relevant place of presentation; or
- (ii) in the case of any payment in respect of a Rule 144A Global Note denominated in a Specified Currency other than U.S. dollars and registered in the name of DTC or its nominee and in respect of which an accountholder of DTC (with an interest in such Rule 144A Global Note) has elected to receive any part of such payment in U.S. dollars, a day on which commercial banks are not authorised or required by law or regulation to be closed in New York City; and
- (iii) is a Business Day as defined in Condition 5(f).

(h) Interpretation of principal and interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (vi) in relation to Zero Coupon/Discount Notes, the Amortised Face Amount (as defined in Condition 7(e)); and
- (vii) any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

7. Redemption and Purchase

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below or in the applicable Final Terms, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

(b) Redemption for tax reasons

If the Issuer or the Guarantor satisfies the Trustee immediately prior to the giving of the notices referred to below that, on the occasion of the next payment due under the Notes, either (i) the Issuer would be required to pay additional amounts as provided under Condition 8 or to account to any taxing authority in the taxing jurisdiction of any territory in which the Issuer is incorporated or resident for taxation purposes for any amount (other than any tax withheld or deducted from interest payable on the Notes) calculated by reference to any amount payable in respect of the Notes or (ii) the Guarantor would be unable for reasons outside its control to procure payment by the Issuer and in making such payment itself would be required to pay additional amounts or to account to any taxing authority in the United Kingdom for any amount as aforesaid or (iii) where the Issuer is not incorporated or resident for taxation purposes in the United Kingdom, the Guarantor would be required to deduct or withhold amounts for or on account of any taxes of whatever nature imposed or levied by or on behalf of the United Kingdom in making any payment of any sum to the Issuer required to enable the Issuer to make a payment in respect of the Notes or to account to any taxing authority in the United Kingdom for any amount calculated by reference to the amount of any such sum to be paid to the Issuer, then the Issuer may, having given not less than 30 nor more than 60 days' notice to the Trustee, the Principal Paying Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), redeem all, but not some only, of the Notes at any time (if this Note is neither a Floating Rate Note nor a Variable Interest Note) or on the next Interest Payment Date (in the case of Floating Rate Notes or Variable Interest Notes). Upon the expiry of such notice the Issuer shall be bound to redeem the Notes accordingly.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount determined pursuant to Condition 7(e) below.

(c) Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given not less than 15 nor more than 30 days' notice (or such other period of notice as may be specified in the applicable Final Terms and in the case of Subordinated Notes subject to the prior consent of the U.K. Financial Services Authority or any successor organisation thereto (the "Financial Services Authority") so long as the Subordinate Issuer is required to obtain such consent to the Trustee, the Principal Paying Agent, the Noteholders, and in the case of a redemption of Registered Notes, the Registrar, (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount (if any). In the case of a partial redemption of Notes, the Notes to be redeemed ("Redeemed Notes") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of DTC and/or Euroclear and/or Clearstream, Luxembourg, (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "Selection Date"). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days (or such shorter period as is specified in the applicable Final Terms) prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five days (or such shorter period as is specified in the applicable Final Terms) prior to the Selection Date.

(d) Redemption at the option of the Noteholders (Investor Put)

This Condition 7(d) applies to Senior Notes only

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice (or such other period of notice as is specified in the applicable Final Terms) (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified, or determined in the manner specified, in the applicable Final Terms, in whole (but not, in the case of a Bearer Note in definitive form, in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. Registered Notes may be redeemed under this Condition 7(d) in any multiple of their lowest Specified Denomination. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

If this Note is in definitive form, to exercise the right to require redemption of this Note, the holder of this Note must deliver such Note at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a "Put Notice") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2(b).

(e) Early Redemption Amounts

For the purpose of Condition 7(b) above and Condition 10, each Note will be redeemed (unless otherwise specified in the applicable Final Terms) at its Early Redemption Amount calculated as follows:

- (i) in the case of a Note other than a Zero Coupon/Discount Note and a Variable Note (but including any Instalment Note or Partly-Paid Note) at the outstanding nominal amount together with interest accrued to (but excluding) the date fixed for redemption;
- (ii) in the case of a Zero Coupon/Discount Note, at an amount (the “Amortised Face Amount”) equal to the nominal amount of the Note multiplied by the sum of:
 - (A) the Issue Price; and
 - (B) the product of the Issue Price and the Stated Yield compounded annually from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and payable;
- (iii) in the case of a Variable Note, at an amount determined by the Calculation Agent or the Determination Agent (as applicable) that would on the due date for redemption have the effect of preserving for the holder of the Note the economic equivalent of the obligation of the Issuer to make the payment of the:
 - (A) Final Redemption Amount on the Maturity Date; and
 - (B) an amount or amounts representing the interest that is due as at the date of redemption.

(f) Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (e) above.

(g) Partly-Paid Notes

Partly-Paid Notes will be redeemed at maturity in accordance with the provisions of the applicable Final Terms. In the case of Early Redemption, the Early Redemption Amount will be determined pursuant to Condition 7(e)(i) above.

(h) Purchases

The Issuer, the Guarantor or any Subsidiary of the Issuer or the Guarantor may at any time purchase Notes (provided that, in the case of definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith and in the case of Subordinated Notes subject to the prior consent of the Financial Services Authority, so long as the Subordinated Issuer is required to obtain such consent) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer or the Guarantor, surrendered to any Paying Agent and/or the Registrar for cancellation.

(i) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and Notes purchased and cancelled pursuant to paragraph (h) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(j) Late payment

If any amount payable in respect of any Note is improperly withheld or refused upon its becoming due and repayable or is paid after its due date or on or after accelerated maturity following an Event of Default (as defined in Condition 10a and 10b), the amount due and repayable in respect of such Note (the “Late Payment”) shall itself accrue interest (both before and after any judgment or other order of a court of competent jurisdiction) from (and including) the date on which such payment was improperly withheld or refused or, as the case may be, became due, to (but excluding) the Late Payment Date in accordance with the following provisions:

- (i) in the case of a Note other than a Zero Coupon/Discount Note, a Non-Interest Bearing Note or a Variable Note (but including an Instalment Note or Partly-Paid Note) at the rate determined in accordance with Condition 5(a) or 5(b), as the case may be;
- (ii) in the case of a Zero Coupon/Discount Note, at a rate equal to the Stated Yield; and
- (iii) in the case of a Non-Interest Bearing Note or a Variable Note, at a rate calculated by the Calculation Agent so as to reasonably compensate the holder of the Note for the cost of funding the delay in receiving the Late Payment,

in each case on the basis of the Day Count Fraction specified in the applicable Final Terms or, if none is specified, on a 30/360 basis.

For the purpose of this paragraph (j) the “Late Payment Date” shall mean the earlier of:

- (A) the date which the Trustee determines to be the date on which, upon further presentation of the relevant Note, payment of the full amount (including interest as aforesaid) in the relevant currency in respect of such Note is to be made; and
- (B) the seventh day after notice is given to the relevant Noteholder(s) (whether individually or in accordance with Condition 14) that the full amount (including interest as aforesaid) in the relevant currency in respect of such Note is available for payment,

provided that in the case of both (A) and (B), upon further presentation thereof being duly made, such payment is made.

8. Taxation

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer or (as the case may be) the Guarantor will be made without withholding of or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the United Kingdom or the taxing jurisdiction of any territory in which the Issuer is incorporated or resident for taxation purposes, or any political subdivision of either of the same or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer or the Guarantor (as the case may be) will pay such additional amounts as may be necessary in order that the net amounts receivable by the holders after such withholding or deduction shall equal the respective amounts of principal, and interest, if applicable, which would have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of any requirement to make such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any Note, Receipt or Coupon:

- (i) presented for payment by, or by a third party on behalf of, a holder who (a) would be able to avoid such withholding or deduction by satisfying any statutory requirements or by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority but fails to do so, or (b) is liable to such taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of his having some connection with the above-mentioned taxing jurisdiction of the Issuer (in the case of payments by the Issuer) or the United Kingdom (in the case of payments by the Guarantor) other than the mere holding of such Note, Receipt or Coupon; or
- (ii) where such Note, Receipt or Coupon is presented for payment in the jurisdiction in which the Issuer or the Guarantor is incorporated or resident for tax purposes or in the United Kingdom; or
- (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any law implementing or complying with or introduced in order to conform to any European Union Directive on the taxation of savings income implementing the conclusions of the ECOFIN Council meeting of 26th to 27th November 2000 or any agreement between the European Community and any other jurisdiction providing for equivalent measures; or
- (iv) presented for payment by, or on behalf of, a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or

- (v) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

For this purpose, the “Relevant Date” means the date on which the payment in respect of the Note, Receipt or Coupon first becomes due and payable but, if the full amount of the moneys payable on such date has not been received by the Principal Paying Agent or the Trustee on or prior to such date, the “Relevant Date” means the date on which such moneys shall have been so received and notice to that effect shall have been given to the Noteholders in accordance with Condition 14.

9. Prescription

The Notes and, if applicable, the Receipts and Coupons (which for this purpose shall not include Talons) will become void unless presented for payment within a period of 10 years in the case of principal and five years in the case of interest from the Relevant Date (as defined in Condition 8) relating hereto. The Issuer shall be discharged from its obligation to pay principal on a Registered Note to the extent that the relevant Registered Note certificate has not been surrendered to the Registrar by, or a cheque which has been duly despatched in the Specified Currency remains uncashed at, the end of the period of 10 years from the Relevant Date in respect of such payment. The Issuer shall be discharged from its obligation to pay interest on a Registered Note to the extent that a cheque which has been duly despatched in the Specified Currency remains uncashed at the end of the period of five years from the Relevant Date in respect of such payment. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

10. Events of Default and Enforcement

(a) Events of Default in relation to Senior Notes

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified to its satisfaction), give notice to the Issuer that the Notes are, and they shall accordingly thereby become, immediately due and repayable each at their Early Redemption Amount (determined pursuant to Condition 7(e)) together with accrued interest as provided in Condition 7(j), in any of the following events (“Events of Default”):

- (i) if default is made for a period of seven days or more in the payment of any principal or 14 days or more in the payment of any interest due in respect of the Notes or any of them; or
- (ii) if the Issuer or the Guarantor fails to perform or observe any of its other obligations under the Notes or the Trust Deed and (except where the Trustee considers such failure to be incapable of remedy when no such continuation or notice as is hereinafter referred to will be required) such failure continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer or the Guarantor, as the case may be, of notice requiring the same to be remedied; or
- (iii) if any loan or loans or other indebtedness for borrowed money (which loan or loans or other indebtedness has or have an outstanding principal or aggregate principal amount of at least the Cross Default Amount) of the Issuer, the Guarantor or any Principal Subsidiary becomes or become due and repayable prematurely by reason of an event of default (however described) or the Issuer, the Guarantor or any Principal Subsidiary fails to make any payment in respect thereof on the due date for such payment as extended by any applicable grace period as originally provided or the security for any such loan or loans or other indebtedness for borrowed money becomes enforceable or if default is made by the Issuer, the Guarantor or any Principal Subsidiary in making any payment due under any guarantee given by it in respect of any such loan or loans or other indebtedness for borrowed money of any person having an outstanding principal or aggregate principal amount of at least the Cross Default Amount; or
- (iv) if the Issuer, the Guarantor or any Principal Subsidiary ceases to carry on the whole or a substantial part of its business (save, in the case of the Issuer where it is incorporated in England and Wales, for so long as it remains after such cessation not unable to pay its

debts within the meaning of Section 123 of the Insolvency Act 1986, and save, in each case, for the purposes of a reorganisation on terms approved by the Trustee and save, in the case of a Principal Subsidiary, where such cessation results from a solvent winding up of such Principal Subsidiary and the assets thereof attributable directly or indirectly to the Guarantor are distributed to any one or more of the Issuer, the Guarantor and the other Subsidiaries), or the Issuer, the Guarantor or any Principal Subsidiary stops payment of, or admits inability to pay, its debts as they fall due; or

- (v) if an administrative or other receiver or an administrator or other similar official is appointed in relation to the Issuer, the Guarantor or any Principal Subsidiary or in relation to the whole or a material part of the assets of any of them or an encumbrancer takes possession of the whole or a material part of the assets of any of them, or a distress or execution of other process is levied or enforced upon or sued out against the whole or a material part of the assets of any of them, and, in any of the foregoing cases in relation to a Principal Subsidiary, is not discharged within 30 days; or
- (vi) if an effective resolution is passed or an order is made for the winding up or dissolution of the Issuer or the Guarantor (except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders); or
- (vii) if an order is made or an effective resolution is passed for the winding up or dissolution of any Principal Subsidiary (except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders or a resolution for the solvent winding up of such Principal Subsidiary where the assets thereof attributable directly or indirectly to the Guarantor are distributed to any one or more of the Issuer, the Guarantor and the other Subsidiaries),

Provided that, in the case of any such Event of Default other than those described in paragraphs (i) and (vi) above, the Trustee shall have certified to the Issuer that such Event of Default is, in its opinion, materially prejudicial to the interests of the Noteholders.

For the purpose of this Condition, a “Principal Subsidiary” at any time shall mean a Subsidiary of the Guarantor *inter alia*:

- (i) whose total assets (consolidated in the case of a Subsidiary which itself has subsidiaries) attributable to the Guarantor represent not less than 10 per cent. of the consolidated total assets of the Guarantor and its Subsidiaries attributable to the Guarantor, as calculated by reference to the then latest audited accounts (consolidated or, as the case may be, unconsolidated) of such Subsidiary and the then latest audited consolidated accounts of the Guarantor and its Subsidiaries (or, in each case, if no such accounts have been prepared and audited, calculated as provided in the Trust Deed); or
- (ii) to which is transferred the whole or substantially the whole of the assets and undertaking of a Subsidiary of the Guarantor which immediately prior to such transfer is a Principal Subsidiary,

all as more particularly defined in the Trust Deed. A report by the Auditors (as defined in the Trust Deed) of the Guarantor (whether or not addressed to the Trustee) that in their opinion a Subsidiary of the Guarantor is or is not or was or was not at any particular time a Principal Subsidiary shall, in the absence of manifest error, be conclusive and binding on all parties.

For the purpose of this Condition, “Cross Default Amount” shall mean the greater of: (a) £25,000,000 or its equivalent in any other currency or composite currency; and (b) such amount in sterling as is equal to 1 per cent. of the Adjusted Tangible Net Worth (as defined in the Trust Deed) of the Guarantor and its Subsidiaries or its equivalent in any other currency or composite currency. A certificate by the Auditors of the Guarantor as to the amount of the Cross Default Amount shall, in the absence of manifest error, be conclusive and binding on all parties.

(b) Events of Default and Enforcement in relation to Subordinated Notes

In the case of Subordinated Notes, if the Issuer shall not make any payment in respect of the Notes for a period of 14 days or more after the due date for the same, the Issuer shall be considered to be in default under the Trust Deed, the Notes and the Coupons and the Trustee may, notwithstanding the provisions of this Condition 10(b), institute proceedings in England (but not elsewhere) for the winding-up of the Issuer and/or prove in the winding-up of the Issuer and/or claim

in the liquidation of the Issuer for such payment, provided, however, that the Trustee may only take any such action on or after the failure by the Issuer to make payment as described in this Condition 10(b) but, save as provided, below may take no further or other action to enforce, prove or claim for any such payment. No payment in respect of the Notes, the Coupons or the Trust Deed may be made by the Issuer pursuant to this Condition 10(b), nor will the Trustee accept the same, otherwise than during or after a winding-up of the Issuer, unless the Issuer has given prior written notice (with a copy to the Trustee) to, and received no objection from, the FSA which the Issuer shall confirm in writing to the Trustee.

The Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, the Notes or the Coupons (other than any payment obligation of the Issuer under or arising from the Trust Deed, the Notes or the Coupons) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums relating to the Notes or Coupons sooner than the same would otherwise have been payable by it.

If, otherwise than for the purposes of reconstruction or amalgamation on terms previously approved in writing by the Trustee, an order is made or an effective resolution is passed for the winding-up of the Issuer, the Trustee may at its discretion give notice to the Issuer that the Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount, together with accrued interest as provided in the Trust Deed.

The Trustee shall not be bound to take any of the actions referred to in this Condition 10(b) to enforce the obligations of the Issuer under the Trust Deed, the Notes or the Coupons or any other action under the Trust Deed or the Notes unless (i) it shall have been so requested by an Extraordinary Resolution of the Noteholders or in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured to its satisfaction.

No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or to prove in the winding-up of the Issuer unless the Trustee, having become so bound to proceed or being able to prove in such case winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder, Receiptholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise under this Condition 10(b). Any such proceedings brought by any Noteholder, Receiptholder or Couponholder shall be brought in the name of the Trustee, subject to such Noteholder, Receiptholder or Couponholder indemnifying the Trustee to its satisfaction.

No remedy against the Issuer, other than as referred to in this Condition 10(b), shall be available to the Trustee or the Noteholders, Receiptholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Notes or under the Trust Deed (other than amounts owing in respect of the Trustee's remuneration, costs, expenses and funds due to the Trustee personally).

11. Replacement of Notes, Receipts, Coupons and Talons

Should any Note or, if applicable, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed it may be replaced, in the case of Bearer Notes, Receipts or Coupons, at the specified office of the Principal Paying Agent or, in the case of Registered Notes, at the specified office of the Registrar (or in any case such other place of which notice shall have been given to the Noteholders in accordance with Condition 14) upon payment in any such case by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes or, if applicable, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Agents

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled, subject to the prior written approval of the Trustee, to vary or terminate the appointment of any Agent and/or approve any change in the specified office through which any Agent acts and/or, subject to prior consultation with the Trustee, appoint additional or other Agents, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;

- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Notes) and a Transfer Agent (in the case of Registered Notes) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) there will at all times be a Paying Agent with a specified office in a city approved by the Trustee in continental Europe; and
- (d) so long as any of the Rule 144A Global Notes payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in London.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6(f). Any variation, termination, appointment or change relating to the Notes shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement and the Registry Services Agreement, respectively, the Agents and the Australian Registrar, act solely as agents or, as the case may be, registrars of the Issuer and the Guarantor and, in certain circumstances, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

The Issuer undertakes that, it will ensure that it maintains a Paying Agent with a specified office in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26th to 27th November, 2000 or any law implementing, or complying with, or introduced in order to conform to, any such Directive PROVIDED THAT under no circumstances shall the Issuer be obliged to maintain a Paying Agent with a specified office in such Member State unless at least one European Member State does not require a Paying Agent making payments through a specified office in that Member State to so withhold or deduct tax.

The Issuer also undertakes that if the European Community reaches an agreement with any jurisdiction of the nature referred to in Condition 8(iii), the Issuer will ensure that it maintains a Paying Agent with a specified office in a jurisdiction that will not be obliged to withhold or deduct tax pursuant to that agreement PROVIDED THAT there is at least one such jurisdiction.

13. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Principal Paying Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

14. Notices

All notices regarding the Bearer Notes will be deemed to be validly given if published in one leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to listing. Any such notice will be deemed to have been given on the date of the first publication. If publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

All notices regarding the Registered Notes will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, in addition, for so long as any Registered Notes are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of that stock

exchange or other relevant authority so require, the relevant notice will be published in a daily newspaper of general circulation in the place or places required by the rules of that stock exchange or other relevant authority. In addition, notices regarding Australian Domestic Notes shall also be published in a leading daily newspaper of general circulation in Australia. It is expected that such notices will normally be published in *The Australian Financial Review*. Any such notice will be deemed to have been given on the date of such publication. If the giving of notice as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

The Issuer and the Principal Paying Agent may agree, without the consent of the Trustee, the Noteholders, Receiptholders or Couponholders, to any modification of any of the provisions of any applicable Final Terms which is of a formal, minor or technical nature or is made to correct a manifest error.

The Trustee may also determine, without the consent of the Noteholders, the Receiptholders or the Couponholders, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such if the Trustee is satisfied that so to do will not be materially prejudicial to the interests of the Noteholders.

Subject as provided in the Trust Deed, the Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders, may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to the substitution of (i) the Guarantor or any other person or persons incorporated in any country in the world in place of the Issuer as principal debtor under the Trust Deed, the Deed Poll (where applicable), the Notes and, if applicable, the Receipts and Coupons provided that, except in the case of the substitution of the Guarantor, the obligations of such substitute as principal debtor under the Trust Deed, the Deed Poll (where applicable), the Notes and, if applicable, the Receipts and Coupons shall be guaranteed by the Guarantor in such form as the Trustee may require or (ii) any successor company of the Guarantor in place of the Guarantor as guarantor in respect of the Trust Deed, the Deed Poll (where applicable), the Notes and, if applicable, the Receipts and Coupons. Any such modification, waiver, authorisation, determination, substitution or addition as aforesaid shall be binding on the Noteholders, the Receiptholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification or substitution shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

17. Enforcement

been indemnified to its satisfaction. No Noteholder, Receiptholder or Couponholder shall be entitled to proceed against the Issuer and/or the Guarantor unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

A person who is not a Noteholder has no right by virtue of the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy which exists or is available apart from that Act.
