Under this clearing system cheques are paid in and cleared using an image of the cheque. So if you want a copy of the cheque we will only be able to give you a copy of the imaged cheque.

If you are making a payment by writing a cheque you should always make sure you have sufficient available money in your account to make the payment when you write the cheque as the money could be leave your account as early as the day after you have written the cheque and given it to the recipient.

For more information about cheque clearing cycles see our website or ask in branch.

- **Foreign Currency Cheque deposits** – If you have received a Foreign Currency Cheque, you can pay it into your account using a 'Foreign Cheque Acceptance' form (available by calling us on **0800 731 6666**). To deposit the Foreign Currency Cheque, send it together with the completed form to the address stated on the form. We credit Foreign Currency Cheques to your account in one of two ways:
  - **Negotiation:** Foreign Currency Cheques drawn in Australian dollars, Canadian dollars, New Zealand dollars, or US dollars, drawn in the currency of the drawee country, and up to a sterling equivalent value of £5,000, will normally be cleared by negotiation. Foreign Currency Cheques drawn in euros will also normally be cleared by negotiation if they are drawn on banks in Austria, Belgium, France, Germany, Italy, Luxembourg, the Netherlands, Portugal or Spain. Funds will be made available to your account 6 Working Days after the Foreign Currency Cheque has been received and processed. These funds are credited with recourse and may be debited later if the Foreign Currency Cheque subsequently fails to clear. There are some exceptions to this, such as the first Foreign Currency Cheque that is paid into your account, which will be cleared by collection.
  - **Collection:** All other Foreign Currency Cheques – not drawn in one of the currencies listed above, not drawn in the currency of the drawee country, or in excess of the sterling equivalent of £5,000 – will be cleared by collection. This method of clearance takes longer than negotiation as we wait for the Foreign Currency Cheque to be paid by the drawee bank and can take up to 8 weeks. The timescale will vary depending on the country the Foreign Currency Cheque is clearing in and the bank on which it is drawn.
- The table below shows the fees you will pay for receiving payments into your account.

Description	Fee
International Payments	No charges
CHAPS payments	No charges
Foreign Currency Cheques cleared by negotiation	£10 per cheque
Foreign Currency Cheques cleared by collection	£10 per cheque
Unpaid Foreign Currency Cheque deposit	£5

Please note when receiving payments, other banks may deduct charges from the funds before they reach us. These charges are beyond our control.

## Additional information

### <sup>1</sup> Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

### <sup>2</sup> General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot and Santander Corporate and Commercial Bank. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

### <sup>3</sup> Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

### <sup>4</sup> Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.
