

Santander Connect and Connect Plus

Take control of your banking

Santander Connect is our basic online banking solution. It gives you secure, 24/7 access to your business accounts wherever you are in the world*. View your company's finances at a glance. Move money between your Santander accounts quickly and easily. It's simple and secure.

Connect Plus is our enhanced online banking solution. It's designed for business that need more from their Online Banking. Make payments to third parties and to accounts at other banks. Access extra features to help manage your businesses finances. It's flexible, secure and built for business.

What Connect gives you

- **Real-time account and transaction overview:** View your current, deposit and foreign currency account balances and transactions. There's no limit on how many accounts you can view. Export balance and transaction data in multiple formats to support your reconciliation needs.
- **Inter-account transfers:** Make payments between your Santander sterling and currency accounts. These can be same day or future dated.
- **Mobile app:** Access your accounts on the go. You can securely view your balances, authorise transactions and deposit cheques.
- **Flexible and secure administration:** Personalise your access, with different types of user roles available for your staff. You can even create customised roles.
- **Secure online banking:** Your security is our priority. Our online banking solution has robust security to keep your money safe. You can manage your account online with confidence, knowing we're committed to helping safeguard your business.
- **Dedicated support:** Get specialist support from our online banking help desk.

*Subject to local laws. You're responsible for ensuring compliance with any local legal requirements when using the service outside of the UK and Jersey. Please refer to our Terms and Conditions for further information.

What Connect Plus gives you

- **Enhanced payment services:** Use Connect Plus to make payments to third parties and accounts you hold with other banks. This includes single and bulk CHAPS, BACS and Faster Payments.

Make international payments as well as payments in a wide range of currencies. Please see our list of supported currencies [here](#).

Streamline your payment processes. Our file import facility lets you import payments direct from your own systems. You can also create payment templates and manage beneficiary records.

- **Enhanced administration services:** Create personalised payment limits and controls. Payment authorisation features are also available for greater control.

At a glance

Santander Connect is free and allows you to view your Santander accounts. Connect Plus is our enhanced online banking solution, with fees based on the number of registered accounts.

Exclusive to Connect Plus

- Enhanced payment services.
- Advanced data export facilities.
- Order security devices for users that can't access the app.
- Import payment files from your own accounting software.
- Create customised payment authorisation groups tailored to your business so you can decide if extra security levels are needed.
- Switch on dual administration so administration changes need two levels of approval.

For more information on the benefits of Connect Plus, contact your Relationship Team or visit: santander.co.uk/corporate

Santander can provide literature in alternative formats. The formats are: large print, braille and audio CD. If you'd like to receive correspondence in an alternative format please discuss this with your relationship team. If you are deaf, have hearing loss or speech loss, please use Relay UK at relayuk.bt.com. This is a free service that can help you communicate over the phone. If you're using British Sign Language (BSL) and would like to use video relay, you can learn more at santander.co.uk by searching 'accessibility'.
