

Corporate and Commercial deposits factsheet

We offer a range of flexible deposit solutions in GBP, USD and EUR to support you with your domestic and international needs. The interest rate on these accounts is variable and tracks a reference rate minus a margin. The relevant reference rate and margin for each account is set out in the table below.

If the reference rate applicable to your account goes up or down, the interest rate we pay on your savings will change by the same amount.

GBP summary box					
Account name	Business reserve	Client deposit	Bonus saver	Corporate notice	
Description	Instant access to your money whenever you need it	Helps you separate client money from your own working capital, designated and undesignated options available	Instant access to your money with an additional bonus for each month you don't make a withdrawal	A higher rate of interest with a notice period when you need to make a withdrawal	
What's the interest rate?	2.00% below the Bank of England base rate	2.00% below the Bank of England base rate	1.95% below the Bank of England base rate if no withdrawals in the month, otherwise 2.15% below the Bank of England base rate	35 day notice	1.25% below the Bank of England base rate (1.60% below the Bank of England base rate for funds on notice of withdrawal)
				95 day notice	0.75% below the Bank of England base rate (1.10% below the Bank of England base rate for funds on notice of withdrawal)
				180 day notice	0.60% below the Bank of England base rate (0.95% below the Bank of England base rate for funds on notice of withdrawal)
				365 day notice	0.50% below the Bank of England base rate (0.85% below the Bank of England base rate for funds on notice of withdrawal)
<ul style="list-style-type: none"> ◦ The reference rate for these accounts is the Bank of England base rate. To monitor the Bank of England base rate visit bankofengland.co.uk. Bank of England base rate as at 1 January 2025 is 4.75%. This means if the Bank of England base rate is 4.75% and the margin is -2.00%, the interest rate will be 2.75% ◦ In all cases interest is calculated daily and applied monthly ◦ The interest rate earned will apply to the whole balance in your account ◦ The interest rate may go up or down, this means we may pay no interest on your account. The interest rate will never become negative which means we won't charge you for holding funds in your account.
