Spendlytics is available to all personal Santander debit card users and main credit cardholders. It is not available for additional credit cardholders or Business Banking customers.

Please note, the screen images displayed may vary slightly depending on the phone/device used.

Spendlytics – what can it do?

1. **Overview Screen**
   Breaks down your card spend into useful categories so you can easily see where you spend your money.
2. Trend Screen
Allows you to discover at a glance, how your spending behaviour changes over time.

3. Details Screen
Shows all transactions for a selected time period by brand or date.

Getting started

1. Log on to Spendlytics using your existing Online and Mobile Banking log on details.

To use Spendlytics you must have logged onto Online Banking at least once first, to be able to use your details to log on to Spendlytics
2. Once logged on to Spendlytics, Apple users will have the option to activate Touch ID. This means future log ons to Spendlytics can be done easily using your fingerprint.

Android users should continue to log on to Spendlytics using their Online / Mobile Banking details.

3. Choose which card you'd like to view your spend on – either an individual card or all cards combined.
